Thank you for considering my concerns raised in opposition to House Bill 151 and Senate Bill 132, the Save Women's Sports Act. This dangerous legislation targets an already vulnerable group of Ohio youth and denies them the often life saving opportunity to participate in sports.

I strongly urge you to consider how this will affect trans kids. Children. We already know that talent and differences are something we celebrate in sports, like with Michael Phelps, and there is no reason to discriminate against these children for differences. Thank you for your time.

I urge you to oppose HB151 and SB132 and protect our state's athletes.
