

Senator, Chair of the government oversight and reform committee, I am writing to encourage your support for SB 22. I have read the bill and watched the presentation of this bill last week via the internet.

I have great concerns for the governor's overreach of power that has no safeguards with regards to the balance of powers. I agree with this piece of legislation and needs your support.

Because of the recent overreach of power, my freedoms as a citizen of Ohio have been infringed upon, fear has gripped the heart of many of the citizens of Ohio and as a pastors, has restricted my ability to minister to those in the hospital and in nursing homes. I don't believe this was the intent of the governor, but the lack input from the legislative branch and balance of powers had cause an undue burden on the citizenry of Ohio.

So I urge you to vote in favor of this legislation, SM22.

Respectfully,
Joe
