Thank you for considering my concerns raised in opposition to House Bill 151 and Senate Bill 132, the Save Women's Sports Act. This dangerous legislation targets an already vulnerable group of Ohio youth and denies them the often life saving opportunity to participate in sports.

School sports receive state funding because Ohio knows how valuable and fun sports are for kids. All Ohio kids should have the chance to participate in sports activities. It is immoral and disturbing to ban certain kids from sports solely on account of the state's "gender" (genital, really) parameters. I ran cross country in middle school and would be horrified if myself or a classmate ended up barred from sports due to such a disturbing and arbitrary rule.

I urge you to oppose HB151 and SB132 and protect our state's athletes.
