

I am an Ohio resident and am outraged with the egregious tyranny and lies of the Governor DeWine's mandates! Governor DeWine, The CDC, etc. are not my lord or boss. The irrational and arbitrary mandates are absolutely crimes against humanity and are blatantly intended to destroy individuals' rights, liberty and freedom! They have no right to do what they are doing. All Governor DeWine's mandates are illegal and unconstitutional! He should be imprisoned at the very least for what he is doing! Please vote, "YES!" on Bill SB22.
