

Lauren Altemare

Thank you for considering my concerns raised in opposition to House Bill 151 and Senate Bill 132, the Save Women's Sports Act. This dangerous legislation targets an already vulnerable group of Ohio youth and denies them the often life saving opportunity to participate in sports.

Trans people should be able to participate in any sport they want to and banning them from doing so is discrimination. These kids simply want to have access to something that teaches them leadership, teamwork, and inclusion, all while keeping them active. Trans rights are human rights and banning trans children from participating in sports is a violation of those rights.

I urge you to oppose HB151 and SB132 and protect our state's athletes.
