(16) To hear and determine a petition for a protection order against a child under section 2151.34 or 3113.31 of the Revised Code and to enforce a protection order issued or a consent agreement approved under either section against a child until a date certain but not later than the date the child attains nineteen years of age;

(17) Concerning emancipated young adults under sections 2151.45 to 2151.455 of the Revised Code.

(B) Except as provided in divisions (G) and (I) of section 2301.03 of the Revised Code, the juvenile court has original jurisdiction under the Revised Code:

(1) To hear and determine all cases of misdemeanors charging adults with any act or omission with respect to any child, which act or omission is a violation of any state law or any municipal ordinance;

(8) To enforce an order for the return of a child made under the Hague Convention on the Civil Aspects of International Child Abduction pursuant to section 3127.32 of the Revised Code;

(9) To grant any relief normally available under the laws of this state to enforce a child custody determination made by a court of another state and registered in accordance with section 3127.35 of the Revised Code.

(C) The juvenile court, except as to juvenile courts that are a separate division of the court of common pleas or a separate and independent juvenile court, has jurisdiction to hear, determine, and make a record of any action for divorce or legal separation that involves the custody or care of children and that is filed in the court of common pleas and certified by the court of common pleas with all the papers filed in the action to the juvenile court for trial, provided that no certification of that nature shall be made to any juvenile court unless the consent of the juvenile judge first is obtained. After a certification of that nature is made and consent is obtained, the juvenile court shall proceed as if the action originally had been begun in that court, except as to awards for spousal support or support due and unpaid at the time of certification, over which the juvenile court has no jurisdiction.

(D) The juvenile court, except as provided in division (I) of section 2301.03 of the Revised Code, has jurisdiction to hear and determine all matters as to custody and support of children duly certified by the court of common pleas to the juvenile court after a divorce decree has been granted, including jurisdiction to modify the judgment and decree of the court of common pleas as the same relate to the custody and support of children.

(E) The juvenile court, except as provided in division (I) of section 2301.03 of the Revised Code, has jurisdiction to hear and determine the case of any child certified to the court by any court of competent jurisdiction if the child comes within the jurisdiction of the juvenile court as defined by this section.

(F)(1) The juvenile court shall exercise its jurisdiction in child custody matters in accordance with sections 3109.04 and 3127.01 to 3127.53 of the Revised Code and, as applicable, sections 5103.20 to 5103.22 or 5103.23 to 5103.237 of the Revised Code.

(2) The juvenile court shall exercise its jurisdiction in child support matters in accordance with section 3109.05 of the Revised Code.

(G) Any juvenile court that makes or modifies an order for child support shall comply with Chapters 3119., 3121., 3123., and 3125. of the Revised Code. If any person required to pay child support under an order made by a juvenile court on or after April 15, 1985, or modified on or after December 1, 1986, is found in contempt of court for failure to make support payments under the order, the court that makes the finding, in addition to any other penalty or remedy imposed, shall assess all court costs arising out of the contempt proceeding against the person and require the person to pay any reasonable attorney's fees of any adverse party, as determined by the court, that arose in relation to the act of contempt.

(H) If a child who is charged with an act that would be an offense if committed by an adult was fourteen years of age or older and under eighteen years of age at the time of the alleged act and if the case is transferred for criminal prosecution pursuant to section 2152.12 of the Revised Code, except as provided in section 2152.121 of the Revised Code, the juvenile court does not have

jurisdiction to hear or determine the case subsequent to the transfer. The court to which the case is transferred for criminal prosecution pursuant to that section has jurisdiction subsequent to the transfer to hear and determine the case in the same manner as if the case originally had been commenced in that court, subject to section 2152.121 of the Revised Code, including, but not limited to, jurisdiction to accept a plea of guilty or another plea authorized by Criminal Rule 11 or another section of the Revised Code and jurisdiction to accept a verdict and to enter a judgment of conviction pursuant to the Rules of Criminal Procedure against the child for the commission of the offense that was the basis of the transfer of the case for criminal prosecution, whether the conviction is for the same degree or a lesser degree of the offense charged, for the commission of a lesser-included offense, or for the commission of another offense that is different from the offense charged.

(I) If a person under eighteen years of age allegedly commits an act that would be a felony if committed by an adult and if the person is not taken into custody or apprehended for that act until after the person attains twenty-one years of age, the juvenile court does not have jurisdiction to hear or determine any portion of the case charging the person with committing that act. In those circumstances, divisions (A) and (B) of section 2152.12 of the Revised Code do not apply regarding the act, and the case charging the person with committing the act shall be a criminal prosecution commenced and heard in the appropriate court having jurisdiction of the offense as if the person had been eighteen years of age or older when the person committed the act. All proceedings pertaining to the act shall be within the jurisdiction of the court having jurisdiction of the offense, and that court has all the authority and duties in the case that it has in other criminal cases in that court.

(J) In exercising its exclusive original jurisdiction under division (A)(16) of this section with respect to any proceedings brought under section 2151.34 or 3113.31 of the Revised Code in which the respondent is a child, the juvenile court retains all dispositional powers consistent with existing rules of juvenile procedure and may also exercise its discretion to adjudicate proceedings as provided in sections 2151.34 and 3113.31 of the Revised Code, including the issuance of protection orders or the approval of consent agreements under those sections.

Sec. 2151.414. (A)(1) Upon the filing of a motion pursuant to section 2151.413 of the Revised Code for permanent custody of a child, the court shall schedule a hearing and give notice of the filing of the motion and of the hearing, in accordance with section 2151.29 of the Revised Code, to all parties to the action and to the child's guardian ad litem. The notice also shall contain a full explanation that the granting of permanent custody permanently divests the parents of their parental rights, a full explanation of their right to be represented by counsel and to have counsel appointed pursuant to Chapter 120. of the Revised Code if they are indigent, and the name and telephone number of the court employee designated by the court pursuant to section 2151.314 of the Revised Code to arrange for the prompt appointment of counsel for indigent persons.

The court shall conduct a hearing in accordance with section 2151.35 of the Revised Code to determine if it is in the best interest of the child to permanently terminate parental rights and grant permanent custody to the agency that filed the motion. The adjudication that the child is an abused, neglected, or dependent child and any dispositional order that has been issued in the case under section 2151.353 of the Revised Code pursuant to the adjudication shall not be readjudicated at the hearing and shall not be affected by a denial of the motion for permanent custody.

(2) The court shall hold the hearing scheduled pursuant to division (A)(1) of this section not

later than one hundred twenty days after the agency files the motion for permanent custody, except that, for good cause shown, the court may continue the hearing for a reasonable period of time beyond the one-hundred-twenty-day deadline. The court shall issue an order that grants, denies, or otherwise disposes of the motion for permanent custody, and journalize the order, not later than two hundred days after the agency files the motion.

If a motion is made under division (D)(2) of section 2151.413 of the Revised Code and no dispositional hearing has been held in the case, the court may hear the motion in the dispositional hearing required by division (B) of section 2151.35 of the Revised Code. If the court issues an order pursuant to section 2151.353 of the Revised Code granting permanent custody of the child to the agency, the court shall immediately dismiss the motion made under division (D)(2) of section 2151.413 of the Revised Code.

The failure of the court to comply with the time periods set forth in division (A)(2) of this section does not affect the authority of the court to issue any order under this chapter and does not provide any basis for attacking the jurisdiction of the court or the validity of any order of the court.

(B)(1) Except as provided in division (B)(2) of this section, the court may grant permanent custody of a child to a movant if the court determines at the hearing held pursuant to division (A) of this section, by clear and convincing evidence, that it is in the best interest of the child to grant permanent custody of the child to the agency that filed the motion for permanent custody and that any of the following apply:

(a) The child is not abandoned or orphaned, has not been in the temporary custody of one or more public children services agencies or private child placing agencies for twelve or more months of a consecutive twenty-two-month period, or has not been in the temporary custody of one or more public children services agencies or private child placing agencies for twelve or more months of a consecutive twenty-two-month period if, as described in division (D)(1) of section 2151.413 of the Revised Code, the child was previously in the temporary custody of an equivalent agency in another state, and the child cannot be placed with either of the child's parents within a reasonable time or should not be placed with the child's parents.

(b) The child is abandoned.

(c) The child is orphaned, and there are no relatives of the child who are able to take permanent custody.

(d) The child has been in the temporary custody of one or more public children services agencies or private child placing agencies for twelve or more months of a consecutive twenty-two-month period, or the child has been in the temporary custody of one or more public children services agencies or private child placing agencies for twelve or more months of a consecutive twenty-two-month period and, as described in division (D)(1) of section 2151.413 of the Revised Code, the child was previously in the temporary custody of an equivalent agency in another state.

(e) The child or another child in the custody of the parent or parents from whose custody the child has been removed has been adjudicated an abused, neglected, or dependent child on three separate occasions by any court in this state or another state.

For the purposes of division (B)(1) of this section, a child shall be considered to have entered the temporary custody of an agency on the earlier of the date the child is adjudicated pursuant to section 2151.28 of the Revised Code or the date that is sixty days after the removal of the child from

home.

(2) With respect to a motion made pursuant to division (D)(2) of section 2151.413 of the Revised Code, the court shall grant permanent custody of the child to the movant if the court determines in accordance with division (E) of this section that the child cannot be placed with one of the child's parents within a reasonable time or should not be placed with either parent and determines in accordance with division (D) of this section that permanent custody is in the child's best interest.

(C) In making the determinations required by this section or division (A)(4) of section 2151.353 of the Revised Code, a court shall not consider the effect the granting of permanent custody to the agency would have upon any parent of the child. A written report of the guardian ad litem of the child shall be submitted to the court prior to or at the time of the hearing held pursuant to division (A) of this section or section 2151.35 of the Revised Code but shall not be submitted under oath.

If the court grants permanent custody of a child to a movant under this division, the court, upon the request of any party, shall file a written opinion setting forth its findings of fact and conclusions of law in relation to the proceeding. The court shall not deny an agency's motion for permanent custody solely because the agency failed to implement any particular aspect of the child's case plan.

(D)(1) In determining the best interest of a child at a hearing held pursuant to division (A) of this section or for the purposes of division (A)(4) or (5) of section 2151.353 or division (C) of section 2151.415 of the Revised Code, the court shall consider all relevant factors, including, but not limited to, the following:

(a) The interaction and interrelationship of the child with the child's parents, siblings, relatives, foster caregivers and out-of-home providers, and any other person who may significantly affect the child;

(b) The wishes of the child, as expressed directly by the child or through the child's guardian ad litem, with due regard for the maturity of the child;

(c) The custodial history of the child, including whether the child has been in the temporary custody of one or more public children services agencies or private child placing agencies for twelve or more months of a consecutive twenty-two-month period, or the child has been in the temporary custody of one or more public children services agencies or private child placing agencies for twelve or more months of a consecutive twenty-two-month period and, as described in division (D)(1) of section 2151.413 of the Revised Code, the child was previously in the temporary custody of an equivalent agency in another state;

(d) The child's need for a legally secure permanent placement and whether that type of placement can be achieved without a grant of permanent custody to the agency;

(e) Whether any of the factors in divisions (E)(7) to (11) of this section apply in relation to the parents and child.

For the purposes of division (D)(1) of this section, a child shall be considered to have entered the temporary custody of an agency on the earlier of the date the child is adjudicated pursuant to section 2151.28 of the Revised Code or the date that is sixty days after the removal of the child from home.

(2) If all of the following apply, permanent custody is in the best interest of the child, and the court shall commit the child to the permanent custody of a public children services agency or private

child placing agency:

(a) The court determines by clear and convincing evidence that one or more of the factors in division (E) of this section exist and the child cannot be placed with one of the child's parents within a reasonable time or should not be placed with either parent.

(b) The child has been in an agency's custody for two years or longer, and no longer qualifies for temporary custody pursuant to division (D) of section 2151.415 of the Revised Code.

(c) The child does not meet the requirements for a planned permanent living arrangement pursuant to division (A)(5) of section 2151.353 of the Revised Code.

(d) Prior to the dispositional hearing, no relative or other interested person has filed, or has been identified in, a motion for legal custody of the child.

(E) In determining at a hearing held pursuant to division (A) of this section or for the purposes of division (A)(4) of section 2151.353 of the Revised Code whether a child cannot be placed with either parent within a reasonable period of time or should not be placed with the parents, the court shall consider all relevant evidence. If the court determines, by clear and convincing evidence, at a hearing held pursuant to division (A) of this section or for the purposes of division (A) (4) of section 2151.353 of the Revised Code that one or more of the following exist as to each of the child's parents, the court shall enter a finding that the child cannot be placed with either parent within a reasonable time or should not be placed with either parent:

(1) Following the placement of the child outside the child's home and notwithstanding reasonable case planning and diligent efforts by the agency to assist the parents to remedy the problems that initially caused the child to be placed outside the home, the parent has failed continuously and repeatedly to substantially remedy the conditions causing the child to be placed outside the child's home. In determining whether the parents have substantially remedied those conditions, the court shall consider parental utilization of medical, psychiatric, psychological, and other social and rehabilitative services and material resources that were made available to the parents for the purpose of changing parental conduct to allow them to resume and maintain parental duties.

(2) Chronic mental illness, chronic emotional illness, intellectual disability, physical disability, or chemical dependency of the parent that is so severe that it makes the parent unable to provide an adequate permanent home for the child at the present time and, as anticipated, within one year after the court holds the hearing pursuant to division (A) of this section or for the purposes of division (A)(4) of section 2151.353 of the Revised Code;

(3) The parent committed any abuse as described in section 2151.031 of the Revised Code against the child, caused the child to suffer any neglect as described in section 2151.03 of the Revised Code, or allowed the child to suffer any neglect as described in section 2151.03 of the Revised Code between the date that the original complaint alleging abuse or neglect was filed and the date of the filing of the motion for permanent custody;

(4) The parent has demonstrated a lack of commitment toward the child by failing to regularly support, visit, or communicate with the child when able to do so, or by other actions showing an unwillingness to provide an adequate permanent home for the child;

(5) The parent is incarcerated for an offense committed against the child or a sibling of the child;

(6) The parent has been convicted of or pleaded guilty to an offense under division (A) or (C)

of section 2919.22 or under section 2903.16, 2903.21, 2903.34, 2905.01, 2905.02, 2905.03, 2905.04, 2905.05, 2907.07, 2907.08, 2907.09, 2907.12, 2907.23, 2907.25, 2907.31, 2907.32, 2907.321, 2907.322, 2907.323, 2911.01, 2911.02, 2911.11, 2911.12, 2919.12, 2919.24, 2919.25, 2923.12, 2923.13, 2923.161, 2925.02, or 3716.11 of the Revised Code, and the child or a sibling of the child was a victim of the offense, or the parent has been convicted of or pleaded guilty to an offense under section 2903.04 of the Revised Code, a sibling of the child was the victim of the offense, and the parent who committed the offense poses an ongoing danger to the child or a sibling of the child.

(7) The parent has been convicted of or pleaded guilty to one of the following:

(a) An offense under section 2903.01, 2903.02, or 2903.03 of the Revised Code or under an existing or former law of this state, any other state, or the United States that is substantially equivalent to an offense described in those sections and the victim of the offense was a sibling of the child or the victim was another child who lived in the parent's household at the time of the offense;

(b) An offense under section 2903.11, 2903.12, or 2903.13 of the Revised Code or under an existing or former law of this state, any other state, or the United States that is substantially equivalent to an offense described in those sections and the victim of the offense is the child, a sibling of the child, or another child who lived in the parent's household at the time of the offense;

(c) An offense under division (B)(2) of section 2919.22 of the Revised Code or under an existing or former law of this state, any other state, or the United States that is substantially equivalent to the offense described in that section and the child, a sibling of the child, or another child who lived in the parent's household at the time of the offense is the victim of the offense;

(d) An offense under section 2907.02, 2907.03, 2907.04, 2907.05, or 2907.06 of the Revised Code or under an existing or former law of this state, any other state, or the United States that is substantially equivalent to an offense described in those sections and the victim of the offense is the child, a sibling of the child, or another child who lived in the parent's household at the time of the offense;

(e) An offense under section 2905.32, 2907.21, or 2907.22 of the Revised Code or under an existing or former law of this state, any other state, or the United States that is substantially equivalent to the offense described in that section and the victim of the offense is the child, a sibling of the child, or another child who lived in the parent's household at the time of the offense;

(f) A conspiracy or attempt to commit, or complicity in committing, an offense described in division (E)(7)(a), (d), or (e) of this section.

(8) The parent has repeatedly withheld medical treatment or food from the child when the parent has the means to provide the treatment or food, and, in the case of withheld medical treatment, the parent withheld it for a purpose other than to treat the physical or mental illness or ~~defect~~ disability of the child by spiritual means through prayer alone in accordance with the tenets of a recognized religious body.

(9) The parent has placed the child at substantial risk of harm two or more times due to alcohol or drug abuse and has rejected treatment two or more times or refused to participate in further treatment two or more times after a case plan issued pursuant to section 2151.412 of the Revised Code requiring treatment of the parent was journalized as part of a dispositional order issued with respect to the child or an order was issued by any other court requiring treatment of the parent.

(10) The parent has abandoned the child.

