(3) Mathematics, three units;	31552
(4) Physical education, one-half unit;	31553
(5) Science, two units until September 15, 2003, and three units thereafter, which at all times shall include both of the following:	31554 31555 31556
(a) Biological sciences, one unit;	31557
(b) Physical sciences, one unit.	31558
(6) History and government, one unit, which shall comply with division (M) of this section and shall include both of the following:	31559 31560 31561
(a) American history, one-half unit;	31562
(b) American government, one-half unit.	31563

(7) Social studies, two units. 31564

Beginning with students who enter ninth grade for the first 31565
time on or after July 1, 2017, the two units of instruction 31566
prescribed by division (B) (7) of this section shall include at 31567
least one-half unit of instruction in the study of world history 31568
and civilizations. 31569

(8) Elective units, seven units until September 15, 2003, and 31570
six units thereafter. 31571

Each student's electives shall include at least one unit, or 31572
two half units, chosen from among the areas of 31573
business/technology, fine arts, and/or foreign language. 31574

(C) Beginning with students who enter ninth grade for the 31575
first time on or after July 1, 2010, except as provided in 31576
divisions (D) to (F) of this section, the requirements for 31577
graduation from every public and chartered nonpublic high school 31578
shall include twenty units that are designed to prepare students 31579
for the workforce and college. The units shall be distributed as 31580
follows: 31581

(1) English language arts, four units; 31582

(2) Health, one-half unit, which shall include instruction in 31583
nutrition and the benefits of nutritious foods and physical 31584
activity for overall health; 31585

algebra II or the equivalent of algebra II, or one unit of 31587
advanced computer science as described in the standards adopted 31588
pursuant to division (A) (4) of section 3301.079 of the Revised 31589
Code. However, students who enter ninth grade for the first time 31590
on or after July 1, 2015, and who are pursuing a career-technical 31591
instructional track shall not be required to take algebra II or 31592
advanced computer science, and instead may complete a career-based 31593
pathway mathematics course approved by the department of education 31594

as an alternative. 31595

For students who choose to take advanced computer science in 31596
lieu of algebra II under division (C) (3) of this section, the 31597
school shall communicate to those students that some institutions 31598
of higher education may require algebra II for the purpose of 31599
college admission. Also, the parent, guardian, or legal custodian 31600
of each student who chooses to take advanced computer science in 31601
lieu of algebra II shall sign and submit to the school a document 31602
containing a statement acknowledging that not taking algebra II 31603
may have an adverse effect on college admission decisions. 31604

(4) Physical education, one-half unit; 31605

(5) Science, three units with inquiry-based laboratory 31606
experience that engages students in asking valid scientific 31607
questions and gathering and analyzing information, which shall 31608
include the following, or their equivalent: 31609

(a) Physical sciences, one unit; 31610

(b) Life sciences, one unit; 31611

(c) Advanced study in one or more of the following sciences, 31612
one unit: 31613

(ii) Advanced biology or other life science; 31615

(iii) Astronomy, physical geology, or other earth or space 31616
science; 31617

(iv) Computer science. 31618

No student shall substitute a computer science course for a 31619
life sciences or biology course under division (C) (5) of this 31620
section. 31621

(6) History and government, one unit, which shall comply with 31622
division (M) of this section and shall include both of the 31623

following: 31624

(a) American history, one-half unit; 31625

(b) American government, one-half unit. 31626

(7) Social studies, two units. 31627

Each school shall integrate the study of economics and 31628
financial literacy, as expressed in the social studies academic 31629
content standards adopted by the state board of education under 31630
division (A) (1) of section 3301.079 of the Revised Code and the 31631
academic content standards for financial literacy and 31632
entrepreneurship adopted under division (A) (2) of that section, 31633
into one or more existing social studies credits required under 31634
division (C) (7) of this section, or into the content of another 31635
class, so that every high school student receives instruction in 31636
those concepts. In developing the curriculum required by this 31637
paragraph, schools shall use available public-private partnerships 31638
and resources and materials that exist in business, industry, and 31639
through the centers for economics education at institutions of 31640
higher education in the state. 31641

Beginning with students who enter ninth grade for the first 31642
time on or after July 1, 2017, the two units of instruction 31643
prescribed by division (C) (7) of this section shall include at 31644
least one-half unit of instruction in the study of world history 31645
and civilizations. 31646

(8) Five units consisting of one or any combination of 31647
foreign language, fine arts, business, career-technical education, 31648
family and consumer sciences, technology which may include 31649
computer science, agricultural education, a junior reserve officer 31650
training corps (JROTC) program approved by the congress of the 31651
United States under title 10 of the United States Code, or English 31652
language arts, mathematics, science, or social studies courses not 31653
otherwise required under division (C) of this section. 31654

Ohioans must be prepared to apply increased knowledge and 31655
skills in the workplace and to adapt their knowledge and skills 31656
quickly to meet the rapidly changing conditions of the 31657
twenty-first century. National studies indicate that all high 31658
school graduates need the same academic foundation, regardless of 31659
the opportunities they pursue after graduation. The goal of Ohio's 31660
system of elementary and secondary education is to prepare all 31661
students for and seamlessly connect all students to success in 31662
life beyond high school graduation, regardless of whether the next 31663
step is entering the workforce, beginning an apprenticeship, 31664
engaging in post-secondary training, serving in the military, or 31665
pursuing a college degree. 31666

The requirements for graduation prescribed in division (C) of 31667
this section are the standard expectation for all students 31668
entering ninth grade for the first time at a public or chartered 31669
nonpublic high school on or after July 1, 2010. A student may 31670
satisfy this expectation through a variety of methods, including, 31671
but not limited to, integrated, applied, career-technical, and 31672
traditional coursework. 31673

Stronger coordination between high schools and institutions 31674
of higher education is necessary to prepare students for more 31675
challenging academic endeavors and to lessen the need for academic 31676
remediation in college, thereby reducing the costs of higher 31677
education for Ohio's students, families, and the state. The state 31678
board and the chancellor of higher education shall develop 31679
policies to ensure that only in rare instances will students who 31680
complete the requirements for graduation prescribed in division 31681
(C) of this section require academic remediation after high 31682
school. 31683

School districts, community schools, and chartered nonpublic 31684
schools shall integrate technology into learning experiences 31685
across the curriculum in order to maximize efficiency, enhance 31686

learning, and prepare students for success in the 31687
technology-driven twenty-first century. Districts and schools 31688
shall use distance and web-based course delivery as a method of 31689
providing or augmenting all instruction required under this 31690
division, including laboratory experience in science. Districts 31691
and schools shall utilize technology access and electronic 31692
learning opportunities provided by the broadcast educational media 31693
commission, chancellor, the Ohio learning network, education 31694
technology centers, public television stations, and other public 31695
and private providers. 31696

(D) Except as provided in division (E) of this section, a 31697
student who enters ninth grade on or after July 1, 2010, and 31698
before July 1, 2016, may qualify for graduation from a public or 31699
chartered nonpublic high school even though the student has not 31700
completed the requirements for graduation prescribed in division 31701
(C) of this section if all of the following conditions are 31702
satisfied: 31703

(1) During the student's third year of attending high school, 31704
as determined by the school, the student and the student's parent, 31705
guardian, or custodian sign and file with the school a written 31706
statement asserting the parent's, guardian's, or custodian's 31707
consent to the student's graduating without completing the 31708
requirements for graduation prescribed in division (C) of this 31709
section and acknowledging that one consequence of not completing 31710
those requirements is ineligibility to enroll in most state 31711
universities in Ohio without further coursework. 31712

(2) The student and parent, guardian, or custodian fulfill 31713
any procedural requirements the school stipulates to ensure the 31714
student's and parent's, guardian's, or custodian's informed 31715
consent and to facilitate orderly filing of statements under 31716
division (D)(1) of this section. Annually, each district or school 31717
shall notify the department of the number of students who choose 31718

to qualify for graduation under division (D) of this section and 31719
the number of students who complete the student's success plan and 31720
graduate from high school. 31721

(3) The student and the student's parent, guardian, or 31722
custodian and a representative of the student's high school 31723
jointly develop a student success plan for the student in the 31724
manner described in division (C)(1) of section 3313.6020 of the 31725
Revised Code that specifies the student matriculating to a 31726
two-year degree program, acquiring a business and 31727
industry-recognized credential, or entering an apprenticeship. 31728

(4) The student's high school provides counseling and support 31729
for the student related to the plan developed under division 31730
(D)(3) of this section during the remainder of the student's high 31731
school experience. 31732

(5)(a) Except as provided in division (D)(5)(b) of this 31733
section, the student successfully completes, at a minimum, the 31734
curriculum prescribed in division (B) of this section. 31735

(b) Beginning with students who enter ninth grade for the 31736
first time on or after July 1, 2014, a student shall be required 31737
to complete successfully, at the minimum, the curriculum 31738
prescribed in division (B) of this section, except as follows: 31739

(i) Mathematics, four units, one unit which shall be one of 31740
the following: 31741

(I) Probability and statistics; 31742

(II) Computer science; 31743

(III) Applied mathematics or quantitative reasoning; 31744

(IV) Any other course approved by the department using 31745
standards established by the superintendent not later than October 31746
1, 2014. 31747

(ii) Elective units, five units; 31748

(iii) Science, three units as prescribed by division (B) of 31749
this section which shall include inquiry-based laboratory 31750
experience that engages students in asking valid scientific 31751
questions and gathering and analyzing information. 31752

~~The department, in collaboration with the chancellor, shall 31753
analyze student performance data to determine if there are 31754
mitigating factors that warrant extending the exception permitted 31755
by division (D) of this section to high school classes beyond 31756
those entering ninth grade before July 1, 2016. The department 31757
shall submit its findings and any recommendations not later than 31758
December 1, 2015, to the speaker and minority leader of the house 31759
of representatives, the president and minority leader of the 31760
senate, the chairpersons and ranking minority members of the 31761
standing committees of the house of representatives and the senate 31762
that consider education legislation, the state board of education, 31763
and the superintendent of public instruction. 31764~~

(E) Each school district and chartered nonpublic school 31765
retains the authority to require an even more challenging minimum 31766
curriculum for high school graduation than specified in division 31767
(B) or (C) of this section. A school district board of education, 31768
through the adoption of a resolution, or the governing authority 31769
of a chartered nonpublic school may stipulate any of the 31770
following: 31771

(1) A minimum high school curriculum that requires more than 31772
twenty units of academic credit to graduate; 31773

(2) An exception to the district's or school's minimum high 31774
school curriculum that is comparable to the exception provided in 31775
division (D) of this section but with additional requirements, 31776
which may include a requirement that the student successfully 31777
complete more than the minimum curriculum prescribed in division 31778
(B) of this section; 31779

(3) That no exception comparable to that provided in division 31780
(D) of this section is available. 31781

If a school district or chartered nonpublic school requires a 31782
foreign language as an additional graduation requirement under 31783
division (E) of this section, a student may apply one unit of 31784
instruction in computer coding to satisfy one unit of foreign 31785
language. If a student applies more than one computer coding 31786
course to satisfy the foreign language requirement, the courses 31787
shall be sequential and progressively more difficult. 31788

(F) A student enrolled in a dropout prevention and recovery 31789
program, which program has received a waiver from the department, 31790
may qualify for graduation from high school by successfully 31791
completing a competency-based instructional program administered 31792
by the dropout prevention and recovery program in lieu of 31793
completing the requirements for graduation prescribed in division 31794
(C) of this section. The department shall grant a waiver to a 31795
dropout prevention and recovery program, within sixty days after 31796
the program applies for the waiver, if the program meets all of 31797
the following conditions: 31798

(1) The program serves only students not younger than sixteen 31799
years of age and not older than twenty-one years of age. 31800

(2) The program enrolls students who, at the time of their 31801
initial enrollment, either, or both, are at least one grade level 31802
behind their cohort age groups or experience crises that 31803
significantly interfere with their academic progress such that 31804
they are prevented from continuing their traditional programs. 31805

(3) The program requires students to attain at least the 31806
applicable score designated for each of the assessments prescribed 31807
under division (B) (1) of section 3301.0710 of the Revised Code or, 31808
to the extent prescribed by rule of the state board under division 31809
(D) (5) of section 3301.0712 of the Revised Code, division (B) (2) 31810

of that section. 31811

(4) The program develops a student success plan for the 31812
student in the manner described in division (C)(1) of section 31813
3313.6020 of the Revised Code that specifies the student's 31814
matriculating to a two-year degree program, acquiring a business 31815
and industry-recognized credential, or entering an apprenticeship. 31816

(5) The program provides counseling and support for the 31817
student related to the plan developed under division (F)(4) of 31818
this section during the remainder of the student's high school 31819
experience. 31820

(6) The program requires the student and the student's 31821
parent, guardian, or custodian to sign and file, in accordance 31822
with procedural requirements stipulated by the program, a written 31823
statement asserting the parent's, guardian's, or custodian's 31824
consent to the student's graduating without completing the 31825
requirements for graduation prescribed in division (C) of this 31826
section and acknowledging that one consequence of not completing 31827
those requirements is ineligibility to enroll in most state 31828
universities in Ohio without further coursework. 31829

(7) Prior to receiving the waiver, the program has submitted 31830
to the department an instructional plan that demonstrates how the 31831
academic content standards adopted by the state board under 31832
section 3301.079 of the Revised Code will be taught and assessed. 31833

(8) Prior to receiving the waiver, the program has submitted 31834
to the department a policy on career advising that satisfies the 31835
requirements of section 3313.6020 of the Revised Code, with an 31836
emphasis on how every student will receive career advising. 31837

(9) Prior to receiving the waiver, the program has submitted 31838
to the department a written agreement outlining the future 31839
cooperation between the program and any combination of local job 31840
training, postsecondary education, nonprofit, and health and 31841

social service organizations to provide services for students in 31842
the program and their families. 31843

Divisions (F) (8) and (9) of this section apply only to 31844
waivers granted on or after July 1, 2015. 31845

If the department does not act either to grant the waiver or 31846
to reject the program application for the waiver within sixty days 31847
as required under this section, the waiver shall be considered to 31848
be granted. 31849

(G) Every high school may permit students below the ninth 31850
grade to take advanced work. If a high school so permits, it shall 31851
award high school credit for successful completion of the advanced 31852
work and shall count such advanced work toward the graduation 31853
requirements of division (B) or (C) of this section if the 31854
advanced work was both: 31855

(1) Taught by a person who possesses a license or certificate 31856
issued under section 3301.071, 3319.22, or 3319.222 of the Revised 31857
Code that is valid for teaching high school; 31858

(2) Designated by the board of education of the city, local, 31859
or exempted village school district, the board of the cooperative 31860
education school district, or the governing authority of the 31861
chartered nonpublic school as meeting the high school curriculum 31862
requirements. 31863

Each high school shall record on the student's high school 31864
transcript all high school credit awarded under division (G) of 31865
this section. In addition, if the student completed a seventh- or 31866
eighth-grade fine arts course described in division (K) of this 31867
section and the course qualified for high school credit under that 31868
division, the high school shall record that course on the 31869
student's high school transcript. 31870

(H) The department shall make its individual academic career 31871
plan available through its Ohio career information system web site 31872

for districts and schools to use as a tool for communicating with 31873
and providing guidance to students and families in selecting high 31874
school courses. 31875

(I) A school district or chartered nonpublic school may 31876
integrate academic content in a subject area for which the state 31877
board has adopted standards under section 3301.079 of the Revised 31878
Code into a course in a different subject area, including a 31879
career-technical education course, in accordance with guidance for 31880
integrated coursework developed by the department. Upon successful 31881
completion of an integrated course, a student may receive credit 31882
for both subject areas that were integrated into the course. Units 31883
earned for subject area content delivered through integrated 31884
academic and career-technical instruction are eligible to meet the 31885
graduation requirements of division (B) or (C) of this section. 31886

For purposes of meeting graduation requirements, if an 31887
end-of-course examination has been prescribed under section 31888
3301.0712 of the Revised Code for the subject area delivered 31889
through integrated instruction, the school district or school may 31890
administer the related subject area examinations upon the 31891
student's completion of the integrated course. 31892

Nothing in division (I) of this section shall be construed to 31893
excuse any school district, chartered nonpublic school, or student 31894
from any requirement in the Revised Code related to curriculum, 31895
assessments, or the awarding of a high school diploma. 31896

(J) (1) The state board, in consultation with the chancellor, 31897
shall adopt a statewide plan implementing methods for students to 31898
earn units of high school credit based on a demonstration of 31899
subject area competency, instead of or in combination with 31900
completing hours of classroom instruction. The state board shall 31901
adopt the plan not later than March 31, 2009, and commence phasing 31902
in the plan during the 2009-2010 school year. The plan shall 31903
include a standard method for recording demonstrated proficiency 31904

on high school transcripts. Each school district and community 31905
school shall comply with the state board's plan adopted under this 31906
division and award units of high school credit in accordance with 31907
the plan. The state board may adopt existing methods for earning 31908
high school credit based on a demonstration of subject area 31909
competency as necessary prior to the 2009-2010 school year. 31910

(2) Not later than December 31, 2015, the state board shall 31911
update the statewide plan adopted pursuant to division (J)(1) of 31912
this section to also include methods for students enrolled in 31913
seventh and eighth grade to meet curriculum requirements based on 31914
a demonstration of subject area competency, instead of or in 31915
combination with completing hours of classroom instruction. 31916
Beginning with the 2017-2018 school year, each school district and 31917
community school also shall comply with the updated plan adopted 31918
pursuant to this division and permit students enrolled in seventh 31919
and eighth grade to meet curriculum requirements based on subject 31920
area competency in accordance with the plan. 31921

(3) Not later than December 31, 2017, the department shall 31922
develop a framework for school districts and community schools to 31923
use in granting units of high school credit to students who 31924
demonstrate subject area competency through work-based learning 31925
experiences, internships, or cooperative education. Beginning with 31926
the 2018-2019 school year, each district and community school 31927
shall comply with the framework. Each district and community 31928
school also shall review any policy it has adopted regarding the 31929
demonstration of subject area competency to identify ways to 31930
incorporate work-based learning experiences, internships, and 31931
cooperative education into the policy in order to increase student 31932
engagement and opportunities to earn units of high school credit. 31933

(K) This division does not apply to students who qualify for 31934
graduation from high school under division (D) or (F) of this 31935
section, or to students pursuing a career-technical instructional 31936

track as determined by the school district board of education or 31937
the chartered nonpublic school's governing authority. 31938
Nevertheless, the general assembly encourages such students to 31939
consider enrolling in a fine arts course as an elective. 31940

Beginning with students who enter ninth grade for the first 31941
time on or after July 1, 2010, each student enrolled in a public 31942
or chartered nonpublic high school shall complete two semesters or 31943
the equivalent of fine arts to graduate from high school. The 31944
coursework may be completed in any of grades seven to twelve. Each 31945
student who completes a fine arts course in grade seven or eight 31946
may elect to count that course toward the five units of electives 31947
required for graduation under division (C)(8) of this section, if 31948
the course satisfied the requirements of division (G) of this 31949
section. In that case, the high school shall award the student 31950
high school credit for the course and count the course toward the 31951
five units required under division (C)(8) of this section. If the 31952
course in grade seven or eight did not satisfy the requirements of 31953
division (G) of this section, the high school shall not award the 31954
student high school credit for the course but shall count the 31955
course toward the two semesters or the equivalent of fine arts 31956
required by this division. 31957

(L) Notwithstanding anything to the contrary in this section, 31958
the board of education of each school district and the governing 31959
authority of each chartered nonpublic school may adopt a policy to 31960
excuse from the high school physical education requirement each 31961
student who, during high school, has participated in 31962
interscholastic athletics, marching band, show choir, or 31963
cheerleading for at least two full seasons or in the junior 31964
reserve officer training corps for at least two full school years. 31965
If the board or authority adopts such a policy, the board or 31966
authority shall not require the student to complete any physical 31967
education course as a condition to graduate. However, the student 31968

shall be required to complete one-half unit, consisting of at 31969
least sixty hours of instruction, in another course of study. In 31970
the case of a student who has participated in the junior reserve 31971
officer training corps for at least two full school years, credit 31972
received for that participation may be used to satisfy the 31973
requirement to complete one-half unit in another course of study. 31974

(M) It is important that high school students learn and 31975

(A) An entity that sponsors a community school shall be permitted to enter into contracts under section 3314.03 of the Revised Code to sponsor additional community schools only if the entity meets all of the following criteria:

(1) The entity is in compliance with all provisions of this chapter requiring sponsors of community schools to report data or information to the department of education.

(2) The entity is not rated as "ineffective" under division (B) (6) of this section.

(3) Except as set forth in sections 3314.021 and 3314.027 of the Revised Code, the entity has received approval from and entered into an agreement with the department of education pursuant to section 3314.015 of the Revised Code.

(B) (1) The department shall develop and implement an evaluation system that annually rates and assigns an overall rating to each entity that sponsors a community school. The department, not later than the first day of February of each year, shall post on the department's web site the framework for the evaluation system, including technical documentation that the department intends to use to rate sponsors for the next school year. The department shall solicit public comment on the evaluation system for thirty consecutive days. Not later than the first day of April of each year, the department shall compile and

post on the department's web site all public comments that were 34024
received during the public comment period. The evaluation system 34025
shall be posted on the department's web site by the fifteenth day 34026
of July of each school year. Any changes to the evaluation system 34027
after that date shall take effect the following year. The 34028
evaluation system shall be based on the following components: 34029

(a) Academic performance of students enrolled in community 34030
schools sponsored by the same entity. The academic performance 34031
component shall be derived from the performance measures 34032
prescribed for the state report cards under section 3302.03 or 34033
3314.017 of the Revised Code, and shall be based on the 34034
performance of the schools for the school year for which the 34035
evaluation is conducted. In addition to the academic performance 34036
for a specific school year, the academic performance component 34037
shall also include year-to-year changes in the overall sponsor 34038
portfolio. For a community school for which no graded performance 34039
measures are applicable or available, the department shall use 34040
nonreport card performance measures specified in the contract 34041
between the community school and the sponsor under division (A) (4) 34042
of section 3314.03 of the Revised Code. 34043

(b) Adherence by a sponsor to the quality practices 34044
prescribed by the department under division (B) (3) of this 34045
section. For a sponsor that was rated "effective" or "exemplary" 34046
on its most recent rating, the department may evaluate that 34047
sponsor's adherence to quality practices once over a period of 34048
three years. If the department elects to evaluate a sponsor once 34049
over a period of three years, the most recent rating for a 34050
sponsor's adherence to quality practices shall be used when 34051
determining an annual overall rating conducted under this section. 34052

(c) Compliance with all applicable laws and administrative 34053
rules by an entity that sponsors a community school. 34054

(2) In calculating an academic performance component, the 34055

department shall exclude all community schools that have been in 34056
operation for not more than two full school years and all 34057
community schools described in division (A) (4) (b) of section 34058
3314.35 of the Revised Code. However, the academic performance of 34059
the community schools described in division (A) (4) (b) of section 34060
3314.35 of the Revised Code shall be reported, but shall not be 34061
used as a factor when determining a sponsoring entity's rating 34062
under this section. 34063

(3) The department, in consultation with entities that 34064
sponsor community schools, shall prescribe quality practices for 34065
community school sponsors and develop an instrument to measure 34066
adherence to those quality practices. The quality practices shall 34067
be based on standards developed by the national association of 34068
charter school authorizers or any other nationally organized 34069
community school organization. 34070

(4) (a) The department may permit peer review of a sponsor's 34071
adherence to the quality practices prescribed under division 34072
(B) (3) of this section. Peer reviewers shall be limited to 34073
individuals employed by sponsors rated "effective" or "exemplary" 34074
on the most recent ratings conducted under this section. 34075

(b) The department shall require individuals participating in 34076
peer review under division (B) (4) (a) of this section to complete 34077
training approved or established by the department. 34078

(c) The department may enter into an agreement with another 34079
entity to provide training to individuals conducting peer review 34080
of sponsors. Prior to entering into an agreement with an entity, 34081
the department shall review and approve of the entity's training 34082
program. 34083

(5) Not later than July 1, 2013, the state board of education 34084
shall adopt rules in accordance with Chapter 119. of the Revised 34085
Code prescribing standards for measuring compliance with 34086

applicable laws and rules under division (B)(1)(c) of this 34087
section. 34088

(6) The department annually shall rate all entities that 34089
sponsor community schools as either "exemplary," "effective," 34090
"ineffective," or "poor," based on the components prescribed by 34091
division (B) of this section, where each component is weighted 34092
equally. A separate rating shall be given by the department for 34093
each component of the evaluation system. 34094

The department shall publish the ratings between the first 34095
day of October and the fifteenth day of November. 34096

Prior to the publication of the final ratings, the department 34097
shall designate and provide notice of a period of at least ten 34098
business days during which each sponsor may review the information 34099
used by the department to determine the sponsor's rating on the 34100
components prescribed by division (B)(1) of this section. If the 34101
sponsor believes there is an error in the department's evaluation, 34102
the sponsor may request adjustments to the rating of any of those 34103
components based on documentation previously submitted as part of 34104
an evaluation. The sponsor shall provide to the department any 34105
necessary evidence or information to support the requested 34106
adjustments. The department shall review the evidence and 34107
information, determine whether an adjustment is valid, and 34108
promptly notify the sponsor of its determination and reasons. If 34109
any adjustments to the data could result in a change to the rating 34110
on the applicable component or to the overall rating, the 34111
department shall recalculate the ratings prior to publication. 34112

The department shall provide training on an annual basis 34113
regarding the evaluation system prescribed under this section. The 34114
training shall, at a minimum, describe methodology, timelines, and 34115
data required for the evaluation system. The first training 34116
session shall occur not later than March 2, 2016. Beginning in 34117
2018, the training shall be made available to each entity that 34118

sponsors a community school by the fifteenth day of July of each year and shall include guidance on any changes made to the evaluation system.

