Michael M. Waleryszak
President
Crescent Manufacturing Company

Biography:

I am a graduate of Youngstown State University. I obtained a Bachelor's degree in Accounting and Finance with minors in Economics, Management and Social Sciences.

After graduating Youngstown State University, I began my career at Arthur Young & Company which was a big eight accounting firm. While there I obtained experience in auditing, federal and state taxation and acquisitions. I spent seven years at Arthur Young and then went to work at Crescent Manufacturing Company in Fremont, Ohio.

My position at Crescent began as the Chief Financial Officer. After four years with the company, I initiated the purchase of the company along with three other management members in 1990. From that point on we began to grow the company and we are now known as a premiere manufacturer of specialty razor blades in the world. In 1998 I became the company president and in 2014 I purchased the company from the remaining stockholders. I have served as the president ever since.

During my time in Fremont, Ohio I have worked with the St. Joe Central Catholic High School assisting in their fund-raising efforts, served as president of the Fremont Country Club in 1998 and joined the Board of Trustees at Terra State Community College. I am currently serving as the Vice Chair.

I am very community oriented and take great pride in my involvement at Terra State Community College. My goal is simple. To make this College a premiere educational facility concentrating on the development of skilled trade and other programs. ✓
