

I have been a host for one year and this helps to supplement my income! I host in a small tourist town and finding a room in town is difficult! My guest have been so happy to stay at my Airbnb and I'm a 5 star host. My guest are looking forward to returning. This would devastate Ohio if short term lodging and Airbnb's would not be able to operate! Please keep Airbnb's functioning for the continued growth of Ohio. Thank you.

Sincerely,
Donald Hoss
