

Chair Roegner, Vice Chair McColley, Ranking Member Craig, and the Honored members of the Government Oversight and Reform Committee

I would like to see balance put back into our state government. I don't feel like a one man show is helping our state in any way! Our family and others around of us have suffered because of this. I could go on and on about the consequences that Governor Mike De Wine has caused. But I think you should already have a good idea about all of that. I am in support of SB22 to bring balance and the voice of the people back to the state!

Thank you for you time
