Thank you for considering my concerns raised in opposition to House Bill 151 and Senate Bill 132, the Save Women's Sports Act. This dangerous legislation targets an already vulnerable group of Ohio youth and denies them the often life saving opportunity to participate in sports.

This bill is a disgrace. It opens the door for transgender youth to be further discriminated against and othered for their gender identity. There is no epidemic of trans athletes dominating school sports. This bill is pointless and it is dangerous. Leave our transgender children alone.

I urge you to oppose HB151 and SB132 and protect our state's athletes.
