schedule E-2 in section 124.152 of the Revised Code. The 164
authority to establish positions in the unclassified service 165
under division (A) (26) of this section is in addition to and 166

Revised Code; 188

(33) Employees placed in the unclassified service by 189
another section of the Revised Code. 190

(B) The classified service shall comprise all persons in 191

the employ of the state and the several counties, cities, city 192
health districts, general health districts, and city school 193
districts of the state, not specifically included in the 194
unclassified service. Upon the creation by the board of trustees 195
of a civil service township civil service commission, the 196
classified service shall also comprise, except as otherwise 197
provided in division (A) (17) or (C) of this section, all persons 198
in the employ of a civil service township police or fire 199
department having ten or more full-time paid employees. The 200
classified service consists of two classes, which shall be 201
designated as the competitive class and the unskilled labor 202
class. 203

(1) The competitive class shall include all positions and 204
employments in the state and the counties, cities, city health 205
districts, general health districts, and city school districts 206
of the state, and, upon the creation by the board of trustees of 207
a civil service township of a township civil service commission, 208
all positions in a civil service township police or fire 209
department having ten or more full-time paid employees, for 210
which it is practicable to determine the merit and fitness of 211
applicants by competitive examinations. Appointments shall be 212
made to, or employment shall be given in, all positions in the 213
competitive class that are not filled by promotion, 214
reinstatement, transfer, or reduction, as provided in this 215
chapter, and the rules of the director of administrative 216
services, by appointment from those certified to the appointing 217
officer in accordance with this chapter. 218

(2) The unskilled labor class shall include ordinary 219
unskilled laborers. Vacancies in the labor class for positions 220
in service of the state shall be filled by appointment from 221
lists of applicants registered by the director or the director's 222

designee. Vacancies in the labor class for all other positions 223
shall be filled by appointment from lists of applicants 224
registered by a commission. The director or the commission, as 225
applicable, by rule, shall require an applicant for registration 226
in the labor class to furnish evidence or take tests as the 227
director or commission considers proper with respect to age, 228
residence, physical condition, ability to labor, honesty, 229
sobriety, industry, capacity, and experience in the work or 230
employment for which application is made. Laborers who fulfill 231
the requirements shall be placed on the eligible list for the 232
kind of labor or employment sought, and preference shall be 233
given in employment in accordance with the rating received from 234
that evidence or in those tests. Upon the request of an 235
appointing officer, stating the kind of labor needed, the pay 236
and probable length of employment, and the number to be 237
employed, the director or commission, as applicable, shall 238
certify from the highest on the list double the number to be 239
employed; from this number, the appointing officer shall appoint 240
the number actually needed for the particular work. If more than 241
one applicant receives the same rating, priority in time of 242
application shall determine the order in which their names shall 243
be certified for appointment. 244

(C) A municipal or civil service township civil service 245
commission may place volunteer firefighters who are paid on a 246
fee-for-service basis in either the classified or the 247
unclassified civil service. 248

(D) (1) This division does not apply to persons in the 249
unclassified service who have the right to resume positions in 250
the classified service under sections 4121.121, 5119.18, 251
5120.38, 5120.381, 5120.382, 5123.08, and 5139.02 of the Revised 252
Code or to cities, counties, or political subdivisions of the 253

state. 254

(2) A person who holds a position in the classified 255
service of the state and who is appointed to a position in the 256
unclassified service shall retain the right to resume the 257
position and status held by the person in the classified service 258
immediately prior to the person's appointment to the position in 259
the unclassified service, regardless of the number of positions 260
the person held in the unclassified service. An employee's right 261
to resume a position in the classified service may only be 262
exercised when an appointing authority demotes the employee to a 263
pay range lower than the employee's current pay range or revokes 264
the employee's appointment to the unclassified service and any 265
of the following apply: 266

(a) That person held a certified position prior to July 1, 267
2007, in the classified service within the appointing 268
authority's agency; 269

(b) That person held a permanent position on or after July 270
1, 2007, in the classified service within the appointing 271
authority's agency, and was appointed to the position in the 272
unclassified service prior to January 1, 2016; 273

(c) That person held a permanent position on or after 274
January 1, 2016, in the classified service within the appointing 275
authority's agency, and is within five years from the effective 276
date of the person's appointment in the unclassified service. 277

(3) An employee forfeits the right to resume a position in 278
the classified service when: 279

(a) The employee is removed from the position in the 280
unclassified service due to incompetence, inefficiency, 281
dishonesty, drunkenness, immoral conduct, insubordination, 282

discourteous treatment of the public, neglect of duty, violation 283
of this chapter or the rules of the director of administrative 284
services, any other failure of good behavior, any other acts of 285
misfeasance, malfeasance, or nonfeasance in office, or 286
conviction of a felony while employed in the civil service; or 287

(b) Upon transfer to a different agency. 288

(4) Reinstatement to a position in the classified service 289
shall be to a position substantially equal to that position in 290
the classified service held previously, as certified by the 291
director of administrative services. If the position the person 292
previously held in the classified service has been placed in the 293
unclassified service or is otherwise unavailable, the person 294
shall be appointed to a position in the classified service 295
within the appointing authority's agency that the director of 296
administrative services certifies is comparable in compensation 297
to the position the person previously held in the classified 298
service. Service in the position in the unclassified service 299
shall be counted as service in the position in the classified 300
service held by the person immediately prior to the person's 301
appointment to the position in the unclassified service. When a 302
person is reinstated to a position in the classified service as 303
provided in this division, the person is entitled to all rights, 304
status, and benefits accruing to the position in the classified 305
service during the person's time of service in the position in 306
the unclassified service. 307

Sec. 737.061. (A) The chief of police of a municipal 308
corporation, with the approval of the director of public safety, 309
may conduct training schools for prospective law enforcement 310
officers. The prospective officers, during the period of 311
training and as members of the training school, shall be paid a 312

reasonable salary. The chief of police may furnish the necessary 313
supplies and equipment for the use of the prospective officers 314
during the training period. 315

(B) The chief of police may establish rules governing the 316
qualifications for admission to training schools for prospective 317
officers and provide for competitive examinations to determine 318
the fitness of the students and prospective officers, not 319
inconsistent with the rules of the director of administrative 320
services. 321

Section 2. That existing section 124.11 of the Revised 322
Code is hereby repealed. 323
