Please provide a brief statement on your position: Regular Ohioans like me voted in favor of Issue 1 to end political gerrymandering because we understood that fairness, competitive races, accountability, and representation would put our state on the right track to being a place where everyone can thrive, not just the people who have an inside connection to the powerful in the statehouse. I'm here for them. To say how sick I feel that you would show such contempt for 75% of Ohioans who value what's right and fair.
