Thank you for considering my concerns raised in opposition to House Bill 151 and Senate Bill 132, the Save Women's Sports Act. This dangerous legislation targets an already vulnerable group of Ohio youth and denies them the often life saving opportunity to participate in sports.

Being able to give people the opportunity to achieve greatness is so important. Having their gender be what holds them back because of society's way of thinking is unacceptable. Everyone deserves an opportunity to achieve their dreams. Have the opportunity to be part of a team. Have the chance to prove themselves in the way they want to such as sports. It should be important that we as a nation prove ourselves to be great and achieve greatness. Give everyone, trans and cis individuals alike.

I urge you to oppose HB151 and SB132 and protect our state's athletes.
