Thank you for considering my concerns raised in opposition to House Bill 151 and Senate Bill 132, the Save Women's Sports Act. This dangerous legislation targets an already vulnerable group of Ohio youth and denies them the often life saving opportunity to participate in sports.

I strongly oppose this new legislation and feel that its goal is to dehumanize transgender CHILDREN.. Policies already exist to ensure that sports are fair and accessible to everyone; transgender youth will be denied important experiences and lessons that sports provide, such as leadership, confidence, self-discipline, etc.

This legislation will deny transgender children their fundamental rights. Honestly, all of you should be ashamed of yourselves.

I urge you to oppose HB151 and SB132 and protect our state's athletes.