(7) (a) Entities with an overall rating of "exemplary" for ~~at least the two consecutive most recent~~ years in which the entity was evaluated may take advantage of the following incentives:

(i) Renewal of the written agreement with the department, not to exceed ten years, provided that the entity consents to continued evaluation of adherence to quality practices as described in division (B) (1) (b) of this section;

(ii) The ability to extend the term of the contract between the sponsoring entity and the community school beyond the term described in the written agreement with the department;

(iii) An exemption from the preliminary agreement and contract adoption and execution deadline requirements prescribed in division (D) of section 3314.02 of the Revised Code;

(iv) An exemption from the automatic contract expiration requirement, should a new community school fail to open by the thirtieth day of September of the calendar year in which the community school contract is executed;

(v) No limit on the number of community schools the entity may sponsor;

(vi) No territorial restrictions on sponsorship.

An entity may continue to sponsor any community schools with which it entered into agreements under division (B) (7) (a) (v) or (vi) of this section while rated "exemplary," notwithstanding the fact that the entity later receives a lower overall rating.

(b) Entities with an overall rating of "exemplary" or "effective" for ~~at least the three consecutive most recent~~ years in which the entity was evaluated shall be evaluated by the

department once every three years. 34149

(c) (i) Entities that receive an overall rating of 34150
"ineffective" shall be prohibited from sponsoring any new or 34151
additional community schools during the time in which the sponsor 34152
is rated as "ineffective" and shall be subject to a quality 34153
improvement plan based on correcting the deficiencies that led to 34154
the "ineffective" rating, with timelines and benchmarks that have 34155
been established by the department. 34156

(ii) Entities that receive an overall rating of "ineffective" 34157
on their three most recent ratings shall have all sponsorship 34158
authority revoked. Within thirty days after receiving its third 34159
rating of "ineffective," the entity may appeal the revocation of 34160
its sponsorship authority to the superintendent of public 34161
instruction, who shall appoint an independent hearing officer to 34162
conduct a hearing in accordance with Chapter 119. of the Revised 34163
Code. The hearing shall be conducted within thirty days after 34164
receipt of the notice of appeal. Within forty-five days after the 34165
hearing is completed, the state board of education shall determine 34166
whether the revocation is appropriate based on the hearing 34167
conducted by the independent hearing officer, and if determined 34168
appropriate, the revocation shall be confirmed. 34169

(d) Entities that receive an overall rating of "poor" shall 34170
have all sponsorship authority revoked. Within thirty days after 34171
receiving a rating of "poor," the entity may appeal the revocation 34172
of its sponsorship authority to the superintendent of public 34173
instruction, who shall appoint an independent hearing officer to 34174
conduct a hearing in accordance with Chapter 119. of the Revised 34175
Code. The hearing shall be conducted within thirty days after 34176
receipt of the notice of appeal. Within forty-five days after the 34177
hearing is completed, the state board of education shall determine 34178
whether the revocation is appropriate based on the hearing 34179
conducted by the independent hearing officer, and if determined 34180

appropriate, the revocation shall be confirmed. 34181

(8) For the 2014-2015 school year and each school year 34182
thereafter, student academic performance prescribed under division 34183
(B) (1) (a) of this section shall include student academic 34184
performance data from community schools that primarily serve 34185
students enrolled in a dropout prevention and recovery program. 34186

(C) If the governing authority of a community school enters 34187
into a contract with a sponsor prior to the date on which the 34188
sponsor is prohibited from sponsoring additional schools under 34189
division (A) of this section and the school has not opened for 34190
operation as of that date, that contract shall be void and the 34191
school shall not open until the governing authority secures a new 34192
sponsor by entering into a contract with the new sponsor under 34193
section 3314.03 of the Revised Code. However, the department's 34194
office of Ohio school sponsorship, established under section 34195
3314.029 of the Revised Code, may assume the sponsorship of the 34196
school until the earlier of the expiration of two school years or 34197
until a new sponsor is secured by the school's governing 34198
authority. A community school sponsored by the department under 34199
this division shall not be included when calculating the maximum 34200
number of directly authorized community schools permitted under 34201
division (A) (3) of section 3314.029 of the Revised Code. 34202

(D) When an entity's authority to sponsor schools is revoked 34203
pursuant to division ~~(B) (7) (b)~~ (B) (7) (c) or ~~(e) (d)~~ of this section, 34204
the office of Ohio school sponsorship shall assume sponsorship of 34205
any schools with which the original sponsor has contracted for the 34206
remainder of that school year. The office may continue sponsoring 34207
those schools until the earlier of: 34208

(1) The expiration of two school years from the time that 34209
sponsorship is revoked; 34210

(2) When a new sponsor is secured by the governing authority 34211

pursuant to division (C) (1) of section 3314.02 of the Revised Code. 34212
34213

Any community school sponsored under this division shall not be counted for purposes of directly authorized community schools under division (A) (3) of section 3314.029 of the Revised Code. 34214
34215
34216

(E) The department shall recalculate the rating for the 2017-2018 school year for each sponsor of a community school that receives recalculated ratings pursuant to division (I) of section 3314.017 of the Revised Code. 34217

(J) (1) No student shall be considered enrolled in any 36102
internet- or computer-based community school or, if applicable to 36103
the student, in any community school that is required to provide 36104
the student with a computer pursuant to division (C) of section 36105
3314.22 of the Revised Code, unless both of the following 36106
conditions are satisfied: 36107

(a) The student possesses or has been provided with all 36108
required hardware and software materials and all such materials 36109
are operational so that the student is capable of fully 36110
participating in the learning opportunities specified in the 36111
contract between the school and the school's sponsor as required 36112
by division (A) (23) of section 3314.03 of the Revised Code; 36113

(b) The school is in compliance with division (A) of section 36114
3314.22 of the Revised Code, relative to such student. 36115

(2) In accordance with policies adopted by the superintendent 36116

of public instruction, in consultation with the auditor of state, 36117
the department shall reduce the amounts otherwise payable under 36118
~~division (C) of this~~ section 3317.022 of the Revised Code to any 36119
community school that includes in its program the provision of 36120
computer hardware and software materials to any student, if such 36121
hardware and software materials have not been delivered, 36122
installed, and activated for each such student in a timely manner 36123
or other educational materials or services have not been provided 36124
according to the contract between the individual community school 36125
and its sponsor. 36126

The superintendent of public instruction and the auditor of 36127
state shall jointly establish a method for auditing any community 36128
school to which this division pertains to ensure compliance with 36129
this section. 36130

The superintendent, auditor of state, and the governor shall 36131
jointly make recommendations to the general assembly for 36132
legislative changes that may be required to assure fiscal and 36133
academic accountability for such schools. 36134

(K) (1) If the department determines that a review of a 36135
community school's enrollment is necessary, such review shall be 36136
completed and written notice of the findings shall be provided to 36137
the governing authority of the community school and its sponsor 36138
within ninety days of the end of the community school's fiscal 36139
year, unless extended for a period not to exceed thirty additional 36140
days for one of the following reasons: 36141

(a) The department and the community school mutually agree to 36142
the extension. 36143

(b) Delays in data submission caused by either a community 36144
school or its sponsor. 36145

(2) If the review results in a finding that additional 36146

(b) The board or its designee shall conduct an informal hearing on the matter within thirty days of receipt of such an appeal and shall issue a decision within fifteen days of the conclusion of the hearing.

(c) If the board has enlisted a designee to conduct the hearing, the designee shall certify its decision to the board. The board may accept the decision of the designee or may reject the decision of the designee and issue its own decision on the matter.

(3) Any student who was enrolled in the community school during the previous school year when assessments were administered under section 3301.0711 of the Revised Code but did not take one

or more of the assessments required by that section and was not 36178
excused pursuant to division (C)(1) or (3) of that section, unless 36179
the superintendent of public instruction grants the student a 36180
waiver from the requirement to take the assessment and a parent is 36181
not paying tuition for the student pursuant to section 3314.26 of 36182
the Revised Code. The superintendent may grant a waiver only for 36183
good cause in accordance with rules adopted by the state board of 36184
education. 36185

(4) Any student who has attained the age of twenty-two years, 36186
except for veterans of the armed services whose attendance was 36187
interrupted before completing the recognized twelve-year course of 36188
the public schools by reason of induction or enlistment in the 36189
armed forces and who apply for enrollment in a community school 36190
not later than four years after termination of war or their 36191
honorable discharge. If, however, any such veteran elects to 36192
enroll in special courses organized for veterans for whom tuition 36193
is paid under federal law, or otherwise, the department ~~shall not~~ 36194
~~subtract from a school district's state aid account and~~ shall not 36195
pay to a community school under ~~division (C) of this~~ section 36196
3317.022 of the Revised Code any amount for that veteran. 36197

Sec. 3314.083. If the department of education pays a joint 36198

3317.16 of the Revised Code for excess costs of providing special 36200
education and related services to a student with a disability who 36201
is enrolled in a community school, as calculated under division 36202
(C)(1) of that section, the department shall deduct the amount of 36203
that payment from the amount calculated for payment to the 36204
community school under section ~~3314.08~~ 3317.022 of the Revised 36205
Code. 36206

Sec. 3314.084. (A) As used in this section: 36207

(1) "Formula ADM" has the same meaning as in section 3317.03 of the Revised Code. 36208
36209

(2) "Home" has the same meaning as in section 3313.64 of the Revised Code. 36210
36211

(3) "School district of residence" has the same meaning as in section 3323.01 of the Revised Code; however, a community school established under this chapter is not a "school district of residence" for purposes of this section. 36212
36213
36214
36215

(B) Notwithstanding anything to the contrary in section 3314.08 or 3317.03 of the Revised Code, all of the following apply in the case of a child who is enrolled in a community school and is also living in a home: 36216
36217
36218
36219

~~(1) For purposes of the report required under division (B)(1) of section 3314.08 of the Revised Code, the child's school district of residence, and not the school district in which the home that the child is living in is located, shall be considered to be the school district in which the child is entitled to attend school. That school district of residence, therefore, shall make the report required under division (B)(1) of section 3314.08 of the Revised Code with respect to the child.~~ 36220
36221
36222
36223
36224
36225
36226
36227

~~(2)~~ For purposes of the report required under division ~~(B)(2)~~ (B) of section 3314.08 of the Revised Code, the community school shall report the name of the child's school district of residence. 36228
36229
36230

~~(3)(2)~~ The child's school district of residence shall count the child in that district's formula ADM. 36231
36232

~~(4)(3)~~ The school district in which the home that the child is living in is located shall not count the child in that district's formula ADM. 36233
36234
36235

~~(5) The department of education shall deduct the applicable amounts prescribed under division (C) of section 3314.08 of the~~ 36236
36237

~~Revised Code from the child's school district of residence and~~ 36238
~~shall not deduct those amounts from the school district in which~~ 36239
~~the home that the child is living in is located.~~ 36240

~~(6)(4)~~ The department shall make the payments prescribed in 36241
~~division (C) of section 3314.08~~ 3317.022 of the Revised Code, as 36242
applicable, to the community school. 36243

Sec. 3314.086. A community school established under this 36244
chapter, including an internet- or computer-based community 36245
school, may provide career-technical education in the manner 36246
prescribed by section 3313.90 of the Revised Code. The community 36247
school may contract with any public agency, board, or bureau or 36248
with any private individual or firm for the purchase of any 36249
career-technical education or vocational rehabilitation service 36250
for any student enrolled in the community school and may pay for 36251
such services with funds received under section ~~3314.08~~ 3317.022 36252
of the Revised Code. 36253

Sec. 3314.087. (A) As used in this section: 36254

(1) "Career-technical program" means career-technical 36255
programs or classes described in division (A), (B), (C), (D), or 36256
(E) of section 3317.014 of the Revised Code in which a student is 36257
enrolled. 36258

(2) ~~"Formula ADM," "category~~ "Category one through five 36259
career-technical education ADM," and "FTE basis" have the same 36260
meanings as in section 3317.02 of the Revised Code. 36261

(3) "Resident school district" means the city, exempted 36262
village, or local school district in which a student is entitled 36263
to attend school under section 3313.64 or 3313.65 of the Revised 36264
Code. 36265

(B) Notwithstanding anything to the contrary in this chapter 36266
or Chapter 3317. of the Revised Code, a student enrolled in a 36267

community school may simultaneously enroll in the career-technical 36268
program operated by the career-technical planning district to 36269
which the student's resident district belongs. On an FTE basis, 36270
the student's resident school district shall count the student in 36271
the category one through five career-technical education ADM for 36272
the proportion of the time the student is enrolled in a 36273
career-technical program of the career-technical planning district 36274
to which the student's resident district belongs and, accordingly, 36275
the department of education shall calculate funds under Chapter 36276
3317. for the resident district attributable to the student for 36277
the proportion of time the student attends the career-technical 36278
program. The community school shall count the student in its 36279
enrollment report under section 3314.08 of the Revised Code and 36280
shall report to the department the proportion of time that the 36281
student attends classes at the community school. The department 36282
shall pay the community school ~~and deduct from the student's~~ 36283
~~resident school district~~ the amount computed for the student under 36284
section ~~3314.08~~ 3317.022 of the Revised Code in proportion to the 36285
fraction of the time on an FTE basis that the student attends 36286
classes at the community school. "Full-time equivalency" for a 36287
community school student, as defined in division (H) of section 36288
3314.08 of the Revised Code, does not apply to the student. 36289

Sec. 3314.091. (A) A school district is not required to 36290
provide transportation for any native student enrolled in a 36291
community school if the district board of education has entered 36292
into an agreement with the community school's governing authority 36293
that designates the community school as responsible for providing 36294
or arranging for the transportation of the district's native 36295
students to and from the community school. For any such agreement 36296
to be effective, it must be certified by the superintendent of 36297
public instruction as having met all of the following 36298
requirements: 36299

(1) It is submitted to the department of education by a 36300
deadline which shall be established by the department. 36301

(2) In accordance with divisions (C) (1) and (2) of this 36302
section, it specifies qualifications, such as residing a minimum 36303
distance from the school, for students to have their 36304
transportation provided or arranged. 36305

(3) The transportation provided by the community school is 36306
subject to all provisions of the Revised Code and all rules 36307
adopted under the Revised Code pertaining to pupil transportation. 36308

(4) The sponsor of the community school also has signed the 36309
agreement. 36310

(B) (1) For the school year that begins on July 1, 2007, a 36311
school district is not required to provide transportation for any 36312
native student enrolled in a community school, if the community 36313
school during the previous school year transported the students 36314
enrolled in the school or arranged for the students' 36315
transportation, even if that arrangement consisted of having 36316
parents transport their children to and from the school, but did 36317
not enter into an agreement to transport or arrange for 36318
transportation for those students under division (A) of this 36319
section, and if the governing authority of the community school by 36320
July 15, 2007, submits written notification to the district board 36321
of education stating that the governing authority is accepting 36322
responsibility for providing or arranging for the transportation 36323
of the district's native students to and from the community 36324
school. 36325

(2) Except as provided in division (B) (4) of this section, 36326
for any school year subsequent to the school year that begins on 36327
July 1, 2007, a school district is not required to provide 36328
transportation for any native student enrolled in a community 36329
school if the governing authority of the community school, by the 36330

~~thirty first~~ first day of January of the previous school year 36331
August, submits written notification to the district board of 36332
education stating that the governing authority is accepting 36333
responsibility for providing or arranging for the transportation 36334
of the district's native students to and from the community 36335
school. If the governing authority of the community school has 36336
previously accepted responsibility for providing or arranging for 36337
the transportation of a district's native students to and from the 36338
community school, under division (B) (1) or (2) of this section, 36339
and has since relinquished that responsibility under division 36340
(B) (3) of this section, the governing authority shall not accept 36341
that responsibility again unless the district board consents to 36342
the governing authority's acceptance of that responsibility. 36343

(3) A governing authority's acceptance of responsibility 36344
under division (B) (1) or (2) of this section shall cover an entire 36345
school year, and shall remain in effect for subsequent school 36346
years unless the governing authority submits written notification 36347
to the district board that the governing authority is 36348
relinquishing the responsibility. However, a governing authority 36349
shall not relinquish responsibility for transportation before the 36350
end of a school year, and shall submit the notice relinquishing 36351
responsibility by the thirty-first day of January, in order to 36352
allow the school district reasonable time to prepare 36353
transportation for its native students enrolled in the school. 36354

(4) (a) For any school year that begins on or after July 1, 36355
2014, a school district is not required to provide transportation 36356
for any native student enrolled in a community school scheduled to 36357
open for operation in the current school year, if the governing 36358
authority of the community school, by the fifteenth day of April 36359
of the previous school year, submits written notification to the 36360
district board of education stating that the governing authority 36361
is accepting responsibility for providing or arranging for the 36362

transportation of the district's native students to and from the 36363
community school. 36364

(b) The governing authority of a community school that 36365
accepts responsibility for transporting its students under 36366
division (B) (4) (a) of this section shall comply with divisions 36367
(B) (2) and (3) of this section to renew or relinquish that 36368
authority for subsequent school years. 36369

(C) (1) A community school governing authority that enters 36370
into an agreement under division (A) of this section, or that 36371
accepts responsibility under division (B) of this section, shall 36372
provide or arrange transportation free of any charge for each of 36373
its enrolled students who is required to be transported under 36374
section 3327.01 of the Revised Code. The governing authority shall 36375
report to the department of education the number of students 36376
transported or for whom transportation is arranged under this 36377
section in accordance with rules adopted by the state board of 36378
education. 36379

(2) The governing authority may provide or arrange 36380
transportation for any other enrolled student who is not eligible 36381
for transportation in accordance with division (C) (1) of this 36382
section and may charge a fee for such service up to the actual 36383
cost of the service. 36384

(3) Notwithstanding anything to the contrary in division 36385
(C) (1) or (2) of this section, a community school governing 36386
authority shall provide or arrange transportation free of any 36387
charge for any disabled student enrolled in the school for whom 36388
the student's individualized education program developed under 36389
Chapter 3323. of the Revised Code specifies transportation. 36390

~~(D) (1) If a school district board and a community school 36391
governing authority elect to enter into an agreement under 36392
division (A) of this section, the department of education shall 36393~~

~~make payments to the community school according to the terms of 36394
the agreement for each student actually transported under division 36395
(C) (1) of this section. 36396~~

~~If a community school governing authority accepts 36397
transportation responsibility under division (B) of this section, 36398
the department shall make payments to the community school for 36399
each student actually transported or for whom transportation is 36400
arranged by the community school under division (C) (1) of this 36401
section, calculated as follows: 36402~~

~~(a) For any fiscal year which the general assembly has 36403
specified that transportation payments to school districts be 36404
based on an across the board percentage of the district's payment 36405
for the previous school year, the per pupil payment to the 36406
community school shall be the following quotient: 36407~~

~~(i) The total amount calculated for the school district in 36408
which the child is entitled to attend school for student 36409
transportation other than transportation of children with 36410
disabilities, divided by 36411~~

~~(ii) The number of students included in the district's 36412
transportation ADM for the current fiscal year, as calculated 36413
under section 3317.03 of the Revised Code, plus the number of 36414
students enrolled in the community school not counted in the 36415
district's transportation ADM who are transported under division 36416
(B) (1) or (2) of this section. 36417~~

~~(b) For any fiscal year which the general assembly has 36418
specified that the transportation payments to school districts be 36419
calculated in accordance with section 3317.0212 of the Revised 36420
Code and any rules of the state board of education implementing 36421
that section, the payment to the community school shall be the 36422
amount so calculated on a per rider basis that otherwise would be 36423
paid to the school district in which the student is entitled to 36424~~

~~attend school by the method of transportation the district would 36425
have used. The community school, however, is not required to use 36426
the same method to transport that student. 36427~~

~~(c) Divisions (D) (1) (a) and (b) of this section do not apply 36428
to fiscal years 2012 and 2013. Rather, for each of those fiscal 36429
years, the per pupil payment to a community school for 36430
transporting a student shall be the total amount paid under former 36431
section 3306.12 of the Revised Code for fiscal year 2011 to the 36432
school district in which the child is entitled to attend school 36433
divided by that district's "qualifying ridership," as defined in 36434
that section for fiscal year 2011. 36435~~

~~As used in this division "entitled to attend school" means 36436
entitled to attend school under section 3313.64 or 3313.65 of the 36437
Revised Code. 36438~~

~~(2) The department shall deduct the payment under division 36439
(D) (1) of this section from the state education aid, as defined in 36440
section 3314.08 of the Revised Code, and, if necessary, the 36441
payment under sections 321.14 and 323.156 of the Revised Code, 36442
that is otherwise paid to the school district in which the student 36443
enrolled in the community school is entitled to attend school. The 36444
department shall include the number of the district's native 36445
students for whom payment is made to a community school under 36446
division (D) (1) of this section in the calculation of the 36447
district's transportation payment under section 3317.0212 of the 36448
Revised Code and the operating appropriations act. 36449~~

~~(3) A community school shall be paid under division (D) (1) of 36450
this section only for students who are eligible as specified in 36451
section 3327.01 of the Revised Code and division (C) (1) of this 36452
section, and whose transportation to and from school is actually 36453
provided, who actually utilized transportation arranged, or for 36454
whom a payment in lieu of transportation is made by the community 36455
school's governing authority. To qualify for the payments, the 36456~~

~~community school shall report to the department, in the form and 36457
manner required by the department, data on the number of students 36458
transported or whose transportation is arranged, the number of 36459
miles traveled, cost to transport, and any other information 36460
requested by the department. 36461~~

(4) A community school shall use payments received under ~~this~~ 36462
division (H) of section 3317.0212 of the Revised Code solely to 36463
pay the costs of providing or arranging for the transportation of 36464
students who are eligible as specified in section 3327.01 of the 36465
Revised Code and division (C)(1) of this section, which may 36466
include payments to a parent, guardian, or other person in charge 36467
of a child in lieu of transportation. 36468

(E) Except when arranged through payment to a parent, 36469
guardian, or person in charge of a child, transportation provided 36470
or arranged for by a community school pursuant to an agreement 36471
under this section is subject to all provisions of the Revised 36472
Code, and all rules adopted under the Revised Code, pertaining to 36473
the construction, design, equipment, and operation of school buses 36474
and other vehicles transporting students to and from school. The 36475
drivers and mechanics of the vehicles are subject to all 36476
provisions of the Revised Code, and all rules adopted under the 36477
Revised Code, pertaining to drivers and mechanics of such 36478
vehicles. The community school also shall comply with sections 36479
3313.201, 3327.09, and 3327.10 of the Revised Code, division (B) 36480

(C)(1) of this section, sections 3327.01 and 3327.02 of the 36482
Revised Code, as if it were a school district. 36483

Sec. 3314.11. (A) The governing authority of each community 36484
school established under this chapter monthly shall review the 36485
residency records of students enrolled in that community school. 36486
Upon the enrollment of each student and on an annual basis, the 36487

governing authority shall verify to the department of education 36488
the school district in which the student is entitled to attend 36489
school under section 3313.64 or 3313.65 of the Revised Code. 36490

The school district may review the determination made by the 36491
community school under division (A) of this section. 36492

(B) (1) For purposes of its initial reporting of the school 36493
districts in which its students are entitled to attend school, the 36494
governing authority of a community school shall adopt a policy 36495
that prescribes the number of documents listed in division (E) of 36496
this section required to verify a student's residency. This policy 36497
shall supersede any policy concerning the number of documents for 36498
initial residency verification adopted by the district the student 36499
is entitled to attend. 36500

(2) For purposes of the annual reporting of the school 36501
districts in which its students are entitled to attend school, the 36502
governing authority of a community school shall adopt a policy 36503
that prescribes the information required to verify a student's 36504
residency. This information may be obtained through any type of 36505
document, including any of the documents listed in division (E) of 36506

