

21-18-21

I, Jerry Primmer, am the Treasurer of the American Prisoners of War for the state of Ohio and operate out of Fairfield County. Due to COVID, we did not receive as much money this year as the previous year. I thank you for your support of the Prisoners of War Organization. I would like to request additional funds to be granted to us, if possible, so we can continue to support the many Veteran Organizations that depend on us.
