

Chair Roegner. Vice Chair McColley ranking member Craig , and the honored members of the government oversight and reform committee.

I am writing this testimony to please ask you vote yes on SB 22. Living under Gov Dewines unconstitutional mandates this past almost year has been devastating both mentally and financially. I am under doctor care for anxiety and depression and wearing a mask is near impossible. The governor has everyone so terrified a non mask wearer can barely leave the house. People are angry and hostile. Not to mention depressed. Pks vote yes. Thank you, Catherine Cumpson