(E)(1) To assist the general assembly in updating the base 37089
cost per pupil as part of the biennial budget enacted by the 37090
general assembly for fiscal years 2024 and 2025 and as part of 37091
every third biennial budget enacted by the general assembly 37092
thereafter, the legislative service commission shall conduct 37093
analyses of the data required for the model of the calculation of 37094
the base cost per pupil under division (C) of this section using 37095
the information obtained under division (E)(2) of this section and 37096

the variables specified in division (E)(3) of this section. Not 37097
later than the thirtieth day of November prior to a calendar year 37098
in which the general assembly intends for an update of the base 37099
cost per pupil to occur in accordance with division (B)(3) of this 37100
section, the commission shall present the analyses to the general 37101
assembly. 37102

(2) Not later than the first day of October of any calendar 37103
year in which the legislative service commission conducts analyses 37104
under division (E)(1) of this section, the commission shall submit 37105
to the department of education a written request itemizing all the 37106
information that is needed for purposes of conducting its analyses 37107
in accordance with division (E)(1) of this section. The department 37108
shall provide the requested information not later than the 37109
thirty-first day of October of the year in which the request is 37110
made. 37111

(3) When conducting its analyses under division (E)(1) of 37112
this section, the legislative service commission may use the 37113
following variables: 37114

(a) For the update as part of the biennial budget enacted by 37115
the general assembly for fiscal years 2024 and 2025, the variables 37116
specified under divisions (D)(1)(b) to (e) of this section; 37117

(b) For the update as part of every third biennial budget 37118
enacted by the general assembly thereafter, the following 37119
variables as specified by the general assembly in its most recent 37120
update to the base cost per pupil: 37121

(i) The percentage determined by the general assembly for the 37122
"supplemental state share multiplier" under division (C)(2)(b)(ii) 37123
of this section that is used in the calculation of the "state 37124
share multiplier" under division (C)(2)(b) of this section; 37125

(ii) The teacher-to-student ratio that is used in the 37126
calculation of the per-pupil classroom teacher compensation 37127

<u>component under division (C)(2) of this section;</u>	37128

<u>(F) It is the intent of the general assembly that, for those fiscal years for which the general assembly does not intend for an update of the base cost per pupil to occur in accordance with division (B)(3) of this section, the general assembly may adjust the average classroom teacher salary. In doing so, the general assembly may consider the annual changes to the average classroom teacher salary, the consumer price index (all items), or any other factors the general assembly considers to be appropriate.</u>	37136 37137 37138 37139 37140 37141 37142 37143
Sec. 3317.017. The department of education shall compute a school district's state share index as follows:	37144 37145
(A) Calculate the district's valuation index, which equals the following quotient:	37146 37147
(The district's three-year average valuation / the district's total ADM) / (the statewide three-year average valuation for school districts with a total ADM greater than zero / the statewide total ADM)	37148 37149 37150 37151
(B)(1) Calculate the district's median income index, which equals the following quotient:	37152 37153
(The district's median Ohio adjusted gross income / the median of the median Ohio adjusted gross income of all districts statewide with a total ADM greater than zero)	37154 37155 37156
(2) Calculate the district's income index, which equals the	37157

following sum: 37158

(The district's median income index X 0.5) + {[the three-year 37159
average federal adjusted gross income of the school district's 37160
residents / the district's ~~formula~~ enrolled ADM for fiscal year 37161
2017) / (the three-year average federal adjusted gross income of 37162
all districts statewide with a ~~formula~~ enrolled ADM for fiscal 37163
year 2017 greater than zero / the statewide ~~formula~~ enrolled ADM 37164
for fiscal year 2017)] X 0.5} 37165

(C) Determine the district's wealth index as follows: 37166

(1) If the district's income index is less than the 37167
district's valuation index and the district's median income index 37168
is less than or equal to 1.5, then the district's wealth index 37169
shall be equal to [(0.4 X the district's income index) + (0.6 X 37170
the district's valuation index)]. 37171

(2) If the district's income index does not meet both of the 37172
conditions described in division (C) (1) of this section, then the 37173
district's wealth index shall be equal to the district's valuation 37174
index. 37175

(D) ~~Determine~~ (1) Prior to fiscal year 2022, determine the 37176
district's state share index as follows: 37177

~~(1)~~ (a) If the district's wealth index is less than or equal 37178
to 0.35, then the district's state share index shall be equal to 37179
0.90. 37180

~~(2)~~ (b) If the district's wealth index is greater than 0.35 37181
but less than or equal to 0.90, then the district's state share 37182
index shall be equal to {0.40 X [(0.90 - the district's wealth 37183
index) / 0.55]} + 0.50. 37184

~~(3)~~ (c) If the district's wealth index is greater than 0.90 37185
but less than 1.8, then the district's state share index shall be 37186
equal to {0.45 X [(1.8 - the district's wealth index) / 0.9]} + 37187
0.05. 37188

~~(4)~~(d) If the district's wealth index is greater than or equal to 1.8, then the district's state share index shall be equal to 0.05. 37189
37190
37191

(2) For fiscal year 2022 and each fiscal year thereafter, determine the district's state share index as follows: 37192
37193

(a) If the district's wealth index is less than or equal to 0.425, then the district's state share index shall be equal to 0.90. 37194
37195
37196

(b) If the district's wealth index is greater than 0.425 but less than or equal to 0.895, then the district's state share index shall be equal to $\{0.40 \times [(0.895 - \text{the district's wealth index}) / 0.47]\} + 0.50.$ 37197
37198
37199
37200

(c) If the district's wealth index is greater than 0.895 but less than 1.575, then the district's state share index shall be equal to $\{0.45 \times [(1.575 - \text{the district's wealth index}) / 0.68]\} + 0.05.$ 37201
37202
37203
37204

(d) If the district's wealth index is greater than or equal to 1.575, then the district's state share index shall be equal to 0.05. 37205
37206
37207

(E) (1) For each school district for which the tax-exempt value of the district, as certified under division (A) (4) of section 3317.021 of the Revised Code, equals or exceeds thirty per cent of the potential value of the district, the department shall calculate the difference between the district's tax-exempt value and thirty per cent of the district's potential value. For this purpose, the "potential value" of a school district is the three-year average valuation of the district plus the tax-exempt value of the district. 37208

37210
37211
37212
37213
37214

37218
37219

division (A) of this section by subtracting from it the amount 37220
calculated under division (E)(1) of this section. The department 37221
shall not, however, make any adjustments to the statewide 37222
three-year average valuation used in the calculation under 37223
division (A) of this section. 37224

(F)(1) Except as provided in division (F)(3) of this section, 37225
for purposes of division (F) of this section, for fiscal year 2018 37226
or 2019, an "eligible school district" is a school district that 37227
satisfies all of the following for that fiscal year: 37228

(a) The total taxable value of public utility personal 37229
property in the district is at least ten per cent of the 37230
district's total taxable value for the tax year immediately 37231
preceding the most recent tax year for which data is available. 37232

(b) The total taxable value of public utility personal 37233
property in the district for the most recent tax year for which 37234
data is available is at least ten per cent less than the total 37235
taxable value of public utility property in the district for the 37236
tax year immediately preceding the most recent tax year for which 37237
data is available. 37238

(c) The total taxable value of power plants in the district 37239
for the most recent tax year for which data is available is at 37240
least ten per cent less than the total taxable value of power 37241
plants in the district for the tax year immediately preceding the 37242
most recent tax year for which data is available. 37243

(2) Notwithstanding divisions (A) to (E) of this section, the 37244
department shall compute each eligible school district's state 37245
share index as follows: 37246

(a) Calculate the district's valuation index in accordance 37247
with division (A) of this section, except that, if the district's 37248
total taxable value for the most recent tax year for which data is 37249
available is less than the district's "three-year average 37250

valuation," the district's "three-year average valuation" shall be 37251
replaced in that calculation with the district's total taxable 37252
value for the most recent tax year for which data is available; 37253

(b) Calculate the district's median income index and income 37254
index in accordance with division (B) of this section; 37255

(c) Determine the district's wealth index in accordance with 37256
division (C) of this section using the district's valuation index, 37257
median income index, and income index as calculated under 37258
divisions (F) (2) (a) and (b) of this section; 37259

(d) Determine the district's state share index in accordance 37260
with division (D) of this section using the district's wealth 37261
index as determined under division (F) (2) (c) of this section. 37262

(3) For purposes of division (F) of this section, if a 37263
district is an eligible school district for fiscal year 2018 but 37264
is not an eligible school district for fiscal year 2019, the 37265
district's state share index for fiscal year 2019 shall be equal 37266
to the district's state share index for 2018. 37267

(G) When performing the calculations required under this 37268
section, the department shall not round to fewer than four decimal 37269
places. 37270

For purposes of these calculations for fiscal years 2018 and 37271
2019, "total ADM" means the total ADM for fiscal year 2017; 37272
"median Ohio adjusted gross income" means the median Ohio adjusted 37273
gross income, as that term is defined in section 5747.01 of the 37274
Revised Code, for tax year 2015; "three-year average federal 37275
adjusted gross income" means the average of the federal adjusted 37276
gross income for tax years 2013, 2014, and 2015 as reported under 37277
section 3317.021 of the Revised Code; and "tax-exempt value" means 37278
the tax-exempt value for tax year 2016. 37279

The state board of education or any other board of education or governing board may provide for any resident of a district or educational service center territory any educational service for which funds are made available to the board by the United States under the authority of public law, whether such funds come directly or indirectly from the United States or any agency or department thereof or through the state or any agency, department, or political subdivision thereof.

Sec. 3317.0212. (A) As used in this section:

(1) "Qualifying riders" means resident students enrolled in regular education in grades kindergarten to twelve who are provided school bus service by a school district and who live more than one mile from the school they attend, including students with dual enrollment in a joint vocational school district or a cooperative education school district, and students enrolled in a community school, STEM school, or nonpublic school.

(2) "Qualifying ridership" means the greater of the average number of qualifying riders counted in the morning or counted in

the afternoon who are provided school bus service by a school 38487
district during the first full week of October that the district 38488
is in session with students in attendance. 38489

(3) "Rider density" means the ~~total~~ rider density ADM per 38490

superintendent of public instruction and adjusted if so ordered 38495
under division (K) of that section. 38496

(5) "School bus service" means a school district's 38497
transportation of qualifying riders in any of the following types 38498

(a) School buses owned or leased by the district; 38500

(b) School buses operated by a private contractor hired by 38501
the district; 38502

(c) School buses operated by another school district or 38503
entity with which the district has contracted, either as part of a 38504
consortium for the provision of transportation or otherwise. 38505

(B) Not later than the fifteenth day of October each year, 38506
each city, local, and exempted village school district shall 38507
report to the department of education its qualifying ridership and 38508
any other information requested by the department. Subsequent 38509
adjustments to the reported numbers shall be made only in 38510
accordance with rules adopted by the department. 38511

(C) The department shall calculate the statewide 38512
transportation cost per student as follows: 38513

(1) Determine each city, local, and exempted village school 38514
district's transportation cost per student by dividing the 38515
district's total costs for school bus service in the previous 38516

fiscal year by its qualifying ridership in the previous fiscal year. 38517
38518

(2) After excluding districts that do not provide school bus service and the ten districts with the highest transportation costs per student and the ten districts with the lowest transportation costs per student, divide the aggregate cost for school bus service for the remaining districts in the previous fiscal year by the aggregate qualifying ridership of those districts in the previous fiscal year. 38519
38520
38521
38522
38523
38524
38525

(D) The department shall calculate the statewide transportation cost per mile as follows: 38526
38527

38529
38530
38531
38532

(2) After excluding districts that do not provide school bus service and the ten districts with the highest transportation costs per mile and the ten districts with the lowest transportation costs per mile, divide the aggregate cost for school bus service for the remaining districts in the previous fiscal year by the aggregate miles driven for school bus service in those districts in the previous fiscal year. 38533
38534
38535
38536
38537
38538
38539

(E) The department shall calculate each city, local, and exempted village school district's transportation payment as follows: 38540
38541
38542

(1) Multiply the statewide transportation cost per student by the district's qualifying ridership for the current fiscal year. 38543
38544

(2) Multiply the statewide transportation cost per mile by the district's total number of miles driven for school bus service in the current fiscal year. 38545
38546
38547

(3) Multiply the greater of the amounts calculated under 38548
divisions (E) (1) and (2) of this section by the following: 38549

one-half per cent or the district's state share index, as defined 38551
in section 3317.02 of the Revised Code; 38552

(b) For fiscal year 2019, the greater of twenty-five per cent 38553
or the district's state share index. 38554

(F) In addition to funds paid under division (E) of this 38555
section, each city, local, and exempted village district shall 38556
receive in accordance with rules adopted by the state board of 38557
education a payment for students transported by means other than 38558
school bus service and whose transportation is not funded under 38559
division (C) of section 3317.024 of the Revised Code. The rules 38560
shall include provisions for school district reporting of such 38561
students. 38562

(G) (1) For purposes of division (G) of this section, a school 38563
district's "transportation supplement percentage" means the 38564
following quotient: 38565

$$(50 - \text{the district's rider density}) / 100 \quad 38566$$

If the result of the calculation for a district under 38567
division (G) (1) of this section is less than zero, the district's 38568
transportation supplement percentage shall be zero. 38569

(2) The department shall pay each district a transportation 38570
supplement calculated according to the following formula: 38571

The district's transportation supplement percentage X the amount 38572
calculated for the district under division (E) (2) of this section 38573

$$X 0.55 \quad 38574$$

(H) (1) If a school district board and a community school 38575
governing authority elect to enter into an agreement under 38576
division (A) of section 3314.091 of the Revised Code, the 38577
department shall make payments to the community school according 38578

to the terms of the agreement for each student actually 38579
transported under division (C) (1) of that section. If a community 38580
school governing authority accepts transportation responsibility 38581
under division (B) of that section, the department shall make 38582
payments to the community school for each student actually 38583
transported or for whom transportation is arranged by the 38584
community school under division (C) (1) of that section, calculated 38585
as follows: 38586

(a) For any fiscal year which the general assembly has 38587
specified that transportation payments to school districts be 38588
based on an across-the-board percentage of the district's payment 38589
for the previous school year, the per pupil payment to the 38590
community school shall be the following quotient: 38591

(i) The total amount calculated for the school district in 38592
which the child is entitled to attend school for student 38593
transportation other than transportation of children with 38594
disabilities; divided by 38595

(ii) The number of students included in the district's 38596
transportation ADM for the current fiscal year, as calculated 38597
under section 3317.03 of the Revised Code, plus the number of 38598
students enrolled in the community school not counted in the 38599
district's transportation ADM who are transported under division 38600
(B) (1) or (2) of section 3314.091 of the Revised Code. 38601

(b) For any fiscal year which the general assembly has 38602
specified that the transportation payments to school districts be 38603
calculated in accordance with this section and any rules of the 38604
state board of education implementing this section, the payment to 38605
the community school shall be the amount so calculated on a per 38606
rider basis that otherwise would be computed for and paid to the 38607
school district in which the student is entitled to attend school 38608
by the method of transportation the district would have used. The 38609
community school, however, is not required to use the same method 38610

to transport that student. 38611

As used in this division "entitled to attend school" means 38612
entitled to attend school under section 3313.64 or 3313.65 of the 38613
Revised Code. 38614

(2) A community school shall be paid under division (H)(1) of 38615
this section only for students who are eligible as specified in 38616
section 3327.01 of the Revised Code and division (C)(1) of section 38617
3314.091 of the Revised Code, and whose transportation to and from 38618
school is actually provided, who actually utilized transportation 38619
arranged, or for whom a payment in lieu of transportation is made 38620
by the community school's governing authority. To qualify for the 38621
payments, the community school shall report to the department, in 38622
the form and manner required by the department, data on the number 38623
of students transported or whose transportation is arranged, the 38624
number of miles traveled, cost to transport, and any other 38625
information requested by the department. 38626

Sec. 3317.0214. (A) The department shall compute and pay in 38627
accordance with this section additional state aid to school 38628
districts for students in categories two through six special 38629
education ADM. If a district's costs for the fiscal year for a 38630
student in its categories two through six special education ADM 38631
exceed the threshold ~~catastrophic~~ cost for serving the student, 38632
the district may submit to the superintendent of public 38633
instruction documentation, as prescribed by the superintendent, of 38634
all its costs for that student. Upon submission of documentation 38635
for a student of the type and in the manner prescribed, the 38636
department shall pay to the district an amount equal to the sum of 38637
the following: 38638

(1) One-half of the district's costs for the student in 38639
excess of the threshold ~~catastrophic~~ cost; 38640

(2) The product of one-half of the district's costs for the 38641

student in excess of the threshold catastrophic cost multiplied by 38642
the district's state share index. 38643

(B) For purposes of division (A) of this section, the 38644
threshold catastrophic cost for serving a student equals: 38645

(1) For a student in the school district's category two, 38646
three, four, or five special education ADM, twenty-seven thousand 38647
three hundred seventy-five dollars; 38648

(2) For a student in the district's category six special 38649
education ADM, thirty-two thousand eight hundred fifty dollars. 38650

(C) The district shall report under division (A) of this 38651
section, and the department shall pay for, only the costs of 38652
educational expenses and the related services provided to the 38653
student in accordance with the student's individualized education 38654
program. Any legal fees, court costs, or other costs associated 38655
with any cause of action relating to the student may not be 38656
included in the amount. 38657

Sec. 3317.0215. ~~(A) For purposes of this section, "four-year 38658
adjusted cohort graduation rate" has the same meaning as in 38659
section 3302.01 of the Revised Code. 38660~~

~~(B) The department of education shall annually calculate a 38661
graduation bonus for each city, local, and exempted village school 38662
district according to the following formula: 38663~~

~~The district's four-year adjusted cohort graduation rate on its 38664
most recent report card issued by the department under section 38665
3302.03 of the Revised Code X 0.075 X the formula amount X the 38666
number of the district's graduates reported to the department, in 38667
accordance with the guidelines adopted under section 3301.0714 of 38668
the Revised Code, for the same school year for which the most 38669
recent report card was issued X the district's state share index 38670~~

Sec. 3317.0216. ~~(A) For purposes of this section, a city, 38671~~

~~local, or exempted village school district's "third grade reading proficiency percentage" means the percentage of the district's students scoring at a proficient level of skill or higher on the third grade English language arts assessment prescribed under division (A) (1) (a) of section 3301.0710 of the Revised Code for the immediately preceding school year, as reported on the district's report card under section 3302.03 of the Revised Code.~~

~~(B)~~ The department of education shall annually calculate a third-grade reading bonus for each city, local, and exempted village school district according to the following formula:

The district's third-grade reading proficiency percentage X 0.075 X the formula amount X the number of the district's students scoring at a proficient level of skill or higher on the third-grade English language arts assessment prescribed under division (A) (1) (a) of section 3301.0710 of the Revised Code for the immediately preceding school year X the district's state share index

Sec. 3317.0217. Payment of the amount calculated for a school district under this section shall be made under division (A) of section 3317.022 of the Revised Code.

(A) The department of education shall annually compute targeted assistance funds to school districts, as follows:

(1) Calculate the local wealth per pupil of each school district, which equals the following sum:

(a) One-half times the quotient of (i) the district's three-year average valuation divided by (ii) its ~~formula~~ enrolled ADM plus the enrollment reported for the district under divisions (A) (2) (a) and (i) of section 3317.03 of the Revised Code; plus

(b) One-half times the quotient of (i) the average of the total federal adjusted gross income of the school district's

residents for the three years most recently reported under section 38702
3317.021 of the Revised Code divided by (ii) its ~~formula~~ enrolled 38703
ADM plus the enrollment reported for the district under divisions 38704
(A) (2) (a) and (i) of section 3317.03 of the Revised Code. 38705

(2) Rank all school districts in order of local wealth per 38706
pupil, from the district with the lowest local wealth per pupil to 38707
the district with the highest local wealth per pupil. 38708

(3) Compute the statewide wealth per pupil, which equals the 38709
following sum: 38710

(a) One-half times the quotient of (i) the sum of the 38711
three-year average valuations for all school districts divided by 38712
(ii) the sum of ~~formula~~ enrolled ADM counts for all school 38713
districts plus the sum of the enrollment reported for all school 38714
districts under divisions (A) (2) (a) and (i) of section 3317.03 of 38715
the Revised Code; plus 38716

(b) One-half times the quotient of (i) the sum of the 38717
three-year average total federal adjusted gross incomes for all 38718
school districts divided by (ii) the sum of ~~formula~~ enrolled ADM 38719
counts for all school districts plus the sum of the enrollment 38720
reported for all school districts under divisions (A) (2) (a) and 38721
(i) of section 3317.03 of the Revised Code. 38722

(4) Compute each district's wealth index by dividing the 38723
statewide wealth per pupil by the district's local wealth per 38724
pupil. 38725

(5) Compute the per pupil targeted assistance for each 38726
eligible school district in accordance with the following formula: 38727

(Threshold local wealth per pupil - the district's local wealth 38728
per pupil) 38729

X target millage X the district's wealth index 38730

Where: 38731

(a) An "eligible school district" means a school district 38732
with a local wealth per pupil less than that of the school 38733
district with the 490th lowest local wealth per pupil. 38734

(b) "Threshold local wealth per pupil" means the local wealth 38735
per pupil of the school district with the 490th lowest local 38736
wealth per pupil. 38737

(c) "Target millage" means 0.006. 38738

If the result of the calculation for a school district under 38739
division (A) (5) of this section is less than zero, the district's 38740
targeted assistance shall be zero. 38741

(6) Calculate the aggregate amount to be paid as targeted 38742
assistance funds to each school district under division (A) of 38743
section 3317.022 of the Revised Code by multiplying the per pupil 38744
targeted assistance computed under division (A) (5) of this section 38745
by the district's ~~net formula~~ enrolled ADM. 38746

~~As used in this division, a district's "net formula ADM" 38747
means its formula ADM minus the number of community school 38748
students certified under division (B) (3) (d) of section 3317.03 of 38749
the Revised Code X 0.75, the number of internet and 38750
computer based community school students certified under division 38751
(B) (3) (e) of that section, the number of science, technology, 38752
engineering, and mathematics school students certified under 38753
division (B) (3) (j) of that section X 0.75, and the number of 38754
scholarship students certified under divisions (B) (3) (f), (g), and 38755
(l) of that section. 38756~~

(B) The department shall annually compute supplemental 38757
targeted assistance funds to school districts, as follows: 38758

(1) Compute each district's agricultural percentage as the 38759
quotient of (a) the three-year average valuation of real property 38760
in the district that is classified as agricultural property 38761
divided by (b) the three-year average valuation of all of the real 38762

property in the district. 38763

(2) Calculate the aggregate amount to be paid as supplemental 38764
targeted assistance funds to each school district under division 38765
(A) of section 3317.022 of the Revised Code, as follows: 38766

(The district's agricultural percentage - 0.1) X (0.4 X the 38767
formula amount) X the district's ~~net formula~~ enrolled ADM, ~~as that~~ 38768
~~term is defined in division (A) of this section~~ 38769

If the result of the calculation for a school district under 38770
division (B) (2) of this section is less than zero, the district's 38771
supplemental targeted assistance shall be zero. 38772

Sec. 3317.0218. The department of education shall annually 38773
compute capacity aid funds to school districts, as follows: 38774

(A) For each school district, multiply the district's 38775
three-year average valuation by 0.001; 38776

(B) Determine the median amount of all of the amounts 38777
calculated under division (A) of this section; 38778

(C) Calculate each school district's capacity ratio, which 38779
equals the greater of zero or the amount calculated as follows: 38780
(The amount determined under division (B) of this section / the 38781
amount calculated for the district under division (A) of this 38782
section) - 1 38783

If the result of a calculation for a school district under 38784
division (C) of this section is greater than 2.5, the district's 38785
capacity ratio shall be 2.5. 38786

(D) Calculate the capacity aid per pupil amount, which equals 38787
the following quotient: 38788
(The amount determined under division (B) of this section) / (the 38789
average of the ~~formula~~ enrolled ADMs of all of the districts for 38790
which the amount calculated under division (A) of this section is 38791
less than the amount determined under division (B) of this 38792

section)	38793
(E) Calculate each school district's capacity aid, which equals the following product:	38794
The capacity aid per pupil amount calculated under division (D) of this section X the district's formula <u>enrolled</u> ADM X 4.0 X the district's capacity ratio calculated under division (C) of this section	38795

Revised Code, as verified by the superintendent of public 38823
instruction and adjusted if so ordered under division (K) of that 38824
section, and as further adjusted by the department of education, 38825
as follows: 38826

(a) Add the students counted under division (A) (1) (b) of 38827
section 3317.03 of the Revised Code. 38828

The number of children younger than eighteen years old 38842
residing in the district who live in a household with a family 38843
income below one hundred eighty-five per cent of the federal 38844

(2) Not more than twenty-five per cent of the funds shall be 42471
used for personnel expenditures. 42472

Sec. 3326.40. A STEM school shall spend the funds it receives 42473
under division ~~(E)~~ (A) (5) of section ~~3326.33~~ 3317.022 of the 42474
Revised Code in accordance with section 3317.25 of the Revised 42475
Code. 42476

