and one-half per cent per year. The findings and certification 107
of the superintendent shall be conclusive. 108

are necessary to remove or prevent health or safety hazards. 137

(b) Existing fiscal and net indebtedness limitations make 138
adequate replacement, additions, or improvements impossible. 139

(2) Upon the declaration of an emergency, the board of 140
education may, by resolution, submit to the electors of the 141
district pursuant to section 133.18 of the Revised Code the 142

(4) Notwithstanding division (B) of section 133.21 of the 166
Revised Code, the first principal payment of securities issued 167
under this division may be set at any date not later than sixty 168
months after the earliest possible principal payment otherwise 169
provided for in that division. 170

(G) (1) The board of education may contract with an 171
architect, professional engineer, or other person experienced in 172
the design and implementation of energy conservation measures 173
for an analysis and recommendations pertaining to installations, 174
modifications of installations, or remodeling that would 175
significantly reduce energy consumption in buildings owned by 176
the district. The report shall include estimates of all costs of 177
such installations, modifications, or remodeling, including 178
costs of design, engineering, installation, maintenance, 179
repairs, measurement and verification of energy savings, and 180

consumption data for the preceding twelve months, and estimates 186
of the amounts by which energy consumption and resultant 187
operational and maintenance costs, as defined by the commission, 188
would be reduced. 189

If the board finds after receiving the report that the 190

amount of money the district would spend on such installations, 191
modifications, or remodeling is not likely to exceed the amount 192
of money it would save in energy and resultant operational and 193
maintenance costs over the ensuing fifteen years, the board may 194
submit to the commission a copy of its findings and a request 195
for approval to incur indebtedness to finance the making or 196
modification of installations or the remodeling of buildings for 197
the purpose of significantly reducing energy consumption. 198

The facilities construction commission, in consultation 199
with the auditor of state, may deny a request under division (G) 200
(1) of this section by the board of education of any school 201
district that is in a state of fiscal watch pursuant to division 202

that the expenditure of funds is not in the best interest of the 204
school district. 205

No district board of education of a school district that 206
is in a state of fiscal emergency pursuant to division (B) of 207
section 3316.03 of the Revised Code shall submit a request 208
without submitting evidence that the installations, 209
modifications, or remodeling have been approved by the 210
district's financial planning and supervision commission 211
established under section 3316.05 of the Revised Code. 212

~~No board of education of a school district for which an 213
academic distress commission has been established under section 214
3302.10 of the Revised Code shall submit a request without first 215
receiving approval to incur indebtedness from the district's 216
academic distress commission established under that section, for 217
so long as such commission continues to be required for the 218
district. 219~~

(2) The board of education may contract with a person 220

experienced in the implementation of student transportation to 221
produce a report that includes an analysis of and 222
recommendations for the use of alternative fuel vehicles by 223
school districts. The report shall include cost estimates 224
detailing the return on investment over the life of the 225
alternative fuel vehicles and environmental impact of 226
alternative fuel vehicles. The report also shall include 227
estimates of all costs associated with alternative fuel 228
transportation, including facility modifications and vehicle 229
purchase costs or conversion costs. 230

If the board finds after receiving the report that the 231
amount of money the district would spend on purchasing 232
alternative fuel vehicles or vehicle conversion is not likely to 233
exceed the amount of money it would save in fuel and resultant 234
operational and maintenance costs over the ensuing five years, 235
the board may submit to the commission a copy of its findings 236
and a request for approval to incur indebtedness to finance the 237
purchase of new alternative fuel vehicles or vehicle conversions 238
for the purpose of reducing fuel costs. 239

The facilities construction commission, in consultation 240
with the auditor of state, may deny a request under division (G) 241
(2) of this section by the board of education of any school 242
district that is in a state of fiscal watch pursuant to division 243
(A) of section 3316.03 of the Revised Code, if it determines 244
that the expenditure of funds is not in the best interest of the 245
school district. 246

No district board of education of a school district that 247
is in a state of fiscal emergency pursuant to division (B) of 248
section 3316.03 of the Revised Code shall submit a request 249
without submitting evidence that the purchase or conversion of 250

alternative fuel vehicles has been approved by the district's 251
financial planning and supervision commission established under 252
section 3316.05 of the Revised Code. 253

