Thank you for considering my concerns raised in opposition to House Bill 151 and Senate Bill 132, the Save Women's Sports Act. This dangerous legislation targets an already vulnerable group of Ohio youth and denies them the often life saving opportunity to participate in sports.

Transgender kids deserve to play sports just as much as cisgender kids do. They shouldn't be discriminated against simply because of their gender. Kids can learn a lot of lessons in sports, so why shouldn't trans kids be allowed to learn and participate as well? Everyone should be allowed to become an athlete.

I urge you to oppose HB151 and SB132 and protect our state's athletes.