Sec. 3326.51. (A) As used in this section:	42477
(1) "Resident district" has the same meaning as in section 3326.31 of the Revised Code.	42478 42479
(2) "STEM school sponsoring district" means a municipal, city, local, <u>or</u> exempted village, or joint vocational school district that governs and controls a STEM school pursuant to this section.	42480 42481 42482 42483
(B) Notwithstanding any other provision of this chapter to the contrary:	42484 42485
(1) If a proposal for a STEM school submitted under section 3326.03 of the Revised Code proposes that the governing body of the school be the board of education of a municipal, city, local, <u>or</u> exempted village, or joint vocational school district that is one of the partners submitting the proposal, and the STEM committee approves that proposal, that school district board shall govern and control the STEM school as one of the schools of its district.	42486 42487 42488 42489 42490 42491 42492 42493
(2) The STEM school sponsoring district shall maintain a separate accounting for the STEM school as a separate and distinct operational unit within the district's finances. The auditor of state, in the course of an annual or biennial audit of the school district serving as the STEM school sponsoring district, shall audit that school district for compliance with the financing requirements of this section.	42494 42495 42496 42497 42498 42499 42500
(3) With respect to students enrolled in a STEM school whose resident district is the STEM school sponsoring district:	42501 42502
(a) The department of education shall make no deductions under section 3326.33 of the Revised Code from the STEM school sponsoring district's state payments.	42503 42504 42505
(b) The STEM school sponsoring district shall ensure that it	42506

allocates to the STEM school funds equal to or exceeding the 42507
amount that would be calculated pursuant to division (B) of 42508
section 3313.981 of the Revised Code for the students attending 42509
the school whose resident district is the STEM school sponsoring 42510
district. 42511

~~(e)~~(b) The STEM school sponsoring district is responsible for 42512
providing children with disabilities with a free appropriate 42513
public education under Chapter 3323. of the Revised Code. 42514

~~(d)~~(c) The STEM school sponsoring district shall provide 42515
student transportation in accordance with laws and policies 42516
generally applicable to the district. 42517

(4) With respect to students enrolled in the STEM school 42518
whose resident district is another school district, the department 42519
shall make no payments ~~or deductions to the STEM school~~ under 42520
~~sections 3326.31 to 3326.49~~ section 3317.022 of the Revised Code. 42521
Instead, the students shall be considered as open enrollment 42522
students and the department shall make payments and deductions in 42523
accordance with section 3313.981 of the Revised Code. The STEM 42524
school sponsoring district shall allocate the payments to the STEM 42525
school. The STEM school sponsoring district may enter into 42526
financial agreements with the students' resident districts, which 42527
agreements may provide financial support in addition to the funds 42528
received from the open enrollment calculation. The STEM school 42529
sponsoring district shall allocate all such additional funds to 42530
the STEM school. 42531

(5) Where the department is required to make, deny, reduce, 42532
or adjust payments to a STEM school sponsoring district pursuant 42533
to this section, it shall do so in such a manner that the STEM 42534
school sponsoring district may allocate that action to the STEM 42535
school. 42536

(6) A STEM school sponsoring district and its board may 42537

assign its district employees to the STEM school, in which case 42538
section 3326.18 of the Revised Code shall not apply. The district 42539
and board may apply any other resources of the district to the 42540
STEM school in the same manner that it applies district resources 42541
to other district schools. 42542

(7) Provisions of this chapter requiring a STEM school and 42543
its governing body to comply with specified laws as if it were a 42544
school district and in the same manner as a board of education 42545
shall instead require such compliance by the STEM school 42546
sponsoring district and its board of education, respectively, with 42547
respect to the STEM school. Where a STEM school or its governing 42548
body is required to perform a specific duty or permitted to take a 42549
specific action under this chapter, that duty is required to be 42550
performed or that action is permitted to be taken by the STEM 42551
school sponsoring district or its board of education, 42552
respectively, with respect to the STEM school. 42553

(8) No provision of this chapter limits the authority, as 42554
provided otherwise by law, of a school district and its board of 42555
education to levy taxes and issue bonds secured by tax revenues. 42556

(9) The treasurer of the STEM school sponsoring district or, 42557
if the STEM school sponsoring district is a municipal school 42558
district, the chief financial officer of the district, shall have 42559
all of the respective rights, authority, exemptions, and duties 42560
otherwise conferred upon the treasurer or chief financial officer 42561
by the Revised Code. 42562

Sec. 3327.01. Notwithstanding division (D) of section 3311.19 42563
and division (D) of section 3311.52 of the Revised Code, this 42564
section and sections 3327.011, 3327.012, and 3327.02 of the 42565
Revised Code do not apply to any joint vocational or cooperative 42566
education school district. 42567

In all city, local, and exempted village school districts 42568

where resident school pupils in grades kindergarten through eight 42569
live more than two miles from the school for which the state board 42570
of education prescribes minimum standards pursuant to division (D) 42571
of section 3301.07 of the Revised Code and to which they are 42572
assigned by the board of education of the district of residence or 42573
to and from the nonpublic or community school which they attend, 42574
the board of education shall provide transportation for such 42575
pupils to and from that school except as provided in section 42576
3327.02 of the Revised Code. 42577

In all city, local, and exempted village school districts 42578
where pupil transportation is required under a career-technical 42579
plan approved by the state board of education under section 42580
3313.90 of the Revised Code, for any student attending a 42581
career-technical program operated by another school district, 42582
including a joint vocational school district, as prescribed under 42583
that section, the board of education of the student's district of 42584
residence shall provide transportation from the public high school 42585
operated by that district to which the student is assigned to the 42586
career-technical program. 42587

In all city, local, and exempted village school districts, 42588
the board may provide transportation for resident school pupils in 42589
grades nine through twelve to and from the high school to which 42590
they are assigned by the board of education of the district of 42591
residence or to and from the nonpublic or community high school 42592
which they attend for which the state board of education 42593
prescribes minimum standards pursuant to division (D) of section 42594
3301.07 of the Revised Code. 42595

A board of education shall not be required to transport 42596
elementary or high school pupils to and from a nonpublic or 42597
community school where such transportation would require more than 42598
thirty minutes of direct travel time as measured by school bus 42599
from the public school building to which the pupils would be 42600

assigned if attending the public school designated by the district 42601
of residence. 42602

Where it is impractical to transport a pupil by school 42603
conveyance, a board of education may offer payment, in lieu of 42604
providing such transportation in accordance with section 3327.02 42605
of the Revised Code. 42606

A board of education shall provide transportation to students 42607
enrolled in a community school or nonpublic school in accordance 42608
with this section on each day in which that school is open for 42609
operation with students in attendance, regardless of whether the 42610
district's own schools are open for operation with students in 42611
attendance on that day. However, a board of education shall not be 42612
required to transport elementary or high school pupils to and from 42613
a nonpublic or community school on Saturday or Sunday, unless a 42614
board of education and a nonpublic or community school have an 42615
agreement in place to do so before the first day of July of the 42616
school year in which the agreement takes effect. 42617

The governing authority of a nonpublic or community school 42618
may request, from a school district, a list of names and addresses 42619
of pupils enrolled in the school for whom the district provides 42620
transportation under this section. If so requested, a school 42621
district shall provide a list that includes only the names and 42622
addresses of the pupils enrolled in the school making the request. 42623

In all city, local, and exempted village school districts, 42624
the board shall provide transportation for all children who are so 42625
disabled that they are unable to walk to and from the school for 42626
which the state board of education prescribes minimum standards 42627
pursuant to division (D) of section 3301.07 of the Revised Code 42628
and which they attend. In case of dispute whether the child is 42629
able to walk to and from the school, the health commissioner shall 42630
be the judge of such ability. In all city, exempted village, and 42631
local school districts, the board shall provide transportation to 42632

and from school or special education classes for mentally disabled 42633
children in accordance with standards adopted by the state board 42634
of education. 42635

When transportation of pupils is provided the conveyance 42636
shall be run on a time schedule that shall be adopted and put in 42637
force by the board not later than ten days after the beginning of 42638
the school term. The operator of every school bus or motor van 42639
owned and operated by any school district or educational service 42640
center or privately owned and operated under contract with any 42641
school district or service center in this state shall deliver 42642
students enrolled in preschool through twelfth grades to their 42643
respective public and nonpublic schools not sooner than thirty 42644
minutes prior to the beginning of school and to be available to 42645
pick them up not later than thirty minutes after the close of 42646
their respective schools each day. 42647

The cost of any transportation service authorized by this 42648
section shall be paid first out of federal funds, if any, 42649
available for the purpose of pupil transportation, and secondly 42650
out of state appropriations, in accordance with regulations 42651
adopted by the state board of education. 42652

No transportation of any pupils shall be provided by any 42653
board of education to or from any school which in the selection of 42654
pupils, faculty members, or employees, practices discrimination 42655
against any person on the grounds of race, color, religion, or 42656
national origin. 42657

Sec. 3327.016. (A) As used in this section, "eligible 42658
student" means a student entitled to transportation services from 42659
the city, local, or exempted village school district pursuant to 42660
section 3327.01 of the Revised Code. 42661

(B) Each community school established under Chapter 3314. of 42662
the Revised Code or chartered nonpublic school shall establish the 42663

school's start and end times for a particular school year not 42664
later than the first day of April prior to that school year. Each 42665
community or chartered nonpublic school shall provide such start 42666
and end times to each city, local, or exempted village school 42667
district that the school expects will be responsible for providing 42668
transportation services to eligible students enrolled in the 42669
school for that school year. 42670

(C) Each city, local, or exempted village school district 42671
that receives start and end times as prescribed under division (B) 42672
of this section shall use those start and end times to develop a 42673
transportation plan, including transportation routes and 42674
schedules, for eligible students who enrolled in a community or 42675
chartered nonpublic school shall provide such transportation plan 42676
to the community or chartered nonpublic school within sixty days 42677
after receiving the information described in that division. If a 42678
school provides the start and end times to the school district 42679
after the first day of April but before the first day of July, the 42680
district shall attempt to provide a transportation plan to the 42681
school by the first day of August of that school year. For any 42682
eligible student who enrolls in a community or chartered nonpublic 42683
school after the first day of July prior to that school year, a 42684
district shall develop a transportation plan, including 42685
transportation routes and schedules, for that student within 42686
fourteen business days of receiving a request for transportation 42687
services from the student's parent or guardian. 42688

Sec. 3327.017. (A) As used in this section: 42689

(1) "Eligible student" has the same meaning as in section 42690
3327.016 of the Revised Code. 42691

(2) "Mass transit system" has the same meaning as in section 42692
4511.78 of the Revised Code. 42693

(B) No city, local, or exempted village school district shall 42694

provide or arrange for transportation for any eligible student 42695
enrolled in any of grades kindergarten through eight in a 42696
community school established under Chapter 3314. of the Revised 42697
Code or chartered nonpublic school to and from school using 42698
vehicles operated by a mass transit system, unless the district 42699
enters into an agreement with that school authorizing such 42700
transportation. An agreement under division (B) of this section 42701
shall not be effective unless both the school district and 42702
community or chartered nonpublic school approve it. 42703

(C) A city, local, or exempted village school district that 42704
elects to provide or arrange for transportation for any eligible 42705
student enrolled in any of grades nine through twelve in a 42706
community or chartered nonpublic school to and from school using 42707
vehicles operated by a mass transit system shall ensure that the 42708
student is assigned to a route that does not require the student 42709
to make more than one transfer. 42710

Sec. 3327.018. The board of education of each city, local, or 42711
exempted village school district that owns and operates buses for 42712
transporting students may contract, in writing, with a public or 42713
private not-for-profit agency, group, or organization, with a 42714
municipal corporation or other political subdivision or agency of 42715
the state, or with an agency of the federal government to operate 42716
its buses to assist the agency, group, organization, or political 42717
subdivision in the fulfillment of its legitimate activities and in 42718
times of emergency. These contracts shall be entered into under 42719
the authority of the school district as a political subdivision 42720
and shall not be considered commerce. When buses are made 42721
available to other agencies, groups, organizations, or political 42722
subdivisions under this section, the buses must be operated by 42723
individuals holding certificates issued by either the educational 42724
service center governing board that has entered into an agreement 42725
with the school district under section 3313.843 or 3313.845 of the 42726

Revised Code or the superintendent of the school district 42727
certifying that the individuals satisfy the requirements of 42728
section 3327.10 of the Revised Code. All state board of education 42729
regulations governing the operation of school buses when 42730
transporting students shall apply when buses are used in 42731
accordance with this section. 42732

Any board of education of a city, local, or exempted village 42733
school district that makes one or more of its vehicles available 42734
under this section shall procure liability and property damage 42735
insurance, as provided in section 3327.09 of the Revised Code, 42736
covering all vehicles used and passengers transported under this 42737
section. The board of education may recover expenses from 42738
contracting entities, not to exceed the costs of operation and 42739
insurance coverage. 42740

Sec. 3327.02. (A) After considering each of the following 42741
factors, the board of education of a city, exempted village, or 42742
local school district, or a community school governing authority 42743
providing transportation pursuant to section 3314.091 of the 42744
Revised Code, may determine that it is impractical to transport a 42745
pupil who is eligible for transportation to and from a school 42746
under section 3327.01 of the Revised Code: 42747

(1) The time and distance required to provide the 42748
transportation; 42749

(2) The number of pupils to be transported; 42750

(3) The cost of providing transportation in terms of 42751
equipment, maintenance, personnel, and administration; 42752

(4) Whether similar or equivalent service is provided to 42753
other pupils eligible for transportation; 42754

(5) Whether and to what extent the additional service 42755
unavoidably disrupts current transportation schedules; 42756

(6) Whether other reimbursable types of transportation are available. 42757
42758

(B) Based on its consideration of the factors established in 42759
division (A) of this section, the board or governing authority may 42760
pass a resolution declaring the impracticality of transportation. 42761
The resolution shall include each pupil's name and the reason for 42762
impracticality. Such determination shall be made not later than 42763
thirty calendar days prior to the district's or school's first day 42764
of instruction, or in the case of a student who enrolls within 42765
thirty calendar days prior to the first day of instruction or on 42766
or after the first day of instruction, not later than fourteen 42767
calendar days after the student's enrollment. The determination 42768
may be made by the superintendent and formalized at the next 42769
following meeting of the board or governing authority. 42770

The board or governing authority shall report its 42771
determination to the state board of education in a manner 42772
determined by the state board. 42773

In addition, the board or governing authority shall issue a 42774
letter to the pupil's parent, guardian, or other person in charge 42775
of the pupil, the nonpublic or community school in which the pupil 42776
is enrolled, and to the state board with a detailed description of 42777
the reasons for which such determination was made. 42778

(C) After passing the resolution declaring the impracticality 42779
of transportation, the district board or governing authority shall 42780
offer to provide payment in lieu of transportation by doing the 42781
following: 42782

(1) In accordance with guidelines established by the 42783
department of education, informing the pupil's parent, guardian, 42784
or other person in charge of the pupil of both of the following: 42785

(a) The resolution; 42786

(b) The right of the pupil's parent, guardian, or other 42787

person in charge of the pupil to accept the offer of payment in lieu of transportation or to reject the offer and instead request the department to initiate mediation procedures.

(2) Issuing the pupil's parent, guardian, or other person in charge of the pupil a contract or other form on which the parent, guardian, or other person in charge of the pupil is given the option to accept or reject the board's offer of payment in lieu of transportation.

(D) If the parent, guardian, or other person in charge of the pupil accepts the offer of payment in lieu of providing transportation, the board or governing authority shall pay the parent, guardian, or other person in charge of the pupil an amount that shall be not less than ~~the amount determined by the general assembly as the minimum for payment in lieu of~~ fifty per cent transportation, and not more than the amount determined by the department of education as the average cost of pupil transportation for the previous school year. Payment may be prorated if the time period involved is only a part of the school year.

(E) (1) (a) Upon the request of a parent, guardian, or other person in charge of the pupil who rejected the payment in lieu of transportation, the department shall conduct mediation procedures. A parent, guardian, or other person in charge of the pupil may authorize the nonpublic or community school in which the pupil is enrolled to act on the parent's, guardian's, or other person's behalf during the mediation proceedings.

(b) If the mediation does not resolve the dispute, the state board ~~of education~~ shall conduct a hearing in accordance with Chapter 119. of the Revised Code. The state board may approve the payment in lieu of transportation or may order the district board of education or governing authority to provide transportation. The decision of the state board is binding in subsequent years and on

future parties in interest provided the facts of the determination 42820
remain comparable. 42821

(2) The school district or governing authority shall provide 42822
transportation for the pupil from the time the parent, guardian, 42823
or other person in charge of the pupil requests mediation until 42824
the matter is resolved under division (E) (1) (a) or (b) of this 42825
section. 42826

(F) (1) If the department determines that a school district 42827
board or governing authority has failed or is failing to provide 42828
transportation as required by division (E) (2) of this section or 42829
as ordered by the state board under division (E) (1) (b) of this 42830
section, the department shall order the school district board or 42831
governing authority to pay to the pupil's parent, guardian, or 42832
other person in charge of the pupil, an amount equal to ~~the state~~ 42833
~~average daily cost of transportation as determined by the state~~ 42834
~~board of education for the previous year~~ fifty per cent of the 42835
cost of providing transportation as determined by the board or 42836
governing authority under division (A) (3) of this section, and not 42837
more than two thousand five hundred dollars. The school district 42838
board or governing authority shall make payments on a schedule 42839
ordered by the department. 42840

(2) If the department subsequently finds that a school 42841
district board is not in compliance with an order issued under 42842
division (F) (1) of this section and the affected pupils are 42843
enrolled in a nonpublic or community school, the department shall 42844
deduct the amount that the board is required to pay under that 42845
order from any pupil transportation payments the department makes 42846
to the school district board under section 3317.0212 of the 42847
Revised Code or other provisions of law. The department shall use 42848
the moneys so deducted to make payments to the nonpublic or 42849
community school attended by the pupil. The department shall 42850
continue to make the deductions and payments required under this 42851

division until the school district board either complies with the 42852
department's order issued under division (F) (1) of this section or 42853
begins providing transportation. 42854

(G) A nonpublic or community school that receives payments 42855
from the department under division (F) (2) of this section shall do 42856
either of the following: 42857

(1) Disburse the entire amount of the payments to the parent, 42858
guardian, or other person in charge of the pupil affected by the 42859
failure of the school district of residence to provide 42860
transportation; 42861

(2) Use the entire amount of the payments to provide 42862
acceptable transportation for the affected pupil. 42863

(H) At any time after a parent, guardian, or other person in 42864
charge of a pupil requests transportation for a pupil, that 42865
parent, guardian, or other person may authorize the nonpublic or 42866
community school in which the pupil is enrolled to act on the 42867
parent's, guardian's, or other person's behalf for purposes of 42868
this section. 42869

Sec. 3327.021. The department of education shall monitor each 42870
city, local, or exempted village school district's compliance with 42871
sections 3327.01 and 3327.016 and division (B) of section 3327.017 42872
of the Revised Code. If the department determines a consistent or 42873
prolonged period of noncompliance on the part of the school 42874
district to provide transportation as required under those 42875
sections, the department shall deduct from the district's payment 42876
for student transportation under Chapter 3317. of the Revised Code 42877
the total daily amount of that payment, as computed by the 42878
department, for each day that the district is not in compliance. 42879

This section does not affect the authority of a school 42880
district to provide payment in lieu of transportation in 42881

accordance with section 3327.02 of the Revised Code. 42882

Sec. 3327.101. Notwithstanding anything to the contrary in 42883
this chapter or Chapter 3301-83 of the Administrative Code, the 42884
department of education shall develop an online bus driver 42885
training program to satisfy the classroom portion of pre-service 42886
and annual in-service training for school bus driver 42887
certification. On-the-bus training for drivers shall continue to 42888
be completed in person. 42889

Sec. 3328.24. A college-preparatory boarding school 42890
established under this chapter and its board of trustees shall 42891
comply with sections 102.02, 3301.0710, 3301.0711, 3301.0712, 42892
3301.0714, 3301.0729, 3301.948, 3313.6013, 3313.6021, 3313.6024, 42893

candidate, or a statement of candidacy, or has become a candidate 45072
by the filling of a vacancy under section 3513.30 of the Revised 45073
Code for any other state office or any federal or county office. 45074

that person, for the same election, has already filed a 45092
declaration of candidacy, a declaration of intent to be a write-in 45093
candidate, or a nominating petition, or has become a candidate by 45094

board of an educational service center. When a petition of a 45103
candidate has been accepted for filing by a board of elections, 45104

candidate or as an other-party candidate, or may request that the 45116

Any such candidate who fails to request a designation either as a 45118
nonparty candidate or as an other-party candidate shall have the 45119
candidate's name placed on the ballot without any designation. 45120

The purpose of establishing a filing deadline for independent 45121
candidates prior to the primary election immediately preceding the 45122
general election at which the candidacy is to be voted on by the 45123

voters is to recognize that the state has a substantial and 45124
compelling interest in protecting its electoral process by 45125
encouraging political stability, ensuring that the winner of the 45126
election will represent a majority of the community, providing the 45127
electorate with an understandable ballot, and enhancing voter 45128
education, thus fostering informed and educated expressions of the 45129
popular will in a general election. The filing deadline for 45130
independent candidates required in this section prevents 45131
splintered parties and unrestrained factionalism, avoids political 45132
fragmentation, and maintains the integrity of the ballot. The 45133
deadline, one day prior to the primary election, is the least 45134
drastic or restrictive means of protecting these state interests. 45135
The general assembly finds that the filing deadline for 45136
independent candidates in primary elections required in this 45137
section is reasonably related to the state's purpose of ensuring 45138
fair and honest elections while leaving unimpaired the political, 45139
voting, and associational rights secured by the first and 45140
fourteenth amendments to the United States Constitution. 45141

taken in a particular census year, including the 2020 census, a 45925
city with a population less than fifty thousand that is 45926
represented by a board of health of a city health district shall 45927
complete a study examining the efficiency and effectiveness of the 45928
city health district merging with the general health district of 45929
the county in which the city is located. As part of the study, the 45930
city shall compare the merger's efficiency and effectiveness with 45931
that of remaining as a separate health district. 45932

(B) The director of health, in consultation with the auditor 45933
of state, shall develop criteria to be used by the city described 45934
in division (A) of this section in determining whether such a 45935
merger is advisable. The criteria may include accreditation 45936

standards promulgated by the public health accreditation board. 45937

(C) The director of health shall provide technical and 45938
financial assistance to each city described in division (A) of 45939
this section and shall oversee any efficiency and effectiveness 45940
study conducted. 45941

(D) If, based on the criteria described in division (B) of 45942
this section, the study indicates that a merger would be efficient 45943
and effective, then the chief executive of the city shall enter 45944
into a contract with the district advisory council of the general 45945
health district that includes the city for the administration of 45946
health affairs in the former city health district and the merged 45947
general health district. 45948

(E) If a merger is required by this section, the merger shall 45949
be completed not later than thirty months after the official 45950

delay implementation of the merger: 45953

(1) In the case of a general health district consisting of a 45954
single county, the district advisory council of the general health 45955
district; 45956

more than one county as a result of a union of general health 45958
districts under section 3709.10 of the Revised Code, the district 45959

Sec. 3709.052. When a majority of the members of the 45973
legislative authority or a majority of the electors of each city 45974
constituting a city health district have voted affirmatively, the 45975
chief executives of the cities affected shall enter into a 45976
contract for the administration of public health affairs in the 45977
combined district. Such contract shall state the proportion of 45978
expenses of the board of health or health department of the 45979
combined district to be paid by each city. Unless the proposal 45980
establishing the district as contained in the petition and 45981
submitted to the electors provides for the board of health of the 45982
new district, the contract may provide that the administration of 45983
the combined district be taken over by either the board of health 45984
or the health department of one of the cities or by a combined 45985
board of health. If the contract provides for a combined board of 45986
health, the number of members of the board, their terms of office, 45987
and the method of appointment, shall be set forth in the contract. 45988
The contract shall designate the city in which the central office 45989
of the board of health shall be located. The city treasurer of 45990
such city shall be the custodian of the health funds of the 45991
combined district. The auditor of such city shall act as the 45992
auditor of the combined district and shall pay the expenses of the 45993
health program as approved by the board of health and signed by 45994
the health commissioner. A copy of such contract shall be filed 45995
with the director of health. 45996

The service status of any person employed by a city health 45997
district shall not be affected by the creation of a combined 45998

district. 45999

Sec. 3709.06. If any city constituting a city health district 46000
fails to establish a board of health under section 3709.05 of the 46001
Revised Code, the director of health may appoint a health 46002
commissioner for such city, and fix the commissioner's salary and 46003
term of office. Such commissioner shall have the same powers and 46004
perform the duties granted to or imposed upon a board of health of 46005
a city health district, except that rules, regulations, or orders 46006
of a general nature, made by the commissioner and required to be 46007
published, shall be approved by the director. The salary of such 46008
commissioner and all necessary expenses incurred by the 46009
commissioner in performing the duties of the board shall be paid 46010
by and be a valid claim against such city. 46011