~~No board of education of a school district for which an 254
academic distress commission has been established under section 255
3302.10 of the Revised Code shall submit a request without first 256
receiving approval to incur indebtedness from the district's 257
academic distress commission established under that section, for 258
so long as such commission continues to be required for the 259
district. 260~~

(3) The facilities construction commission shall approve 261
the board's request provided that the following conditions are 262
satisfied: 263

(a) The commission determines that the board's findings 264
are reasonable. 265

(b) The request for approval is complete. 266

(c) If the request was submitted under division (G) (1) of 267
this section, the installations, modifications, or remodeling 268
are consistent with any project to construct or acquire 269
classroom facilities, or to reconstruct or make additions to 270
existing classroom facilities under sections 3318.01 to 3318.20 271
or sections 3318.40 to 3318.45 of the Revised Code. 272

Upon receipt of the commission's approval, the district 273
may issue securities without a vote of the electors in a 274
principal amount not to exceed nine-tenths of one per cent of 275
its tax valuation for the purpose specified in division (G) (1) 276
or (2) of this section, but the total net indebtedness of the 277
district without a vote of the electors incurred under this and 278
all other sections of the Revised Code, except section 3318.052 279

of the Revised Code, shall not exceed one per cent of the 280
district's tax valuation. 281

(4) (a) So long as any securities issued under division (G) 282
(1) of this section remain outstanding, the board of education 283
shall monitor the energy consumption and resultant operational 284
and maintenance costs of buildings in which installations or 285
modifications have been made or remodeling has been done 286
pursuant to that division. Except as provided in division (G) (4) 287
(b) of this section, the board shall maintain and annually 288
update a report in a form and manner prescribed by the 289
facilities construction commission documenting the reductions in 290
energy consumption and resultant operational and maintenance 291
cost savings attributable to such installations, modifications, 292
or remodeling. The resultant operational and maintenance cost 293
savings shall be certified by the school district treasurer. The 294
report shall be submitted annually to the commission. 295

(b) If the facilities construction commission verifies 296
that the certified annual reports submitted to the commission by 297
a board of education under division (G) (4) (a) of this section 298
fulfill the guarantee required under division (B) of section 299
3313.372 of the Revised Code for three consecutive years, the 300
board of education shall no longer be subject to the annual 301
reporting requirements of division (G) (4) (a) of this section. 302

(5) So long as any securities issued under division (G) (2) 303
of this section remain outstanding, the board of education shall 304
monitor the purchase of new alternative fuel vehicles or vehicle 305
conversions pursuant to that division. The board shall maintain 306
and annually update a report in a form and manner prescribed by 307
the facilities construction commission documenting the purchase 308
of new alternative fuel vehicles or vehicle conversions, the 309

associated environmental impact, and return on investment. The 310
resultant fuel and operational and maintenance cost savings 311
shall be certified by the school district treasurer. The report 312
shall be submitted annually to the commission. 313

(H) With the consent of the superintendent of public 314
instruction, a school district may incur without a vote of the 315
electors net indebtedness that exceeds the amounts stated in 316

of public instruction; 334

(2) The fiscal officer of the school district certifies, 335
and the taxing authority of the district confirms, that the 336
district, at the time of the certification and confirmation, 337
reasonably expects to have sufficient revenue available for the 338
purpose of operating such permanent improvements for their 339

intended purpose upon acquisition or completion thereof, and the 340
superintendent of public instruction approves the taxing 341
authority's confirmation. 342

The maximum maturity of securities issued under division 343
(H) of this section shall be the lesser of twenty years or the 344
maximum maturity calculated under section 133.20 of the Revised 345

(I) A school district may incur net indebtedness by the 347
issuance of securities in accordance with the provisions of this 348
chapter in excess of the limit specified in division (B) or (C) 349
of this section when necessary to raise the school district 350
portion of the basic project cost and any additional funds 351
necessary to participate in a project under Chapter 3318. of the 352
Revised Code, including the cost of items designated by the 353
facilities construction commission as required locally funded 354
initiatives, the cost of other locally funded initiatives in an 355

portion of the basic project cost, and the cost for site 357
acquisition. The commission shall notify the superintendent of 358
public instruction whenever a school district will exceed either 359
limit pursuant to this division. 360

