

I am humbled to support the above bill to honor Sgt. Lannon. I had the privilege of befriending him in high school, and as an Army Ranger Medic he represented what is best in all of us; service before self. He strongly believed in the ideals of our country, and he gave his life in service to those ideals. I ask this committee to give favorable consideration to this bill; it is a fitting way honor Sgt. Lannon's life and his service to our country.  
Thank you.