(11) The parent has had parental rights involuntarily terminated with respect to a sibling of the child pursuant to this section or section 2151.353 or 2151.415 of the Revised Code, or under an existing or former law of this state, any other state, or the United States that is substantially equivalent to those sections, and the parent has failed to provide clear and convincing evidence to prove that, notwithstanding the prior termination, the parent can provide a legally secure permanent placement and adequate care for the health, welfare, and safety of the child.

(12) The parent is incarcerated at the time of the filing of the motion for permanent custody or the dispositional hearing of the child and will not be available to care for the child for at least eighteen months after the filing of the motion for permanent custody or the dispositional hearing.

(13) The parent is repeatedly incarcerated, and the repeated incarceration prevents the parent from providing care for the child.

(14) The parent for any reason is unwilling to provide food, clothing, shelter, and other basic necessities for the child or to prevent the child from suffering physical, emotional, or sexual abuse or physical, emotional, or mental neglect.

(15) The parent has committed abuse as described in section 2151.031 of the Revised Code against the child or caused or allowed the child to suffer neglect as described in section 2151.03 of the Revised Code, and the court determines that the seriousness, nature, or likelihood of recurrence of the abuse or neglect makes the child's placement with the child's parent a threat to the child's safety.

(16) Any other factor the court considers relevant.

(F) The parents of a child for whom the court has issued an order granting permanent custody pursuant to this section, upon the issuance of the order, cease to be parties to the action. This division is not intended to eliminate or restrict any right of the parents to appeal the granting of permanent custody of their child to a movant pursuant to this section.

Sec. 2305.42. (A) A person who ~~suffers from~~has epilepsy, diabetes, a cardiac condition, or any other type of illness that causes temporary blackouts, semiconscious periods, or complete unconsciousness, or who ~~suffers from~~has a condition requiring specific medication or medical treatment, is allergic to certain medications or items used in medical treatment, wears contact lenses, has religious objections to certain forms of medication or medical treatment, or is unable to communicate coherently or effectively in the English language, is authorized and encouraged to wear an identifying device.

(B) Any person may carry an identification card.

(C) By wearing an identifying device a person gives ~~his~~ consent for any law enforcement officer or medical practitioner who finds ~~him~~the person in a disabled condition to make a reasonable search of ~~his~~the person's clothing or other effects for an identification card.

Sec. 2305.43. (A) A law enforcement officer shall make a diligent effort to determine whether any disabled person ~~he~~the officer finds is an epileptic or a diabetic, or ~~suffers from~~has some other type of illness that would cause the condition. Whenever feasible, this effort shall be made before the person is charged with a crime or taken to a place of detention.

(B) In seeking to determine whether a disabled person ~~suffers from~~has an illness, a law enforcement officer may make a reasonable search for an identifying device and an identification card and examine them for emergency information. The law enforcement officer may not search for an identifying device or an identification card in a manner or to an extent that would appear to a

reasonable person in the circumstances to cause an unreasonable risk of worsening the disabled person's condition.

(C) A law enforcement officer who finds a disabled person without an identifying device or identification card is not relieved of ~~his~~the duty to that person to make a diligent effort to ascertain the existence of any illness causing the disabled condition.

(D) A cause of action against a law enforcement officer does not arise from ~~his~~the officer making a reasonable search of the disabled person to locate an identifying device or identification card, even though the person is not wearing an identifying device or carrying an identification card.

(E) A law enforcement officer who determines or has reason to believe that a disabled person ~~is suffering from~~has an illness causing ~~his~~the person's condition shall promptly notify the person's physician, if practicable. If the officer is unable to ascertain the physician's identity or to communicate with ~~him~~the physician, the officer shall make a reasonable effort to cause the disabled person to be transported immediately to a medical practitioner or to a facility where medical treatment is available. If the officer believes it unduly dangerous to move the disabled person, ~~he~~the officer shall make a reasonable effort to obtain the assistance of a medical practitioner.

Sec. 2746.02. A court of record of this state shall tax as costs or otherwise require the payment of fees for the following services rendered, as compensation for the following persons, or as part of the sentence imposed by the court, or any other of the following fees that are applicable in a particular case:

(A) In a felony case, financial sanctions, as provided in section 2929.18 of the Revised Code;

Whenever a law enforcement agency integrates information about a missing child into the national crime information center computer, the law enforcement agency promptly shall notify the missing child's parents, parent who is the residential parent and legal custodian, guardian, or legal custodian, or any other person responsible for the care of the missing child, that it has so integrated the information.

(iii) If the accused tests positive for HIV, the test results shall be reported to the department of health in accordance with section 3701.24 of the Revised Code and to the sheriff, head of the state correctional institution, or other person in charge of any jail or prison in which the accused is incarcerated.

(b) A person on active duty in the armed forces of the United States or in service with the peace corps, volunteers in service to America, or the foreign service of the United States is exempt from the license requirements of this section for the period of the person's active duty or service and for six months thereafter, provided the person was a licensee under this section at the time the person commenced the person's active duty or service or had obtained a license while on active duty or

service. The spouse or a dependent of any such person on active duty or in service also is exempt from the license requirements of this section for the period of the person's active duty or service and for six months thereafter, provided the spouse or dependent was a licensee under this section at the time the person commenced the active duty or service or had obtained a license while the person was on active duty or service, and provided further that the person's active duty or service resulted in the spouse or dependent relocating outside of this state during the period of the active duty or service. This division does not prevent such a person or the person's spouse or dependent from making an application for the renewal of a concealed handgun license during the period of the person's active duty or service.

(2) A sheriff shall accept a completed renewal application, the license renewal fee, and the information specified in division (F)(1) of this section at the times and in the manners described in division (I) of this section. Upon receipt of a completed renewal application, of certification that the applicant has reread the specified pamphlet prepared by the Ohio peace officer training commission, and of a license renewal fee unless the fee is waived, a sheriff, in the manner specified in section 311.41 of the Revised Code shall conduct or cause to be conducted the criminal records check and the incompetency records check described in section 311.41 of the Revised Code. The sheriff shall renew the license if the sheriff determines that the applicant continues to satisfy the requirements described in division (D)(1) of this section, except that the applicant is not required to meet the requirements of division (D)(1)(l) of this section. A renewed license shall expire five years after the date of issuance. A renewed license is subject to division (E) of this section and sections 2923.126 and 2923.128 of the Revised Code. A sheriff shall comply with divisions (D)(2) and (3) of this section when the circumstances described in those divisions apply to a requested license renewal. If a sheriff denies the renewal of a concealed handgun license, the applicant may appeal the denial, or challenge the criminal record check results that were the basis of the denial if applicable, in the same manner as specified in division (D)(2)(b) of this section and in section 2923.127 of the Revised Code, regarding the denial of a license under this section.

(3) A renewal application submitted pursuant to division (F) of this section shall only require the licensee to list on the application form information and matters occurring since the date of the licensee's last application for a license pursuant to division (B) or (F) of this section. (4) An applicant for a renewal concealed handgun license under this section shall submit to the sheriff of the county in which the applicant resides or to the sheriff of any county adjacent to the county in which the applicant resides, or in the case of an applicant who resides in another state to the sheriff of the county that issued the applicant's previous concealed handgun license, a nonrefundable license fee as described in either of the following:

(b) Except as otherwise provided in this division, the written section of the competency examination specified in division (G)(2)(a) of this section shall be administered to the person taking the competency examination in person by an instructor. If the license subsequently is suspended under division (A)(1) or (2) of section 2923.128 of the Revised Code, revoked pursuant to division (B)(1) of section 2923.128 of the Revised Code, or lost or destroyed, the sheriff also shall make available through the law enforcement automated data system a notation of that fact. The superintendent of the state highway patrol shall ensure that the law enforcement automated data system is so configured as to permit the transmission through the system of the information specified in this division.

(I)(1) A sheriff shall accept a completed application form or renewal application, and the fee, items, materials, and information specified in divisions (B)(1) to (5) or division (F) of this section, whichever is applicable, and shall provide an application form or renewal application to any person during at least fifteen hours a week and shall provide the web site address at which a printable version of the application form that can be downloaded and the pamphlet described in division (B) of section 109.731 of the Revised Code may be found at any time, upon request. The attorney general shall monitor and inform sheriffs issuing licenses under this section when the amount of license fee payments waived and transmitted to the attorney general reach one million five hundred thousand dollars each year. Once a sheriff is informed that the payments waived reached one million five hundred thousand dollars in any year, a sheriff shall no longer waive payment of a license fee for an applicant who is an active or reserve member of the armed forces of the United States or has retired from or was honorably discharged from military service in the active or reserve armed forces of the United States for the remainder of that year.

The suspension shall end on the date on which the charges are dismissed or the licensee is found not guilty of the offense described in division (A)(1)(a) of this section or, subject to division (B) of this section, on the date the appropriate court terminates the protection order described in that division. If the suspension so ends, the sheriff shall return the license or temporary emergency license to the licensee.

(c) The license of a licensee who is convicted of or pleads guilty to a violation of division (B)(1) of section 2923.12 or division (E)(1) or (2) of section 2923.16 of the Revised Code shall not be suspended pursuant to division (A)(2)(a) of this section if, at the time of the stop of the licensee for a law enforcement purpose, for a traffic stop, or for a purpose defined in section 5503.34 of the Revised Code that was the basis of the violation, any law enforcement officer involved with the stop or the employee of the motor carrier enforcement unit who made the stop had actual knowledge of

the licensee's status as a licensee.

(3) Upon becoming aware of an arrest, charge, or protection order described in division (A)(1)(a) of this section with respect to a licensee who was issued a concealed handgun license, or a conviction of or plea of guilty to a misdemeanor offense described in division (A)(2)(a) of this section with respect to a licensee who was issued a concealed handgun license and with respect to which division (A)(2)(c) of this section does not apply, subject to division (C) of this section, the sheriff who issued the licensee's license shall notify the licensee, by certified mail, return receipt requested, at the licensee's last known residence address that the license has been suspended and that the licensee is required to surrender the license at the sheriff's office within ten days of the date on which the notice was mailed. If the suspension is pursuant to division (A)(2) of this section, the notice shall identify the date on which the suspension ends.

(2) Upon becoming aware of any circumstance listed in division (B)(1) of this section that applies to a particular licensee who was issued a concealed handgun license, subject to division (C) of this section, the sheriff who issued the license to the licensee shall notify the licensee, by certified mail, return receipt requested, at the licensee's last known residence address that the license is subject to revocation and that the licensee may come to the sheriff's office and contest the sheriff's proposed revocation within fourteen days of the date on which the notice was mailed. After the fourteen-day period and after consideration of any information that the licensee provides during that period, if the sheriff determines on the basis of the information of which the sheriff is aware that the licensee is

If a court imposes treatment and recovery support services as a community control sanction, the court shall direct the level and type of treatment and recovery support services after consideration of the written assessment, if available at the time of sentencing, and recommendations of the professional and other treatment and recovery support services providers.

(b) If a court imposes a prison term on an offender under division (B)(1)(c)(i) or (ii) of this section for a technical violation of the conditions of a community control sanction, one of the following is applicable with respect to the time that the offender spends in prison under the term:

(i) Subject to division (B)(2)(b)(ii) of this section, it shall be credited against the offender's community control sanction that was being served at the time of the violation, and the remaining time under that community control sanction shall be reduced by the time that the offender spends in prison under the prison term. The offender upon release from the prison term shall continue serving the remaining time under the community control sanction, as reduced under this division.

(ii) If the offender at the time of the violation was serving a community control sanction as part of a suspended prison sentence, it shall be credited against the offender's community control sanction that was being served at the time of the violation and against the suspended prison sentence, and the remaining time under that community control sanction and under the suspended prison sentence shall be reduced by the time that the offender spends in prison under the prison term. The offender upon release from the prison term shall continue serving the remaining time under the community control sanction, as reduced under this division.

(c) A court is not limited in the number of times it may sentence an offender to a prison term under division (B)(1)(c) of this section for a violation of the conditions of a community control sanction or for a violation of a law or leaving the state without the permission of the court or the offender's probation officer. If an offender who is under a community control sanction violates the conditions of the sanction or violates a law or leaves the state without the permission of the court or the offender's probation officer, is sentenced to a prison term for the violation or conduct, is released from the term after serving it, and subsequently violates the conditions of the sanction or violates a law or leaves the state without the permission of the court or the offender's probation officer, the court may impose a new prison term sanction on the offender under division (B)(1)(c) of this section for the subsequent violation or conduct.

(3) The prison term, if any, imposed on a violator pursuant to this division and division (B)(1) of this section shall be within the range of prison terms described in this division and shall not exceed the prison term specified in the notice provided to the offender at the sentencing hearing pursuant to division (B)(2) of section 2929.19 of the Revised Code. The court may reduce the longer period of time that the offender is required to spend under the longer sanction, the more restrictive sanction, or a prison term imposed pursuant to division (B)(1) of this section by the time the offender successfully spent under the sanction that was initially imposed. Except as otherwise specified in this division, the prison term imposed under this division and division (B)(1) of this section shall be within the range of prison terms available as a definite term for the offense for which the sanction that was violated was imposed. If the offense for which the sanction that was violated was imposed is a felony of the first or second degree committed on or after March 22, 2019, the prison term so imposed under this

division shall be within the range of prison terms available as a minimum term for the offense under division (A)(1)(a) or (2)(a) of section 2929.14 of the Revised Code.

(C) If an offender, for a significant period of time, fulfills the conditions of a sanction imposed pursuant to section 2929.16, 2929.17, or 2929.18 of the Revised Code in an exemplary manner, the court may reduce the period of time under the sanction or impose a less restrictive sanction, but the court shall not permit the offender to violate any law or permit the offender to leave the state without the permission of the court or the offender's probation officer.

(D)(1) If a court under division (A)(1) of this section imposes a condition of release under a community control sanction that requires the offender to submit to random drug testing, the department of probation, the adult parole authority, or any other entity that has general control and supervision of the offender under division (A)(2)(a) of this section may cause the offender to submit to random drug testing performed by a laboratory or entity that has entered into a contract with any of the governmental entities or officers authorized to enter into a contract with that laboratory or entity under section 341.26, 753.33, or 5120.63 of the Revised Code.

(2) If no laboratory or entity described in division (D)(1) of this section has entered into a contract as specified in that division, the department of probation, the adult parole authority, or any other entity that has general control and supervision of the offender under division (A)(2)(a) of this section shall cause the offender to submit to random drug testing performed by a reputable public laboratory to determine whether the individual who is the subject of the drug test ingested or was injected with a drug of abuse.

(3) A laboratory or entity that has entered into a contract pursuant to section 341.26, 753.33, or 5120.63 of the Revised Code shall perform the random drug tests under division (D)(1) of this section in accordance with the applicable standards that are included in the terms of that contract. A public laboratory shall perform the random drug tests under division (D)(2) of this section in accordance with the standards set forth in the policies and procedures established by the department of rehabilitation and correction pursuant to section 5120.63 of the Revised Code. An offender who is required under division (A)(1) of this section to submit to random drug testing as a condition of release under a community control sanction and whose test results indicate that the offender ingested or was injected with a drug of abuse shall pay the fee for the drug test if the department of probation, the adult parole authority, or any other entity that has general control and supervision of the offender requires payment of a fee. A laboratory or entity that performs the random drug testing on an offender under division (D)(1) or (2) of this section shall transmit the results of the drug test to the appropriate department of probation, the adult parole authority, or any other entity that has general control and supervision of the offender under division (A)(2)(a) of this section.

(E) As used in this section, "technical violation" means a violation of the conditions of a community control sanction imposed for a felony of the fifth degree, or for a felony of the fourth degree that is not an offense of violence and is not a sexually oriented offense, and to which neither of the following applies:

(1) The violation consists of a new criminal offense that is a felony or that is a misdemeanor other than a minor misdemeanor, and the violation is committed while under the community control sanction.

(2) The violation consists of or includes the offender's articulated or demonstrated refusal to

participate in the community control sanction imposed on the offender or any of its conditions, and the refusal demonstrates to the court that the offender has abandoned the objects of the community control sanction or condition.

release under this section.

(C) An eligible offender may file a motion for judicial release with the sentencing court within the following applicable periods:

(1) If the aggregated nonmandatory prison term or terms is less than two years, the eligible offender may file the motion at any time after the offender is delivered to a state correctional institution or, if the prison term includes a mandatory prison term or terms, at any time after the expiration of all mandatory prison terms.

(2) If the aggregated nonmandatory prison term or terms is at least two years but less than five years, the eligible offender may file the motion not earlier than one hundred eighty days after the offender is delivered to a state correctional institution or, if the prison term includes a mandatory prison term or terms, not earlier than one hundred eighty days after the expiration of all mandatory prison terms.

(D) Upon receipt of a timely motion for judicial release filed by an eligible offender under division (C) of this section or upon the sentencing court's own motion made within the appropriate time specified in that division, the court may deny the motion without a hearing or schedule a hearing on the motion. The court shall not grant the motion without a hearing. If a court denies a motion without a hearing, the court later may consider judicial release for that eligible offender on a subsequent motion filed by that eligible offender unless the court denies the motion with prejudice. If a court denies a motion with prejudice, the court may later consider judicial release on its own motion. If a court denies a motion after a hearing, the court shall not consider a subsequent motion for that eligible offender. The court shall hold only one hearing for any eligible offender.

