

STATE OF OHIO

Executive Department

OFFICE OF THE GOVERNOR

Columbus

I, Mike DeWine, Governor of the State of Ohio, do hereby appoint Linda S. Bailiff, from Granville, Licking County, Ohio, as a Director of the Ohio Public Works Commission for a new term beginning March 19, 2021 and ending at the close of business March 18, 2025, replacing Linda S. Bailiff, whose term expired.

IN WITNESS WHEREOF, I have hereunto subscribed my name and caused the Great Seal of the State of Ohio to be affixed, at Columbus, this 3rd day of March in the year of our Lord, Two Thousand and Twenty One.

Mike DeWine

Mike DeWine
Governor

Linda S. Bailiff
1876 Jones Road
Granville, Ohio 43023

PUBLIC SECTOR ADMINISTRATOR
Transportation Industry | Infrastructure | Policy Development

Self-motivated professional with 30 years of public sector experience concentrated in the Transportation Industry. Versed in local government capital infrastructure including project development; contractual agreements; Federal-aid and state funding; and federal and state laws and regulations. Strong research, written and verbal communication skills demonstrated in written policies, procedures, guidance, and correspondence, and in various presentations directed to local government officials, consulting engineers, and nonprofit organizations. Unwavering ethics combined with a commitment to customer service, process improvements, and organizational objectives.

CORE SKILL AREAS:

- Managerial | Team Leadership
- Policy & Procedure Development & Implementation
- Process Improvements
- Written & Verbal Communication
- Customer Service
- Government Relations
- Contractual Agreements
- Public Speaking
- Compliance Matters

PROFESSIONAL EXPERIENCE

OHIO PUBLIC WORKS COMMISSION
Program Administrator

December 2007 – Present

Function as the Program Administrator with purview over OPWC's infrastructure and conservation greenspace programs providing policy input to Director. Responsible for control procedures and process improvements to meet agency objectives including incorporation of modern business practices with development of a web portal and new web site; and draft organization's written materials for web site, contractual agreements, applications, forms, administrative rules, policies and various guidance materials. Provide direct supervision to Program Representatives including direction on project and policy related issues. Review and approve requests for infrastructure funding, project agreements and project disbursements. Review and evaluate proposals for financial assistance and monitor approved public works projects for districts from implementation through completion. Provide technical assistance and management oversight for District Public Works Integrating Committees, Natural Resource Assistance Councils, and recipient local governments and other interested parties. As Administrator of the Ohio Small Government Capital Improvements Commission, spearheaded overhaul of project selection methodology to bring objectivity and transparency. Review and score project proposals and make recommendations to Commission, with responsibility for all written materials and communications.

OHIO DEPARTMENT OF TRANSPORTATION
Administrator, Office of Local Projects (March 2000 – December 2007)

August 1997 – December 2007

Accountable for the annual delivery of 185 projects totaling \$200 million in Federal-aid transportation infrastructure projects sold and administered by Local Public Agencies (LPAs). As Administrator of a new office, a one-stop shop for local governments, oversaw team development of policies and standard operating procedures guiding LPAs and department personnel from project initiation through construction inspection. Reviewed and interpreted federal and state laws, regulations and requirements and applied to project processes to ensure regulatory compliance. Drafted department agreements with internal legal counsel and reviewed LPA contractual documents. Oversaw the selection and award of over \$50 million in federally- and state-funded projects for local governments, as well as managed \$300 million in federal earmarks and discretionary program awards. Managed and provided direction to professional staff responsible for project selection and delivery, and for addressing matters and inquiries of district and governmental staff.
