

Chair Roegner, Vice Chair McColley, Ranking Member Craig, and the honored members of the government oversight and reform committee,

My name is Andrea Perhai. I believe you need to vote Yes on SB22 because it is inappropriate for the executive branch to make health-care decisions without significant input of the legislature. Voting Yes on this bill would restore a balance of power in these matters. I have felt the strain of the last year as the governor (and his branch) have made decisions that broadly affect all of Ohio, without considering the unique facets and needs of my local community. Please bring back our representation!

Sincerely,
Andrea Perhai