A hearing under this section shall be conducted in open court not less than thirty or more than sixty days after the motion is filed, provided that the court may delay the hearing for one hundred eighty additional days. If the court holds a hearing, the court shall enter a ruling on the motion within ten days after the hearing. If the court denies the motion without a hearing, the court shall enter its ruling on the motion within sixty days after the motion is filed.

If the court schedules a hearing for judicial release, the court promptly shall give notice of the hearing to the prosecuting attorney of the county in which the eligible offender was indicted. Upon receipt of the notice from the court, the prosecuting attorney shall do whichever of the following is applicable:

(1) Subject to division (E)(2) of this section, notify the victim of the offense or the victim's representative pursuant to division (B) of section 2930.16 of the Revised Code;

(2) If the offense was an offense of violence that is a felony of the first, second, or third degree, except as otherwise provided in this division, notify the victim or the victim's representative of the hearing regardless of whether the victim or victim's representative has requested the notification. The prosecuting attorney, in accordance with division (D)(2) of section 2930.16 of the Revised Code, shall keep a record of all attempts to provide the notice, and of all notices provided, under this division. (F) Upon an offender's successful completion of rehabilitative activities, the head of the state correctional institution may notify the sentencing court of the successful completion of the activities.

(G) Prior to the date of the hearing on a motion for judicial release under this section, the head of the state correctional institution in which the eligible offender is confined shall send to the court an institutional summary report on the eligible offender's conduct in the institution and in any institution from which the eligible offender may have been transferred. Upon the request of the prosecuting attorney of the county in which the eligible offender was indicted or of any law enforcement agency, the head of the state correctional institution, at the same time the person sends the institutional summary report to the court, also shall send a copy of the report to the requesting prosecuting attorney and law enforcement agencies. The institutional summary report shall cover the eligible offender's participation in school, vocational training, work, treatment, and other rehabilitative activities and any disciplinary action taken against the eligible offender. The report shall be made part of the record of the hearing. A presentence investigation report is not required for judicial release.

(H) If the court grants a hearing on a motion for judicial release under this section, the eligible offender shall attend the hearing if ordered to do so by the court. Upon receipt of a copy of

the journal entry containing the order, the head of the state correctional institution in which the eligible offender is incarcerated shall deliver the eligible offender to the sheriff of the county in which the hearing is to be held. The sheriff shall convey the eligible offender to and from the hearing.

(I) At the hearing on a motion for judicial release under this section, the court shall afford the eligible offender and the eligible offender's attorney an opportunity to present written and, if present, oral information relevant to the motion. The court shall consider any statement of a victim made pursuant to section 2930.14 or 2930.17 of the Revised Code, any victim impact statement prepared pursuant to section 2947.051 of the Revised Code, and any report made under division (G) of this section. (J)(1) A court shall not grant a judicial release under this section to an eligible offender who is imprisoned for a felony of the first or second degree, or to an eligible offender who committed an offense under Chapter 2925. or 3719. of the Revised Code and for whom there was a presumption under section 2929.13 of the Revised Code in favor of a prison term, unless the court, with reference to factors under section 2929.12 of the Revised Code, finds both of the following:

(a) That a sanction other than a prison term would adequately punish the offender and protect the public from future criminal violations by the eligible offender because the applicable factors indicating a lesser likelihood of recidivism outweigh the applicable factors indicating a greater likelihood of recidivism;

(b) That a sanction other than a prison term would not demean the seriousness of the offense because factors indicating that the eligible offender's conduct in committing the offense was less serious than conduct normally constituting the offense outweigh factors indicating that the eligible offender's conduct was more serious than conduct normally constituting the offense.

(2) A court that grants a judicial release to an eligible offender under division (J)(1) of this section shall specify on the record both findings required in that division and also shall list all the factors described in that division that were presented at the hearing.

(K) If the court grants a motion for judicial release under this section, the court shall order the release of the eligible offender, shall place the eligible offender under an appropriate community control sanction, under appropriate conditions, and under the supervision of the department of probation serving the court and shall reserve the right to reimpose the sentence that it reduced if the offender violates the sanction. If the court reimposes the reduced sentence, it may do so either concurrently with, or consecutive to, any new sentence imposed upon the eligible offender as a result of the violation that is a new offense. Except as provided in division (R)(2) of this section, the period of community control shall be no longer than five years. The court, in its discretion, may reduce the period of community control by the amount of time the eligible offender spent in jail or prison for the offense and in prison. If the court made any findings pursuant to division (J)(1) of this section, the court shall serve a copy of the findings upon counsel for the parties within fifteen days after the date on which the court grants the motion for judicial release.

If the court grants a motion for judicial release, the court shall notify the appropriate person at

the department of rehabilitation and correction, and the department shall post notice of the release on the database it maintains pursuant to section 5120.66 of the Revised Code. The court also shall notify the prosecuting attorney of the county in which the eligible offender was indicted that the motion has been granted. Unless the victim or the victim's representative has requested pursuant to division (B) (2) of section 2930.03 of the Revised Code that the victim or victim's representative not be provided the notice, the prosecuting attorney shall notify the victim or the victim's representative of the judicial release in any manner, and in accordance with the same procedures, pursuant to which the prosecuting attorney is authorized to provide notice of the hearing pursuant to division (E)(2) of this section. If the notice is based on an offense committed prior to March 22, 2013, the notice to the victim or victim's representative also shall include the opt-out information described in division (D) (1) of section 2930.16 of the Revised Code.

(L) In addition to and independent of the right of a victim to make a statement pursuant to section 2930.14, 2930.17, or 2946.051 of the Revised Code and any right of a person to present written information or make a statement pursuant to division (I) of this section, any person may submit to the court, at any time prior to the hearing on the offender's motion for judicial release, a written statement concerning the effects of the offender's crime or crimes, the circumstances surrounding the crime or crimes, the manner in which the crime or crimes were perpetrated, and the person's opinion as to whether the offender should be released.

(M) The changes to this section that are made on September 30, 2011, apply to any judicial release decision made on or after September 30, 2011, for any eligible offender.

(N) Notwithstanding the eligibility requirements specified in division (A) of this section and the filing time frames specified in division (C) of this section and notwithstanding the findings required under division (J) of this section, the sentencing court, upon the court's own motion and after considering whether the release of the offender into society would create undue risk to public safety, may grant a judicial release to an offender who is not serving a life sentence at any time during the offender's imposed sentence when the director of rehabilitation and correction certifies to the sentencing court through the chief medical officer for the department of rehabilitation and correction that the offender is in imminent danger of death, is medically incapacitated, or ~~is suffering from~~ has a terminal illness.

(O) The director of rehabilitation and correction shall not certify any offender under division (N) of this section who is serving a death sentence.

(P) A motion made by the court under division (N) of this section is subject to the notice, hearing, and other procedural requirements specified in divisions (D), (E), (G), (H), (I), (K), and (L) of this section, except for the following:

(1) The court may waive the offender's appearance at any hearing scheduled by the court if the offender's condition makes it impossible for the offender to participate meaningfully in the proceeding.

(2) The court may grant the motion without a hearing, provided that the prosecuting attorney and victim or victim's representative to whom notice of the hearing was provided under division (E) of this section indicate that they do not wish to participate in the hearing or present information relevant to the motion.

(Q) The court may request health care records from the department of rehabilitation and

correction to verify the certification made under division (N) of this section.

(R)(1) If the court grants judicial release under division (N) of this section, the court shall do all of the following:

- (a) Order the release of the offender;
- (b) Place the offender under an appropriate community control sanction, under appropriate conditions;
- (c) Place the offender under the supervision of the department of probation serving the court or under the supervision of the adult parole authority.

(2) The court, in its discretion, may revoke the judicial release if the offender violates the community control sanction described in division (R)(1) of this section. The period of that community control is not subject to the five-year limitation described in division (K) of this section and shall not expire earlier than the date on which all of the offender's mandatory prison terms expire.

(S) If the health of an offender who is released under division (N) of this section improves so that the offender is no longer terminally ill, medically incapacitated, or in imminent danger of death, the court shall, upon the court's own motion, revoke the judicial release. The court shall not grant the motion without a hearing unless the offender waives a hearing. If a hearing is held, the court shall afford the offender and the offender's attorney an opportunity to present written and, if the offender or the offender's attorney is present, oral information relevant to the motion. The court shall afford a similar opportunity to the prosecuting attorney, the victim or the victim's representative, and any other person the court determines is likely to present additional relevant information. A court that grants a motion under this division shall specify its findings on the record.

Sec. 2945.37. (A) As used in sections 2945.37 to 2945.402 of the Revised Code:

(1) "Prosecutor" means a prosecuting attorney or a city director of law, village solicitor, or similar chief legal officer of a municipal corporation who has authority to prosecute a criminal case that is before the court or the criminal case in which a defendant in a criminal case has been found incompetent to stand trial or not guilty by reason of insanity.

(2) "Examiner" means either of the following:

(a) A psychiatrist or a licensed clinical psychologist who satisfies the criteria of division (I) of section 5122.01 of the Revised Code or is employed by a certified forensic center designated by the department of mental health and addiction services to conduct examinations or evaluations.

(b) For purposes of a separate intellectual disability evaluation that is ordered by a court pursuant to division (H) of section 2945.371 of the Revised Code, a psychologist designated by the director of developmental disabilities pursuant to that section to conduct that separate intellectual disability evaluation.

(3) "Nonsecured status" means any unsupervised, off-grounds movement or trial visit from a hospital or institution, or any conditional release, that is granted to a person who is found incompetent to stand trial and is committed pursuant to section 2945.39 of the Revised Code or to a person who is found not guilty by reason of insanity and is committed pursuant to section 2945.40 of the Revised Code.

(4) "Unsupervised, off-grounds movement" includes only off-grounds privileges that are unsupervised and that have an expectation of return to the hospital or institution on a daily basis.

(5) "Trial visit" means a patient privilege of a longer stated duration of unsupervised

community contact with an expectation of return to the hospital or institution at designated times.

(6) "Conditional release" means a commitment status under which the trial court at any time may revoke a person's conditional release and order the rehospitalization or reinstitutionalization of the person as described in division (A) of section 2945.402 of the Revised Code and pursuant to which a person who is found incompetent to stand trial or a person who is found not guilty by reason of insanity lives and receives treatment in the community for a period of time that does not exceed the maximum prison term or term of imprisonment that the person could have received for the offense in question had the person been convicted of the offense instead of being found incompetent to stand trial on the charge of the offense or being found not guilty by reason of insanity relative to the offense.

(7) "Licensed clinical psychologist," "~~mentally ill~~ person with a mental illness subject to court order," and "psychiatrist" have the same meanings as in section 5122.01 of the Revised Code.

(8) "Person with an intellectual disability subject to institutionalization by court order" has the same meaning as in section 5123.01 of the Revised Code.

(B) In a criminal action in a court of common pleas, a county court, or a municipal court, the court, prosecutor, or defense may raise the issue of the defendant's competence to stand trial. If the issue is raised before the trial has commenced, the court shall hold a hearing on the issue as provided in this section. If the issue is raised after the trial has commenced, the court shall hold a hearing on the issue only for good cause shown or on the court's own motion.

(C) The court shall conduct the hearing required or authorized under division (B) of this section within thirty days after the issue is raised, unless the defendant has been referred for evaluation in which case the court shall conduct the hearing within ten days after the filing of the report of the evaluation or, in the case of a defendant who is ordered by the court pursuant to division (H) of section 2945.371 of the Revised Code to undergo a separate intellectual disability evaluation conducted by a psychologist designated by the director of developmental disabilities, within ten days after the filing of the report of the separate intellectual disability evaluation under that division. A hearing may be continued for good cause.

(D) The defendant shall be represented by counsel at the hearing conducted under division (C) of this section. If the defendant is unable to obtain counsel, the court shall appoint counsel under Chapter 120. of the Revised Code or under the authority recognized in division (C) of section 120.06, division (E) of section 120.16, division (E) of section 120.26, or section 2941.51 of the Revised Code before proceeding with the hearing.

(E) The prosecutor and defense counsel may submit evidence on the issue of the defendant's competence to stand trial. A written report of the evaluation of the defendant may be admitted into evidence at the hearing by stipulation, but, if either the prosecution or defense objects to its admission, the report may be admitted under sections 2317.36 to 2317.38 of the Revised Code or any other applicable statute or rule.

(F) The court shall not find a defendant incompetent to stand trial solely because the defendant is receiving or has received treatment as a voluntary or involuntary ~~mentally ill~~ patient with a mental illness under Chapter 5122. or a voluntary or involuntary resident with an intellectual disability under Chapter 5123. of the Revised Code or because the defendant is receiving or has received psychotropic drugs or other medication, even if the defendant might become incompetent to

stand trial without the drugs or medication.

(G) A defendant is presumed to be competent to stand trial. If, after a hearing, the court finds by a preponderance of the evidence that, because of the defendant's present mental condition, the defendant is incapable of understanding the nature and objective of the proceedings against the defendant or of assisting in the defendant's defense, the court shall find the defendant incompetent to stand trial and shall enter an order authorized by section 2945.38 of the Revised Code.

(H) Municipal courts shall follow the procedures set forth in sections 2945.37 to 2945.402 of the Revised Code. Except as provided in section 2945.371 of the Revised Code, a municipal court shall not order an evaluation of the defendant's competence to stand trial or the defendant's mental condition at the time of the commission of the offense to be conducted at any hospital operated by the department of mental health and addiction services. Those evaluations shall be performed through community resources including, but not limited to, certified forensic centers, court probation departments, and community mental health services providers. All expenses of the evaluations shall be borne by the legislative authority of the municipal court, as defined in section 1901.03 of the Revised Code, and shall be taxed as costs in the case. If a defendant is found incompetent to stand trial or not guilty by reason of insanity, a municipal court may commit the defendant as provided in sections 2945.38 to 2945.402 of the Revised Code.

Sec. 2945.38. (A) If the issue of a defendant's competence to stand trial is raised and if the court, upon conducting the hearing provided for in section 2945.37 of the Revised Code, finds that the defendant is competent to stand trial, the defendant shall be proceeded against as provided by law. If the court finds the defendant competent to stand trial and the defendant is receiving psychotropic drugs or other medication, the court may authorize the continued administration of the drugs or medication or other appropriate treatment in order to maintain the defendant's competence to stand trial, unless the defendant's attending physician advises the court against continuation of the drugs, other medication, or treatment.

(B)(1)(a) If, after taking into consideration all relevant reports, information, and other evidence, the court finds that the defendant is incompetent to stand trial and that there is a substantial probability that the defendant will become competent to stand trial within one year if the defendant is provided with a course of treatment, the court shall order the defendant to undergo treatment. If the defendant has been charged with a felony offense and if, after taking into consideration all relevant reports, information, and other evidence, the court finds that the defendant is incompetent to stand trial, but the court is unable at that time to determine whether there is a substantial probability that the defendant will become competent to stand trial within one year if the defendant is provided with a course of treatment, the court shall order continuing evaluation and treatment of the defendant for a period not to exceed four months to determine whether there is a substantial probability that the defendant will become competent to stand trial within one year if the defendant is provided with a course of treatment.

(b) The court order for the defendant to undergo treatment or continuing evaluation and treatment under division (B)(1)(a) of this section shall specify that the defendant, if determined to require mental health treatment or continuing evaluation and treatment, either shall be committed to the department of mental health and addiction services for treatment or continuing evaluation and treatment at a hospital, facility, or agency, as determined to be clinically appropriate by the

department of mental health and addiction services or shall be committed to a facility certified by the department of mental health and addiction services as being qualified to treat mental illness, to a public or community mental health facility, or to a psychiatrist or another mental health professional for treatment or continuing evaluation and treatment. Prior to placing the defendant, the department of mental health and addiction services shall obtain court approval for that placement following a hearing. The court order for the defendant to undergo treatment or continuing evaluation and treatment under division (B)(1)(a) of this section shall specify that the defendant, if determined to require treatment or continuing evaluation and treatment for an intellectual disability, shall receive treatment or continuing evaluation and treatment at an institution or facility operated by the department of developmental disabilities, at a facility certified by the department of developmental disabilities as being qualified to treat intellectual disabilities, at a public or private intellectual disabilities facility, or by a psychiatrist or another intellectual disabilities professional. In any case, the order may restrict the defendant's freedom of movement as the court considers necessary. The prosecutor in the defendant's case shall send to the chief clinical officer of the hospital, facility, or agency where the defendant is placed by the department of mental health and addiction services, or to the managing officer of the institution, the director of the program or facility, or the person to which the defendant is committed, copies of relevant police reports and other background information that pertains to the defendant and is available to the prosecutor unless the prosecutor determines that the release of any of the information in the police reports or any of the other background information to unauthorized persons would interfere with the effective prosecution of any person or would create a substantial risk of harm to any person.

In determining the place of commitment, the court shall consider the extent to which the person is a danger to the person and to others, the need for security, and the type of crime involved and shall order the least restrictive alternative available that is consistent with public safety and treatment goals. In weighing these factors, the court shall give preference to protecting public safety.

