**House Bill 394 Sponsor Testimony**  
**House Transportation and Public Safety Committee**  
**December 7, 2021**

Chairman Baldrige, Vice Chairman McClain, Ranking Member Sheehy and members of the House Transportation and Public Safety Committee, thank you for the opportunity to speak on House Bill 394.

This legislation would create the Stephen T. Badin High School license plate. This license plate would allow alumni and their community the ability to show their support for their school. The high school has a great following and allowing the option for license plates is another way people can offer support.

Proceeds from the registration and renewal registration fees, \$30.00, would be deposited into each school's general fund, allowing the school to use the monies in the best way they see it.

Thank you for allowing me to offer sponsor testimony on House Bill 394 and I would be happy to answer any questions.