(J) A school district whose portion of the basic project 361

net indebtedness in an amount up to two per cent of its tax 365
valuation through the issuance of general obligation securities 366

project under section 3318.04 of the Revised Code. The school 370
district board and the Ohio facilities construction commission 371

matriculate into that school, by the thirty-first day of 454
December of any school year in which the school is subject to 455
this section, sign and file with the school district treasurer a 456
petition requesting the district board of education to implement 457
one of the following reforms in the school, and if the validity 458
and sufficiency of the petition is certified in accordance with 459

division (C) of this section, the board shall implement the 460
requested reform in the next school year: 461

(1) Reopen the school as a community school under Chapter 462
3314. of the Revised Code; 463

(2) Replace at least seventy per cent of the school's 464
personnel who are related to the school's poor academic 465
performance or, at the request of the petitioners, retain not 466
more than thirty per cent of the personnel; 467

(3) Contract with another school district or a nonprofit 468
or for-profit entity with a demonstrated record of effectiveness 469
to operate the school; 470

(4) Turn operation of the school over to the department; 471

(5) Any other major restructuring of the school that makes 472
fundamental reforms in the school's staffing or governance. 473

(C) Not later than thirty days after receipt of a petition 474
under division (B) of this section, the district treasurer shall 475
verify the validity and sufficiency of the signatures on the 476
petition and certify to the district board whether the petition 477
contains the necessary number of valid signatures to require the 478
board to implement the reform requested by the petitioners. If 479
the treasurer certifies to the district board that the petition 480
does not contain the necessary number of valid signatures, any 481
person who signed the petition may file an appeal with the 482
county auditor within ten days after the certification. Not 483
later than thirty days after the filing of an appeal, the county 484
auditor shall conduct an independent verification of the 485
validity and sufficiency of the signatures on the petition and 486
certify to the district board whether the petition contains the 487
necessary number of valid signatures to require the board to 488

implement the requested reform. If the treasurer or county auditor certifies that the petition contains the necessary number of valid signatures, the district board shall notify the superintendent of public instruction and the state board of education of the certification.

(D) The district board shall not implement the reform requested by the petitioners in any of the following circumstances:

(1) The district board has determined that the request is for reasons other than improving student academic achievement or student safety.

(2) The state superintendent has determined that implementation of the requested reform would not comply with the model of differentiated accountability described in section 3302.041 of the Revised Code.

(3) The petitioners have requested the district board to implement the reform described in division (B)(4) of this section and the department has not agreed to take over the school's operation.

(4) When all of the following have occurred:

(a) After a public hearing on the matter, the district board issued a written statement explaining the reasons that it is unable to implement the requested reform and agreeing to implement one of the other reforms described in division (B) of this section.

(b) The district board submitted its written statement to the state superintendent and the state board along with evidence showing how the alternative reform the district board has agreed to implement will enable the school to improve its academic

performance.	518
(c) Both the state superintendent and the state board have approved implementation of the alternative reform.	519 520
(E) If the provisions of this section conflict in any way with the requirements of federal law, federal law shall prevail over the provisions of this section.	521 522 523
(F) If a school is restructured under this section <u>or</u> section 3302.10 or 3302.12 of the Revised Code, or federal law, the school shall not be required to restructure again under state law for three consecutive years after the implementation of that prior restructuring.	524 525 526 527 528
(G) Beginning not later than six months after the first petition under this section has been resolved, the department of education shall annually evaluate the pilot program and submit a report to the general assembly under section 101.68 of the Revised Code. Such reports shall contain its recommendations to the general assembly with respect to the continuation of the pilot program, its expansion to other school districts, or the enactment of further legislation establishing the program statewide under permanent law.	529 530 531 532 533 534 535 536 537
Sec. 3302.12. (A) (1) Except as provided in divisions (C) and (D) of this section, this section applies to a school building that is ranked according to performance index score under section 3302.21 of the Revised Code in the lowest five per cent of public school buildings statewide for three consecutive years and that meets any combination of the following for three consecutive years:	538 539 540 541 542 543 544
(a) The school building is declared to be under an academic watch or in a state of academic emergency under section	545 546

