

Testimony of Kathryn Reed in support of HJR 1

Chairman Wiggam, Vice Chairwoman John, Ranking Member Kelly, and members of the Committee:
I am Kathryn Reed of House District 7 in Strongsville and I thank you for this opportunity to share my support of HJR 1.

We have serious problems at the federal level and an Article V Convention of States provides a solution as a way for us to turn off the federal money printing machine that has brought our country to a point of financial ruin. We must use this opportunity to put a stop to federal overreach and save our Country before it is too late. Unfortunately, we have been operating in ways that our founding fathers did not intend.

The actual power of our government belongs in the hands of the States and We The People. It is time to honor the wishes of our citizens and give our country hope for the future.

Thank you for your service to Ohio and for your consideration of HJR 1
