

I am testifying today in favor of SB22 as an Ohio resident deeply concerned about courses of action being taken under the current emergency powers and the dire affects it is having on all of us.

The bill restores the balance of power to where it should be, between the three COEQUAL branches of government, and finally gives a VOICE to the people of Ohio via their legislators during a declared emergency.

Our business, our economy, our social and emotional well-being and the future of our children is on the line. Our State cannot thrive under the continued oppressive and unopposed orders of our over-reaching Governor.