3302.03 of the Revised Code;	547
(b) The school building that has received a grade of "F"	548
for the value-added progress dimension under division (A) (1) (e),	549
(B) (1) (e), or (C) (1) (e) of section 3302.03 of the Revised Code;	550
(c) The school building that has received an overall grade	551
of "F" under section 3302.03 of the Revised Code.	552
(2) In the case of a building to which this section	553
applies, the district board of education in control of that	554
building shall do one of the following at the conclusion of the	555
school year in which the building first becomes subject to this	556
section:	557
(a) Close the school and direct the district	558
superintendent to reassign the students enrolled in the school	559
to other school buildings that demonstrate higher academic	560
achievement;	561
(b) Contract with another school district or a nonprofit	562
or for-profit entity with a demonstrated record of effectiveness	563
to operate the school;	564
(c) Replace the principal and all teaching staff of the	565
school and, upon request from the new principal, exempt the	566
school from all requested policies and regulations of the board	567
regarding curriculum and instruction. The board also shall	568
distribute funding to the school in an amount that is at least	569
equal to the product of the per pupil amount of state and local	570
revenues received by the district multiplied by the student	571
population of the school.	572
(d) Reopen the school as a conversion community school	573
under Chapter 3314. of the Revised Code.	574

(B) If an action taken by the board under division (A) (2) 575
of this section causes the district to no longer maintain all 576
grades kindergarten through twelve, as required by section 577
3311.29 of the Revised Code, the board shall enter into a 578
contract with another school district pursuant to section 579
3327.04 of the Revised Code for enrollment of students in the 580
schools of that other district to the extent necessary to comply 581
with the requirement of section 3311.29 of the Revised Code. 582
Notwithstanding any provision of the Revised Code to the 583
contrary, if the board enters into and maintains a contract 584
under section 3327.04 of the Revised Code, the district shall 585
not be considered to have failed to comply with the requirement 586
of section 3311.29 of the Revised Code. If, however, the 587
district board fails to or is unable to enter into or maintain 588
such a contract, the state board of education shall take all 589
necessary actions to dissolve the district as provided in 590
division (A) of section 3311.29 of the Revised Code. 591

(C) If a particular school is required to restructure 592
under this section and a petition with respect to that same 593
school has been filed and verified under divisions (B) and (C) 594
of section 3302.042 of the Revised Code, the provisions of that 595
section and the petition filed and verified under it shall 596
prevail over the provisions of this section and the school shall 597
be restructured under that section. However, if division (D) (1), 598
(2), or (3) of section 3302.042 of the Revised Code also applies 599
to the school, the school shall be subject to restructuring 600
under this section and not section 3302.042 of the Revised Code. 601

If the provisions of this section conflict in any way with 602
the requirements of federal law, federal law shall prevail over 603
the provisions of this section. 604

(D) If a school is restructured under this section, or 605
section 3302.042 ~~or 3302.10~~ of the Revised Code, or federal law, 606
the school shall not be required to restructure again under 607
state law for three consecutive years after the implementation 608
of that prior restructuring. 609

Sec. 3302.17. (A) Any school building operated by a city, 610
exempted village, or local school district, or a community 611
school established under Chapter 3314. of the Revised Code is 612
eligible to initiate the community learning center process as 613
prescribed by this section. 614

(B) Beginning with the 2015-2016 school year, each 615
district board of education or community school governing 616
authority may initiate a community learning center process for 617
any school building to which this section applies. 618

First, the board or governing authority shall conduct a 619
public information hearing at each school building to which this 620
section applies to inform the community of the community 621
learning center process. The board or governing authority may do 622
all of the following with regard to the public information 623
hearing: 624

(1) Announce the meeting not less than forty-five days in 625
advance at the school and on the school's or district's web 626
sites and using tools to ensure effective communication with 627
individuals with disabilities; 628

(2) Schedule the meeting for an evening or weekend time; 629

(3) Provide interpretation services and written materials 630
in all languages spoken by five per cent or more of the students 631
enrolled in the school; 632

(4) Provide child care services for parents attending the 633

meeting; 634

(5) Provide parents, students, teachers, nonteaching 635
employees, and community members with the opportunity to speak 636
at the meeting; 637

