as a condition of continued employment. 4

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF OHIO:

Section 1. That section 3727.53 be amended and section 5
3727.58 of the Revised Code be enacted to read as follows: 6

Sec. 3727.53. (A) In accordance with division (B) of this 7
section, each hospital shall create an evidence-based written 8
nursing services staffing plan guiding the assignment of nurses 9
hospital-wide. The staffing plan shall be implemented not later 10
than ninety days after the hospital-wide nursing care committee 11
is convened pursuant to section 3727.51 of the Revised Code, 12
except that if the hospital's next fiscal year starts not later 13
than one hundred eighty days after the date on which the 14
committee convenes, implementation may be delayed until the 15
first day of that fiscal year. 16

(B) The staffing plan created under this section shall, at 17
a minimum, be consistent with section 3727.58 of the Revised 18

Code and reflect current standards established by private 19
accreditation organizations or governmental entities. The plan 20
shall be based on multiple nurse and patient considerations that 21
yield minimum staffing levels for inpatient care units that 22
ensure that the hospital has a staff of competent nurses with 23
specialized skills needed to meet patient needs. These 24
considerations shall include both of the following: 25

(1) The recommendations of the hospital-wide nursing care 26
committee made under section 3727.52 of the Revised Code, which 27
shall be given significant consideration; 28

the nurse will be required to work in excess of the shift. 36

the same meanings as in section 4723.01 of the Revised Code. 40

(3) "Shift" means a specific period of time a registered 41
nurse or licensed practical nurse is required to work in a 42
twenty-four-hour period that has been scheduled in advance by a 43

a hospital shall not require a registered nurse or licensed 46

condition of continued employment with the hospital. 48

(2) Actions by a hospital that constitute violations of 49
division (B) (1) of this section include both of the following: 50

(a) Terminating or proposing to terminate the employment 51
of a registered nurse or licensed practical nurse with the 52
hospital solely because the nurse chooses not to work overtime; 53

retaliatory action against a registered nurse or licensed 55
practical nurse solely because the nurse chooses not to work 56
overtime. 57

(C) Division (B) (1) of this section does not prohibit any 58
of the following: 59

(1) A registered nurse or licensed practical nurse from 60
voluntarily working overtime; 61

(2) A hospital from offering overtime to a registered 62
nurse or licensed practical nurse or permitting a registered 63
nurse or licensed practical nurse to work overtime when the 64
nurse chooses; 65
