Thank you for considering my concerns raised in opposition to House Bill 151 and Senate Bill 132, the Save Women's Sports Act. This dangerous legislation targets an already vulnerable group of Ohio youth and denies them the often life saving opportunity to participate in sports.

Policies already exist to ensure that sports are fair and accessible to all. We should not ban children from playing sports because they are transgender. This legislation is harmful and unnecessary, don't dehumanize trans youth!

I urge you to oppose HB151 and SB132 and protect our state's athletes.