(6) Comply with section 149.43 of the Revised Code. 638

In preparing for the public information hearing, the board 639
or governing authority shall ensure that information about the 640
hearing is broadly distributed throughout the community. 641

The board or governing authority may enter into an 642
agreement with any civic engagement organizations, community 643
organizations, or employee organizations to support the 644
implementation of the community learning center process. 645

The board or governing authority shall conduct a follow-up 646
hearing at least once annually until action is further taken 647
under the section with respect to the school building or until 648
the conditions described in division (A) of this section no 649
longer apply to the school building. 650

(C) Not sooner than forty-five days after the first public 651
information hearing, the board or governing authority shall 652
conduct an election, by paper ballot, to initiate the process to 653
become a community learning center. Only parents or guardians of 654
students enrolled in the school and students enrolled in a 655
different school operated by a joint vocational school district 656
but are otherwise entitled to attend the school, and teachers 657
and nonteaching employees who are assigned to the school may 658
vote in the election. 659

The board or governing authority shall distribute the 660
ballots by mail and shall make copies available at the school 661
and on the web site of the school. The board or governing 662

authority also may distribute the ballots by directly giving 663
ballots to teachers and nonteaching employees and sending home 664
ballots with every student enrolled in the school building. 665

(D) The board or governing authority shall initiate the 666
transition of the building to a community learning center if the 667
results of the election held under division (C) of this section 668
are as follows: 669

(1) At least fifty per cent of parents and guardians of 670
students enrolled in the eligible school building and students 671
enrolled in a different building operated by a joint vocational 672
school district but who are entitled to attend the school cast 673
ballots by a date set by the board or governing authority, and 674
of those ballots at least sixty-seven per cent are in favor of 675
initiating the process; and 676

(2) At least fifty per cent of teachers and nonteaching 677
employees who are assigned to the school cast ballots by a date 678
set by the board or governing authority, and of those ballots at 679
least sixty-seven per cent are in favor of initiating the 680
process. 681

(E) If a community learning center process is initiated 682
under this section, the board or governing authority shall 683
create a school action team under section 3302.18 of the Revised 684
Code. Within four months upon selection, the school action team 685
shall conduct and complete, in consultation with community 686
partners, a performance audit of the school and review, with 687
parental input, the needs of the school with regard to 688
restructuring under section ~~3302.10, 3302.12, or 3302.042~~ or 689
3302.12 of the Revised Code, or federal law. 690

The school action team shall provide quarterly updates of 691

its work in a public hearing that complies with the same 692
specifications prescribed in division (B) of this section. 693

(F) Upon completion of the audit and review, the school 694
action team shall present its findings at a public hearing that 695
complies with the same specifications prescribed in division (B) 696
of this section. After the school action team presents its 697
findings at the public hearing, it shall create a community 698
learning center improvement plan that designates appropriate 699
interventions, which may be based on the recommendations 700
developed by the department under division (H) (1) (b) of this 701
section. 702

If there is a federally mandated school improvement 703
planning process, the team shall coordinate its work with that 704
plan. 705

The school action team shall approve the plan by a 706
majority vote. 707

(G) Upon approval of the plan by the school action team, 708
the team shall submit the community learning center improvement 709
plan to the same individuals described in division (C) of this 710
section. Ballots shall be distributed and an election shall be 711
conducted in the same manner as indicated under that division. 712

The school action team shall submit the plan to the 713
district board of education or community school governing 714
authority, if the results of the election under division (G) of 715
this section are as follows: 716

(1) At least thirty per cent of parents and guardians of 717
students enrolled in the eligible school building and students 718
enrolled in a different building operated by a joint vocational 719
school district but who are entitled to attend the school cast 720

ballots by a date set by the board or governing authority, and 721
of those ballots at least fifty per cent are in favor of 722
initiating the process; and 723

(2) At least thirty per cent of teachers and nonteaching 724
employees who are assigned to the school cast ballots by a date 725
set by the board or governing authority, and of those ballots at 726
least fifty per cent are in favor of initiating the process. 727

The board or governing authority shall evaluate the plan 728
and determine whether to adopt it. The board or governing 729
authority shall adopt the plan in full or adopt portions of the 730
plan. If the board or governing authority does not adopt the 731
plan in full, it shall provide a written explanation of why 732
portions of the plan were rejected. 733

