Thank you for considering my concerns raised in opposition to House Bill 151 and Senate Bill 132, the Save Women's Sports Act. This dangerous legislation targets an already vulnerable group of Ohio youth and denies them the often life saving opportunity to participate in sports.

I believe that kids should be able to play the sports that they want to. Children learn many things from sports such as leadership, self-respect, and how to respect others. Many children use sports as an outlet to be with those who make them feel respected, and at home. I think taking that away from transgender children is crude and uncaring.

I urge you to oppose HB151 and SB132 and protect our state's athletes.
