Professional Summary

Professional nurse with 10 years experience in a wide variety of settings. Excellent people skills and a dedicated work ethic. I am professional and hardworking with attention to detail. I am an advocate for my patients and their families, and develop a trusting relationship with each patient and family member. I have excellent communication skills, and am very comfortable contacting physicians, specialists, family members, or other required communications.

I have an abundance of clinical experience to draw from, but I am never afraid to ask the right questions to ensure that my patients get the care they deserve.
