and no premium rate for nongroup and conversion policies for 9  
health care services, or any amendment to them, may be used by 10  
any health insuring corporation at any time until the 11

actuarial principles or is not reasonably related to the 21  
applicable coverage and characteristics of the applicable class 22  
of enrollees. The superintendent shall notify the health 23  
insuring corporation of the disapproval, and it shall thereafter 24  
be unlawful for the health insuring corporation to use the 25  
contractual periodic prepayment or premium rate, or amendment. 26

insuring corporation, if the contractual periodic prepayment is 34  
not in accordance with sound actuarial principles or is not 35  
reasonably related to the applicable coverage and 36  
characteristics of the applicable class of enrollees. 37

(3) At any time, the superintendent, upon at least thirty 38  
days' written notice to a health insuring corporation, may 39  
withdraw the approval given under division (A)(1) of this 40  
section, deemed or actual, of any contractual periodic 41  
prepayment or premium rate, or amendment, based on information 42  
that either of the following applies: 43

(a) The contractual periodic prepayment or premium rate, 44  
or amendment, is not in accordance with sound actuarial 45  
principles. 46

(b) The contractual periodic prepayment or premium rate, 47  
or amendment, is not reasonably related to the applicable 48

any rejection of a filing made under division (A) (2) of this 52  
section, or any withdrawal of approval under division (A) (3) of 53  
this section, shall be effected by a written notice, which shall 54  
state the specific basis for the disapproval, rejection, or 55  
withdrawal and shall be issued in accordance with Chapter 119. 56  
of the Revised Code. 57

coverage of beneficiaries enrolled in the federal employees 63  
health benefits program pursuant to 5 U.S.C.A. 8905, or for 64  
policies used for the coverage of medicaid recipients, or for 65  
policies used for the coverage of beneficiaries under any other 66  
federal health care program regulated by a federal regulatory 67  
body, or for policies used for the coverage of beneficiaries 68  
under any contract covering officers or employees of the state 69  
that has been entered into by the department of administrative 70

human services, the United States office of personnel 74  
management, the department of medicaid, or the department of 75  
administrative services. 76

(2) The contractual periodic prepayment or premium rate is 77  
filed with the superintendent prior to use and is accompanied by 78

sharing, and deductible charges that annually do not exceed 96  
forty per cent of the total annual cost to the health insuring 97  
corporation of providing all covered health care services when 98  
applied to a standard population expected to be covered under 99  
the filed product in question. The total annual cost of 100  
providing a health care service is the cost to the health 101  
insuring corporation of providing the health care service to its 102  
enrollees as reduced by any applicable provider discount. This 103  
requirement shall be demonstrated by an actuary who is a member 104
