

Chairman Roegner, Vice Chairman McColley, Ranking Member Craig, and members of the State and Local Government Committee, I have been deeply affected by the governor's unconstitutional and anti-freedom orders and mandates. I feel that he has abused his powers, and that he, as well as the Health Department, need to be reigned in. I ask you to please stand up and protect our personal liberties and the future of our state by voting YES on SB22. Thank you very much.