(c) If the defendant is found incompetent to stand trial, if the chief clinical officer of the hospital, facility, or agency where the defendant is placed, or the managing officer of the institution, the director of the program or facility, or the person to which the defendant is committed for treatment or continuing evaluation and treatment under division (B)(1)(b) of this section determines that medication is necessary to restore the defendant's competency to stand trial, and if the defendant lacks the capacity to give informed consent or refuses medication, the chief clinical officer of the hospital, facility, or agency where the defendant is placed, or the managing officer of the institution, the director of the program or facility, or the person to which the defendant is committed for treatment or continuing evaluation and treatment may petition the court for authorization for the involuntary administration of medication. The court shall hold a hearing on the petition within five days of the filing of the petition if the petition was filed in a municipal court or a county court regarding an incompetent defendant charged with a misdemeanor or within ten days of the filing of the petition if the petition was filed in a court of common pleas regarding an incompetent defendant charged with a felony offense. Following the hearing, the court may authorize the involuntary administration of medication or may dismiss the petition.

(2) If the court finds that the defendant is incompetent to stand trial and that, even if the defendant is provided with a course of treatment, there is not a substantial probability that the

defendant will become competent to stand trial within one year, the court shall order the discharge of the defendant, unless upon motion of the prosecutor or on its own motion, the court either seeks to retain jurisdiction over the defendant pursuant to section 2945.39 of the Revised Code or files an affidavit in the probate court for the civil commitment of the defendant pursuant to Chapter 5122. or 5123. of the Revised Code alleging that the defendant is a ~~mentally ill person~~ with a mental illness subject to court order or a person with an intellectual disability subject to institutionalization by court order. If an affidavit is filed in the probate court, the trial court shall send to the probate court copies of all written reports of the defendant's mental condition that were prepared pursuant to section 2945.371 of the Revised Code.

The trial court may issue the temporary order of detention that a probate court may issue under section 5122.11 or 5123.71 of the Revised Code, to remain in effect until the probable cause or initial hearing in the probate court. Further proceedings in the probate court are civil proceedings governed by Chapter 5122. or 5123. of the Revised Code.

(C) No defendant shall be required to undergo treatment, including any continuing evaluation and treatment, under division (B)(1) of this section for longer than whichever of the following periods is applicable:

(1) One year, if the most serious offense with which the defendant is charged is one of the following offenses:

(a) Aggravated murder, murder, or an offense of violence for which a sentence of death or life imprisonment may be imposed;

(b) An offense of violence that is a felony of the first or second degree;

(c) A conspiracy to commit, an attempt to commit, or complicity in the commission of an offense described in division (C)(1)(a) or (b) of this section if the conspiracy, attempt, or complicity is a felony of the first or second degree.

(2) Six months, if the most serious offense with which the defendant is charged is a felony other than a felony described in division (C)(1) of this section;

(3) Sixty days, if the most serious offense with which the defendant is charged is a misdemeanor of the first or second degree;

(4) Thirty days, if the most serious offense with which the defendant is charged is a misdemeanor of the third or fourth degree, a minor misdemeanor, or an unclassified misdemeanor.

(D) Any defendant who is committed pursuant to this section shall not voluntarily admit the defendant or be voluntarily admitted to a hospital or institution pursuant to section 5122.02, 5122.15, 5123.69, or 5123.76 of the Revised Code.

(E) Except as otherwise provided in this division, a defendant who is charged with an offense and is committed by the court under this section to the department of mental health and addiction services or is committed to an institution or facility for the treatment of intellectual disabilities shall not be granted unsupervised on-grounds movement, supervised off-grounds movement, or nonsecured status except in accordance with the court order. The court may grant a defendant supervised off-grounds movement to obtain medical treatment or specialized habilitation treatment services if the person who supervises the treatment or the continuing evaluation and treatment of the defendant ordered under division (B)(1)(a) of this section informs the court that the treatment or continuing evaluation and treatment cannot be provided at the hospital or facility where the defendant

is placed by the department of mental health and addiction services or the institution or facility to which the defendant is committed. The chief clinical officer of the hospital or facility where the defendant is placed by the department of mental health and addiction services or the managing officer of the institution or director of the facility to which the defendant is committed, or a designee of any of those persons, may grant a defendant movement to a medical facility for an emergency medical situation with appropriate supervision to ensure the safety of the defendant, staff, and community during that emergency medical situation. The chief clinical officer of the hospital or facility where the defendant is placed by the department of mental health and addiction services or the managing officer of the institution or director of the facility to which the defendant is committed shall notify the court within twenty-four hours of the defendant's movement to the medical facility for an emergency medical situation under this division.

(F) The person who supervises the treatment or continuing evaluation and treatment of a defendant ordered to undergo treatment or continuing evaluation and treatment under division (B)(1)(a) of this section shall file a written report with the court at the following times:

(1) Whenever the person believes the defendant is capable of understanding the nature and objective of the proceedings against the defendant and of assisting in the defendant's defense;

(2) For a felony offense, fourteen days before expiration of the maximum time for treatment as specified in division (C) of this section and fourteen days before the expiration of the maximum time for continuing evaluation and treatment as specified in division (B)(1)(a) of this section, and, for a misdemeanor offense, ten days before the expiration of the maximum time for treatment, as specified in division (C) of this section;

(3) At a minimum, after each six months of treatment;

(4) Whenever the person who supervises the treatment or continuing evaluation and treatment of a defendant ordered under division (B)(1)(a) of this section believes that there is not a substantial probability that the defendant will become capable of understanding the nature and objective of the proceedings against the defendant or of assisting in the defendant's defense even if the defendant is provided with a course of treatment.

(G) A report under division (F) of this section shall contain the examiner's findings, the facts in reasonable detail on which the findings are based, and the examiner's opinion as to the defendant's capability of understanding the nature and objective of the proceedings against the defendant and of assisting in the defendant's defense. If, in the examiner's opinion, the defendant remains incapable of understanding the nature and objective of the proceedings against the defendant and of assisting in the defendant's defense and there is a substantial probability that the defendant will become capable of understanding the nature and objective of the proceedings against the defendant and of assisting in the defendant's defense if the defendant is provided with a course of treatment, if in the examiner's opinion the defendant ~~remains mentally ill or~~ continues to have a mental illness or an intellectual disability, and if the maximum time for treatment as specified in division (C) of this section has not expired, the report also shall contain the examiner's recommendation as to the least restrictive placement or commitment alternative that is consistent with the defendant's treatment needs for restoration to competency and with the safety of the community. The court shall provide copies of the report to the prosecutor and defense counsel.

(H) If a defendant is committed pursuant to division (B)(1) of this section, within ten days

after the treating physician of the defendant or the examiner of the defendant who is employed or retained by the treating facility advises that there is not a substantial probability that the defendant will become capable of understanding the nature and objective of the proceedings against the defendant or of assisting in the defendant's defense even if the defendant is provided with a course of treatment, within ten days after the expiration of the maximum time for treatment as specified in division (C) of this section, within ten days after the expiration of the maximum time for continuing evaluation and treatment as specified in division (B)(1)(a) of this section, within thirty days after a defendant's request for a hearing that is made after six months of treatment, or within thirty days after being advised by the treating physician or examiner that the defendant is competent to stand trial, whichever is the earliest, the court shall conduct another hearing to determine if the defendant is competent to stand trial and shall do whichever of the following is applicable:

(1) If the court finds that the defendant is competent to stand trial, the defendant shall be proceeded against as provided by law.

(2) If the court finds that the defendant is incompetent to stand trial, but that there is a substantial probability that the defendant will become competent to stand trial if the defendant is provided with a course of treatment, and the maximum time for treatment as specified in division (C) of this section has not expired, the court, after consideration of the examiner's recommendation, shall order that treatment be continued, may change the facility or program at which the treatment is to be continued, and shall specify whether the treatment is to be continued at the same or a different facility or program.

(3) If the court finds that the defendant is incompetent to stand trial, if the defendant is charged with an offense listed in division (C)(1) of this section, and if the court finds that there is not a substantial probability that the defendant will become competent to stand trial even if the defendant is provided with a course of treatment, or if the maximum time for treatment relative to that offense as specified in division (C) of this section has expired, further proceedings shall be as provided in sections 2945.39, 2945.401, and 2945.402 of the Revised Code.

(4) If the court finds that the defendant is incompetent to stand trial, if the most serious offense with which the defendant is charged is a misdemeanor or a felony other than a felony listed in division (C)(1) of this section, and if the court finds that there is not a substantial probability that the defendant will become competent to stand trial even if the defendant is provided with a course of treatment, or if the maximum time for treatment relative to that offense as specified in division (C) of this section has expired, the court shall dismiss the indictment, information, or complaint against the defendant. A dismissal under this division is not a bar to further prosecution based on the same conduct. The court shall discharge the defendant unless the court or prosecutor files an affidavit in probate court for civil commitment pursuant to Chapter 5122. or 5123. of the Revised Code. If an affidavit for civil commitment is filed, the court may detain the defendant for ten days pending civil commitment. All of the following provisions apply to persons charged with a misdemeanor or a felony other than a felony listed in division (C)(1) of this section who are committed by the probate court subsequent to the court's or prosecutor's filing of an affidavit for civil commitment under authority of this division:

(a) The chief clinical officer of the entity, hospital, or facility, the managing officer of the institution, the director of the program, or the person to which the defendant is committed or

admitted shall do all of the following:

(i) Notify the prosecutor, in writing, of the discharge of the defendant, send the notice at least ten days prior to the discharge unless the discharge is by the probate court, and state in the notice the date on which the defendant will be discharged;

(ii) Notify the prosecutor, in writing, when the defendant is absent without leave or is granted unsupervised, off-grounds movement, and send this notice promptly after the discovery of the absence without leave or prior to the granting of the unsupervised, off-grounds movement, whichever is applicable;

(iii) Notify the prosecutor, in writing, of the change of the defendant's commitment or admission to voluntary status, send the notice promptly upon learning of the change to voluntary status, and state in the notice the date on which the defendant was committed or admitted on a voluntary status.

(b) Upon receiving notice that the defendant will be granted unsupervised, off-grounds movement, the prosecutor either shall re-indict the defendant or promptly notify the court that the prosecutor does not intend to prosecute the charges against the defendant.

(I) If a defendant is convicted of a crime and sentenced to a jail or workhouse, the defendant's sentence shall be reduced by the total number of days the defendant is confined for evaluation to determine the defendant's competence to stand trial or treatment under this section and sections 2945.37 and 2945.371 of the Revised Code or by the total number of days the defendant is confined for evaluation to determine the defendant's mental condition at the time of the offense charged.

Sec. 2945.39. (A) If a defendant who is charged with an offense described in division (C)(1) of section 2945.38 of the Revised Code is found incompetent to stand trial, after the expiration of the maximum time for treatment as specified in division (C) of that section or after the court finds that there is not a substantial probability that the defendant will become competent to stand trial even if the defendant is provided with a course of treatment, one of the following applies:

(1) The court or the prosecutor may file an affidavit in probate court for civil commitment of the defendant in the manner provided in Chapter 5122. or 5123. of the Revised Code. If the court or prosecutor files an affidavit for civil commitment, the court may detain the defendant for ten days pending civil commitment. If the probate court commits the defendant subsequent to the court's or prosecutor's filing of an affidavit for civil commitment, the chief clinical officer of the entity, hospital, or facility, the managing officer of the institution, the director of the program, or the person to which the defendant is committed or admitted shall send to the prosecutor the notices described in divisions (H)(4)(a)(i) to (iii) of section 2945.38 of the Revised Code within the periods of time and under the circumstances specified in those divisions.

(2) On the motion of the prosecutor or on its own motion, the court may retain jurisdiction over the defendant if, at a hearing, the court finds both of the following by clear and convincing evidence:

(a) The defendant committed the offense with which the defendant is charged.

(b) The defendant is a ~~mentally ill~~ person with a mental illness subject to court order or a person with an intellectual disability subject to institutionalization by court order.

(B) In making its determination under division (A)(2) of this section as to whether to retain jurisdiction over the defendant, the court may consider all relevant evidence, including, but not

limited to, any relevant psychiatric, psychological, or medical testimony or reports, the acts constituting the offense charged, and any history of the defendant that is relevant to the defendant's ability to conform to the law.

(C) If the court conducts a hearing as described in division (A)(2) of this section and if the court does not make both findings described in divisions (A)(2)(a) and (b) of this section by clear and convincing evidence, the court shall dismiss the indictment, information, or complaint against the defendant. Upon the dismissal, the court shall discharge the defendant unless the court or prosecutor files an affidavit in probate court for civil commitment of the defendant pursuant to Chapter 5122. or 5123. of the Revised Code. If the court or prosecutor files an affidavit for civil commitment, the court may order that the defendant be detained for up to ten days pending the civil commitment. If the probate court commits the defendant subsequent to the court's or prosecutor's filing of an affidavit for civil commitment, the chief clinical officer of the entity, hospital, or facility, the managing officer of the institution, the director of the program, or the person to which the defendant is committed or admitted shall send to the prosecutor the notices described in divisions (H)(4)(a)(i) to (iii) of section 2945.38 of the Revised Code within the periods of time and under the circumstances specified in those divisions. A dismissal of charges under this division is not a bar to further criminal proceedings based on the same conduct.

(D)(1) If the court conducts a hearing as described in division (A)(2) of this section and if the court makes the findings described in divisions (A)(2)(a) and (b) of this section by clear and convincing evidence, the court shall commit the defendant, if determined to require mental health treatment, either to the department of mental health and addiction services for treatment at a hospital, facility, or agency as determined clinically appropriate by the department of mental health and addiction services or to another medical or psychiatric facility, as appropriate. Prior to placing the defendant, the department of mental health and addiction services shall obtain court approval for that placement. If the court conducts such a hearing and if it makes those findings by clear and convincing evidence, the court shall commit the defendant, if determined to require treatment for an intellectual disability, to a facility operated by the department of developmental disabilities, or another facility, as appropriate. In determining the place of commitment, the court shall consider the extent to which the person is a danger to the person and to others, the need for security, and the type of crime involved and shall order the least restrictive alternative available that is consistent with public safety and the welfare of the defendant. In weighing these factors, the court shall give preference to protecting public safety.

(2) If a court makes a commitment of a defendant under division (D)(1) of this section, the prosecutor shall send to the hospital, facility, or agency where the defendant is placed by the department of mental health and addiction services or to the defendant's place of commitment all reports of the defendant's current mental condition and, except as otherwise provided in this division, any other relevant information, including, but not limited to, a transcript of the hearing held pursuant to division (A)(2) of this section, copies of relevant police reports, and copies of any prior arrest and conviction records that pertain to the defendant and that the prosecutor possesses. The prosecutor shall send the reports of the defendant's current mental condition in every case of commitment, and, unless the prosecutor determines that the release of any of the other relevant information to unauthorized persons would interfere with the effective prosecution of any person or would create a

substantial risk of harm to any person, the prosecutor also shall send the other relevant information. Upon admission of a defendant committed under division (D)(1) of this section, the place of commitment shall send to the board of alcohol, drug addiction, and mental health services or the community mental health board serving the county in which the charges against the defendant were filed a copy of all reports of the defendant's current mental condition and a copy of the other relevant information provided by the prosecutor under this division, including, if provided, a transcript of the hearing held pursuant to division (A)(2) of this section, the relevant police reports, and the prior arrest and conviction records that pertain to the defendant and that the prosecutor possesses.

(3) If a court makes a commitment under division (D)(1) of this section, all further proceedings shall be in accordance with sections 2945.401 and 2945.402 of the Revised Code.

Sec. 2945.40. (A) If a person is found not guilty by reason of insanity, the verdict shall state that finding, and the trial court shall conduct a full hearing to determine whether the person is a ~~mentally ill~~ person with a mental illness subject to court order or a person with an intellectual disability subject to institutionalization by court order. Prior to the hearing, if the trial judge believes that there is probable cause that the person found not guilty by reason of insanity is a ~~mentally ill~~ person with a mental illness subject to court order or a person with an intellectual disability subject to institutionalization by court order, the trial judge may issue a temporary order of detention for that person to remain in effect for ten court days or until the hearing, whichever occurs first.

Any person detained pursuant to a temporary order of detention issued under this division shall be held in a suitable facility, taking into consideration the place and type of confinement prior to and during trial.

(B) The court shall hold the hearing under division (A) of this section to determine whether the person found not guilty by reason of insanity is a ~~mentally ill~~ person with a mental illness subject to court order or a person with an intellectual disability subject to institutionalization by court order within ten court days after the finding of not guilty by reason of insanity. Failure to conduct the hearing within the ten-day period shall cause the immediate discharge of the respondent, unless the judge grants a continuance for not longer than ten court days for good cause shown or for any period of time upon motion of the respondent.

(C) If a person is found not guilty by reason of insanity, the person has the right to attend all hearings conducted pursuant to sections 2945.37 to 2945.402 of the Revised Code. At any hearing conducted pursuant to one of those sections, the court shall inform the person that the person has all of the following rights:

(1) The right to be represented by counsel and to have that counsel provided at public expense if the person is indigent, with the counsel to be appointed by the court under Chapter 120. of the Revised Code or under the authority recognized in division (C) of section 120.06, division (E) of section 120.16, division (E) of section 120.26, or section 2941.51 of the Revised Code;

(2) The right to have independent expert evaluation and to have that independent expert evaluation provided at public expense if the person is indigent;

(3) The right to subpoena witnesses and documents, to present evidence on the person's behalf, and to cross-examine witnesses against the person;

(4) The right to testify in the person's own behalf and to not be compelled to testify;

(5) The right to have copies of any relevant medical or mental health document in the custody

of the state or of any place of commitment other than a document for which the court finds that the release to the person of information contained in the document would create a substantial risk of harm to any person.