Sec. 3709.07. Except as provided in section 3709.071 of the 46012
Revised Code, when it is proposed that one or more city health 46013
districts unite with a general health district in the formation of 46014
a single district, the district advisory council of the general 46015
health district shall meet and vote on the question of union. It 46016
shall require a majority affirmative vote of the members of the 46017
district advisory council to carry the question. The legislative 46018
authority of each city constituting a city health district shall 46019
likewise vote on the question. A majority voting affirmatively 46020
shall be required for approval. When the majority of the district 46021
advisory council and the legislative authority have voted 46022
affirmatively, the chair of the council and the chief executive of 46023
each city shall enter into a contract for the administration of 46024
health affairs in the combined district. Such contract shall state 46025
the proportion of the expenses of the board of health or health 46026
department of the combined district to be paid by the city or 46027
cities and by the original general health district. The contract 46028
may provide that the administration of the combined district shall 46029

be taken over by either the board of health or health department 46030
of one of the cities, by the board of health of the general health 46031
district, or by a combined board of health. Such contract shall 46032
prescribe the date on which such change of administration shall be 46033
made. A copy of such contract shall be filed with the director of 46034
health. 46035

The combined district shall constitute a general health 46036
district, and the board of health or health department of the 46037
city, the board of health of the original general health district, 46038
or the combined board of health, as may be agreed in the contract, 46039
shall have, within the combined district, all the powers granted 46040
to, and perform all the duties required of, the board of health of 46041
a general health district. 46042

The district advisory council of the combined general health 46043
district shall consist of the members of the district advisory 46044
council of the original general health district and the chief 46045
executive of each city constituting a city health district, each 46046
member having one vote. 46047

If the contract provides that the administration of the 46048
combined district shall be taken over by a combined board of 46049
health, rather than the board of health of the original health 46050
district, the contract shall set forth the number of members of 46051
such board, their terms of office, and the manner of appointment 46052
or election of officers. One of the members of such combined board 46053
of health shall be a physician, and one member shall be an 46054
individual appointed by the health district licensing council, if 46055
such council is established under section 3709.41 of the Revised 46056
Code. The contract may also provide for the representation of 46057
areas by one or more members and shall, in such event, specify the 46058
territory to be included in each such area. 46059

The appointment of any member of the combined board who is 46060
designated by the provisions of the contract to represent a city 46061

shall be made by the chief executive and approved by the 46062
legislative authority of such city. If a member is designated by 46063
the contract to represent more than one city, the member shall be 46064
appointed by majority vote of the chief executives of all cities 46065
included in any such area. Except for the member appointed by the 46066
health district licensing council, if such council is established, 46067
the appointment of all members of the combined board who are 46068
designated to represent the balance of the district shall be made 46069
by the district advisory council. 46070

The service status of any person employed by a city or 46071

certified to the board of elections not less than ninety days 46094
before the election at which it will be voted upon. If the 46095
district includes territory in more than one county, the 46096
resolution shall be certified to the board of elections of each 46097
county and submitted to all electors of the district. 46098

specified period for current operating expenses. 46102

section, the board of health of a combined health district may 46104

this section, the director of health shall approve competency 46732
evaluation programs and training and competency evaluation 46733
programs in accordance with rules adopted under section 3721.30 of 46734
the Revised Code and shall periodically review and reapprove 46735
programs approved under this section. 46736

(2) Except as otherwise provided in division (A) (3) of this 46737
section, the director may approve and reapprove programs conducted 46738
by or in long-term care facilities, or by any government agency or 46739

person, including an employee organization. 46740

(3) The director shall not approve or reapprove a competency 46741
evaluation program or training and competency evaluation program 46742

by the director or the United States secretary of health and human 46744
services to have been out of compliance with the requirements of 46745
subsection (b), (c), or (d) of section 1819 or 1919 of the "Social 46746

within a two-year period prior to making application for approval 46748
or reapproval and shall revoke the approval or reapproval of a 46749
program conducted by or in a facility for which such a 46750
determination is made. 46751

(4) A long-term care facility, employee organization, person, 46752
or government entity seeking approval or reapproval of a 46753
competency evaluation program or training and competency 46754
evaluation program shall make an application to the director for 46755
approval or reapproval of the program and shall provide any 46756
documentation requested by the director. 46757

(5) The director may conduct inspections and examinations of 46758
approved competency evaluation programs and training and 46759
competency evaluation programs, competency evaluation programs and 46760
training and competency evaluation programs for which an 46761
application for approval has been submitted under division (A) (4) 46762
of this section, and the sites at which they are or will be 46763
conducted. The director may conduct inspections of long-term care 46764
facilities in which individuals who have participated in approved 46765
competency evaluation programs and training and competency 46766
evaluation programs are being used as nurse aides. 46767

(B) In accordance with Chapter 119. of the Revised Code, the 46768
director may do the following: 46769

(1) Deny, suspend, or revoke approval or reapproval of any of 46770

following for the purposes of division (B) of section 3721.28 of 46780
the Revised Code: 46781

(a) That a program completed prior to the dates specified in 46782
division (B) (3) of section 3721.28 of the Revised Code included a 46783
competency evaluation component no less stringent than the 46784
competency evaluation programs approved or conducted by the 46785
director under this section, and was otherwise comparable to the 46786
training and competency evaluation programs being approved under 46787
this section; 46788

(b) That an individual satisfies division (B) (5) of section 46789
3721.28 of the Revised Code; 46790

(c) That an individual meets the conditions specified in 46791

evaluation program for individuals used by long-term care 46794
facilities as nurse aides at any time during the period commencing 46795
July 1, 1989, and ending January 1, 1990, and individuals who 46796
participate in training and competency evaluation programs 46797
conducted in or by long-term care facilities. The director also 46798
may conduct other competency evaluation programs and training and 46799
competency evaluation programs. When conducting competency 46800

evaluation programs and training and competency evaluation 46801
programs, the director may use a nurse aide competency evaluation 46802

evaluation programs and evaluators for competency evaluation 46808
programs. The director may conduct inspections and examinations of 46809
those programs that have been approved by the director or for 46810
which an application for approval has been submitted, and the 46811
sites at which the programs are or will be conducted. 46812

(E) Notwithstanding division (A) of this section and division 46813
(C) of section 3721.30 of the Revised Code, the director, in the 46814
director's discretion, may decline to approve any competency 46815

who have completed a training and competency evaluation program 46818
approved by the director under division (A) of this section or who 46819

this section. The director also may require all individuals used 46823

commencing July 1, 1989, and ending January 1, 1990, to complete a 46826
competency evaluation program conducted by the director under 46827
division (C) of this section rather than a competency evaluation 46828
program approved by the director under division (A) of this 46829
section. 46830

(F) The test materials, examinations, or evaluation tools 46831
used in any competency evaluation program or training and 46832

competency evaluation program that the director conducts or 46833
approves under this section are subject to the confidentiality 46834
provisions of section 3701.044 of the Revised Code. 46835

(G) The director shall impose fees prescribed by rules 46836
adopted under section 3721.30 of the Revised Code for both of the 46837
following: 46838

training and competency evaluation programs, or evaluators for 46844
competency evaluation programs; 46845

(2) Participation in any competency evaluation program, 46846
training and competency evaluation program, or other program 46847
conducted by the director under this section. 46848

fund created in section 3734.18 of the Revised Code and seventy 46959

(3) An additional two dollars and eighty-five cents per ton 46967

(4) An additional twenty-five cents per ton through June 30, 46971
~~2022~~2024, the proceeds of which shall be deposited in the state 46972
treasury to the credit of the soil and water conservation district 46973
assistance fund created in section 940.15 of the Revised Code. 46974

In the case of solid wastes that are taken to a solid waste 46975
transfer facility located in this state prior to being transported 46976
for disposal at a solid waste disposal facility located in this 46977
state or outside of this state, the fees levied under this 46978
division shall be collected by the owner or operator of the 46979
transfer facility as a trustee for the state. The amount of fees 46980
required to be collected under this division at such a transfer 46981
facility shall equal the total tonnage of solid wastes received at 46982
the facility multiplied by the fees levied under this division. In 46983
the case of solid wastes that are not taken to a solid waste 46984
transfer facility located in this state prior to being transported 46985

to a solid waste disposal facility, the fees shall be collected by 46986
the owner or operator of the solid waste disposal facility as a 46987
trustee for the state. The amount of fees required to be collected 46988
under this division at such a disposal facility shall equal the 46989
total tonnage of solid wastes received at the facility that was 46990
not previously taken to a solid waste transfer facility located in 46991
this state multiplied by the fees levied under this division. Fees 46992
levied under this division do not apply to materials separated 46993
from a mixed waste stream for recycling by a generator or 46994
materials removed from the solid waste stream through recycling, 46995
as "recycling" is defined in rules adopted under section 3734.02 46996
of the Revised Code. 46997

The owner or operator of a solid waste transfer facility or 46998
disposal facility, as applicable, shall prepare and file with the 46999
director of environmental protection each month a return 47000
indicating the total tonnage of solid wastes received at the 47001
facility during that month and the total amount of the fees 47002
required to be collected under this division during that month. In 47003
addition, the owner or operator of a solid waste disposal facility 47004
shall indicate on the return the total tonnage of solid wastes 47005
received from transfer facilities located in this state during 47006
that month for which the fees were required to be collected by the 47007
transfer facilities. The monthly returns shall be filed on a form 47008
prescribed by the director. Not later than thirty days after the 47009
last day of the month to which a return applies, the owner or 47010
operator shall mail to the director the return for that month 47011
together with the fees required to be collected under this 47012
division during that month as indicated on the return or may 47013
submit the return and fees electronically in a manner approved by 47014
the director. If the return is filed and the amount of the fees 47015
due is paid in a timely manner as required in this division, the 47016
owner or operator may retain a discount of three-fourths of one 47017
per cent of the total amount of the fees that are required to be 47018

paid as indicated on the return. 47019

The owner or operator may request an extension of not more 47020
than thirty days for filing the return and remitting the fees, 47021
provided that the owner or operator has submitted such a request 47022
in writing to the director together with a detailed description of 47023
why the extension is requested, the director has received the 47024
request not later than the day on which the return is required to 47025
be filed, and the director has approved the request. If the fees 47026
are not remitted within thirty days after the last day of the 47027
month to which the return applies or are not remitted by the last 47028
day of an extension approved by the director, the owner or 47029
operator shall not retain the three-fourths of one per cent 47030
discount and shall pay an additional ten per cent of the amount of 47031
the fees for each month that they are late. For purposes of 47032
calculating the late fee, the first month in which fees are late 47033
begins on the first day after the deadline has passed for timely 47034
submitting the return and fees, and one additional month shall be 47035
counted every thirty days thereafter. 47036

The owner or operator of a solid waste facility may request a 47037
refund or credit of fees levied under this division and remitted 47038
to the director that have not been paid to the owner or operator. 47039
Such a request shall be made only if the fees have not been 47040
collected by the owner or operator, have become a debt that has 47041
become worthless or uncollectable for a period of six months or 47042
more, and may be claimed as a deduction, including a deduction 47043
claimed if the owner or operator keeps accounts on an accrual 47044
basis, under the "Internal Revenue Code of 1954," 68A Stat. 50, 26 47045
U.S.C. 166, as amended, and regulations adopted under it. Prior to 47046
making a request for a refund or credit, an owner or operator 47047
shall make reasonable efforts to collect the applicable fees. A 47048
request for a refund or credit shall not include any costs 47049
resulting from those efforts to collect unpaid fees. 47050

A request for a refund or credit of fees shall be made in writing, on a form prescribed by the director, and shall be supported by evidence that may be required in rules adopted by the director under this chapter. After reviewing the request, and if the request and evidence submitted with the request indicate that a refund or credit is warranted, the director shall grant a refund to the owner or operator or shall permit a credit to be taken by the owner or operator on a subsequent monthly return submitted by the owner or operator. The amount of a refund or credit shall not exceed an amount that is equal to ninety days' worth of fees owed to an owner or operator by a particular debtor of the owner or operator. A refund or credit shall not be granted by the director to an owner or operator more than once in any twelve-month period for fees owed to the owner or operator by a particular debtor.

If, after receiving a refund or credit from the director, an owner or operator receives payment of all or part of the fees, the owner or operator shall remit the fees with the next monthly return submitted to the director together with a written explanation of the reason for the submittal.

For purposes of computing the fees levied under this division or division (B) of this section, any solid waste transfer or disposal facility that does not use scales as a means of determining gate receipts shall use a conversion factor of three cubic yards per ton of solid waste or one cubic yard per ton for baled waste, as applicable.

The fees levied under this division and divisions (B) and (C) of this section are in addition to all other applicable fees and taxes and shall be paid by the customer or a political subdivision to the owner or operator of a solid waste transfer or disposal facility. In the alternative, the fees shall be paid by a customer or political subdivision to a transporter of waste who subsequently transfers the fees to the owner or operator of such a

facility. The fees shall be paid notwithstanding the existence of 47083
any provision in a contract that the customer or a political 47084
subdivision may have with the owner or operator or with a 47085
transporter of waste to the facility that would not require or 47086
allow such payment regardless of whether the contract was entered 47087
prior to or after October 16, 2009. For those purposes, "customer" 47088
means a person who contracts with, or utilizes the solid waste 47089
services of, the owner or operator of a solid waste transfer or 47090
disposal facility or a transporter of solid waste to such a 47091
facility. 47092

(B) For the purposes specified in division (G) of this 47093
section, the solid waste management policy committee of a county 47094
or joint solid waste management district may levy fees upon the 47095
following activities: 47096

(1) The disposal at a solid waste disposal facility located 47097
in the district of solid wastes generated within the district; 47098

(2) The disposal at a solid waste disposal facility within 47099
the district of solid wastes generated outside the boundaries of 47100
the district, but inside this state; 47101

(3) The disposal at a solid waste disposal facility within 47102
the district of solid wastes generated outside the boundaries of 47103
this state. 47104

The solid waste management plan of the county or joint 47105
district approved under section 3734.521 or 3734.55 of the Revised 47106
Code and any amendments to it, or the resolution adopted under 47107
this division, as appropriate, shall establish the rates of the 47108
fees levied under divisions (B) (1), (2), and (3) of this section, 47109
if any, and shall specify whether the fees are levied on the basis 47110
of tons or cubic yards as the unit of measurement. A solid waste 47111
management district that levies fees under this division on the 47112
basis of cubic yards shall do so in accordance with division (A) 47113

of this section. 47114

The fee levied under division (B) (1) of this section shall be 47115
not less than one dollar per ton nor more than two dollars per 47116
ton, the fee levied under division (B) (2) of this section shall be 47117
not less than two dollars per ton nor more than four dollars per 47118
ton, and the fee levied under division (B) (3) of this section 47119
shall be not more than the fee levied under division (B) (1) of 47120
this section. 47121

Prior to the approval of the solid waste management plan of a 47122
district under section 3734.55 of the Revised Code, the solid 47123
waste management policy committee of a district may levy fees 47124
under this division by adopting a resolution establishing the 47125
proposed amount of the fees. Upon adopting the resolution, the 47126
committee shall deliver a copy of the resolution to the board of 47127
county commissioners of each county forming the district and to 47128
the legislative authority of each municipal corporation and 47129
township under the jurisdiction of the district and shall prepare 47130
and publish the resolution and a notice of the time and location 47131
where a public hearing on the fees will be held. Upon adopting the 47132
resolution, the committee shall deliver written notice of the 47133
adoption of the resolution; of the amount of the proposed fees; 47134
and of the date, time, and location of the public hearing to the 47135
director and to the fifty industrial, commercial, or institutional 47136
generators of solid wastes within the district that generate the 47137
largest quantities of solid wastes, as determined by the 47138
committee, and to their local trade associations. The committee 47139
shall make good faith efforts to identify those generators within 47140
the district and their local trade associations, but the 47141
nonprovision of notice under this division to a particular 47142
generator or local trade association does not invalidate the 47143
proceedings under this division. The publication shall occur at 47144
least thirty days before the hearing. After the hearing, the 47145

committee may make such revisions to the proposed fees as it 47146
considers appropriate and thereafter, by resolution, shall adopt 47147
the revised fee schedule. Upon adopting the revised fee schedule, 47148
the committee shall deliver a copy of the resolution doing so to 47149
the board of county commissioners of each county forming the 47150
district and to the legislative authority of each municipal 47151
corporation and township under the jurisdiction of the district. 47152
Within sixty days after the delivery of a copy of the resolution 47153
adopting the proposed revised fees by the policy committee, each 47154
such board and legislative authority, by ordinance or resolution, 47155
shall approve or disapprove the revised fees and deliver a copy of 47156
the ordinance or resolution to the committee. If any such board or 47157
legislative authority fails to adopt and deliver to the policy 47158
committee an ordinance or resolution approving or disapproving the 47159
revised fees within sixty days after the policy committee 47160
delivered its resolution adopting the proposed revised fees, it 47161
shall be conclusively presumed that the board or legislative 47162
authority has approved the proposed revised fees. The committee 47163
shall determine if the resolution has been ratified in the same 47164
manner in which it determines if a draft solid waste management 47165
plan has been ratified under division (B) of section 3734.55 of 47166
the Revised Code. 47167

The committee may amend the schedule of fees levied pursuant 47168
to a resolution adopted and ratified under this division by 47169
adopting a resolution establishing the proposed amount of the 47170
amended fees. The committee may repeal the fees levied pursuant to 47171
such a resolution by adopting a resolution proposing to repeal 47172
them. Upon adopting such a resolution, the committee shall proceed 47173
to obtain ratification of the resolution in accordance with this 47174
division. 47175

Not later than fourteen days after declaring the new fees to 47176
be ratified or the fees to be repealed under this division, the 47177

committee shall notify by certified mail the owner or operator of 47178
each solid waste disposal facility that is required to collect the 47179
fees of the ratification and the amount of the fees or of the 47180
repeal of the fees. Collection of any fees shall commence or 47181
collection of repealed fees shall cease on the first day of the 47182
second month following the month in which notification is sent to 47183
the owner or operator. 47184

Fees levied under this division also may be established, 47185
amended, or repealed by a solid waste management policy committee 47186
through the adoption of a new district solid waste management 47187
plan, the adoption of an amended plan, or the amendment of the 47188
plan or amended plan in accordance with sections 3734.55 and 47189
3734.56 of the Revised Code or the adoption or amendment of a 47190
district plan in connection with a change in district composition 47191
under section 3734.521 of the Revised Code. 47192

Not later than fourteen days after the director issues an 47193
order approving a district's solid waste management plan, amended 47194
plan, or amendment to a plan or amended plan that establishes, 47195
amends, or repeals a schedule of fees levied by the district, the 47196
committee shall notify by certified mail the owner or operator of 47197
each solid waste disposal facility that is required to collect the 47198
fees of the approval of the plan or amended plan, or the amendment 47199
to the plan, as appropriate, and the amount of the fees, if any. 47200
In the case of an initial or amended plan approved under section 47201
3734.521 of the Revised Code in connection with a change in 47202
district composition, other than one involving the withdrawal of a 47203
county from a joint district, the committee, within fourteen days 47204
after the change takes effect pursuant to division (G) of that 47205
section, shall notify by certified mail the owner or operator of 47206
each solid waste disposal facility that is required to collect the 47207
fees that the change has taken effect and of the amount of the 47208
fees, if any. Collection of any fees shall commence or collection 47209

of repealed fees shall cease on the first day of the second month 47210
following the month in which notification is sent to the owner or 47211
operator. 47212

If, in the case of a change in district composition involving 47213
the withdrawal of a county from a joint district, the director 47214
completes the actions required under division (G)(1) or (3) of 47215
section 3734.521 of the Revised Code, as appropriate, forty-five 47216
days or more before the beginning of a calendar year, the policy 47217
committee of each of the districts resulting from the change that 47218
obtained the director's approval of an initial or amended plan in 47219
connection with the change, within fourteen days after the 47220
director's completion of the required actions, shall notify by 47221
certified mail the owner or operator of each solid waste disposal 47222
facility that is required to collect the district's fees that the 47223
change is to take effect on the first day of January immediately 47224
following the issuance of the notice and of the amount of the fees 47225
or amended fees levied under divisions (B)(1) to (3) of this 47226
section pursuant to the district's initial or amended plan as so 47227
approved or, if appropriate, the repeal of the district's fees by 47228
that initial or amended plan. Collection of any fees set forth in 47229
such a plan or amended plan shall commence on the first day of 47230
January immediately following the issuance of the notice. If such 47231
an initial or amended plan repeals a schedule of fees, collection 47232
of the fees shall cease on that first day of January. 47233

If, in the case of a change in district composition involving 47234
the withdrawal of a county from a joint district, the director 47235
completes the actions required under division (G)(1) or (3) of 47236
section 3734.521 of the Revised Code, as appropriate, less than 47237
forty-five days before the beginning of a calendar year, the 47238
director, on behalf of each of the districts resulting from the 47239
change that obtained the director's approval of an initial or 47240
amended plan in connection with the change proceedings, shall 47241

notify by certified mail the owner or operator of each solid waste disposal facility that is required to collect the district's fees that the change is to take effect on the first day of January immediately following the mailing of the notice and of the amount of the fees or amended fees levied under divisions (B)(1) to (3) of this section pursuant to the district's initial or amended plan as so approved or, if appropriate, the repeal of the district's fees by that initial or amended plan. Collection of any fees set forth in such a plan or amended plan shall commence on the first day of the second month following the month in which notification is sent to the owner or operator. If such an initial or amended plan repeals a schedule of fees, collection of the fees shall cease on the first day of the second month following the month in which notification is sent to the owner or operator.

If the schedule of fees that a solid waste management district is levying under divisions (B)(1) to (3) of this section is amended or repealed, the fees in effect immediately prior to the amendment or repeal shall continue to be collected until collection of the amended fees commences or collection of the repealed fees ceases, as applicable, as specified in this division. In the case of a change in district composition, money so received from the collection of the fees of the former districts shall be divided among the resulting districts in accordance with division (B) of section 343.012 of the Revised Code and the agreements entered into under division (B) of section 343.01 of the Revised Code to establish the former and resulting districts and any amendments to those agreements.

For the purposes of the provisions of division (B) of this section establishing the times when newly established or amended fees levied by a district are required to commence and the collection of fees that have been amended or repealed is required to cease, "fees" or "schedule of fees" includes, in addition to

fees levied under divisions (B) (1) to (3) of this section, those 47274
levied under section 3734.573 or 3734.574 of the Revised Code. 47275

(C) For the purposes of defraying the added costs to a 47276
municipal corporation or township of maintaining roads and other 47277
public facilities and of providing emergency and other public 47278
services, and compensating a municipal corporation or township for 47279
reductions in real property tax revenues due to reductions in real 47280
property valuations resulting from the location and operation of a 47281
solid waste disposal facility within the municipal corporation or 47282
township, a municipal corporation or township in which such a 47283
solid waste disposal facility is located may levy a fee of not 47284
more than twenty-five cents per ton on the disposal of solid 47285
wastes at a solid waste disposal facility located within the 47286
boundaries of the municipal corporation or township regardless of 47287
where the wastes were generated. 47288

The legislative authority of a municipal corporation or 47289
township may levy fees under this division by enacting an 47290
ordinance or adopting a resolution establishing the amount of the 47291
fees. Upon so doing the legislative authority shall mail a 47292
certified copy of the ordinance or resolution to the board of 47293
county commissioners or directors of the county or joint solid 47294
waste management district in which the municipal corporation or 47295
township is located or, if a regional solid waste management 47296
authority has been formed under section 343.011 of the Revised 47297
Code, to the board of trustees of that regional authority, the 47298
owner or operator of each solid waste disposal facility in the 47299
municipal corporation or township that is required to collect the 47300
fee by the ordinance or resolution, and the director of 47301
environmental protection. Although the fees levied under this 47302
division are levied on the basis of tons as the unit of 47303
measurement, the legislative authority, in its ordinance or 47304
resolution levying the fees under this division, may direct that 47305

the fees be levied on the basis of cubic yards as the unit of measurement based upon a conversion factor of three cubic yards per ton generally or one cubic yard per ton for baled wastes.

Not later than five days after enacting an ordinance or adopting a resolution under this division, the legislative authority shall so notify by certified mail the owner or operator of each solid waste disposal facility that is required to collect the fee. Collection of any fee levied on or after March 24, 1992, shall commence on the first day of the second month following the month in which notification is sent to the owner or operator.

(D) (1) The fees levied under divisions (A), (B), and (C) of this section do not apply to the disposal of solid wastes that:

(a) Are disposed of at a facility owned by the generator of the wastes when the solid waste facility exclusively disposes of solid wastes generated at one or more premises owned by the generator regardless of whether the facility is located on a premises where the wastes are generated;

(b) Are generated from the combustion of coal, or from the combustion of primarily coal, regardless of whether the disposal facility is located on the premises where the wastes are generated;

(c) Are asbestos or asbestos-containing materials or products disposed of at a construction and demolition debris facility that is licensed under Chapter 3714. of the Revised Code or at a solid waste facility that is licensed under this chapter.

