

To Rep. Wiggam, Chair; Rep. John, Vice Chair; Rep. Kelly, Ranking Member; and members of the State and Local Government Committee:
YOU ARE BEING LIED TO! AN ARTICLE V CONVENTION WILL MOST LIKELY RESULT IN A NEW CONSTITUTION.

Here's an illustration of one of the proposed new Constitutions which could be substituted for the one we have: Mark Meckler's "COS" group has promised for years that nothing can possibly come out of an Article V Convention except proposed Amendments to our existing Constitution; and that these proposed amendments will "limit the power and jurisdiction of the federal government". But a Member of Meckler's "COS" Legal Advisory Board has already co-authored a NEW Constitution which grants massive NEW powers to the NEW federal government AND imposes gun control! Read about it [HERE](#). No matter what the ostensible purpose of a convention is, a new Constitution (with its own mode of ratification) can be imposed. **THIS IS NOT ANYTHING I WANT, AND DON'T THINK YOU DO EITHER!**

This issue not only affects Ohio, but impacts Our entire Country!

Respectfully,