(D) The hearing under division (A) of this section shall be open to the public, and the court shall conduct the hearing in accordance with the Rules of Civil Procedure. The court shall make and maintain a full transcript and record of the hearing proceedings. The court may consider all relevant evidence, including, but not limited to, any relevant psychiatric, psychological, or medical testimony or reports, the acts constituting the offense in relation to which the person was found not guilty by reason of insanity, and any history of the person that is relevant to the person's ability to conform to the law.

(E) Upon completion of the hearing under division (A) of this section, if the court finds there is not clear and convincing evidence that the person is a ~~mentally ill~~ person with a mental illness subject to court order or a person with an intellectual disability subject to institutionalization by court order, the court shall discharge the person, unless a detainer has been placed upon the person by the department of rehabilitation and correction, in which case the person shall be returned to that department.

(F) If, at the hearing under division (A) of this section, the court finds by clear and convincing evidence that the person is a ~~mentally ill~~ person with a mental illness subject to court order, the court shall commit the person either to the department of mental health and addiction services for treatment in a hospital, facility, or agency as determined clinically appropriate by the department of mental health and addiction services or to another medical or psychiatric facility, as appropriate. Prior to placing the defendant, the department of mental health and addiction services shall obtain court approval for that placement. If, at the hearing under division (A) of this section, the court determines by clear and convincing evidence that the person requires treatment for an intellectual disability, it shall commit the person to a facility operated by the department of developmental disabilities or another facility, as appropriate. Further proceedings shall be in accordance with sections 2945.401 and 2945.402 of the Revised Code. In determining the place of commitment, the court shall consider the extent to which the person is a danger to the person and to others, the need for security, and the type of crime involved and shall order the least restrictive alternative available that is consistent with public safety and the welfare of the person. In weighing these factors, the court shall give preference to protecting public safety.

(G) If a court makes a commitment of a person under division (F) of this section, the prosecutor shall send to the hospital, facility, or agency where the person is placed by the department of mental health and addiction services or to the defendant's place of commitment all reports of the person's current mental condition, and, except as otherwise provided in this division, any other relevant information, including, but not limited to, a transcript of the hearing held pursuant to division (A) of this section, copies of relevant police reports, and copies of any prior arrest and conviction records that pertain to the person and that the prosecutor possesses. The prosecutor shall send the reports of the person's current mental condition in every case of commitment, and, unless the prosecutor determines that the release of any of the other relevant information to unauthorized persons would interfere with the effective prosecution of any person or would create a substantial risk of harm to any person, the prosecutor also shall send the other relevant information. Upon

admission of a person committed under division (F) of this section, the place of commitment shall send to the board of alcohol, drug addiction, and mental health services or the community mental health board serving the county in which the charges against the person were filed a copy of all reports of the person's current mental condition and a copy of the other relevant information provided by the prosecutor under this division, including, if provided, a transcript of the hearing held pursuant to division (A) of this section, the relevant police reports, and the prior arrest and conviction records that pertain to the person and that the prosecutor possesses.

(H) A person who is committed pursuant to this section shall not voluntarily admit the person or be voluntarily admitted to a hospital or institution pursuant to section 5122.02, 5122.15, 5123.69, or 5123.76 of the Revised Code.

Sec. 2945.401. (A) A defendant found incompetent to stand trial and committed pursuant to section 2945.39 of the Revised Code or a person found not guilty by reason of insanity and committed pursuant to section 2945.40 of the Revised Code shall remain subject to the jurisdiction of the trial court pursuant to that commitment, and to the provisions of this section, until the final termination of the commitment as described in division (J)(1) of this section. If the jurisdiction is terminated under this division because of the final termination of the commitment resulting from the expiration of the maximum prison term or term of imprisonment described in division (J)(1)(b) of this section, the court or prosecutor may file an affidavit for the civil commitment of the defendant or person pursuant to Chapter 5122. or 5123. of the Revised Code.

(B) A hearing conducted under any provision of sections 2945.37 to 2945.402 of the Revised Code shall not be conducted in accordance with Chapters 5122. and 5123. of the Revised Code. Any person who is committed pursuant to section 2945.39 or 2945.40 of the Revised Code shall not voluntarily admit the person or be voluntarily admitted to a hospital or institution pursuant to section 5122.02, 5122.15, 5123.69, or 5123.76 of the Revised Code. All other provisions of Chapters 5122. and 5123. of the Revised Code regarding hospitalization or institutionalization shall apply to the extent they are not in conflict with this chapter. A commitment under section 2945.39 or 2945.40 of the Revised Code shall not be terminated and the conditions of the commitment shall not be changed except as otherwise provided in division (D)(2) of this section with respect to a person with an intellectual disability subject to institutionalization by court order or except by order of the trial court.

(C) The department of mental health and addiction services or the institution, facility, or program to which a defendant or person has been committed under section 2945.39 or 2945.40 of the Revised Code shall report in writing to the trial court, at the times specified in this division, as to whether the defendant or person remains a ~~mentally ill~~ person with a mental illness subject to court order or a person with an intellectual disability subject to institutionalization by court order and, in the case of a defendant committed under section 2945.39 of the Revised Code, as to whether the defendant remains incompetent to stand trial. The department, institution, facility, or program shall make the reports after the initial six months of treatment and every two years after the initial report is made. The trial court shall provide copies of the reports to the prosecutor and to the counsel for the defendant or person. Within thirty days after its receipt pursuant to this division of a report from the department, institution, facility, or program, the trial court shall hold a hearing on the continued commitment of the defendant or person or on any changes in the conditions of the commitment of the

defendant or person. The defendant or person may request a change in the conditions of confinement, and the trial court shall conduct a hearing on that request if six months or more have elapsed since the most recent hearing was conducted under this section.

(D)(1) Except as otherwise provided in division (D)(2) of this section, when a defendant or person has been committed under section 2945.39 or 2945.40 of the Revised Code, at any time after evaluating the risks to public safety and the welfare of the defendant or person, the designee of the department of mental health and addiction services or the managing officer of the institution or director of the facility or program to which the defendant or person is committed may recommend a termination of the defendant's or person's commitment or a change in the conditions of the defendant's or person's commitment.

Except as otherwise provided in division (D)(2) of this section, if the designee of the department of mental health and addiction services recommends on-grounds unsupervised movement, off-grounds supervised movement, or nonsecured status for the defendant or person or termination of the defendant's or person's commitment, the following provisions apply:

(a) If the department's designee recommends on-grounds unsupervised movement or off-grounds supervised movement, the department's designee shall file with the trial court an application for approval of the movement and shall send a copy of the application to the prosecutor. Within fifteen days after receiving the application, the prosecutor may request a hearing on the application and, if a hearing is requested, shall so inform the department's designee. If the prosecutor does not request a hearing within the fifteen-day period, the trial court shall approve the application by entering its order approving the requested movement or, within five days after the expiration of the fifteen-day period, shall set a date for a hearing on the application. If the prosecutor requests a hearing on the application within the fifteen-day period, the trial court shall hold a hearing on the application within thirty days after the hearing is requested. If the trial court, within five days after the expiration of the fifteen-day period, sets a date for a hearing on the application, the trial court shall hold the hearing within thirty days after setting the hearing date. At least fifteen days before any hearing is held under this division, the trial court shall give the prosecutor written notice of the date, time, and place of the hearing. At the conclusion of each hearing conducted under this division, the trial court either shall approve or disapprove the application and shall enter its order accordingly.

(b) If the department's designee recommends termination of the defendant's or person's commitment at any time or if the department's designee recommends the first of any nonsecured status for the defendant or person, the department's designee shall send written notice of this recommendation to the trial court and to the local forensic center. The local forensic center shall evaluate the committed defendant or person and, within thirty days after its receipt of the written notice, shall submit to the trial court and the department's designee a written report of the evaluation. The trial court shall provide a copy of the department's designee's written notice and of the local forensic center's written report to the prosecutor and to the counsel for the defendant or person. Upon the local forensic center's submission of the report to the trial court and the department's designee, all of the following apply:

(i) If the forensic center disagrees with the recommendation of the department's designee, it shall inform the department's designee and the trial court of its decision and the reasons for the decision. The department's designee, after consideration of the forensic center's decision, shall either

withdraw, proceed with, or modify and proceed with the recommendation. If the department's designee proceeds with, or modifies and proceeds with, the recommendation, the department's designee shall proceed in accordance with division (D)(1)(b)(iii) of this section.

(ii) If the forensic center agrees with the recommendation of the department's designee, it shall inform the department's designee and the trial court of its decision and the reasons for the decision, and the department's designee shall proceed in accordance with division (D)(1)(b)(iii) of this section.

(iii) If the forensic center disagrees with the recommendation of the department's designee and the department's designee proceeds with, or modifies and proceeds with, the recommendation or if the forensic center agrees with the recommendation of the department's designee, the department's designee shall work with community mental health services providers, programs, facilities, or boards of alcohol, drug addiction, and mental health services or community mental health boards to develop a plan to implement the recommendation. If the defendant or person is on medication, the plan shall include, but shall not be limited to, a system to monitor the defendant's or person's compliance with the prescribed medication treatment plan. The system shall include a schedule that clearly states when the defendant or person shall report for a medication compliance check. The medication compliance checks shall be based upon the effective duration of the prescribed medication, taking into account the route by which it is taken, and shall be scheduled at intervals sufficiently close together to detect a potential increase in mental illness symptoms that the medication is intended to prevent.

The department's designee, after consultation with the board of alcohol, drug addiction, and mental health services or the community mental health board serving the area, shall send the recommendation and plan developed under division (D)(1)(b)(iii) of this section, in writing, to the trial court, the prosecutor, and the counsel for the committed defendant or person. The trial court shall conduct a hearing on the recommendation and plan developed under division (D)(1)(b)(iii) of this section. Divisions (D)(1)(c) and (d) and (E) to (J) of this section apply regarding the hearing.

(c) If the department's designee's recommendation is for nonsecured status or termination of commitment, the prosecutor may obtain an independent expert evaluation of the defendant's or person's mental condition, and the trial court may continue the hearing on the recommendation for a period of not more than thirty days to permit time for the evaluation.

The prosecutor may introduce the evaluation report or present other evidence at the hearing in accordance with the Rules of Evidence.

(d) The trial court shall schedule the hearing on a department's designee's recommendation for nonsecured status or termination of commitment and shall give reasonable notice to the prosecutor and the counsel for the defendant or person. Unless continued for independent evaluation at the prosecutor's request or for other good cause, the hearing shall be held within thirty days after the trial court's receipt of the recommendation and plan.

(2)(a) Division (D)(1) of this section does not apply to on-grounds unsupervised movement of a defendant or person who has been committed under section 2945.39 or 2945.40 of the Revised Code, who is a person with an intellectual disability subject to institutionalization by court order, and who is being provided residential habilitation, care, and treatment in a facility operated by the department of developmental disabilities.

(b) If, pursuant to section 2945.39 of the Revised Code, the trial court commits a defendant who is found incompetent to stand trial and who is a person with an intellectual disability subject to institutionalization by court order, if the defendant is being provided residential habilitation, care, and treatment in a facility operated by the department of developmental disabilities, if an individual who is conducting a survey for the department of health to determine the facility's compliance with the certification requirements of the medicaid program cites the defendant's receipt of the residential habilitation, care, and treatment in the facility as being inappropriate under the certification requirements, if the defendant's receipt of the residential habilitation, care, and treatment in the facility potentially jeopardizes the facility's continued receipt of federal medicaid moneys, and if as a result of the citation the chief clinical officer of the facility determines that the conditions of the defendant's commitment should be changed, the department of developmental disabilities may cause the defendant to be removed from the particular facility and, after evaluating the risks to public safety and the welfare of the defendant and after determining whether another type of placement is consistent with the certification requirements, may place the defendant in another facility that the department selects as an appropriate facility for the defendant's continued receipt of residential habilitation, care, and treatment and that is a no less secure setting than the facility in which the defendant had been placed at the time of the citation. Within three days after the defendant's removal and alternative placement under the circumstances described in division (D)(2)(b) of this section, the department of developmental disabilities shall notify the trial court and the prosecutor in writing of the removal and alternative placement.

The trial court shall set a date for a hearing on the removal and alternative placement, and the hearing shall be held within twenty-one days after the trial court's receipt of the notice from the department of developmental disabilities. At least ten days before the hearing is held, the trial court shall give the prosecutor, the department of developmental disabilities, and the counsel for the defendant written notice of the date, time, and place of the hearing. At the hearing, the trial court shall consider the citation issued by the individual who conducted the survey for the department of health to be prima-facie evidence of the fact that the defendant's commitment to the particular facility was inappropriate under the certification requirements of the medicaid program and potentially jeopardizes the particular facility's continued receipt of federal medicaid moneys. At the conclusion of the hearing, the trial court may approve or disapprove the defendant's removal and alternative placement. If the trial court approves the defendant's removal and alternative placement, the department of developmental disabilities may continue the defendant's alternative placement. If the trial court disapproves the defendant's removal and alternative placement, it shall enter an order modifying the defendant's removal and alternative placement, but that order shall not require the department of developmental disabilities to replace the defendant for purposes of continued residential habilitation, care, and treatment in the facility associated with the citation issued by the individual who conducted the survey for the department of health.

(E) In making a determination under this section regarding nonsecured status or termination of commitment, the trial court shall consider all relevant factors, including, but not limited to, all of the following:

(1) Whether, in the trial court's view, the defendant or person currently represents a substantial risk of physical harm to the defendant or person or others;

(2) Psychiatric and medical testimony as to the current mental and physical condition of the defendant or person;

(3) Whether the defendant or person has insight into the defendant's or person's condition so that the defendant or person will continue treatment as prescribed or seek professional assistance as needed;

(4) The grounds upon which the state relies for the proposed commitment;

(5) Any past history that is relevant to establish the defendant's or person's degree of conformity to the laws, rules, regulations, and values of society;

(6) If there is evidence that the defendant's or person's mental illness is in a state of remission, the medically suggested cause and degree of the remission and the probability that the defendant or person will continue treatment to maintain the remissive state of the defendant's or person's illness should the defendant's or person's commitment conditions be altered.

(F) At any hearing held pursuant to division (C) or (D)(1) or (2) of this section, the defendant or the person shall have all the rights of a defendant or person at a commitment hearing as described in section 2945.40 of the Revised Code.

(G) In a hearing held pursuant to division (C) or (D)(1) of this section, the prosecutor has the burden of proof as follows:

(1) For a recommendation of termination of commitment, to show by clear and convincing evidence that the defendant or person remains a ~~mentally ill~~ person with a mental illness subject to court order or a person with an intellectual disability subject to institutionalization by court order;

(2) For a recommendation for a change in the conditions of the commitment to a less restrictive status, to show by clear and convincing evidence that the proposed change represents a threat to public safety or a threat to the safety of any person.

(H) In a hearing held pursuant to division (C) or (D)(1) or (2) of this section, the prosecutor shall represent the state or the public interest.

(I) At the conclusion of a hearing conducted under division (D)(1) of this section regarding a recommendation from the designee of the department of mental health and addiction services, managing officer of the institution, or director of a facility or program, the trial court may approve, disapprove, or modify the recommendation and shall enter an order accordingly.

(J)(1) A defendant or person who has been committed pursuant to section 2945.39 or 2945.40 of the Revised Code continues to be under the jurisdiction of the trial court until the final termination of the commitment. For purposes of division (J) of this section, the final termination of a commitment occurs upon the earlier of one of the following:

(a) The defendant or person no longer is a ~~mentally ill~~ person with a mental illness subject to court order or a person with an intellectual disability subject to institutionalization by court order, as determined by the trial court;

(b) The expiration of the maximum prison term or term of imprisonment that the defendant or person could have received if the defendant or person had been convicted of the most serious offense with which the defendant or person is charged or in relation to which the defendant or person was found not guilty by reason of insanity;

(c) The trial court enters an order terminating the commitment under the circumstances described in division (J)(2)(a)(ii) of this section.