(2) Except as provided in section 3734.571 of the Revised Code, any fees levied under division (B) (1) of this section apply to solid wastes originating outside the boundaries of a county or joint district that are covered by an agreement for the joint use of solid waste facilities entered into under section 343.02 of the Revised Code by the board of county commissioners or board of

directors of the county or joint district where the wastes are 47337
generated and disposed of. 47338

(3) When solid wastes, other than solid wastes that consist 47339
of scrap tires, are burned in a disposal facility that is an 47340
incinerator or energy recovery facility, the fees levied under 47341
divisions (A), (B), and (C) of this section shall be levied upon 47342
the disposal of the fly ash and bottom ash remaining after burning 47343
of the solid wastes and shall be collected by the owner or 47344
operator of the sanitary landfill where the ash is disposed of. 47345

(4) When solid wastes are delivered to a solid waste transfer 47346
facility, the fees levied under divisions (B) and (C) of this 47347
section shall be levied upon the disposal of solid wastes 47348
transported off the premises of the transfer facility for disposal 47349
and shall be collected by the owner or operator of the solid waste 47350
disposal facility where the wastes are disposed of. 47351

(5) The fees levied under divisions (A), (B), and (C) of this 47352
section do not apply to sewage sludge that is generated by a waste 47353
water treatment facility holding a national pollutant discharge 47354
elimination system permit and that is disposed of through 47355
incineration, land application, or composting or at another 47356
resource recovery or disposal facility that is not a landfill. 47357

(6) The fees levied under divisions (A), (B), and (C) of this 47358
section do not apply to solid wastes delivered to a solid waste 47359
composting facility for processing. When any unprocessed solid 47360
waste or compost product is transported off the premises of a 47361
composting facility and disposed of at a landfill, the fees levied 47362
under divisions (A), (B), and (C) of this section shall be 47363
collected by the owner or operator of the landfill where the 47364
unprocessed waste or compost product is disposed of. 47365

(7) When solid wastes that consist of scrap tires are 47366
processed at a scrap tire recovery facility, the fees levied under 47367

divisions (A), (B), and (C) of this section shall be levied upon 47368
the disposal of the fly ash and bottom ash or other solid wastes 47369
remaining after the processing of the scrap tires and shall be 47370
collected by the owner or operator of the solid waste disposal 47371
facility where the ash or other solid wastes are disposed of. 47372

(8) The director of environmental protection may issue an 47373
order exempting from the fees levied under this section solid 47374
wastes, including, but not limited to, scrap tires, that are 47375
generated, transferred, or disposed of as a result of a contract 47376
providing for the expenditure of public funds entered into by the 47377
administrator or regional administrator of the United States 47378
environmental protection agency, the director of environmental 47379
protection, or the director of administrative services on behalf 47380
of the director of environmental protection for the purpose of 47381
remediating conditions at a hazardous waste facility, solid waste 47382
facility, or other location at which the administrator or regional 47383
administrator or the director of environmental protection has 47384
reason to believe that there is a substantial threat to public 47385
health or safety or the environment or that the conditions are 47386
causing or contributing to air or water pollution or soil 47387
contamination. An order issued by the director of environmental 47388
protection under division (D)(8) of this section shall include a 47389
determination that the amount of the fees not received by a solid 47390
waste management district as a result of the order will not 47391
adversely impact the implementation and financing of the 47392
district's approved solid waste management plan and any approved 47393
amendments to the plan. Such an order is a final action of the 47394
director of environmental protection. 47395

(E) The fees levied under divisions (B) and (C) of this 47396
section shall be collected by the owner or operator of the solid 47397
waste disposal facility where the wastes are disposed of as a 47398
trustee for the county or joint district and municipal corporation 47399

or township where the wastes are disposed of. Moneys from the fees 47400
levied under division (B) of this section shall be forwarded to 47401
the board of county commissioners or board of directors of the 47402
district in accordance with rules adopted under division (H) of 47403
this section. Moneys from the fees levied under division (C) of 47404
this section shall be forwarded to the treasurer or such other 47405
officer of the municipal corporation as, by virtue of the charter, 47406
has the duties of the treasurer or to the fiscal officer of the 47407
township, as appropriate, in accordance with those rules. 47408

(F) Moneys received by the treasurer or other officer of the 47409
municipal corporation under division (E) of this section shall be 47410
paid into the general fund of the municipal corporation. Moneys 47411
received by the fiscal officer of the township under that division 47412
shall be paid into the general fund of the township. The treasurer 47413
or other officer of the municipal corporation or the township 47414
fiscal officer, as appropriate, shall maintain separate records of 47415
the moneys received from the fees levied under division (C) of 47416
this section. 47417

(G) Moneys received by the board of county commissioners or 47418
board of directors under division (E) of this section or section 47419
3734.571, 3734.572, 3734.573, or 3734.574 of the Revised Code 47420
shall be paid to the county treasurer, or other official acting in 47421
a similar capacity under a county charter, in a county district or 47422
to the county treasurer or other official designated by the board 47423
of directors in a joint district and kept in a separate and 47424
distinct fund to the credit of the district. If a regional solid 47425
waste management authority has been formed under section 343.011 47426
of the Revised Code, moneys received by the board of trustees of 47427
that regional authority under division (E) of this section shall 47428
be kept by the board in a separate and distinct fund to the credit 47429
of the district. Moneys in the special fund of the county or joint 47430
district arising from the fees levied under division (B) of this 47431

section and the fee levied under division (A) of section 3734.573 47432
of the Revised Code shall be expended by the board of county 47433
commissioners or directors of the district in accordance with the 47434
district's solid waste management plan or amended plan approved 47435
under section 3734.521, 3734.55, or 3734.56 of the Revised Code 47436
exclusively for the following purposes: 47437

(1) Preparation of the solid waste management plan of the 47438
district under section 3734.54 of the Revised Code, monitoring 47439
implementation of the plan, and conducting the periodic review and 47440
amendment of the plan required by section 3734.56 of the Revised 47441
Code by the solid waste management policy committee; 47442

(2) Implementation of the approved solid waste management 47443
plan or amended plan of the district, including, without 47444
limitation, the development and implementation of solid waste 47445
recycling or reduction programs; 47446

(3) Providing financial assistance to boards of health within 47447
the district, if solid waste facilities are located within the 47448
district, for enforcement of this chapter and rules, orders, and 47449
terms and conditions of permits, licenses, and variances adopted 47450
or issued under it, other than the hazardous waste provisions of 47451
this chapter and rules adopted and orders and terms and conditions 47452
of permits issued under those provisions; 47453

(4) Providing financial assistance to each county within the 47454
district to defray the added costs of maintaining roads and other 47455
public facilities and of providing emergency and other public 47456
services resulting from the location and operation of a solid 47457
waste facility within the county under the district's approved 47458
solid waste management plan or amended plan; 47459

(5) Pursuant to contracts entered into with boards of health 47460
within the district, if solid waste facilities contained in the 47461
district's approved plan or amended plan are located within the 47462

district, for paying the costs incurred by those boards of health 47463
for collecting and analyzing samples from public or private water 47464
wells on lands adjacent to those facilities; 47465

(6) Developing and implementing a program for the inspection 47466
of solid wastes generated outside the boundaries of this state 47467
that are disposed of at solid waste facilities included in the 47468
district's approved solid waste management plan or amended plan; 47469

(7) Providing financial assistance to boards of health within 47470
the district for the enforcement of section 3734.03 of the Revised 47471
Code or to local law enforcement agencies having jurisdiction 47472
within the district for enforcing anti-littering laws and 47473
ordinances; 47474

(8) Providing financial assistance to boards of health of 47475
health districts within the district that are on the approved list 47476
under section 3734.08 of the Revised Code to defray the costs to 47477
the health districts for the participation of their employees 47478
responsible for enforcement of the solid waste provisions of this 47479
chapter and rules adopted and orders and terms and conditions of 47480
permits, licenses, and variances issued under those provisions in 47481
the training and certification program as required by rules 47482
adopted under division (L) of section 3734.02 of the Revised Code; 47483

(9) Providing financial assistance to individual municipal 47484
corporations and townships within the district to defray their 47485
added costs of maintaining roads and other public facilities and 47486
of providing emergency and other public services resulting from 47487
the location and operation within their boundaries of a 47488
composting, energy or resource recovery, incineration, or 47489
recycling facility that either is owned by the district or is 47490
furnishing solid waste management facility or recycling services 47491
to the district pursuant to a contract or agreement with the board 47492
of county commissioners or directors of the district; 47493

(10) Payment of any expenses that are agreed to, awarded, or 47494
ordered to be paid under section 3734.35 of the Revised Code and 47495
of any administrative costs incurred pursuant to that section. In 47496
the case of a joint solid waste management district, if the board 47497
of county commissioners of one of the counties in the district is 47498
negotiating on behalf of affected communities, as defined in that 47499
section, in that county, the board shall obtain the approval of 47500
the board of directors of the district in order to expend moneys 47501
for administrative costs incurred. 47502

Prior to the approval of the district's solid waste 47503
management plan under section 3734.55 of the Revised Code, moneys 47504
in the special fund of the district arising from the fees shall be 47505
expended for those purposes in the manner prescribed by the solid 47506
waste management policy committee by resolution. 47507

Notwithstanding division (G) (6) of this section as it existed 47508
prior to October 29, 1993, or any provision in a district's solid 47509
waste management plan prepared in accordance with division 47510
(B) (2) (e) of section 3734.53 of the Revised Code as it existed 47511
prior to that date, any moneys arising from the fees levied under 47512
division (B) (3) of this section prior to January 1, 1994, may be 47513
expended for any of the purposes authorized in divisions (G) (1) to 47514
(10) of this section. 47515

(H) The director shall adopt rules in accordance with Chapter 47516
119. of the Revised Code prescribing procedures for collecting and 47517
forwarding the fees levied under divisions (B) and (C) of this 47518
section to the boards of county commissioners or directors of 47519
county or joint solid waste management districts and to the 47520
treasurers or other officers of municipal corporations and the 47521
fiscal officers of townships. The rules also shall prescribe the 47522
dates for forwarding the fees to the boards and officials and may 47523
prescribe any other requirements the director considers necessary 47524
or appropriate to implement and administer divisions (A), (B), and 47525

(C) of this section. 47526

Sec. 3734.85. (A) On and after the effective date of the 47527
rules adopted under sections 3734.70, 3734.71, 3734.72, and 47528
3734.73 of the Revised Code, the director of environmental 47529
protection may take action under this section to abate 47530
accumulations of scrap tires. If the director determines that an 47531
accumulation of scrap tires constitutes a danger to the public 47532
health or safety or to the environment, the director shall issue 47533
an order under section 3734.13 of the Revised Code to the person 47534
responsible for the accumulation of scrap tires directing that 47535
person, within one hundred twenty days after the issuance of the 47536
order, to remove the accumulation of scrap tires from the premises 47537
on which it is located and transport the tires to a scrap tire 47538
storage, monocell, monofill, or recovery facility licensed under 47539
section 3734.81 of the Revised Code, to such a facility in another 47540
state operating in compliance with the laws of the state in which 47541
it is located, or to any other solid waste disposal facility in 47542
another state that is operating in compliance with the laws of 47543
that state. If the person responsible for causing the accumulation 47544
of scrap tires is a person different from the owner of the land on 47545
which the accumulation is located, the director may issue such an 47546
order to the landowner. 47547

If the director is unable to ascertain immediately the 47548
identity of the person responsible for causing the accumulation of 47549
scrap tires, the director shall examine the records of the 47550
applicable board of health and law enforcement agencies to 47551
ascertain that person's identity. Before initiating any 47552
enforcement or removal actions under this division against the 47553
owner of the land on which the accumulation is located, the 47554
director shall initiate any such actions against the person that 47555
the director has identified as responsible for causing the 47556
accumulation of scrap tires. Failure of the director to make 47557

diligent efforts to ascertain the identity of the person 47558
responsible for causing the accumulation of scrap tires or to 47559
initiate an action against the person responsible for causing the 47560
accumulation shall not constitute an affirmative defense by a 47561
landowner to an enforcement action initiated by the director under 47562
this division requiring immediate removal of any accumulation of 47563
scrap tires. 47564

Upon the written request of the recipient of an order issued 47565
under this division, the director may extend the time for 47566
compliance with the order if the request demonstrates that the 47567
recipient has acted in good faith to comply with the order. If the 47568
recipient of an order issued under this division fails to comply 47569
with the order within one hundred twenty days after the issuance 47570
of the order or, if the time for compliance with the order was so 47571
extended, within that time, the director shall take such actions 47572
as the director considers reasonable and necessary to remove and 47573
properly manage the scrap tires located on the land named in the 47574
order. The director, through employees of the environmental 47575
protection agency or a contractor, may enter upon the land on 47576

Air Act prior to calendar year 2000. Those fees shall be assessed 48684
on the emissions from such a generating unit commencing in 48685
calendar year 2001 based upon the total actual emissions from the 48686
generating unit during calendar year 2000 and shall continue to be 48687

by rule, may require persons who are required to pay the fees 48775

of the Title V permit program, the director annually shall 48779
increase the fees prescribed in division (B) of this section by 48780

(b) The annual sludge fee required to be paid by a sewage 49611
sludge facility that treats or disposes of exceptional quality 49612
sludge in this state shall be thirty-five per cent less per dry 49613
ton of exceptional quality sludge than the fee assessed under 49614
division (Y) (1) of this section, subject to the following 49615
exceptions: 49616

(i) Except as provided in division (Y) (2) (d) of this section, 49617
a sewage sludge facility that treats or disposes of exceptional 49618
quality sludge shall pay a minimum annual sewage sludge fee of one 49619
hundred dollars. 49620

(ii) A sewage sludge facility that treats or disposes of 49621

exceptional quality sludge shall not be required to pay the annual 49622
sludge fee for treatment or disposal in this state of exceptional 49623
quality sludge generated outside of this state and contained in 49624
bags or other containers not greater than one hundred pounds in 49625
capacity. 49626

A thirty-five per cent reduction for exceptional quality 49627
sludge applies to the maximum annual fees established under 49628
division (Y) (3) of this section. 49629

(c) A sewage sludge facility that transfers sewage sludge to 49630
another sewage sludge facility in this state for further treatment 49631
prior to disposal in this state shall not be required to pay the 49632
annual sludge fee for the tons of sewage sludge that have been 49633
transferred. In such a case, the sewage sludge facility that 49634
disposes of the sewage sludge shall pay the annual sludge fee. 49635
However, the facility transferring the sewage sludge shall pay the 49636
one-hundred-dollar minimum fee required under division (Y) (2) (a) 49637
of this section. 49638

In the case of a sewage sludge facility that treats sewage 49639
sludge in this state and transfers it out of this state to another 49640
entity for disposal, the sewage sludge facility in this state 49641
shall be required to pay the annual sludge fee for the tons of 49642
sewage sludge that have been transferred. 49643

(d) A sewage sludge facility that generates sewage sludge 49644
resulting from an average daily discharge flow of less than five 49645
thousand gallons per day is not subject to the fees assessed under 49646
division (Y) of this section. 49647

(3) No sewage sludge facility required to pay the annual 49648
sludge fee shall be required to pay more than the maximum annual 49649
fee for each disposal method that the sewage sludge facility uses. 49650
The maximum annual fee does not include the additional amount that 49651
may be charged under division (Y) (5) of this section for late 49652

payment of the annual sludge fee. The maximum annual fee for the 49653
following methods of disposal of sewage sludge is as follows: 49654

(a) Incineration: five thousand dollars; 49655

(b) Preexisting land reclamation project or disposal in a 49656
landfill: five thousand dollars; 49657

any other disposal method not specified in division (Y) (3) (a) or 49659
(b) of this section: twenty thousand dollars. 49660

(4) (a) In the case of an entity that generates sewage sludge 49661
or a sewage sludge facility that treats sewage sludge and 49662
transfers the sewage sludge to an incineration facility for 49663
disposal, the incineration facility, and not the entity generating 49664
the sewage sludge or the sewage sludge facility treating the 49665
sewage sludge, shall pay the annual sludge fee for the tons of 49666
sewage sludge that are transferred. However, the entity or 49667
facility generating or treating the sewage sludge shall pay the 49668
one-hundred-dollar minimum fee required under division (Y) (2) (a) 49669
of this section. 49670

(b) In the case of an entity that generates sewage sludge and 49671
transfers the sewage sludge to a landfill for disposal or to a 49672
sewage sludge facility for land reclamation or surface disposal, 49673
the entity generating the sewage sludge, and not the landfill or 49674
sewage sludge facility, shall pay the annual sludge fee for the 49675
tons of sewage sludge that are transferred. 49676

(5) Not later than the first day of April of the calendar 49677
year following March 17, 2000, and each first day of April 49678
thereafter, the director shall issue invoices to persons who are 49679
required to pay the annual sludge fee. The invoice shall identify 49680
the nature and amount of the annual sludge fee assessed and state 49681
the first day of May as the deadline for receipt by the director 49682
of objections regarding the amount of the fee and the first day of 49683

July as the deadline for payment of the fee. 49684

Not later than the first day of May following receipt of an 49685
invoice, a person required to pay the annual sludge fee may submit 49686
objections to the director concerning the accuracy of information 49687
regarding the number of dry tons of sewage sludge used to 49688
calculate the amount of the annual sludge fee or regarding whether 49689
the sewage sludge qualifies for the exceptional quality sludge 49690
discount established in division (Y) (2) (b) of this section. The 49691
director may consider the objections and adjust the amount of the 49692
fee to ensure that it is accurate. 49693

If the director does not adjust the amount of the annual 49694
sludge fee in response to a person's objections, the person may 49695
appeal the director's determination in accordance with Chapter 49696
119. of the Revised Code. 49697

Not later than the first day of June, the director shall 49698
notify the objecting person regarding whether the director has 49699
found the objections to be valid and the reasons for the finding. 49700
If the director finds the objections to be valid and adjusts the 49701
amount of the annual sludge fee accordingly, the director shall 49702
issue with the notification a new invoice to the person 49703
identifying the amount of the annual sludge fee assessed and 49704
stating the first day of July as the deadline for payment. 49705

Not later than the first day of July, any person who is 49706
required to do so shall pay the annual sludge fee. Any person who 49707
is required to pay the fee, but who fails to do so on or before 49708
that date shall pay an additional amount that equals ten per cent 49709
of the required annual sludge fee. 49710

(6) The director shall transmit all moneys collected under 49711
division (Y) of this section to the treasurer of state for deposit 49712
into the surface water protection fund created in section 6111.038 49713
of the Revised Code. The moneys shall be used to defray the costs 49714

of administering and enforcing provisions in Chapter 6111. of the 49715
Revised Code and rules adopted under it that govern the use, 49716
storage, treatment, or disposal of sewage sludge. 49717

(7) Beginning in fiscal year 2001, and every two years 49718
thereafter, the director shall review the total amount of moneys 49719
generated by the annual sludge fees to determine if that amount 49720
exceeded six hundred thousand dollars in either of the two 49721
preceding fiscal years. If the total amount of moneys in the fund 49722
exceeded six hundred thousand dollars in either fiscal year, the 49723
director, after review of the fee structure and consultation with 49724
affected persons, shall issue an order reducing the amount of the 49725
fees levied under division (Y) of this section so that the 49726
estimated amount of moneys resulting from the fees will not exceed 49727
six hundred thousand dollars in any fiscal year. 49728

If, upon review of the fees under division (Y) (7) of this 49729
section and after the fees have been reduced, the director 49730
determines that the total amount of moneys collected and 49731
accumulated is less than six hundred thousand dollars, the 49732
director, after review of the fee structure and consultation with 49733
affected persons, may issue an order increasing the amount of the 49734
fees levied under division (Y) of this section so that the 49735
estimated amount of moneys resulting from the fees will be 49736
approximately six hundred thousand dollars. Fees shall never be 49737
increased to an amount exceeding the amount specified in division 49738
(Y) (7) of this section. 49739

Notwithstanding section 119.06 of the Revised Code, the 49740
director may issue an order under division (Y) (7) of this section 49741
without the necessity to hold an adjudicatory hearing in 49742
connection with the order. The issuance of an order under this 49743
division is not an act or action for purposes of section 3745.04 49744

section to require that any such federal environmental standard 50026
apply to a property, the property shall meet the requirements of 50027
the particular federal statute or regulation involved in the 50028
manner specified by the statute or regulation. 50029

The generic numerical clean-up standards for petroleum at 50030
commercial or residential property shall be the standards 50031
established in rules adopted under division (B) of section 50032
3737.882 of the Revised Code. 50033

(2) (a) Procedures for performing property-specific risk 50034
assessments that would be performed at a property to demonstrate 50035
that the remedy evaluated in a risk assessment results in 50036
protection of public health and safety and the environment instead 50037
of complying with the generic numerical clean-up standards 50038
established in the rules adopted under division (B)(1) of this 50039
section. The risk assessment procedures shall describe a 50040
methodology to establish, on a property-specific basis, allowable 50041
levels of contamination to remain at a property to ensure 50042
protection of public health and safety and the environment on the 50043
property and off the property when the contamination is emanating 50044
off the property, taking into account all of the following: 50045

(i) The implementation of treatment, storage, or disposal, or 50046
a combination thereof, of hazardous substances or petroleum; 50047

(ii) The existence of institutional controls or activity and 50048
use limitations that eliminate or mitigate exposure to hazardous 50049
substances or petroleum through the restriction of access to 50050
hazardous substances or petroleum; 50051

(iii) The existence of engineering controls that eliminate or 50052
mitigate exposure to hazardous substances or petroleum through 50053

containment of, control of, or restrictions of access to hazardous 50054
substances or petroleum, including, without limitation, fences, 50055
cap systems, cover systems, and landscaping. 50056

risk set forth in the rules adopted under division (B)(2) of this 50058
section shall be based upon all of the following: 50059

(i) Scientific information, including, without limitation, 50060
toxicological information and actual or proposed human and 50061
environmental exposure; 50062

(ii) Locational and climatic factors; 50063

(iii) Surrounding land use and human activities; 50064

(iv) Differing levels of remediation that may be required 50065
when an existing land use is continued compared to when a 50066
different land use follows the remediation. 50067

(c) Any standards established pursuant to rules adopted under 50068
division (B)(2) of this section shall be no more stringent than 50069
standards established under the environmental statutes of this 50070
state and rules adopted under them for the same contaminant in the 50071
same environmental medium that are in effect at the time the risk 50072
assessment is conducted. 50073

(3) Minimum standards for phase I property assessments. The 50074
standards shall specify the information needed to demonstrate that 50075
there is no reason to believe that contamination exists on a 50076
property. The rules adopted under division (B)(3) of this section, 50077
at a minimum, shall require that a phase I property assessment 50078
include all of the following: 50079

(a) A review and analysis of deeds, mortgages, easements of 50080
record, and similar documents relating to the chain of title to 50081
the property that are publicly available or that are known to and 50082
reasonably available to the owner or operator; 50083

(b) A review and analysis of any previous environmental 50084
assessments, property assessments, environmental studies, or 50085
geologic studies of the property and any land within two thousand 50086
feet of the boundaries of the property that are publicly available 50087
or that are known to and reasonably available to the owner or 50088
operator; 50089

(c) A review of current and past environmental compliance 50090
histories of persons who owned or operated the property; 50091

(d) A review of aerial photographs of the property that 50092

property who have knowledge of environmental conditions at the 50095
property; 50096

(f) Conducting an inspection of the property consisting of a 50097
walkover; 50098

including, without limitation, interviews with persons who reside 50101
or have resided, or who are or were employed, within the area 50102
surrounding the property regarding the current and past uses of 50103
the property and adjacent tracts of land. 50104

The rules adopted under division (B) (3) of this section shall 50105
establish criteria to determine when a phase II property 50106
assessment shall be conducted when a phase I property assessment 50107
reveals facts that establish a reason to believe that hazardous 50108
substances or petroleum have been treated, stored, managed, or 50109
disposed of on the property if the person undertaking the phase I 50110
property assessment wishes to obtain a covenant not to sue under 50111
section 3746.12 of the Revised Code. 50112

(4) Minimum standards for phase II property assessments. The 50113
standards shall specify the information needed to demonstrate that 50114

any contamination present at the property does not exceed 50115
applicable standards or that the remedial activities conducted at 50116
the property have achieved compliance with applicable standards. 50117
The rules adopted under division (B)(4) of this section, at a 50118
minimum, shall require that a phase II property assessment include 50119
all of the following: 50120

(a) A review and analysis of all documentation prepared in 50121
connection with a phase I property assessment conducted within the 50122
one hundred eighty days before the phase II property assessment 50123
begins. The rules adopted under division (B)(4)(a) of this section 50124
shall require that if a period of more than one hundred eighty 50125
days has passed between the time that the phase I assessment of 50126
the property was completed and the phase II assessment begins, the 50127
phase II assessment shall include a reasonable inquiry into the 50128
change in the environmental condition of the property during the 50129
intervening period. 50130

(b) Quality assurance objectives for measurements taken in 50131
connection with a phase II assessment; 50132

(c) Sampling procedures to ensure the representative sampling 50133
of potentially contaminated environmental media; 50134

(d) Quality assurance and quality control requirements for 50135
samples collected in connection with phase II assessments; 50136

(e) Analytical and data assessment procedures; 50137

(f) Data objectives to ensure that samples collected in 50138
connection with phase II assessments are biased toward areas where 50139
information indicates that contamination by hazardous substances 50140
or petroleum is likely to exist. 50141

(5) Standards governing the conduct of certified 50142
professionals, criteria and procedures for the certification of 50143
professionals to issue no further action letters under section 50144
3746.11 of the Revised Code, and criteria for the suspension and 50145

revocation of those certifications. The director shall take an action regarding a certification as a final action. The issuance, denial, renewal, suspension, and revocation of those certifications are subject to Chapter 3745. of the Revised Code, except that, in lieu of publishing an action regarding a certification in a newspaper of general circulation as required in section 3745.07 of the Revised Code, such an action shall be published on the environmental protection agency's web site and in the agency's weekly review not later than fifteen days after the date of the issuance, denial, renewal, suspension, or revocation of the certification and not later than thirty days before a hearing or public meeting concerning the action.

