

Chair Roegner, Vice Chair McColley, Ranking Member Craig, and the honored members of the government oversight and reform committee,

My name is Amanda Brindley and I am deeply concerned about the government overreach and unconstitutional mandates being forced on us by Governor Dewine. Please restore balance within our government and represent us. Make informed decisions and keep the governor accountable for making decisions based on well represented data. The "solution" to a virus that has a 99.9% recovery rate is far worse than the disease. Support SB22 and restore checks and balances and our freedoms to gather, run businesses as we wish, and to breathe freely.

We are counting on you to support our constitutional rights and freedoms.

Please vote YES on SB22!

Thank you,
Amanda Brindley
