Dear Chairwoman Gavarone, Vice Chair O'Brien, Ranking Member Maharath, and members of the Senate Local Government and Elections Committee,

Thank you for allowing me to testify today. My name is Jason Miller and I am a Toledo, Ohio native. I am here to testify for fair maps and equal districts for all Ohioans but especially Toledoans and those from Northwest Ohio.

Toledo should not be broken up on any map, as it is the fourth largest city in the state. As usual Northwest Ohio gets treated unfairly in favor of the "3 C's." Ultimately, all of Lucas County should also be kept whole.

I ask you to consider my testimony carefully. Do not settle for anything less than a fair, representative map for all Ohioans. Thank you again for the opportunity to testify.
