

Chairman Wiggam, Vice Chairwoman John, Ranking Member Representative Kelly,  
and Members of the State and Local Government Committee,

Thank you for allowing me to testify today. My name is Nicole Rothstein and I am  
a mother of three school-aged children in Solon, Ohio. I strongly oppose HB 322.

I oppose this bill because it denies students, families, and educators of a quality-  
education. Instead, this bill promotes an incomplete, inadequate, reductive  
education – neglecting intellectual curiosity and closing minds rather than  
expanding them.

Sadly, HB 322 creates distrust among students, families, teachers, and local  
communities.

I ask you to strongly consider my testimony opposing or supporting HB 322 and  
vote NO.

Thank you, again, for the opportunity to testify. I would be happy to answer any  
additional questions or provide input as needed.

Respectfully submitted,

Nicole Rothstein, njross0503@gmail.com
