

I started AIRBNB in August, 2014 as a long-range retirement plan from the practice of law and I have welcomed folks from all over the globe to Akron, Ohio.

I have enjoyed hosting so much, plus the additional income that funds my vacations (all reported to IRS), and will continue to host AIRBNB guests provided I remain healthy.

I am an excellent good will ambassador for Akron, Ohio, and the United States of America.

I hope the Ohio legislature will not eliminate my ability to host folks from all over the globe because I enjoy it immensely.

Sincerely,
Shirley Simon