(H) (1) The department shall do all of the following with 734
respect to this section: 735

(a) Adopt rules regarding the elections required under 736
this section; 737

(b) Develop appropriate interventions for a community 738
learning center improvement plan that may be used by a school 739
action team under division (F) of this section; 740

(c) Publish a menu of programs and services that may be 741
offered by community learning centers. The information shall be 742
posted on the department's web site. To compile this information 743
the department shall solicit input from resource coordinators of 744
existing community learning centers. 745

(d) Provide information regarding implementation of 746
comprehensive community-based programs and supportive services 747
including the community learning center model to school 748
buildings meeting any of the following conditions: 749

(i) The building is in improvement status as defined by	750
the "No Child Left Behind Act of 2001" or under an agreement	751
between the Ohio department of education and the United States	752
secretary of education.	753
(ii) The building is a secondary school that is among the	754
lowest achieving fifteen per cent of secondary schools	755
statewide, as determined by the department.	756
(iii) The building is a secondary school with a graduation	757
rate of sixty per cent or lower for three or more consecutive	758
years.	759
(iv) The building is a school that the department	760
determines is persistently low-performing.	761
(2) The department may do the following with respect to	762
this section:	763
(a) Provide assistance, facilitation, and training to	764
school action teams in the conducting of the audit required	765
under this section;	766
(b) Provide opportunities for members of school action	767
teams from different schools to share school improvement	768
strategies with parents, teachers, and other relevant	769
stakeholders in higher performing schools;	770
(c) Provide financial support in a school action team's	771
planning process and create a grant program to assist in the	772
implementation of a qualified community learning center plan.	773
(I) Notwithstanding any provision to the contrary in	774
Chapter 4117. of the Revised Code, the requirements of this	775
section prevail over any conflicting provisions of a collective	776
bargaining agreement entered into on or after the effective date	777

~~of this section~~ October 15, 2015. However, the board or 778
governing authority and the teachers' labor organization may 779
negotiate additional factors to be considered in the adoption of 780
a community learning center plan. 781

Sec. 3310.02. (A) The educational choice scholarship pilot 782
program is hereby established. Under the program, the department 783
of education annually shall pay scholarships to attend chartered 784
nonpublic schools in accordance with section 3310.08 of the 785
Revised Code for up to the following number of eligible 786
students: 787

(1) Thirty thousand in the 2011-2012 school year; 788

(2) Sixty thousand in the 2012-2013 school year and 789
thereafter. 790

For any school year for which the number of applications 791
for scholarships timely submitted for the program exceeds ninety 792
per cent of the maximum number of scholarships permitted under 793
division (A) of this section, the department shall increase the 794
maximum number of scholarships permitted for the following 795
school year by five per cent. The department shall make the 796
increased number of scholarships available for each subsequent 797
school year until the department is again required to increase 798
the number of scholarships under division (A) of this section. 799

If the number of students who apply for a scholarship 800
exceeds the maximum number of scholarships permitted under 801
division (A) of this section, priority shall be given to those 802
students applying for a scholarship under section 3310.03 of the 803
Revised Code in accordance with division (B) of this section. 804

(B) The department shall award scholarships under section 805
3310.03 of the Revised Code in the following order of priority: 806

(1) First, to eligible students who received scholarships 807
in the prior school year; 808

~~(2) Second, to eligible students with family incomes at or 809
below two hundred per cent of the federal poverty guidelines, as 810
defined in section 5101.46 of the Revised Code, who qualify 811
under division (C) of section 3310.03 of the Revised Code. If 812
the number of students described in division (B) (2) of this 813
section who apply for a scholarship exceeds the number of 814
available scholarships after awards are made under division (B) 815
(1) of this section, the department shall select students 816
described in division (B) (2) of this section by lot to receive 817
any remaining scholarships. 818~~

~~(3) Third, to other eligible students who qualify under 819
division (C) of section 3310.03 of the Revised Code. If the 820
number of students described in division (B) (3) of this section 821
who apply for a scholarship exceeds the number of available 822
scholarships after awards are made under divisions (B) (1) and 823
(2) of this section, the department shall select students 824
described in division (B) (3) of this section by lot to receive 825
any remaining scholarships. 826~~