(2)(a) If a defendant is found incompetent to stand trial and committed pursuant to section 2945.39 of the Revised Code, if neither of the circumstances described in divisions (J)(1)(a) and (b) of this section applies to that defendant, and if a report filed with the trial court pursuant to division (C) of this section indicates that the defendant presently is competent to stand trial or if, at any other time during the period of the defendant's commitment, the prosecutor, the counsel for the defendant, or the designee of the department of mental health and addiction services or the managing officer of the institution or director of the facility or program to which the defendant is committed files an application with the trial court alleging that the defendant presently is competent to stand trial and requesting a hearing on the competency issue or the trial court otherwise has reasonable cause to believe that the defendant presently is competent to stand trial and determines on its own motion to hold a hearing on the competency issue, the trial court shall schedule a hearing on the competency of the defendant to stand trial, shall give the prosecutor, the counsel for the defendant, and the department's designee or the managing officer of the institution or the director of the facility to which the defendant is committed notice of the date, time, and place of the hearing at least fifteen days before the hearing, and shall conduct the hearing within thirty days of the filing of the application or of its own motion. If, at the conclusion of the hearing, the trial court determines that the defendant presently is capable of understanding the nature and objective of the proceedings against the defendant and of assisting in the defendant's defense, the trial court shall order that the defendant is competent to stand trial and shall be proceeded against as provided by law with respect to the applicable offenses described in division (C)(1) of section 2945.38 of the Revised Code and shall enter whichever of the following additional orders is appropriate:

(i) If the trial court determines that the defendant remains a ~~mentally ill~~ person with a mental illness subject to court order or a person with an intellectual disability subject to institutionalization by court order, the trial court shall order that the defendant's commitment to the department of mental health and addiction services or to an institution, facility, or program for the treatment of intellectual disabilities be continued during the pendency of the trial on the applicable offenses described in division (C)(1) of section 2945.38 of the Revised Code.

(ii) If the trial court determines that the defendant no longer is a ~~mentally ill~~ person with a mental illness subject to court order or a person with an intellectual disability subject to institutionalization by court order, the trial court shall order that the defendant's commitment to the department of mental health and addiction services or to an institution, facility, or program for the treatment of intellectual disabilities shall not be continued during the pendency of the trial on the applicable offenses described in division (C)(1) of section 2945.38 of the Revised Code. This order shall be a final termination of the commitment for purposes of division (J)(1)(c) of this section.

(b) If, at the conclusion of the hearing described in division (J)(2)(a) of this section, the trial court determines that the defendant remains incapable of understanding the nature and objective of the proceedings against the defendant or of assisting in the defendant's defense, the trial court shall order that the defendant continues to be incompetent to stand trial, that the defendant's commitment to the department of mental health and addiction services or to an institution, facility, or program for the treatment of intellectual disabilities shall be continued, and that the defendant remains subject to the jurisdiction of the trial court pursuant to that commitment, and to the provisions of this section, until the final termination of the commitment as described in division (J)(1) of this section.

Sec. 2945.42. No person is disqualified as a witness in a criminal prosecution by reason of the person's interest in the prosecution as a party or otherwise or by reason of the person's conviction of crime. Husband and wife are competent witnesses to testify in behalf of each other in all criminal prosecutions and to testify against each other in all actions, prosecutions, and proceedings for personal injury of either by the other, bigamy, or failure to provide for, neglect of, or cruelty to their children under eighteen years of age or their ~~physically or mentally handicapped child~~ with a mental or physical disability under twenty-one years of age. A spouse may testify against his or her spouse in a prosecution under a provision of sections 2903.11 to 2903.13, 2919.21, 2919.22, or 2919.25 of the Revised Code for cruelty to, neglect of, or abandonment of such spouse, in a prosecution against his or her spouse under section 2903.211 or 2911.211, of the Revised Code for the commission of the offense against the spouse who is testifying, in a prosecution under section 2919.27 of the Revised Code involving a protection order issued or consent agreement approved pursuant to section 2919.26 or 3113.31 of the Revised Code for the commission of the offense against the spouse who is testifying, or in a prosecution under section 2907.02 of the Revised Code for the commission of rape or under former section 2907.12 of the Revised Code for felonious sexual penetration against such spouse in a case in which the offense can be committed against a spouse. Such interest, conviction, or relationship may be shown for the purpose of affecting the credibility of the witness. Husband or wife shall not testify concerning a communication made by one to the other, or act done by either in the presence of the other, during coverture, unless the communication was made or act done in the known presence or hearing of a third person competent to be a witness, or in case of personal injury by either the husband or wife to the other, or rape or the former offense of felonious sexual penetration in a case in which the offense can be committed against a spouse, or bigamy, or failure to provide for, or neglect or cruelty of either to their children under eighteen years of age or their ~~physically or mentally handicapped child~~ with a mental or physical disability under twenty-one years of age, violation of a protection order or consent agreement, or neglect or abandonment of a spouse under a provision of those sections. The presence or whereabouts of the husband or wife is not an act under this section. The rule is the same if the marital relation has ceased to exist.

Sec. 2949.29. (A) The prosecuting attorney, the convict, and the convict's counsel shall attend an inquiry commenced as provided in section 2949.28 of the Revised Code. The prosecuting attorney and the convict or the convict's counsel may produce, examine, and cross-examine witnesses, and all findings shall be in writing signed by the judge. If it is found that the convict is not insane, the sentence shall be executed at the time previously appointed, unless that time has passed pending completion of the inquiry, in which case the judge conducting the inquiry, if authorized by the supreme court, shall appoint a time for execution of the sentence to be effective fifteen days from the date of the entry of the judge's findings in the inquiry.

(B) If it is found that the convict is insane and if authorized by the supreme court, the judge shall continue any stay of execution of the sentence previously issued, order the convict to be confined in the area at which other convicts sentenced to death are confined or in a maximum security medical or psychiatric facility operated by the department of rehabilitation and correction, and order treatment of the convict. Thereafter, the court at any time may conduct and, on motion of the prosecuting attorney, shall conduct a hearing pursuant to division (A) of this section to continue the inquiry into the convict's insanity and, as provided in section 2949.28 of the Revised Code, may

appoint one or more psychiatrists or psychologists to make a further examination of the convict and to submit a report to the court. If the court finds at the hearing that the convict is not insane and if the time previously appointed for execution of the sentence has not passed, the sentence shall be executed at the previously appointed time. If the court finds at the hearing that the convict is not insane and if the time previously appointed for execution of the sentence has passed, the judge who conducts the hearing, if authorized by the supreme court, shall appoint a new time for execution of the sentence to be effective fifteen days from the date of the entry of the judge's findings in the hearing.

(C) In all proceedings under this section, the convict is presumed not to be insane, and the court shall find that the convict is not insane unless the court finds by a preponderance of the evidence that the convict is insane.

(D) Proceedings for inquiry into the insanity of any convict sentenced to death shall be exclusively pursuant to this section, section 2949.28 of the Revised Code, and the Rules of Evidence. Neither Chapter 5122. or 5123. of the Revised Code nor any other provision of the Revised Code nor any other rule concerning ~~mentally ill~~ persons with mental illnesses, persons with intellectual disabilities, or insane persons applies to any proceeding for inquiry into the insanity of any convict sentenced to death.

Sec. 2967.22. Whenever it is brought to the attention of the adult parole authority or a department of probation that a parolee, person under a community control sanction, person under transitional control, or releasee appears to be a ~~mentally ill~~ person with a mental illness subject to court order, as defined in section 5122.01 of the Revised Code, or a person with an intellectual disability subject to institutionalization by court order, as defined in section 5123.01 of the Revised Code, the parole or probation officer, subject to the approval of the chief of the adult parole authority, the designee of the chief of the adult parole authority, or the chief probation officer, may file an affidavit under section 5122.11 or 5123.71 of the Revised Code. A parolee, person under a community control sanction, or releasee who is involuntarily detained under Chapter 5122. or 5123. of the Revised Code shall receive credit against the period of parole or community control or the term of post-release control for the period of involuntary detention.

If a parolee, person under a community control sanction, person under transitional control, or releasee escapes from an institution or facility within the department of mental health and addiction services or the department of developmental disabilities, the superintendent of the institution immediately shall notify the chief of the adult parole authority or the chief probation officer. Notwithstanding the provisions of section 5122.26 of the Revised Code, the procedure for the apprehension, detention, and return of the parolee, person under a community control sanction, person under transitional control, or releasee is the same as that provided for the apprehension, detention, and return of persons who escape from institutions operated by the department of rehabilitation and correction. If the escaped parolee, person under transitional control, or releasee is not apprehended and returned to the custody of the department of mental health and addiction services or the department of developmental disabilities within ninety days after the escape, the parolee, person under transitional control, or releasee shall be discharged from the custody of the department of mental health and addiction services or the department of developmental disabilities and returned to the custody of the department of rehabilitation and correction. If the escaped person

under a community control sanction is not apprehended and returned to the custody of the department of mental health and addiction services or the department of developmental disabilities within ninety days after the escape, the person under a community control sanction shall be discharged from the custody of the department of mental health and addiction services or the department of developmental disabilities and returned to the custody of the court that sentenced that person.

Sec. 3113.06. No father, or mother when she is charged with the maintenance, of a child under eighteen years of age, or a ~~mentally or physically handicapped~~ child with a mental or physical disability under age twenty-one, who is legally a ward of a public children services agency or is the recipient of aid pursuant to Chapter 5107. of the Revised Code, shall neglect or refuse to pay such agency the reasonable cost of maintaining such child when such father or mother is able to do so by reason of property, labor, or earnings.

An offense under this section shall be held committed in the county in which the agency is located. The agency shall file charges against any parent who violates this section, unless the agency files charges under section 2919.21 of the Revised Code, or unless charges of nonsupport are filed by a relative or guardian of the child, or unless an action to enforce support is brought under Chapter 3115. of the Revised Code.

Sec. 3113.08. Upon failure of the father or mother of a child under eighteen years of age, or of a ~~physically or mentally handicapped~~ child with a mental or physical disability under twenty-one years of age, or the husband of a pregnant woman to comply with any order and undertaking provided for in sections 3113.01 to 3113.14, ~~inclusive~~, of the Revised Code, such person may be arrested by the sheriff or other officer, on a warrant issued on the praecipe of the prosecuting attorney, and brought before the court of common pleas for sentence. Thereupon the court may pass sentence, or for good cause shown, may modify the order as to the time and amount of payments, or take a new undertaking and further suspend sentence, whichever is for the best interests of such child or pregnant woman and of the public.

Sec. 3304.31. (A) Licenses issued by the bureau of services for the visually impaired under section 3304.29 of the Revised Code shall be in effect until suspended or revoked. Except as provided in division (B) of this section, the bureau may deny, revoke, or suspend a license or otherwise discipline a licensee upon proof that the licensee is guilty of fraud or deceit in procuring or attempting to procure a license, is guilty of a felony or a crime of moral turpitude, is addicted to the use of habit-forming drugs or alcohol, or is mentally incompetent. Such license may also be denied, revoked, or suspended on proof of violation by the applicant or licensee of the rules established by the bureau for the operation of suitable vending facilities by ~~the individuals who are~~ blind or if a licensee fails to maintain a vending facility as a suitable vending facility.

(B) The bureau shall not refuse to issue a license to an applicant because of a conviction of or plea of guilty to an offense unless the refusal is in accordance with section 9.79 of the Revised Code.

(C) Any individual who is blind and who has had the individual's license suspended or revoked or the individual's application denied by the bureau may reapply for a license and may be reinstated or be granted a license by the bureau upon presentation of satisfactory evidence that there is no longer cause for such suspension, revocation, or denial. Before the bureau may revoke, deny, or suspend a license, or otherwise discipline a licensee, written charges must be filed by the director of the bureau and a hearing shall be held as provided in Chapter 119. of the Revised Code.

Sec. 3313.55. Sec. 3501.18. (A) The board of elections may divide a political subdivision within its jurisdiction into precincts, establish, define, divide, rearrange, and combine the several election precincts within its jurisdiction, and change the location of the polling place for each precinct when it is necessary to maintain the requirements as to the number of voters in a precinct and to provide for the convenience of the voters and the proper conduct of elections. No change in the number of precincts or in precinct boundaries shall be made during the twenty-five days immediately preceding a primary or general election or between the first day of January and the day on which the members of county central committees are elected in the years in which those committees are elected. Except as otherwise provided in division (C) of this section, each precinct shall contain a number of electors, not to exceed one thousand four hundred, that the board of elections determines to be a reasonable number after taking into consideration the type and amount of available equipment, prior voter turnout, the size and location of each selected polling place, available parking, availability of an adequate number of poll workers, and ~~handicap~~ accessibility for persons with disabilities and other accessibility to the polling place.

If the board changes the boundaries of a precinct after the filing of a local option election petition pursuant to sections 4301.32 to 4301.41, 4303.29, or 4305.14 of the Revised Code that calls for a local option election to be held in that precinct, the local option election shall be held in the area that constituted the precinct at the time the local option petition was filed, regardless of the change in the boundaries.

If the board changes the boundaries of a precinct in order to meet the requirements of division (B)(1) of this section in a manner that causes a member of a county central committee to no longer qualify as a representative of an election precinct in the county, of a ward of a city in the county, or of a township in the county, the member shall continue to represent the precinct, ward, or township for the remainder of the member's term, regardless of the change in boundaries.

Except in an emergency, no change in the number or location of the polling places in a precinct shall be made during the twenty-five days immediately preceding a primary or general election.

Electors who have failed to respond within thirty days to any confirmation notice shall not be

counted in determining the size of any precinct under this section.

(B)(1) Except as otherwise provided in division (B)(2) of this section, a board of elections shall determine all precinct boundaries using geographical units used by the United States department of commerce, bureau of the census, in reporting the decennial census of Ohio.

(2) The board of elections may apply to the secretary of state for a waiver from the requirement of division (B)(1) of this section when it is not feasible to comply with that requirement because of unusual physical boundaries or residential development practices that would cause unusual hardship for voters. The board shall identify the affected precincts and census units, explain the reason for the waiver request, and include a map illustrating where the census units will be split because of the requested waiver. If the secretary of state approves the waiver and so notifies the board of elections in writing, the board may change a precinct boundary as necessary under this section, notwithstanding the requirement in division (B)(1) of this section.

(C) The board of elections may apply to the secretary of state for a waiver from the requirement of division (A) of this section regarding the number of electors in a precinct when the use of geographical units used by the United States department of commerce, bureau of the census, will cause a precinct to contain more than one thousand four hundred electors. The board shall identify the affected precincts and census units, explain the reason for the waiver request, and include a map illustrating where census units will be split because of the requested waiver. If the secretary of state approves the waiver and so notifies the board of elections in writing, the board may change a precinct boundary as necessary to meet the requirements of division (B)(1) of this section.

Sec. 3501.29. (A) The board of elections shall provide for each precinct a polling place and provide adequate facilities at each polling place for conducting the election. The board shall provide a sufficient number of screened or curtained voting compartments to which electors may retire and conveniently mark their ballots, protected from the observation of others. Each voting compartment shall be provided at all times with writing implements, instructions how to vote, and other necessary conveniences for marking the ballot. The voting location manager shall ensure that the voting compartments at all times are adequately lighted and contain the necessary supplies. The board shall utilize, in so far as practicable, rooms in public schools and other public buildings for polling places. Upon application of the board of elections, the authority which has the control of any building or grounds supported by taxation under the laws of this state, shall make available the necessary space therein for the purpose of holding elections and adequate space for the storage of voting machines, without charge for the use thereof. A reasonable sum may be paid for necessary janitorial service. When polling places are established in private buildings, the board may pay a reasonable rental therefor, and also the cost of liability insurance covering the premises when used for election purposes, or the board may purchase a single liability policy covering the board and the owners of the premises when used for election purposes. When removable buildings are supplied by the board, they shall be constructed under the contract let to the lowest and best bidder, and the board shall observe all ordinances and regulations then in force as to safety. The board shall remove all such buildings from streets and other public places within thirty days after an election, unless another election is to be held within ninety days.

(B)(1) Except as otherwise provided in this section, the board shall ensure all of the following:

(a) That polling places are free of barriers that would impede ingress and egress of ~~handicapped persons with disabilities~~;

(b) That the minimum number of ~~special accessible parking locations, also known as handicapped parking spaces or disability parking spaces~~, for handicapped persons with mobility disabilities are designated at each polling place in accordance with 28 C.F.R. Part 36, Appendix A, and in compliance with division (E) of section 4511.69 of the Revised Code;

(c) That the entrances of polling places are level or are provided with a nonskid ramp that meets the requirements of the "Americans with Disabilities Act of 1990," 104 Stat. 327, 42 U.S.C. 12101;

(d) That doors are a minimum of thirty-two inches wide.

(2) Notwithstanding division (B)(1)(a), (c), or (d) of this section, certain polling places may be specifically exempted by the secretary of state upon certification by a board of elections that a good faith, but unsuccessful, effort has been made to modify, or change the location of, such polling places.

(C) At any polling place that is exempted from compliance by the secretary of state, the board of elections shall permit any ~~handicapped~~ elector with a disability who travels to that elector's polling place, but who is unable to enter the polling place, to vote, with the assistance of two polling place officials of major political parties, in the vehicle that conveyed that elector to the polling place, or to receive and cast that elector's ballot at the door of the polling place.

(D) The secretary of state shall:

(1) Work with other state agencies to facilitate the distribution of information and technical assistance to boards of elections to meet the requirements of division (B) of this section;

(2) Work with organizations that represent or provide services to ~~handicapped, disabled, or elderly citizens who are elderly or who have disabilities~~ to effect a wide dissemination of information about the availability of absentee voting, voting in the voter's vehicle or at the door of the polling place, or other election services to ~~handicapped, disabled, or elderly citizens who are elderly or who have disabilities~~.

(E) Before the day of an election, the director of the board of elections of each county shall sign a statement verifying that each polling place that will be used in that county at that election meets the requirements of division (B)(1)(b) of this section. The signed statement shall be sent to the secretary of state by certified mail or electronically.

