

Chairman Baldrige, Vice Chair McClain, Ranking Member Sheehy, and members of the House Transportation Committee: I appreciate the opportunity to offer proponent testimony on House Bill 31. The following pictures were taken by Donna Dooley on 12/4/2020 at Giant Eagle parking lot in Parma, Ohio. Donna's daughter, Sarah, is a quadriplegic and is non-verbal. She uses a power wheelchair and steers with her head. They are constantly battling parking violations and often ignored when they present violations to authorities. I am submitting this on their behalf. We respectfully ask for your support of this legislation. Thank you all for your time and I am happy to answer any questions at this time.

Best,

Chris Garr, CEO, Youth Challenge
