

“Chairman Roegner, Vice Chairman McColley, Ranking Member Craig, and members of the State and Local Government Committee:

I am testifying today in favor of SB22. As an Ohio resident I am deeply concerned with the governor's abuse of power under the guise of the state of emergency declarations and his tyrannical use of the "ultimate authority" provided to the Ohio Health department under ORC 3701.13. And the dire effects his abuse of power is having on all of Ohio residents and businesses.

This bill restores the balance of power to where it should be, between the three, COEQUAL branches of government, and finally gives a VOICE to the PEOPLE of Ohio via their legislators during a declared emergency.

Our businesses, our economy, our social and emotional well-being and the future of our children is on the line. Our state cannot thrive under the continued oppressive and unopposed orders of our over-reaching Governor.

Please stand up and protect our personal liberties and the future of our state by voting YES on SB22!

Thank you,

Randy Wynett