(F) As used in this section, "~~handicapped~~" "disabled" means having lost the use of one or both legs, one or both arms, or any combination thereof, or being blind or so severely ~~disabled~~ impaired as to be unable to move about without the aid of crutches or a wheelchair.

Sec. 3503.12. All registrations shall be carefully checked, and in case any person is found to have registered more than once, the additional registration forms shall be canceled by the board of elections.

Six weeks prior to the day of a special, primary, or general election, the board shall publish notices in one or more newspapers of general circulation advertising the places, dates, times, methods of registration, and voter qualifications for registration.

The board shall establish a schedule or program to assure to the extent reasonably possible that, on or before November 1, 1980, all registration places shall be free of barriers that would

impede the ingress and egress of ~~handicapped~~ persons with disabilities. Entrances shall be level or shall be provided with a nonskid ramp of not over eight per cent gradient, and doors shall be a minimum of thirty-two inches wide. Registration places located at polling places shall, however, comply with the requirements of section 3501.29 of the Revised Code for the elimination of barriers.

As used in this section, "~~handicapped~~" "persons with disabilities" means ~~having~~ persons who have lost the use of one or both legs, one or both arms, or any combination thereof, or ~~being~~ are blind or so severely ~~disabled~~ impaired as to be unable to move about without the aid of crutches or a wheelchair.

Sec. 3505.23. Except as otherwise provided in this section, no voter shall be allowed to occupy a voting compartment or use a voting machine more than ten minutes when all the voting compartments or machines are in use and voters are waiting to occupy them. The ten-minute time limit shall not apply to any person who requires the use of a ~~disabled~~ accessible ~~an~~ accessible voting machine as required under the "Help America Vote Act of 2002," 116 Stat. 1704, 42 U.S.C. 15481.

Except as otherwise provided by section 3505.24 of the Revised Code, no voter shall occupy a voting compartment or machine with another person or speak to anyone, nor shall anyone speak to the voter, while the voter is in a voting compartment or machine.

In precincts that do not use voting machines the following procedure shall be followed:

If a voter tears, soils, defaces, or erroneously marks a ballot the voter may return it to the precinct election officials and a second ballot shall be issued to the voter. Before returning a torn, soiled, defaced, or erroneously marked ballot, the voter shall fold it so as to conceal any marks the voter made upon it, but the voter shall not remove Stub A therefrom. If the voter tears, soils, defaces, or erroneously marks such second ballot, the voter may return it to the precinct election officials, and a third ballot shall be issued to the voter. In no case shall more than three ballots be issued to a voter. Upon receiving a returned torn, soiled, defaced, or erroneously marked ballot the precinct election officials shall detach Stub A therefrom, write "Defaced" on the back of such ballot, and place the stub and the ballot in the separate containers provided therefor.

No elector shall leave the polling place until the elector returns to the precinct election officials every ballot issued to the elector with Stub A on each ballot attached thereto, regardless of whether the elector has or has not placed any marks upon the ballot.

Before leaving the voting compartment, the voter shall fold each ballot marked by the voter so that no part of the face of the ballot is visible, and so that the printing thereon indicating the kind of ballot it is and the facsimile signatures of the members of the board of elections are visible. The voter shall then leave the voting compartment, deliver the voter's ballots, and state the voter's name to the precinct election official having charge of the ballot box, who shall announce the name, detach Stub A from each ballot, and announce the number on the stubs. The precinct election officials in charge of the poll lists or poll books shall check to ascertain whether the number so announced is the number on Stub B of the ballots issued to such voter, and if no discrepancy appears to exist, the precinct election official in charge of the ballot box shall, in the presence of the voter, deposit each such ballot in the ballot box and shall place Stub A from each ballot in the container provided therefor. The voter shall then immediately leave the polling place.

No ballot delivered by a voter to the precinct election official in charge of the ballot box with Stub A detached therefrom, and only ballots provided in accordance with Title XXXV of the Revised

Code, shall be voted or deposited in the ballot box.

In marking a presidential ballot, the voter shall record the vote in the manner provided on the ballot next to the names of the candidates for the offices of president and vice-president. Such ballot shall be considered and counted as a vote for each of the candidates for election as presidential elector whose names were certified to the secretary of state by the political party of such nominees for president and vice-president.

In marking an office type ballot or nonpartisan ballot, the voter shall record the vote in the manner provided on the ballot next to the name of each candidate for whom the voter desires to vote.

In marking a primary election ballot, the voter shall record the vote in the manner provided on the ballot next to the name of each candidate for whom the voter desires to vote. If the voter desires to vote for the nomination of a person whose name is not printed on the primary election ballot, the voter may do so by writing such person's name on the ballot in the proper place provided for such purpose.

In marking a questions and issues ballot, the voter shall record the vote in the manner provided on the ballot at the left or at the right of "YES" or "NO" or other words of similar import which are printed on the ballot to enable the voter to indicate how the voter votes in connection with each question or issue upon which the voter desires to vote.

In marking any ballot on which a blank space has been provided wherein an elector may write in the name of a person for whom the elector desires to vote, the elector shall write such person's name in such blank space and on no other place on the ballot. Unless specific provision is made by statute, no blank space shall be provided on a ballot for write-in votes, and any names written on a ballot other than in a blank space provided therefor shall not be counted or recorded.

Sec. 3506.12. In counties where marking devices, automatic tabulating equipment, voting machines, or any combination of these are in use or are to be used, the board of elections:

(A) May combine, rearrange, and enlarge precincts; but the board shall arrange for a sufficient number of these devices to accommodate the number of electors in each precinct as determined by the number of votes cast in that precinct at the most recent election for the office of governor, taking into consideration the size and location of each selected polling place, available parking, ~~handicap~~accessibility for persons with disabilities and other accessibility to the polling place, and the number of candidates and issues to be voted on. Notwithstanding section 3501.22 of the Revised Code, the board may appoint more than four precinct officers to each precinct if this is made necessary by the number of voting machines to be used in that precinct.

(B) Except as otherwise provided in this division, shall establish one or more counting stations to receive voted ballots and other precinct election supplies after the polling precincts are closed. Those stations shall be under the supervision and direction of the board of elections. Processing and counting of voted ballots, and the preparation of summary sheets, shall be done in the presence of observers approved by the board. A certified copy of the summary sheet for the precinct shall be posted at each counting station immediately after completion of the summary sheet.

Sec. 3506.19. On and after the first federal election that occurs after January 1, 2006, unless required sooner by the Help America Vote Act of 2002, each polling location shall have available for use at all elections at least one direct recording electronic voting machine or marking device that is accessible for individuals with disabilities, including nonvisual accessibility for ~~the persons who are~~

blind and visually impaired, in a manner that provides the same opportunity for access and participation, including privacy and independence, as for other voters.

Sec. 3701.046. The director of health is authorized to make grants for women's health services from funds appropriated for that purpose by the general assembly.

None of the funds received through grants for women's health services shall be used to provide abortion services. None of the funds received through these grants shall be used for counseling for or referrals for abortion, except in the case of a medical emergency. These funds shall be distributed by the director to programs that the department of health determines will provide services that are physically and financially separate from abortion-providing and abortion-promoting activities, and that do not include counseling for or referrals for abortion, other than in the case of medical emergency.

These women's health services include and are limited to the following: pelvic examinations and laboratory testing; breast examinations and patient education on breast cancer; screening for cervical cancer; screening and treatment for sexually transmitted diseases and HIV screening; voluntary choice of contraception, including abstinence and natural family planning; patient education and pre-pregnancy counseling on the dangers of smoking, alcohol, and drug use during pregnancy; education on sexual coercion and violence in relationships; and prenatal care or referral for prenatal care. These health care services shall be provided in a medical clinic setting by persons authorized under Chapter 4731. of the Revised Code to practice medicine and surgery or osteopathic medicine and surgery; authorized under Chapter 4730. of the Revised Code to practice as a physician assistant; licensed under Chapter 4723. of the Revised Code as a registered nurse or licensed practical nurse; or licensed under Chapter 4757. of the Revised Code as a social worker, independent social worker, licensed professional clinical counselor, or licensed professional counselor.

The director shall adopt rules under Chapter 119. of the Revised Code specifying reasonable eligibility standards that must be met to receive the state funding and provide reasonable methods by which a grantee wishing to be eligible for federal funding may comply with these requirements for state funding without losing its eligibility for federal funding.

Each applicant for these funds shall provide sufficient assurance to the director of all of the following:

(A) The program shall not discriminate in the provision of services based on an individual's religion, race, national origin, ~~handicapping condition~~ disability, age, sex, number of pregnancies, or marital status;

(B) The program shall provide services without subjecting individuals to any coercion to accept services or to employ any particular methods of family planning;

(C) Acceptance of services shall be solely on a voluntary basis and may not be made a prerequisite to eligibility for, or receipt of, any other service, assistance from, or participation in, any other program of the service provider;

(D) Any charges for services provided by the program shall be based on the patient's ability to pay and priority in the provision of services shall be given to persons from low-income families.

In distributing these grant funds, the director shall give priority to grant requests from local departments of health for women's health services to be provided directly by personnel of the local department of health. The director shall issue a single request for proposals for all grants for women's

health services. The director shall send a notification of this request for proposals to every local department of health in this state and shall place a notification on the department's web site. The director shall allow at least thirty days after issuing this notification before closing the period to receive applications.

After the closing date for receiving grant applications, the director shall first consider grant applications from local departments of health that apply for grants for women's health services to be provided directly by personnel of the local department of health. Local departments of health that apply for grants for women's health services to be provided directly by personnel of the local department of health need not provide all the listed women's health services in order to qualify for a grant. However, in prioritizing awards among local departments of health that qualify for funding under this paragraph, the director may consider, among other reasonable factors, the comprehensiveness of the women's health services to be offered, provided that no local department of health shall be discriminated against in the process of awarding these grant funds because the applicant does not provide contraception.

If funds remain after awarding grants to all local departments of health that qualify for the priority, the director may make grants to other applicants. Awards to other applicants may be made to those applicants that will offer all eight of the listed women's health services or that will offer all of the services except contraception. No applicant shall be discriminated against in the process of awarding these grant funds because the applicant does not provide contraception.

Sec. 3701.243. (A) Except as provided in this section or section 3701.248 of the Revised Code, no person or agency of state or local government that acquires the information while providing any health care service or while in the employ of a health care facility or health care provider shall disclose or compel another to disclose any of the following:

- (1) The identity of any individual on whom an HIV test is performed;
- (2) The results of an HIV test in a form that identifies the individual tested;
- (3) The identity of any individual diagnosed as having AIDS or an AIDS-related condition.

(B)(1) Except as provided in divisions (B)(2), (C), (D), and (F) of this section, the results of an HIV test or the identity of an individual on whom an HIV test is performed or who is diagnosed as having AIDS or an AIDS-related condition may be disclosed only to the following:

- (a) The individual who was tested or the individual's legal guardian, and the individual's spouse or any sexual partner;
- (b) A person to whom disclosure is authorized by a written release, executed by the individual tested or by the individual's legal guardian and specifying to whom disclosure of the test results or diagnosis is authorized and the time period during which the release is to be effective;
- (c) Any physician who treats the individual;
- (d) The department of health or a health commissioner to which reports are made under section 3701.24 of the Revised Code;
- (e) A health care facility or provider that procures, processes, distributes, or uses a human body part from a deceased individual, donated for a purpose specified in Chapter 2108. of the Revised Code, and that needs medical information about the deceased individual to ensure that the body part is medically acceptable for its intended purpose;
- (f) Health care facility staff committees or accreditation or oversight review organizations

conducting program monitoring, program evaluation, or service reviews;

(g) A health care provider, emergency medical services worker, or peace officer who sustained a significant exposure to the body fluids of another individual, if that individual was tested pursuant to division (E)(6) of section 3701.242 of the Revised Code, except that the identity of the individual tested shall not be revealed;

(h) To law enforcement authorities pursuant to a search warrant or a subpoena issued by or at the request of a grand jury, a prosecuting attorney, a city director of law or similar chief legal officer of a municipal corporation, or a village solicitor, in connection with a criminal investigation or prosecution.

(2) The results of an HIV test or a diagnosis of AIDS or an AIDS-related condition may be disclosed to a health care provider, or an authorized agent or employee of a health care facility or a health care provider, if the provider, agent, or employee has a medical need to know the information and is participating in the diagnosis, care, or treatment of the individual on whom the test was performed or who has been diagnosed as having AIDS or an AIDS-related condition.

This division does not impose a standard of disclosure different from the standard for disclosure of all other specific information about a patient to health care providers and facilities. Disclosure may not be requested or made solely for the purpose of identifying an individual who has a positive HIV test result or has been diagnosed as having AIDS or an AIDS-related condition in order to refuse to treat the individual. Referral of an individual to another health care provider or facility based on reasonable professional judgment does not constitute refusal to treat the individual.

(3) Not later than ninety days after November 1, 1989, each health care facility in this state shall establish a protocol to be followed by employees and individuals affiliated with the facility in making disclosures authorized by division (B)(2) of this section. A person employed by or affiliated with a health care facility who determines in accordance with the protocol established by the facility that a disclosure is authorized by division (B)(2) of this section is immune from liability to any person in a civil action for damages for injury, death, or loss to person or property resulting from the disclosure.

(C)(1) Any person or government agency may seek access to or authority to disclose the HIV test records of an individual in accordance with the following provisions:

(a) The person or government agency shall bring an action in a court of common pleas requesting disclosure of or authority to disclose the results of an HIV test of a specific individual, who shall be identified in the complaint by a pseudonym but whose name shall be communicated to the court confidentially, pursuant to a court order restricting the use of the name. The court shall provide the individual with notice and an opportunity to participate in the proceedings if the individual is not named as a party. Proceedings shall be conducted in chambers unless the individual agrees to a hearing in open court.

(b) The court may issue an order granting the plaintiff access to or authority to disclose the test results only if the court finds by clear and convincing evidence that the plaintiff has demonstrated a compelling need for disclosure of the information that cannot be accommodated by other means. In assessing compelling need, the court shall weigh the need for disclosure against the privacy right of the individual tested and against any disservice to the public interest that might result from the disclosure, such as discrimination against the individual or the deterrence of others from being tested.

(c) If the court issues an order, it shall guard against unauthorized disclosure by specifying the persons who may have access to the information, the purposes for which the information shall be used, and prohibitions against future disclosure.

(2) A person or government agency that considers it necessary to disclose the results of an HIV test of a specific individual in an action in which it is a party may seek authority for the disclosure by filing an in camera motion with the court in which the action is being heard. In hearing the motion, the court shall employ procedures for confidentiality similar to those specified in division (C)(1) of this section. The court shall grant the motion only if it finds by clear and convincing evidence that a compelling need for the disclosure has been demonstrated.

(3) Except for an order issued in a criminal prosecution or an order under division (C)(1) or (2) of this section granting disclosure of the result of an HIV test of a specific individual, a court shall not compel a blood bank, hospital blood center, or blood collection facility to disclose the result of HIV tests performed on the blood of voluntary donors in a way that reveals the identity of any donor.

(4) In a civil action in which the plaintiff seeks to recover damages from an individual defendant based on an allegation that the plaintiff contracted the HIV virus as a result of actions of the defendant, the prohibitions against disclosure in this section do not bar discovery of the results of any HIV test given to the defendant or any diagnosis that the defendant ~~suffers from~~ has AIDS or an AIDS-related condition.

(D) The results of an HIV test or the identity of an individual on whom an HIV test is performed or who is diagnosed as having AIDS or an AIDS-related condition may be disclosed to a federal, state, or local government agency, or the official representative of such an agency, for purposes of the medicaid program, the medicare program, or any other public assistance program.

(E) Any disclosure pursuant to this section shall be in writing and accompanied by a written statement that includes the following or substantially similar language: "This information has been disclosed to you from confidential records protected from disclosure by state law. You shall make no further disclosure of this information without the specific, written, and informed release of the individual to whom it pertains, or as otherwise permitted by state law. A general authorization for the release of medical or other information is not sufficient for the purpose of the release of HIV test results or diagnoses."

(F) An individual who knows that the individual has received a positive result on an HIV test or has been diagnosed as having AIDS or an AIDS-related condition shall disclose this information to any other person with whom the individual intends to make common use of a hypodermic needle or engage in sexual conduct as defined in section 2907.01 of the Revised Code. An individual's compliance with this division does not prohibit a prosecution of the individual for a violation of division (B) of section 2903.11 of the Revised Code.

(G) Nothing in this section prohibits the introduction of evidence concerning an HIV test of a specific individual in a criminal proceeding.

(N)(1)(a) Except as provided in division (N)(1)(b) of this section, for purposes of divisions (A) to (E) of this section, a disability does not include any physiological disorder or condition, mental or psychological disorder, or disease or condition caused by an illegal use of any controlled substance by an employee, applicant, or other person, if an employer, employment agency, personnel placement service, labor organization, or joint labor-management committee acts on the basis of that illegal use.

(b) Division (N)(1)(a) of this section does not apply to an employee, applicant, or other person who satisfies any of the following:

(ii) The employee, applicant, or other person is participating in a supervised drug rehabilitation program and no longer is engaging in the illegal use of any controlled substance.