The rules adopted under division (B)(5) of this section shall do all of the following:

petroleum contamination or remedial activities after a phase I or 50693
II property assessment has demonstrated that there is no reason to 50694
believe that there has been a release of hazardous substances or 50695
petroleum at or upon the property, that information indicates that 50696
there has been a release of hazardous substances or petroleum at 50697
or upon the property, but that the release is not in excess of 50698
applicable standards, or that if there has been such a release in 50699

excess of applicable standards, those standards have been achieved 50700
through remedial activities or will be achieved in accordance with 50701

defined in section 5309.01 of the Revised Code, in compliance with 50781
section 3746.14 of the Revised Code; 50782

demonstration that the activity and use limitations have been 50786
developed in accordance with this chapter and rules adopted under 50787
it and are contained in a proposed environmental covenant that 50788
meets the requirements established in section 5301.82 of the 50789

performed during more than one half of any such pay period by an 52847
employee for the person employing that employee do not constitute 52848

period shall be deemed to be employment. As used in division 52850
(B) (4) of this section, "pay period" means a period, of not more 52851
than thirty-one consecutive days, for which payment of 52852
remuneration is ordinarily made to the employee by the person 52853

wages shall not include that part of remuneration paid during any 52873
calendar year to an individual by an employer or such employer's 52874
predecessor in interest in the same business or enterprise, which 52875
in any calendar year is in excess of nine thousand dollars on and 52876
after January 1, 1995; nine thousand five hundred dollars on and 52877
after January 1, 2018; and nine thousand dollars on and after 52878
January 1, 2020. Remuneration in excess of such amounts shall be 52879
deemed wages subject to contribution to the same extent that such 52880
remuneration is defined as wages under the "Federal Unemployment 52881
Tax Act," 84 Stat. 714 (1970), 26 U.S.C.A. 3301 to 3311, as 52882
amended. The remuneration paid an employee by an employer with 52883
respect to employment in another state, upon which contributions 52884
were required and paid by such employer under the unemployment 52885
compensation act of such other state, shall be included as a part 52886
of remuneration in computing the amount specified in this 52887
division. 52888

(H) (1) "Remuneration" means all compensation for personal 52889
services, including commissions and bonuses and the cash value of 52890

Gratuities customarily received by an individual in the course of the individual's employment from persons other than the individual's employer and which are accounted for by such individual to the individual's employer are taxable wages.

The reasonable cash value of compensation paid in any medium other than cash shall be estimated and determined in accordance with rules prescribed by the director, provided that "remuneration" does not include:

(a) Payments as provided in divisions (b) (2) to (b) (20) of section 3306 of the "Federal Unemployment Tax Act," 84 Stat. 713, 26 U.S.C.A. 3301 to 3311, as amended;

(b) The payment by an employer, without deduction from the remuneration of the individual in the employer's employ, of the tax imposed upon an individual in the employer's employ under section 3101 of the "Internal Revenue Code of 1954," with respect to services performed after October 1, 1941.

the annual payrolls which the employer has had as of such date. 52924

(L) (1) "Contributions" means the money payments to the state 52925
unemployment compensation fund required of employers by section 52926
4141.25 of the Revised Code and of the state and any of its 52927

4141.242 of the Revised Code. Employers paying contributions shall 52929
be described as "contributory employers." 52930

(2) "Payments in lieu of contributions" means the money 52931
payments to the state unemployment compensation fund required of 52932
reimbursing employers under sections 4141.241 and 4141.242 of the 52933
Revised Code. 52934

(M) An individual is "totally unemployed" in any week during 52935
which the individual performs no services and with respect to such 52936
week no remuneration is payable to the individual. 52937

(N) An individual is "partially unemployed" in any week if, 52938
due to involuntary loss of work, the total remuneration payable to 52939
the individual for such week is less than the individual's weekly 52940
benefit amount. 52941

(O) "Week" means the calendar week ending at midnight 52942
Saturday unless an equivalent week of seven consecutive calendar 52943
days is prescribed by the director. 52944

(1) "Qualifying week" means any calendar week in an 52945
individual's base period with respect to which the individual 52946
earns or is paid remuneration in employment subject to this 52947
chapter. A calendar week with respect to which an individual earns 52948
remuneration but for which payment was not made within the base 52949
period, when necessary to qualify for benefit rights, may be 52950
considered to be a qualifying week. The number of qualifying weeks 52951
which may be established in a calendar quarter shall not exceed 52952

the number of calendar weeks in the quarter. 52953

(2) "Average weekly wage" means the amount obtained by 52954
dividing an individual's total remuneration for all qualifying 52955
weeks during the base period by the number of such qualifying 52956
weeks, provided that if the computation results in an amount that 52957
is not a multiple of one dollar, such amount shall be rounded to 52958
the next lower multiple of one dollar. 52959

(P) "Weekly benefit amount" means the amount of benefits an 52960
individual would be entitled to receive for one week of total 52961
unemployment. 52962

(Q) (1) "Base period" means the first four of the last five 52963
completed calendar quarters immediately preceding the first day of 52964
an individual's benefit year, except as provided in division 52965
(Q) (2) of this section. 52966

(2) If an individual does not have sufficient qualifying 52967
weeks and wages in the base period to qualify for benefit rights, 52968
the individual's base period shall be the four most recently 52969
completed calendar quarters preceding the first day of the 52970
individual's benefit year. Such base period shall be known as the 52971
"alternate base period." If information as to weeks and wages for 52972
the most recent quarter of the alternate base period is not 52973
available to the director from the regular quarterly reports of 52974
wage information, which are systematically accessible, the 52975
director may, consistent with the provisions of section 4141.28 of 52976
the Revised Code, base the determination of eligibility for 52977
benefits on the affidavit of the claimant with respect to weeks 52978
and wages for that calendar quarter. The claimant shall furnish 52979
payroll documentation, where available, in support of the 52980
affidavit. The determination based upon the alternate base period 52981
as it relates to the claimant's benefit rights, shall be amended 52982
when the quarterly report of wage information from the employer is 52983
timely received and that information causes a change in the 52984

determination. As provided in division (B) of section 4141.28 of 52985
the Revised Code, any benefits paid and charged to an employer's 52986
account, based upon a claimant's affidavit, shall be adjusted 52987
effective as of the beginning of the claimant's benefit year. No 52988
calendar quarter in a base period or alternate base period shall 52989
be used to establish a subsequent benefit year. 52990

(3) The "base period" of a combined wage claim, as described 52991
in division (H) of section 4141.43 of the Revised Code, shall be 52992
the base period prescribed by the law of the state in which the 52993
claim is allowed. 52994

(4) For purposes of determining the weeks that comprise a 52995
completed calendar quarter under this division, only those weeks 52996
ending at midnight Saturday within the calendar quarter shall be 52997
utilized. 52998

(R)(1) "Benefit year" with respect to an individual means the 52999
fifty-two week period beginning with the first day of that week 53000
with respect to which the individual first files a valid 53001
application for determination of benefit rights, and thereafter 53002
the fifty-two week period beginning with the first day of that 53003
week with respect to which the individual next files a valid 53004
application for determination of benefit rights after the 53005
termination of the individual's last preceding benefit year, 53006
except that the application shall not be considered valid unless 53007
the individual has had employment in six weeks that is subject to 53008
this chapter or the unemployment compensation act of another 53009
state, or the United States, and has, since the beginning of the 53010
individual's previous benefit year, in the employment earned three 53011
times the average weekly wage determined for the previous benefit 53012
year. The "benefit year" of a combined wage claim, as described in 53013
division (H) of section 4141.43 of the Revised Code, shall be the 53014
benefit year prescribed by the law of the state in which the claim 53015
is allowed. Any application for determination of benefit rights 53016

made in accordance with section 4141.28 of the Revised Code is 53017
valid if the individual filing such application is unemployed, has 53018
been employed by an employer or employers subject to this chapter 53019
in at least twenty qualifying weeks within the individual's base 53020
period, and has earned or been paid remuneration at an average 53021
weekly wage of not less than twenty-seven and one-half per cent of 53022
the statewide average weekly wage for such weeks. For purposes of 53023
determining whether an individual has had sufficient employment 53024
since the beginning of the individual's previous benefit year to 53025
file a valid application, "employment" means the performance of 53026
services for which remuneration is payable. 53027

(2) Effective for benefit years beginning on and after 53028
December 26, 2004, but before July 1, 2022, any application for 53029
determination of benefit rights made in accordance with section 53030
4141.28 of the Revised Code is valid if the individual satisfies 53031
the criteria described in division (R)(1) of this section, and if 53032
the reason for the individual's separation from employment is not 53033
disqualifying pursuant to division (D)(2) of section 4141.29 or 53034
section 4141.291 of the Revised Code. A disqualification imposed 53035
pursuant to division (D)(2) of section 4141.29 or section 4141.291 53036
of the Revised Code must be removed as provided in those sections 53037
as a requirement of establishing a valid application for benefit 53038
years beginning on and after December 26, 2004, but before July 1, 53039
2022. Effective for benefit years beginning on and after July 1, 53040
2022, any application for determination of benefit rights made in 53041
accordance with section 4141.28 of the Revised Code is valid if 53042
the individual satisfies the criteria described in division (R)(1) 53043
of this section. A disqualification imposed pursuant to division 53044
(D)(2) of section 4141.29 or section 4141.291 of the Revised Code 53045
does not affect the validity of an application. 53046

(3) The statewide average weekly wage shall be calculated by 53047
the director once a year based on the twelve-month period ending 53048

the thirtieth day of June, as set forth in division (B)(3) of 53049
section 4141.30 of the Revised Code, rounded down to the nearest 53050
dollar. Increases or decreases in the amount of remuneration 53051
required to have been earned or paid in order for individuals to 53052
have filed valid applications shall become effective on Sunday of 53053
the calendar week in which the first day of January occurs that 53054
follows the twelve-month period ending the thirtieth day of June 53055
upon which the calculation of the statewide average weekly wage 53056
was based. 53057

(4) As used in this division, an individual is "unemployed" 53058
if, with respect to the calendar week in which such application is 53059
filed, the individual is "partially unemployed" or "totally 53060
unemployed" as defined in this section or if, prior to filing the 53061
application, the individual was separated from the individual's 53062
most recent work for any reason which terminated the individual's 53063
employee-employer relationship, or was laid off indefinitely or 53064
for a definite period of seven or more days. 53065

(S) "Calendar quarter" means the period of three consecutive 53066
calendar months ending on the thirty-first day of March, the 53067
thirtieth day of June, the thirtieth day of September, and the 53068

for that week. 53518

(I) Any payment of total or partial unemployment compensation 53519
benefits under this section is not a payment of shared work 53520
compensation under an approved plan but shall be calculated 53521
against the maximum total benefits payable to the participating 53522
employee in a benefit year under section 4141.30 of the Revised 53523
Code. 53524

(J) For purposes of this section and unless another benefit 53525

Sec. 4503.066. (A) (1) To obtain a tax reduction under section 56510
4503.065 of the Revised Code, the owner of the home shall file an 56511
application with the county auditor of the county in which the 56512
home is located. An application for reduction in taxes based upon 56513

by a physician, and an application for reduction in taxes based 56515
upon a mental disability shall be accompanied by a certificate 56516
signed by a physician or psychologist licensed to practice in this 56517
state. The certificate shall attest to the fact that the applicant 56518
is permanently and totally disabled, shall be in a form that the 56519
department of taxation requires, and shall include the definition 56520
of totally and permanently disabled as set forth in section 56521
4503.064 of the Revised Code. An application for reduction in 56522

for which the public service officer served when killed in the 56539
line of duty affirming that the public service officer was killed 56540
in the line of duty. 56541

(2) Each application shall constitute a continuing 56542
application for a reduction in taxes for each year in which the 56543
manufactured or mobile home is occupied by the applicant. Failure 56544
to receive a new application or notification under division (B) of 56545
this section after an application for reduction has been approved 56546
is prima-facie evidence that the original applicant is entitled to 56547
the reduction calculated on the basis of the information contained 56548
in the original application. The original application and any 56549
subsequent application shall be in the form of a signed statement 56550
and shall be filed on or before the thirty-first day of December 56551
of the year preceding the year for which the reduction is sought. 56552
The statement shall be on a form, devised and supplied by the tax 56553
commissioner, that shall require no more information than is 56554
necessary to establish the applicant's eligibility for the 56555
reduction in taxes and the amount of the reduction to which the 56556
applicant is entitled. The form shall contain a statement that 56557
signing such application constitutes a delegation of authority by 56558

the applicant to the tax commissioner or the county auditor, 56559
individually or in consultation with each other, to examine any 56560
tax or financial records that relate to the income of the 56561
applicant as stated on the application for the purpose of 56562
determining eligibility under, or possible violation of, division 56563
(C) or (D) of this section. The form also shall contain a 56564
statement that conviction of willfully falsifying information to 56565
obtain a reduction in taxes or failing to comply with division (B) 56566
of this section shall result in the revocation of the right to the 56567
reduction for a period of three years. 56568

(3) A late application for a reduction in taxes for the year 56569
preceding the year for which an original application is filed may 56570
be filed with an original application. If the auditor determines 56571
that the information contained in the late application is correct, 56572
the auditor shall determine both the amount of the reduction in 56573
taxes to which the applicant would have been entitled for the 56574
current tax year had the application been timely filed and 56575
approved in the preceding year, and the amount the taxes levied 56576
under section 4503.06 of the Revised Code for the current year 56577
would have been reduced as a result of the reduction. When an 56578
applicant is permanently and totally disabled on the first day of 56579
January of the year in which the applicant files a late 56580
application, the auditor, in making the determination of the 56581
amounts of the reduction in taxes under division (A)(3) of this 56582
section, is not required to determine that the applicant was 56583
permanently and totally disabled on the first day of January of 56584
the preceding year. 56585

The amount of the reduction in taxes pursuant to a late 56586
application shall be treated as an overpayment of taxes by the 56587
applicant. The auditor shall credit the amount of the overpayment 56588
against the amount of the taxes or penalties then due from the 56589
applicant, and, at the next succeeding settlement, the amount of 56590

the credit shall be deducted from the amount of any taxes or 56591
penalties distributable to the county or any taxing unit in the 56592
county that has received the benefit of the taxes or penalties 56593
previously overpaid, in proportion to the benefits previously 56594
received. If, after the credit has been made, there remains a 56595
balance of the overpayment, or if there are no taxes or penalties 56596
due from the applicant, the auditor shall refund that balance to 56597
the applicant by a warrant drawn on the county treasurer in favor 56598
of the applicant. The treasurer shall pay the warrant from the 56599
general fund of the county. If there is insufficient money in the 56600
general fund to make the payment, the treasurer shall pay the 56601
warrant out of any undivided manufactured or mobile home taxes 56602
subsequently received by the treasurer for distribution to the 56603
county or taxing district in the county that received the benefit 56604
of the overpaid taxes, in proportion to the benefits previously 56605
received, and the amount paid from the undivided funds shall be 56606
deducted from the money otherwise distributable to the county or 56607
taxing district in the county at the next or any succeeding 56608
distribution. At the next or any succeeding distribution after 56609
making the refund, the treasurer shall reimburse the general fund 56610
for any payment made from that fund by deducting the amount of 56611
that payment from the money distributable to the county or other 56612
taxing unit in the county that has received the benefit of the 56613
taxes, in proportion to the benefits previously received. On the 56614
second Monday in September of each year, the county auditor shall 56615
certify the total amount of the reductions in taxes made in the 56616
current year under division (A) (3) of this section to the tax 56617
commissioner who shall treat that amount as a reduction in taxes 56618
for the current tax year and shall make reimbursement to the 56619
county of that amount in the manner prescribed in section 4503.068 56620
of the Revised Code, from moneys appropriated for that purpose. 56621

~~(B)~~ (B) (1) If in any year for which an application for 56622
reduction in taxes has been approved the owner no longer qualifies 56623

for the reduction, the owner shall notify the county auditor that 56624
the owner is not qualified for a reduction in taxes. 56625

(2) If the county auditor or county treasurer discovers that 56626
an owner not entitled to the reduction in manufactured home taxes 56627
under section 4503.065 of the Revised Code failed to notify the 56628
county auditor as required by division (B)(1) of this section, a 56629
charge shall be imposed against the manufactured or mobile home in 56630
the amount by which taxes were reduced under that section for each 56631
tax year the county auditor ascertains that the manufactured or 56632
mobile home was not entitled to the reduction and was owned by the 56633
current owner. Interest shall accrue in the manner prescribed by 56634
division (G)(2) of section 4503.06 of the Revised Code on the 56635
amount by which taxes were reduced for each such tax year as if 56636
the reduction became delinquent taxes at the close of the last day 56637
the second installment of taxes for that tax year could be paid 56638
without penalty. The county auditor shall notify the owner, by 56639
ordinary mail, of the charge, of the owner's right to appeal the 56640
charge, and of the manner in which the owner may appeal. The owner 56641
may appeal the imposition of the charge and interest by filing an 56642
appeal with the county board of revision not later than the last 56643
day prescribed for payment of manufactured home taxes under 56644
section 4503.06 of the Revised Code following receipt of the 56645
notice and occurring at least ninety days after receipt of the 56646
notice. The appeal shall be treated in the same manner as a 56647
complaint relating to the valuation or assessment of manufactured 56648
or mobile homes under section 5715.19 of the Revised Code. The 56649
charge and any interest shall be collected as other delinquent 56650
taxes. 56651

(3) During January of each year, the county auditor shall 56652
furnish each person whose application for reduction has been 56653
approved, by ordinary mail, a form on which to report any changes 56654
in total income, ownership, occupancy, disability, and other 56655

information earlier furnished the auditor relative to the 56656
application. The form shall be completed and returned to the 56657
auditor not later than the thirty-first day of December if the 56658
changes would affect the person's eligibility for the reduction. 56659

(C) No person shall knowingly make a false statement for the 56660
purpose of obtaining a reduction in taxes under section 4503.065 56661
of the Revised Code. 56662

(D) No person shall knowingly fail to notify the county 56663
auditor of any change required by division (B) of this section 56664
that has the effect of maintaining or securing a reduction in 56665
taxes under section 4503.065 of the Revised Code. 56666

(E) No person shall knowingly make a false statement or 56667
certification attesting to any person's physical or mental 56668
condition for purposes of qualifying such person for tax relief 56669
pursuant to sections 4503.064 to 4503.069 of the Revised Code. 56670

(F) Whoever violates division (C), (D), or (E) of this 56671
section is guilty of a misdemeanor of the fourth degree. 56672

the cost of the alcohol and drug abuse assessment and treatment 57390

(b) Expend any of the surplus amount to pay all or part of 57392

(H) (3) of this section or for board contracted recovery support 57410
services. 57411

(e) Expend any of the surplus amount for the cost of 57412

staffing, equipment, training, drug testing, supplies, and other 57413

(5) In order to determine if an offender does not have the 57416
means to pay for the offender's attendance at an alcohol and drug 57417

services provider is eligible to receive surplus funds as long as 57439
the application is pending with the department. The department of 57440

practice by this chapter or who has submitted an application 58954
pursuant to this chapter to submit to a mental examination, 58955
physical examination, including an HIV test, or both a mental and 58956
a physical examination. The expense of the examination is the 58957
responsibility of the individual compelled to be examined. Failure 58958
to submit to a mental or physical examination or consent to an HIV 58959
test ordered by the board constitutes an admission of the 58960
allegations against the individual unless the failure is due to 58961
circumstances beyond the individual's control, and a default and 58962
final order may be entered without the taking of testimony or 58963
presentation of evidence. If the board finds an individual unable 58964
to practice because of the reasons set forth in this division, the 58965
board shall require the individual to submit to care, counseling, 58966
or treatment by physicians approved or designated by the board, as 58967
a condition for initial, continued, reinstated, or renewed 58968
authority to practice. An individual affected under this division 58969
shall be afforded an opportunity to demonstrate to the board the 58970
ability to resume practice in compliance with acceptable and 58971
prevailing standards under the provisions of the individual's 58972
license or certificate. For the purpose of this division, any 58973
individual who applies for or receives a license or certificate to 58974
practice under this chapter accepts the privilege of practicing in 58975
this state and, by so doing, shall be deemed to have given consent 58976

to submit to a mental or physical examination when directed to do 58977
so in writing by the board, and to have waived all objections to 58978
the admissibility of testimony or examination reports that 58979
constitute a privileged communication. 58980

(20) Except as provided in division (F)(1)(b) of section 58981
4731.282 of the Revised Code or when civil penalties are imposed 58982
under section 4731.225 of the Revised Code, and subject to section 58983
4731.226 of the Revised Code, violating or attempting to violate, 58984
directly or indirectly, or assisting in or abetting the violation 58985
of, or conspiring to violate, any provisions of this chapter or 58986
any rule promulgated by the board. 58987

This division does not apply to a violation or attempted 58988
violation of, assisting in or abetting the violation of, or a 58989
conspiracy to violate, any provision of this chapter or any rule 58990
adopted by the board that would preclude the making of a report by 58991
a physician of an employee's use of a drug of abuse, or of a 58992
condition of an employee other than one involving the use of a 58993
drug of abuse, to the employer of the employee as described in 58994
division (B) of section 2305.33 of the Revised Code. Nothing in 58995
this division affects the immunity from civil liability conferred 58996
by that section upon a physician who makes either type of report 58997
in accordance with division (B) of that section. As used in this 58998
division, "employee," "employer," and "physician" have the same 58999
meanings as in section 2305.33 of the Revised Code. 59000

(21) The violation of section 3701.79 of the Revised Code or 59001
of any abortion rule adopted by the director of health pursuant to 59002
section 3701.341 of the Revised Code; 59003

(22) Any of the following actions taken by an agency 59004
responsible for authorizing, certifying, or regulating an 59005
individual to practice a health care occupation or provide health 59006
care services in this state or another jurisdiction, for any 59007
reason other than the nonpayment of fees: the limitation, 59008

revocation, or suspension of an individual's license to practice; 59009
acceptance of an individual's license surrender; denial of a 59010
license; refusal to renew or reinstate a license; imposition of 59011
probation; or issuance of an order of censure or other reprimand; 59012

(23) The violation of section 2919.12 of the Revised Code or 59013
the performance or inducement of an abortion upon a pregnant woman 59014
with actual knowledge that the conditions specified in division 59015
(B) of section 2317.56 of the Revised Code have not been satisfied 59016
or with a heedless indifference as to whether those conditions 59017
have been satisfied, unless an affirmative defense as specified in 59018
division (H) (2) of that section would apply in a civil action 59019
authorized by division (H) (1) of that section; 59020

(24) The revocation, suspension, restriction, reduction, or 59021
termination of clinical privileges by the United States department 59022
of defense or department of veterans affairs or the termination or 59023
suspension of a certificate of registration to prescribe drugs by 59024
the drug enforcement administration of the United States 59025
department of justice; 59026

(25) Termination or suspension from participation in the 59027
medicare or medicaid programs by the department of health and 59028
human services or other responsible agency; 59029

(26) Impairment of ability to practice according to 59030
acceptable and prevailing standards of care because of habitual or 59031
excessive use or abuse of drugs, alcohol, or other substances that 59032
impair ability to practice. 59033

For the purposes of this division, any individual authorized 59034
to practice by this chapter accepts the privilege of practicing in 59035
this state subject to supervision by the board. By filing an 59036
application for or holding a license or certificate to practice 59037
under this chapter, an individual shall be deemed to have given 59038
consent to submit to a mental or physical examination when ordered 59039

to do so by the board in writing, and to have waived all 59040
objections to the admissibility of testimony or examination 59041
reports that constitute privileged communications. 59042