~~(4) Fourth, to eligible students with family incomes at or 827
below two hundred per cent of the federal poverty guidelines who 828
qualify under division (A) of section 3310.03 of the Revised 829
Code. If the number of students described in division ~~(B) (4)~~ (B) 830
(2) of this section who apply for a scholarship exceeds the 831
number of available scholarships after awards are made under 832
~~divisions~~ division (B) (1) ~~to (3)~~ of this section, the department 833
shall select students described in division ~~(B) (4)~~ (B) (2) of 834
this section by lot to receive any remaining scholarships. 835~~

~~(5) Fifth~~ (3) Third, to other eligible students who qualify 836

under division (A) of section 3310.03 of the Revised Code. If 837
the number of students described in division ~~(B) (5)~~ (B) (3) of 838
this section who apply for a scholarship exceeds the number of 839
available scholarships after awards are made under divisions (B) 840
(1) ~~to (4)~~ and (2) of this section, the department shall select 841
students described in division ~~(B) (5)~~ (B) (3) of this section by 842
lot to receive any remaining scholarships. 843

Sec. 3310.03. For the 2021-2022 school year and each 844
school year thereafter, a student is an "eligible student" for 845
purposes of the educational choice scholarship pilot program if 846
the student's resident district is not a school district in 847
which the pilot project scholarship program is operating under 848
sections 3313.974 to 3313.979 of the Revised Code, the student 849
satisfies one of the conditions in division (A) or (B) ~~or (C)~~ 850
of this section, and the student maintains eligibility to 851
receive a scholarship under division (D) of this section. 852

However, any student who received a scholarship for the 853
2020-2021 school year under this section, as it existed prior to 854
~~the effective date of this amendment~~ March 2, 2021, shall 855
continue to receive that scholarship until the student completes 856
grade twelve, as long as the student maintains eligibility to 857
receive a scholarship under division (D) of this section. 858

(A) (1) A student is eligible for a scholarship if the 859
student is enrolled in a school building operated by the 860

school districts according to performance index score as 865
determined by the department of education, as follows: 866

(iii) For a scholarship sought for the 2024-2025 school year or any school year thereafter, the building was ranked in the lowest twenty per cent of buildings for at least two of the three most recent consecutive rankings issued prior to the first day of July of the school year for which a scholarship is sought.

(b) The building is operated by a school district in which, for the three consecutive school years prior to the school year for which a scholarship is sought, an average of twenty per cent or more of the students entitled to attend school in the district, under section 3313.64 or 3313.65 of the Revised Code, were qualified to be included in the formula to distribute funds under Title I of the "Elementary and Secondary Education Act of 1965," 20 U.S.C. 6301 et seq.

When ranking school buildings under division (A) (1) of this section, the department shall not include buildings operated by a school district in which the pilot project scholarship program is operating in accordance with sections 3313.974 to 3313.979 of the Revised Code.

(2) A student is eligible for a scholarship if the student will be enrolling in any of grades kindergarten through twelve in this state for the first time in the school year for which a

defined in section 3321.01 of the Revised Code, by the first day 897
of January of the school year for which a scholarship is sought, 898
and otherwise would be assigned under section 3319.01 of the 899
Revised Code in the school year for which a scholarship is 900
sought, to a school building described in division (A) (1) of 901
this section. 902

(3) A student is eligible for a scholarship if the student 903
is enrolled in a community school established under Chapter 904
3314. of the Revised Code but otherwise would be assigned under 905

is enrolled in a school building operated by the student's 909
resident district or in a community school established under 910
Chapter 3314. of the Revised Code and otherwise would be 911
assigned under section 3319.01 of the Revised Code to a school 912
building described in division (A) (1) of this section in the 913
school year for which the scholarship is sought. 914

(B) A student is eligible for a scholarship if the student 915
is enrolled in a nonpublic school at the time the school is 916
granted a charter by the state board of education under section 917
3301.16 of the Revised Code and the student meets the standards 918
of division (B) of section 3310.031 of the Revised Code. 919

(C) ~~A~~ Prior to the effective date of this amendment, a 920
student is eligible for a scholarship if the student's resident 921
