

Emilee Bachman

Thank you for considering my concerns raised in opposition to House Bill 151 and Senate Bill 132, the Save Women's Sports Act. This dangerous legislation targets an already vulnerable group of Ohio youth and denies them the often life saving opportunity to participate in sports.

I urge you to stop the Trans Athlete Ban. Transgender youth should not be excluded from an enriching experience simply because of their gender. A trans child is still a child and should be able to participate in sports if they want to, especially since sports can offer lessons of discipline and teamwork. There is no reason that elected officials should see a child playing on a sports team as a threat.

I urge you to oppose HB151 and SB132 and protect our state's athletes.