If it has reason to believe that any individual authorized to 59043
practice by this chapter or any applicant for licensure or 59044
certification to practice suffers such impairment, the board may 59045
compel the individual to submit to a mental or physical 59046
examination, or both. The expense of the examination is the 59047
responsibility of the individual compelled to be examined. Any 59048
mental or physical examination required under this division shall 59049
be undertaken by a treatment provider or physician who is 59050
qualified to conduct the examination and who is chosen by the 59051
board. 59052

Failure to submit to a mental or physical examination ordered 59053
by the board constitutes an admission of the allegations against 59054
the individual unless the failure is due to circumstances beyond 59055
the individual's control, and a default and final order may be 59056
entered without the taking of testimony or presentation of 59057
evidence. If the board determines that the individual's ability to 59058
practice is impaired, the board shall suspend the individual's 59059
license or certificate or deny the individual's application and 59060
shall require the individual, as a condition for initial, 59061
continued, reinstated, or renewed licensure or certification to 59062
practice, to submit to treatment. 59063

Before being eligible to apply for reinstatement of a license 59064
or certificate suspended under this division, the impaired 59065
practitioner shall demonstrate to the board the ability to resume 59066
practice in compliance with acceptable and prevailing standards of 59067
care under the provisions of the practitioner's license or 59068
certificate. The demonstration shall include, but shall not be 59069
limited to, the following: 59070

(a) Certification from a treatment provider approved under 59071

section 4731.25 of the Revised Code that the individual has 59072
successfully completed any required inpatient treatment; 59073

(b) Evidence of continuing full compliance with an aftercare 59074
contract or consent agreement; 59075

(c) Two written reports indicating that the individual's 59076
ability to practice has been assessed and that the individual has 59077
been found capable of practicing according to acceptable and 59078
prevailing standards of care. The reports shall be made by 59079
individuals or providers approved by the board for making the 59080
assessments and shall describe the basis for their determination. 59081

The board may reinstate a license or certificate suspended 59082
under this division after that demonstration and after the 59083
individual has entered into a written consent agreement. 59084

When the impaired practitioner resumes practice, the board 59085
shall require continued monitoring of the individual. The 59086
monitoring shall include, but not be limited to, compliance with 59087
the written consent agreement entered into before reinstatement or 59088
with conditions imposed by board order after a hearing, and, upon 59089
termination of the consent agreement, submission to the board for 59090
at least two years of annual written progress reports made under 59091
penalty of perjury stating whether the individual has maintained 59092
sobriety. 59093

(27) A second or subsequent violation of section 4731.66 or 59094
4731.69 of the Revised Code; 59095

(28) Except as provided in division (N) of this section: 59096

(a) Waiving the payment of all or any part of a deductible or 59097
copayment that a patient, pursuant to a health insurance or health 59098
care policy, contract, or plan that covers the individual's 59099
services, otherwise would be required to pay if the waiver is used 59100
as an enticement to a patient or group of patients to receive 59101
health care services from that individual; 59102

(b) Advertising that the individual will waive the payment of 59103
all or any part of a deductible or copayment that a patient, 59104
pursuant to a health insurance or health care policy, contract, or 59105
plan that covers the individual's services, otherwise would be 59106
required to pay. 59107

(29) Failure to use universal blood and body fluid 59108
precautions established by rules adopted under section 4731.051 of 59109
the Revised Code; 59110

(30) Failure to provide notice to, and receive acknowledgment 59111
of the notice from, a patient when required by section 4731.143 of 59112
the Revised Code prior to providing nonemergency professional 59113
services, or failure to maintain that notice in the patient's 59114
medical record; 59115

(31) Failure of a physician supervising a physician assistant 59116
to maintain supervision in accordance with the requirements of 59117
Chapter 4730. of the Revised Code and the rules adopted under that 59118
chapter; 59119

(32) Failure of a physician or podiatrist to enter into a 59120
standard care arrangement with a clinical nurse specialist, 59121
certified nurse-midwife, or certified nurse practitioner with whom 59122
the physician or podiatrist is in collaboration pursuant to 59123
section 4731.27 of the Revised Code or failure to fulfill the 59124
responsibilities of collaboration after entering into a standard 59125
care arrangement; 59126

(33) Failure to comply with the terms of a consult agreement 59127
entered into with a pharmacist pursuant to section 4729.39 of the 59128
Revised Code; 59129

(34) Failure to cooperate in an investigation conducted by 59130
the board under division (F) of this section, including failure to 59131
comply with a subpoena or order issued by the board or failure to 59132
answer truthfully a question presented by the board in an 59133

investigative interview, an investigative office conference, at a 59134
deposition, or in written interrogatories, except that failure to 59135
cooperate with an investigation shall not constitute grounds for 59136
discipline under this section if a court of competent jurisdiction 59137
has issued an order that either quashes a subpoena or permits the 59138
individual to withhold the testimony or evidence in issue; 59139

(35) Failure to supervise an acupuncturist in accordance with 59140
Chapter 4762. of the Revised Code and the board's rules for 59141
providing that supervision; 59142

(36) Failure to supervise an anesthesiologist assistant in 59143
accordance with Chapter 4760. of the Revised Code and the board's 59144
rules for supervision of an anesthesiologist assistant; 59145

(37) Assisting suicide, as defined in section 3795.01 of the 59146
Revised Code; 59147

(38) Failure to comply with the requirements of section 59148
2317.561 of the Revised Code; 59149

(39) Failure to supervise a radiologist assistant in 59150
accordance with Chapter 4774. of the Revised Code and the board's 59151
rules for supervision of radiologist assistants; 59152

(40) Performing or inducing an abortion at an office or 59153
facility with knowledge that the office or facility fails to post 59154
the notice required under section 3701.791 of the Revised Code; 59155

(41) Failure to comply with the standards and procedures 59156
established in rules under section 4731.054 of the Revised Code 59157
for the operation of or the provision of care at a pain management 59158
clinic; 59159

(42) Failure to comply with the standards and procedures 59160
established in rules under section 4731.054 of the Revised Code 59161
for providing supervision, direction, and control of individuals 59162
at a pain management clinic; 59163

(43) Failure to comply with the requirements of section	59164
4729.79 or 4731.055 of the Revised Code, unless the state board of	59165
pharmacy no longer maintains a drug database pursuant to section	59166
4729.75 of the Revised Code;	59167
(44) Failure to comply with the requirements of section	59168
2919.171, 2919.202, or 2919.203 of the Revised Code or failure to	59169
submit to the department of health in accordance with a court	59170
order a complete report as described in section 2919.171 or	59171
2919.202 of the Revised Code;	59172
(45) Practicing at a facility that is subject to licensure as	59173
a category III terminal distributor of dangerous drugs with a pain	59174
management clinic classification unless the person operating the	59175
facility has obtained and maintains the license with the	59176
classification;	59177
(46) Owning a facility that is subject to licensure as a	59178
category III terminal distributor of dangerous drugs with a pain	59179
management clinic classification unless the facility is licensed	59180
with the classification;	59181
(47) Failure to comply with any of the requirements regarding	59182
making or maintaining medical records or documents described in	59183
division (A) of section 2919.192, division (C) of section	59184
2919.193, division (B) of section 2919.195, or division (A) of	59185
section 2919.196 of the Revised Code;	59186
(48) Failure to comply with the requirements in section	59187
3719.061 of the Revised Code before issuing for a minor a	59188
prescription for an opioid analgesic, as defined in section	59189
3719.01 of the Revised Code;	59190
(49) Failure to comply with the requirements of section	59191
4731.30 of the Revised Code or rules adopted under section	59192
4731.301 of the Revised Code when recommending treatment with	59193
medical marijuana;	59194

(50) Practicing at a facility, clinic, or other location that is subject to licensure as a category III terminal distributor of dangerous drugs with an office-based opioid treatment classification unless the person operating that place has obtained and maintains the license with the classification;

(51) Owning a facility, clinic, or other location that is subject to licensure as a category III terminal distributor of dangerous drugs with an office-based opioid treatment classification unless that place is licensed with the classification;

(52) A pattern of continuous or repeated violations of division (E) (2) or (3) of section 3963.02 of the Revised Code.

(C) Disciplinary actions taken by the board under divisions (A) and (B) of this section shall be taken pursuant to an adjudication under Chapter 119. of the Revised Code, except that in lieu of an adjudication, the board may enter into a consent agreement with an individual to resolve an allegation of a violation of this chapter or any rule adopted under it. A consent agreement, when ratified by an affirmative vote of not fewer than six members of the board, shall constitute the findings and order of the board with respect to the matter addressed in the agreement. If the board refuses to ratify a consent agreement, the admissions and findings contained in the consent agreement shall be of no force or effect.

A telephone conference call may be utilized for ratification of a consent agreement that revokes or suspends an individual's license or certificate to practice or certificate to recommend. The telephone conference call shall be considered a special meeting under division (F) of section 121.22 of the Revised Code.

If the board takes disciplinary action against an individual under division (B) of this section for a second or subsequent plea

of guilty to, or judicial finding of guilt of, a violation of 59226
section 2919.123 or 2919.124 of the Revised Code, the disciplinary 59227
action shall consist of a suspension of the individual's license 59228
or certificate to practice for a period of at least one year or, 59229
if determined appropriate by the board, a more serious sanction 59230
involving the individual's license or certificate to practice. Any 59231
consent agreement entered into under this division with an 59232
individual that pertains to a second or subsequent plea of guilty 59233
to, or judicial finding of guilt of, a violation of that section 59234
shall provide for a suspension of the individual's license or 59235
certificate to practice for a period of at least one year or, if 59236
determined appropriate by the board, a more serious sanction 59237
involving the individual's license or certificate to practice. 59238

(D) For purposes of divisions (B) (10), (12), and (14) of this 59239
section, the commission of the act may be established by a finding 59240
by the board, pursuant to an adjudication under Chapter 119. of 59241
the Revised Code, that the individual committed the act. The board 59242
does not have jurisdiction under those divisions if the trial 59243
court renders a final judgment in the individual's favor and that 59244
judgment is based upon an adjudication on the merits. The board 59245
has jurisdiction under those divisions if the trial court issues 59246
an order of dismissal upon technical or procedural grounds. 59247

(E) The sealing of conviction records by any court shall have 59248
no effect upon a prior board order entered under this section or 59249
upon the board's jurisdiction to take action under this section 59250
if, based upon a plea of guilty, a judicial finding of guilt, or a 59251
judicial finding of eligibility for intervention in lieu of 59252
conviction, the board issued a notice of opportunity for a hearing 59253
prior to the court's order to seal the records. The board shall 59254
not be required to seal, destroy, redact, or otherwise modify its 59255
records to reflect the court's sealing of conviction records. 59256

(F) (1) The board shall investigate evidence that appears to 59257

show that a person has violated any provision of this chapter or 59258
any rule adopted under it. Any person may report to the board in a 59259
signed writing any information that the person may have that 59260
appears to show a violation of any provision of this chapter or 59261
any rule adopted under it. In the absence of bad faith, any person 59262
who reports information of that nature or who testifies before the 59263
board in any adjudication conducted under Chapter 119. of the 59264
Revised Code shall not be liable in damages in a civil action as a 59265
result of the report or testimony. Each complaint or allegation of 59266
a violation received by the board shall be assigned a case number 59267
and shall be recorded by the board. 59268

(2) Investigations of alleged violations of this chapter or 59269
any rule adopted under it shall be supervised by the supervising 59270
member elected by the board in accordance with section 4731.02 of 59271
the Revised Code and by the secretary as provided in section 59272
4731.39 of the Revised Code. The president may designate another 59273
member of the board to supervise the investigation in place of the 59274
supervising member. No member of the board who supervises the 59275
investigation of a case shall participate in further adjudication 59276
of the case. 59277

(3) In investigating a possible violation of this chapter or 59278
any rule adopted under this chapter, or in conducting an 59279
inspection under division (E) of section 4731.054 of the Revised 59280
Code, the board may question witnesses, conduct interviews, 59281
administer oaths, order the taking of depositions, inspect and 59282
copy any books, accounts, papers, records, or documents, issue 59283
subpoenas, and compel the attendance of witnesses and production 59284
of books, accounts, papers, records, documents, and testimony, 59285
except that a subpoena for patient record information shall not be 59286
issued without consultation with the attorney general's office and 59287
approval of the secretary and supervising member of the board. 59288

(a) Before issuance of a subpoena for patient record 59289

information, the secretary and supervising member shall determine 59290
whether there is probable cause to believe that the complaint 59291
filed alleges a violation of this chapter or any rule adopted 59292
under it and that the records sought are relevant to the alleged 59293
violation and material to the investigation. The subpoena may 59294
apply only to records that cover a reasonable period of time 59295
surrounding the alleged violation. 59296

(b) On failure to comply with any subpoena issued by the 59297
board and after reasonable notice to the person being subpoenaed, 59298
the board may move for an order compelling the production of 59299
persons or records pursuant to the Rules of Civil Procedure. 59300

(c) A subpoena issued by the board may be served by a 59301
sheriff, the sheriff's deputy, or a board employee or agent 59302
designated by the board. Service of a subpoena issued by the board 59303
may be made by delivering a copy of the subpoena to the person 59304
named therein, reading it to the person, or leaving it at the 59305
person's usual place of residence, usual place of business, or 59306
address on file with the board. When serving a subpoena to an 59307
applicant for or the holder of a license or certificate issued 59308
under this chapter, service of the subpoena may be made by 59309
certified mail, return receipt requested, and the subpoena shall 59310
be deemed served on the date delivery is made or the date the 59311
person refuses to accept delivery. If the person being served 59312
refuses to accept the subpoena or is not located, service may be 59313
made to an attorney who notifies the board that the attorney is 59314
representing the person. 59315

(d) A sheriff's deputy who serves a subpoena shall receive 59316
the same fees as a sheriff. Each witness who appears before the 59317
board in obedience to a subpoena shall receive the fees and 59318
mileage provided for under section 119.094 of the Revised Code. 59319

(4) All hearings, investigations, and inspections of the 59320
board shall be considered civil actions for the purposes of 59321

section 2305.252 of the Revised Code. 59322

(5) A report required to be submitted to the board under this 59323
chapter, a complaint, or information received by the board 59324
pursuant to an investigation or pursuant to an inspection under 59325
division (E) of section 4731.054 of the Revised Code is 59326
confidential and not subject to discovery in any civil action. 59327

The board shall conduct all investigations or inspections and 59328
proceedings in a manner that protects the confidentiality of 59329
patients and persons who file complaints with the board. The board 59330
shall not make public the names or any other identifying 59331
information about patients or complainants unless proper consent 59332
is given or, in the case of a patient, a waiver of the patient 59333
privilege exists under division (B) of section 2317.02 of the 59334
Revised Code, except that consent or a waiver of that nature is 59335
not required if the board possesses reliable and substantial 59336
evidence that no bona fide physician-patient relationship exists. 59337

The board may share any information it receives pursuant to 59338
an investigation or inspection, including patient records and 59339
patient record information, with law enforcement agencies, other 59340
licensing boards, and other governmental agencies that are 59341
prosecuting, adjudicating, or investigating alleged violations of 59342
statutes or administrative rules. An agency or board that receives 59343
the information shall comply with the same requirements regarding 59344
confidentiality as those with which the state medical board must 59345
comply, notwithstanding any conflicting provision of the Revised 59346
Code or procedure of the agency or board that applies when it is 59347
dealing with other information in its possession. In a judicial 59348
proceeding, the information may be admitted into evidence only in 59349
accordance with the Rules of Evidence, but the court shall require 59350
that appropriate measures are taken to ensure that confidentiality 59351
is maintained with respect to any part of the information that 59352
contains names or other identifying information about patients or 59353

complainants whose confidentiality was protected by the state 59354
medical board when the information was in the board's possession. 59355
Measures to ensure confidentiality that may be taken by the court 59356
include sealing its records or deleting specific information from 59357
its records. 59358

(6) On a quarterly basis, the board shall prepare a report 59359
that documents the disposition of all cases during the preceding 59360
three months. The report shall contain the following information 59361
for each case with which the board has completed its activities: 59362

(a) The case number assigned to the complaint or alleged 59363
violation; 59364

(b) The type of license or certificate to practice, if any, 59365
held by the individual against whom the complaint is directed; 59366

(c) A description of the allegations contained in the 59367
complaint; 59368

(d) The disposition of the case. 59369

The report shall state how many cases are still pending and 59370
shall be prepared in a manner that protects the identity of each 59371
person involved in each case. The report shall be a public record 59372
under section 149.43 of the Revised Code. 59373

(G) If the secretary and supervising member determine both of 59374
the following, they may recommend that the board suspend an 59375
individual's license or certificate to practice or certificate to 59376
recommend without a prior hearing: 59377

(1) That there is clear and convincing evidence that an 59378
individual has violated division (B) of this section; 59379

(2) That the individual's continued practice presents a 59380
danger of immediate and serious harm to the public. 59381

Written allegations shall be prepared for consideration by 59382
the board. The board, upon review of those allegations and by an 59383

affirmative vote of not fewer than six of its members, excluding 59384
the secretary and supervising member, may suspend a license or 59385
certificate without a prior hearing. A telephone conference call 59386
may be utilized for reviewing the allegations and taking the vote 59387
on the summary suspension. 59388

The board shall issue a written order of suspension by 59389
certified mail or in person in accordance with section 119.07 of 59390
the Revised Code. The order shall not be subject to suspension by 59391
the court during pendency of any appeal filed under section 119.12 59392
of the Revised Code. If the individual subject to the summary 59393
suspension requests an adjudicatory hearing by the board, the date 59394
set for the hearing shall be within fifteen days, but not earlier 59395
than seven days, after the individual requests the hearing, unless 59396
otherwise agreed to by both the board and the individual. 59397

Any summary suspension imposed under this division shall 59398
remain in effect, unless reversed on appeal, until a final 59399
adjudicative order issued by the board pursuant to this section 59400
and Chapter 119. of the Revised Code becomes effective. The board 59401
shall issue its final adjudicative order within seventy-five days 59402
after completion of its hearing. A failure to issue the order 59403
within seventy-five days shall result in dissolution of the 59404
summary suspension order but shall not invalidate any subsequent, 59405
final adjudicative order. 59406

(H) If the board takes action under division (B) (9), (11), or 59407
(13) of this section and the judicial finding of guilt, guilty 59408
plea, or judicial finding of eligibility for intervention in lieu 59409
of conviction is overturned on appeal, upon exhaustion of the 59410
criminal appeal, a petition for reconsideration of the order may 59411
be filed with the board along with appropriate court documents. 59412
Upon receipt of a petition of that nature and supporting court 59413
documents, the board shall reinstate the individual's license or 59414
certificate to practice. The board may then hold an adjudication 59415

under Chapter 119. of the Revised Code to determine whether the 59416
individual committed the act in question. Notice of an opportunity 59417
for a hearing shall be given in accordance with Chapter 119. of 59418
the Revised Code. If the board finds, pursuant to an adjudication 59419
held under this division, that the individual committed the act or 59420
if no hearing is requested, the board may order any of the 59421
sanctions identified under division (B) of this section. 59422

(I) The license or certificate to practice issued to an 59423
individual under this chapter and the individual's practice in 59424
this state are automatically suspended as of the date of the 59425
individual's second or subsequent plea of guilty to, or judicial 59426
finding of guilt of, a violation of section 2919.123 or 2919.124 59427
of the Revised Code. In addition, the license or certificate to 59428
practice or certificate to recommend issued to an individual under 59429
this chapter and the individual's practice in this state are 59430
automatically suspended as of the date the individual pleads 59431
guilty to, is found by a judge or jury to be guilty of, or is 59432
subject to a judicial finding of eligibility for intervention in 59433
lieu of conviction in this state or treatment or intervention in 59434
lieu of conviction in another jurisdiction for any of the 59435
following criminal offenses in this state or a substantially 59436
equivalent criminal offense in another jurisdiction: aggravated 59437
murder, murder, voluntary manslaughter, felonious assault, 59438
kidnapping, rape, sexual battery, gross sexual imposition, 59439
aggravated arson, aggravated robbery, or aggravated burglary. 59440
Continued practice after suspension shall be considered practicing 59441
without a license or certificate. 59442

The board shall notify the individual subject to the 59443
suspension by certified mail or in person in accordance with 59444
section 119.07 of the Revised Code. If an individual whose license 59445
or certificate is automatically suspended under this division 59446
fails to make a timely request for an adjudication under Chapter 59447

119. of the Revised Code, the board shall do whichever of the 59448
following is applicable: 59449

(1) If the automatic suspension under this division is for a 59450
second or subsequent plea of guilty to, or judicial finding of 59451
guilt of, a violation of section 2919.123 or 2919.124 of the 59452
Revised Code, the board shall enter an order suspending the 59453
individual's license or certificate to practice for a period of at 59454
least one year or, if determined appropriate by the board, 59455
imposing a more serious sanction involving the individual's 59456
license or certificate to practice. 59457

(2) In all circumstances in which division (I)(1) of this 59458
section does not apply, enter a final order permanently revoking 59459
the individual's license or certificate to practice. 59460

(J) If the board is required by Chapter 119. of the Revised 59461
Code to give notice of an opportunity for a hearing and if the 59462
individual subject to the notice does not timely request a hearing 59463
in accordance with section 119.07 of the Revised Code, the board 59464
is not required to hold a hearing, but may adopt, by an 59465
affirmative vote of not fewer than six of its members, a final 59466
order that contains the board's findings. In that final order, the 59467
board may order any of the sanctions identified under division (A) 59468
or (B) of this section. 59469

(K) Any action taken by the board under division (B) of this 59470
section resulting in a suspension from practice shall be 59471
accompanied by a written statement of the conditions under which 59472
the individual's license or certificate to practice may be 59473
reinstated. The board shall adopt rules governing conditions to be 59474
imposed for reinstatement. Reinstatement of a license or 59475
certificate suspended pursuant to division (B) of this section 59476
requires an affirmative vote of not fewer than six members of the 59477
board. 59478

(L) When the board refuses to grant or issue a license or certificate to practice to an applicant, revokes an individual's license or certificate to practice, refuses to renew an individual's license or certificate to practice, or refuses to reinstate an individual's license or certificate to practice, the board may specify that its action is permanent. An individual subject to a permanent action taken by the board is forever thereafter ineligible to hold a license or certificate to practice and the board shall not accept an application for reinstatement of the license or certificate or for issuance of a new license or certificate.

(M) Notwithstanding any other provision of the Revised Code, all of the following apply:

(1) The surrender of a license or certificate issued under this chapter shall not be effective unless or until accepted by the board. A telephone conference call may be utilized for acceptance of the surrender of an individual's license or certificate to practice. The telephone conference call shall be considered a special meeting under division (F) of section 121.22 of the Revised Code. Reinstatement of a license or certificate surrendered to the board requires an affirmative vote of not fewer than six members of the board.

(2) An application for a license or certificate made under the provisions of this chapter may not be withdrawn without approval of the board.

(3) Failure by an individual to renew a license or certificate to practice in accordance with this chapter or a certificate to recommend in accordance with rules adopted under section 4731.301 of the Revised Code shall not remove or limit the board's jurisdiction to take any disciplinary action under this section against the individual.

(4) At the request of the board, a license or certificate holder shall immediately surrender to the board a license or certificate that the board has suspended, revoked, or permanently revoked.

(N) Sanctions shall not be imposed under division (B) (28) of this section against any person who waives deductibles and copayments as follows:

(1) In compliance with the health benefit plan that expressly allows such a practice. Waiver of the deductibles or copayments shall be made only with the full knowledge and consent of the plan purchaser, payer, and third-party administrator. Documentation of the consent shall be made available to the board upon request.

(2) For professional services rendered to any other person authorized to practice pursuant to this chapter, to the extent allowed by this chapter and rules adopted by the board.

(O) Under the board's investigative duties described in this section and subject to division (F) of this section, the board shall develop and implement a quality intervention program designed to improve through remedial education the clinical and communication skills of individuals authorized under this chapter to practice medicine and surgery, osteopathic medicine and surgery, and podiatric medicine and surgery. (2) Select providers of educational and assessment services, including a quality intervention program panel of case reviewers;

(3) Make referrals to educational and assessment service providers and approve individual educational programs recommended

by those providers. The board shall monitor the progress of each 59541
individual undertaking a recommended individual educational 59542
program. 59543

(4) Determine what constitutes successful completion of an 59544
individual educational program and require further monitoring of 59545
the individual who completed the program or other action that the 59546
board determines to be appropriate; 59547

(5) Adopt rules in accordance with Chapter 119. of the 59548
Revised Code to further implement the quality intervention 59549
program. 59550

An individual who participates in an individual educational 59551
program pursuant to this division shall pay the financial 59552
obligations arising from that educational program. 59553

(P) The board shall not refuse to issue a license to an 59554
applicant because of a conviction, plea of guilty, judicial 59555
finding of guilt, judicial finding of eligibility for intervention 59556
in lieu of conviction, or the commission of an act that 59557
constitutes a criminal offense, unless the refusal is in 59558
accordance with section 9.79 of the Revised Code. 59559
