Chairman Kick, Ranking Member O'Brien and members of the House Finance Sub-Committee  
on Agriculture, Development and Natural Resources,

My name is Darla King, and I am the President & Owner of King Business Interiors, Inc. King  
has been in existence for 23 years and we have supported growing women-owned companies like  
ours. I appreciate the opportunity to testify in support of the women-owned business loan fund  
as contained in House Bill 110, which would provide \$10 million over the biennium for small  
loans to women-owned businesses in Ohio.

Women-owned companies represent so many different fields and occupations. It is important to  
support these efforts for our economy, especially after the year we just had in 2020! I just want  
to say thank you for Governor DeWine and Director Mihalik for recognizing the need to provide  
support to women businesses.

Thank you for the opportunity to provide testimony in support of this important program. I urge  
your support and favorable vote for the full \$10 million women-owned business loan fund as  
proposed in the executive budget.

Sincerely,

*Darla J. King*
