

My name is Anton Parks Sr. I experienced a terrible situation where high bill in 2017 when someone came to my home to attack my son in a resort it in a high bill they did not match the crime or the financial state that I was in . Instead of a bill that was sensible and will allow me to keep my housing, son, and resources to live, I was healed 93 days in May to make a plea against my better judgment due to the medical treatment, physical treatment, a loss as I was taking while waiting for them to figure out that someone came to my home to hurt my son and myself and I simply defend my home and call law-enforcement.