(iii) The employee, applicant, or other person is erroneously regarded as engaging in the illegal use of any controlled substance, but the employee, applicant, or other person is not engaging in that illegal use.

(2) Divisions (A) to (E) of this section do not prohibit an employer, employment agency, personnel placement service, labor organization, or joint labor-management committee from doing any of the following:

(a) Adopting or administering reasonable policies or procedures, including, but not limited to, testing for the illegal use of any controlled substance, that are designed to ensure that an individual described in division (N)(1)(b)(i) or (ii) of this section no longer is engaging in the illegal use of any controlled substance;

(f) Exercising other authority recognized in the "Americans with Disabilities Act of 1990," 104 Stat. 327, 42 U.S.C.A. 12101, as amended, including, but not limited to, requiring employees to comply with any applicable federal standards.

(3) For purposes of this chapter, a test to determine the illegal use of any controlled substance does not include a medical examination.

(4) Division (N) of this section does not encourage, prohibit, or authorize, and shall not be construed as encouraging, prohibiting, or authorizing, the conduct of testing for the illegal use of any controlled substance by employees, applicants, or other persons, or the making of employment decisions based on the results of that type of testing.

(O) This section does not apply to a religious corporation, association, educational institution, or society with respect to the employment of an individual of a particular religion to perform work connected with the carrying on by that religious corporation, association, educational institution, or society of its activities.

The unlawful discriminatory practices defined in this section do not make it unlawful for a person or an appointing authority administering an examination under section 124.23 of the Revised Code to obtain information about an applicant's military status for the purpose of determining if the applicant is eligible for the additional credit that is available under that section.

(B) The committee may adopt rules in accordance with Chapter 119. of the Revised Code that do either or both of the following:

(C) The committee may conduct a study and evaluation of its activities under sections

4115.31 to 4115.35 of the Revised Code for the purpose of assuring effective and efficient administration of its duties and responsibilities under those sections. The committee also may study, on its own or in conjunction with public or private entities, problems related to the employment of persons with severe disabilities and the development or adaptation of production methods that would enable a greater utilization of persons with severe disabilities.

Sec. 4121.61. (A) As used in sections 4121.61 to 4121.69 of the Revised Code, "self-insuring employer" has the same meaning as in section 4123.01 of the Revised Code.

(B) The administrator of workers' compensation, with the advice and consent of the bureau of workers' compensation board of directors, shall adopt rules, take measures, and make expenditures as it deems necessary to aid claimants who have sustained compensable injuries or incurred compensable occupational diseases pursuant to Chapter 4123., 4127., or 4131. of the Revised Code to return to work or to assist in lessening or removing any resulting ~~handicap~~ impairment.

Sec. 4123.343. This section shall be construed liberally to the end that employers shall be encouraged to employ and retain in their employment ~~handicapped employees~~ employees with disabilities as defined in this section.

(A) As used in this section, "~~handicapped employee~~" "employee with a disability" means an employee who is afflicted with or subject to any physical or mental impairment, or both, whether congenital or due to an injury or disease of such character that the impairment constitutes ~~a handicap~~ an impediment in obtaining employment or would constitute ~~a handicap~~ an impediment in obtaining reemployment if the employee should become unemployed and whose ~~handicap~~ disability is due to any of the following diseases or conditions:

- (1) Epilepsy;
- (2) Diabetes;
- (3) Cardiac disease;
- (4) Arthritis;
- (5) Amputated foot, leg, arm, or hand;
- (6) Loss of sight of one or both eyes or a partial loss of uncorrected vision of more than seventy-five per cent bilaterally;
- (7) Residual disability from poliomyelitis;
- (8) Cerebral palsy;
- (9) Multiple sclerosis;
- (10) Parkinson's disease;
- (11) Cerebral vascular accident;
- (12) Tuberculosis;
- (13) Silicosis;
- (14) Psycho-neurotic disability following treatment in a recognized medical or mental institution;
- (15) Hemophilia;
- (16) Chronic osteomyelitis;
- (17) Ankylosis of joints;
- (18) Hyper insulinism;
- (19) Muscular dystrophies;

- (20) Arterio-sclerosis;
- (21) Thrombo-phlebitis;
- (22) Varicose veins;
- (23) Cardiovascular, pulmonary, or respiratory diseases of a firefighter or police officer employed by a municipal corporation or township as a regular member of a lawfully constituted police department or fire department;
- (24) Coal miners' pneumoconiosis, commonly referred to as "black lung disease";
- (25) Disability with respect to which an individual has completed a rehabilitation program conducted pursuant to sections 4121.61 to 4121.69 of the Revised Code.

(B) Under the circumstances set forth in this section all or such portion as the administrator determines of the compensation and benefits paid in any claim arising hereafter shall be charged to and paid from the statutory surplus fund created under section 4123.34 of the Revised Code and only the portion remaining shall be merit-rated or otherwise treated as part of the accident or occupational disease experience of the employer. The provisions of this section apply only in cases of death, total disability, whether temporary or permanent, and all disabilities compensated under division (B) of section 4123.57 of the Revised Code. The administrator shall adopt rules specifying the grounds upon which charges to the statutory surplus fund are to be made. The administrator, in those rules, shall require that a settlement agreement approved pursuant to section 4123.65 of the Revised Code or a settlement agreement approved by a court of competent jurisdiction in this state be treated as an award of compensation granted by the administrator for the purpose of making a determination under this section.

(C) Any employer who has in its employ ~~a handicapped~~ an employee with a disability is entitled, in the event the person is injured, to a determination under this section.

An employer shall file an application under this section for a determination with the bureau or commission in the same manner as other claims. An application only may be made in cases where ~~a handicapped~~ an employee with a disability or ~~a handicapped employee's~~ the dependents of an employee with a disability claim or are receiving an award of compensation as a result of an injury or occupational disease occurring or contracted on or after the date on which division (A) of this section first included the ~~handicap~~ disability of such employee.

(D) The circumstances under and the manner in which an apportionment under this section shall be made are:

(1) Whenever ~~a handicapped~~ an employee with a disability is injured or further disabled or dies as the result of an injury or occupational disease sustained in the course of and arising out of a ~~handicapped employee's~~ an employee with a disability's employment in this state and the administrator awards compensation therefor and when it appears to the satisfaction of the administrator that the injury or occupational disease or the death resulting therefrom would not have occurred but for the pre-existing physical or mental impairment of the ~~handicapped~~ employee with a disability, all compensation and benefits payable on account of the disability or death shall be paid from the surplus fund.

(2) Whenever ~~a handicapped~~ an employee with a disability is injured or further disabled or dies as a result of an injury or occupational disease and the administrator finds that the injury or occupational disease would have been sustained or suffered without regard to the employee's pre-

existing impairment but that the resulting disability or death was caused at least in part through aggravation of the employee's pre-existing disability, the administrator shall determine in a manner that is equitable and reasonable and based upon medical evidence the amount of disability or proportion of the cost of the death award that is attributable to the employee's pre-existing disability and the amount found shall be charged to the statutory surplus fund.

(E) The benefits and provisions of this section apply only to employers who have complied with this chapter through insurance with the state fund.

(F) No employer shall in any year receive credit under this section in an amount greater than the premium the employer paid.

(G) An order issued by the administrator pursuant to this section is appealable under section 4123.511 of the Revised Code but is not appealable to court under section 4123.512 of the Revised Code.

Sec. 4123.57. Partial disability compensation shall be paid as follows.

Except as provided in this section, not earlier than twenty-six weeks after the date of termination of the latest period of payments under section 4123.56 of the Revised Code, or not earlier than twenty-six weeks after the date of the injury or contraction of an occupational disease in the absence of payments under section 4123.56 of the Revised Code, the employee may file an application with the bureau of workers' compensation for the determination of the percentage of the employee's permanent partial disability resulting from an injury or occupational disease.

Whenever the application is filed, the bureau shall send a copy of the application to the employee's employer or the employer's representative and shall schedule the employee for a medical examination by the bureau medical section. The bureau shall send a copy of the report of the medical examination to the employee, the employer, and their representatives. Thereafter, the administrator of workers' compensation shall review the employee's claim file and make a tentative order as the evidence before the administrator at the time of the making of the order warrants. If the administrator determines that there is a conflict of evidence, the administrator shall send the application, along with the claimant's file, to the district hearing officer who shall set the application for a hearing.

If an employee fails to respond to an attempt to schedule a medical examination by the bureau medical section, or fails to attend a medical examination scheduled under this section without notice or explanation, the employee's application for a finding shall be dismissed without prejudice. The employee may refile the application. A dismissed application does not toll the continuing jurisdiction of the industrial commission under section 4123.52 of the Revised Code. The administrator shall adopt rules addressing the manner in which an employee will be notified of a possible dismissal and how an employee may refile an application for a determination.

The administrator shall notify the employee, the employer, and their representatives, in writing, of the tentative order and of the parties' right to request a hearing. Unless the employee, the employer, or their representative notifies the administrator, in writing, of an objection to the tentative order within twenty days after receipt of the notice thereof, the tentative order shall go into effect and the employee shall receive the compensation provided in the order. In no event shall there be a reconsideration of a tentative order issued under this division.

If the employee, the employer, or their representatives timely notify the administrator of an objection to the tentative order, the matter shall be referred to a district hearing officer who shall set

the application for hearing with written notices to all interested persons. Upon referral to a district hearing officer, the employer may obtain a medical examination of the employee, pursuant to rules of the industrial commission.

(A) The district hearing officer, upon the application, shall determine the percentage of the employee's permanent disability, except as is subject to division (B) of this section, based upon that condition of the employee resulting from the injury or occupational disease and causing permanent impairment evidenced by medical or clinical findings reasonably demonstrable. The employee shall receive sixty-six and two-thirds per cent of the employee's average weekly wage, but not more than a maximum of thirty-three and one-third per cent of the statewide average weekly wage as defined in division (C) of section 4123.62 of the Revised Code, per week regardless of the average weekly wage, for the number of weeks which equals the percentage of two hundred weeks. Except on application for reconsideration, review, or modification, which is filed within ten days after the date of receipt of the decision of the district hearing officer, in no instance shall the former award be modified unless it is found from medical or clinical findings that the condition of the claimant resulting from the injury has so progressed as to have increased the percentage of permanent partial disability. A staff hearing officer shall hear an application for reconsideration filed and the staff hearing officer's decision is final. An employee may file an application for a subsequent determination of the percentage of the employee's permanent disability. If such an application is filed, the bureau shall send a copy of the application to the employer or the employer's representative. No sooner than sixty days from the date of the mailing of the application to the employer or the employer's representative, the administrator shall review the application. The administrator may require a medical examination or medical review of the employee. The administrator shall issue a tentative order based upon the evidence before the administrator, provided that if the administrator requires a medical examination or medical review, the administrator shall not issue the tentative order until the completion of the examination or review.

The employer may obtain a medical examination of the employee and may submit medical evidence at any stage of the process up to a hearing before the district hearing officer, pursuant to rules of the commission. The administrator shall notify the employee, the employer, and their representatives, in writing, of the nature and amount of any tentative order issued on an application requesting a subsequent determination of the percentage of an employee's permanent disability. An employee, employer, or their representatives may object to the tentative order within twenty days after the receipt of the notice thereof. If no timely objection is made, the tentative order shall go into effect. In no event shall there be a reconsideration of a tentative order issued under this division. If an objection is timely made, the application for a subsequent determination shall be referred to a district hearing officer who shall set the application for a hearing with written notice to all interested persons. No application for subsequent percentage determinations on the same claim for injury or occupational disease shall be accepted for review by the district hearing officer unless supported by substantial evidence of new and changed circumstances developing since the time of the hearing on the original or last determination.

No award shall be made under this division based upon a percentage of disability which, when taken with all other percentages of permanent disability, exceeds one hundred per cent. If the percentage of the permanent disability of the employee equals or exceeds ninety per cent,

compensation for permanent partial disability shall be paid for two hundred weeks.

Compensation payable under this division accrues and is payable to the employee from the date of last payment of compensation, or, in cases where no previous compensation has been paid, from the date of the injury or the date of the diagnosis of the occupational disease.

When an award under this division has been made prior to the death of an employee, all unpaid installments accrued or to accrue under the provisions of the award are payable to the surviving spouse, or if there is no surviving spouse, to the dependent children of the employee, and if there are no children surviving, then to other dependents as the administrator determines.

(B) For purposes of this division, "payable per week" means the seven-consecutive-day period in which compensation is paid in installments according to the schedule associated with the applicable injury as set forth in this division.

Compensation paid in weekly installments according to the schedule described in this division may only be commuted to one or more lump sum payments pursuant to the procedure set forth in section 4123.64 of the Revised Code.

In cases included in the following schedule the compensation payable per week to the employee is the statewide average weekly wage as defined in division (C) of section 4123.62 of the Revised Code per week and shall be paid in installments according to the following schedule:

For the loss of a first finger, commonly known as a thumb, sixty weeks.

For the loss of a second finger, commonly called index finger, thirty-five weeks.

For the loss of a third finger, thirty weeks.

For the loss of a fourth finger, twenty weeks.

For the loss of a fifth finger, commonly known as the little finger, fifteen weeks.

The loss of a second, or distal, phalange of the thumb is considered equal to the loss of one half of such thumb; the loss of more than one half of such thumb is considered equal to the loss of the whole thumb.

The loss of the third, or distal, phalange of any finger is considered equal to the loss of one-third of the finger.

The loss of the middle, or second, phalange of any finger is considered equal to the loss of two-thirds of the finger.

The loss of more than the middle and distal phalanges of any finger is considered equal to the loss of the whole finger. In no case shall the amount received for more than one finger exceed the amount provided in this schedule for the loss of a hand.

For the loss of the metacarpal bone (bones of the palm) for the corresponding thumb, or fingers, add ten weeks to the number of weeks under this division.

For ankylosis (total stiffness of) or contractures (due to scars or injuries) which makes any of the fingers, thumbs, or parts of either useless, the same number of weeks apply to the members or parts thereof as given for the loss thereof.

If the claimant has suffered the loss of two or more fingers by amputation or ankylosis and the nature of the claimant's employment in the course of which the claimant was working at the time of the injury or occupational disease is such that the ~~handicap impairment~~ or disability resulting from the loss of fingers, or loss of use of fingers, exceeds the normal ~~handicap impairment~~ or disability resulting from the loss of fingers, or loss of use of fingers, the administrator may take that fact into

consideration and increase the award of compensation accordingly, but the award made shall not exceed the amount of compensation for loss of a hand.

For the loss of a hand, one hundred seventy-five weeks.

For the loss of an arm, two hundred twenty-five weeks.

For the loss of a great toe, thirty weeks.

For the loss of one of the toes other than the great toe, ten weeks.

The loss of more than two-thirds of any toe is considered equal to the loss of the whole toe.

The loss of less than two-thirds of any toe is considered no loss, except as to the great toe; the loss of the great toe up to the interphalangeal joint is co-equal to the loss of one-half of the great toe; the loss of the great toe beyond the interphalangeal joint is considered equal to the loss of the whole great toe.

For the loss of a foot, one hundred fifty weeks.

For the loss of a leg, two hundred weeks.

For the loss of the sight of an eye, one hundred twenty-five weeks.

For the permanent partial loss of sight of an eye, the portion of one hundred twenty-five weeks as the administrator in each case determines, based upon the percentage of vision actually lost as a result of the injury or occupational disease, but, in no case shall an award of compensation be made for less than twenty-five per cent loss of uncorrected vision. "Loss of uncorrected vision" means the percentage of vision actually lost as the result of the injury or occupational disease.

For the permanent and total loss of hearing of one ear, twenty-five weeks; but in no case shall an award of compensation be made for less than permanent and total loss of hearing of one ear.

For the permanent and total loss of hearing, one hundred twenty-five weeks; but, except pursuant to the next preceding paragraph, in no case shall an award of compensation be made for less than permanent and total loss of hearing.

In case an injury or occupational disease results in serious facial or head disfigurement which either impairs or may in the future impair the opportunities to secure or retain employment, the administrator shall make an award of compensation as it deems proper and equitable, in view of the nature of the disfigurement, and not to exceed the sum of ten thousand dollars. For the purpose of making the award, it is not material whether the employee is gainfully employed in any occupation or trade at the time of the administrator's determination.

When an award under this division has been made prior to the death of an employee all unpaid installments accrued or to accrue under the provisions of the award shall be payable to the surviving spouse, or if there is no surviving spouse, to the dependent children of the employee and if there are no such children, then to such dependents as the administrator determines.

When an employee has sustained the loss of a member by severance, but no award has been made on account thereof prior to the employee's death, the administrator shall make an award in accordance with this division for the loss which shall be payable to the surviving spouse, or if there is no surviving spouse, to the dependent children of the employee and if there are no such children, then to such dependents as the administrator determines.

(C) Compensation for partial impairment under divisions (A) and (B) of this section is in addition to the compensation paid the employee pursuant to section 4123.56 of the Revised Code. A claimant may receive compensation under divisions (A) and (B) of this section.

In all cases arising under division (B) of this section, if it is determined by any one of the following: (1) the amputee clinic at University hospital, Ohio state university; (2) the opportunities for Ohioans with disabilities agency; (3) an amputee clinic or prescribing physician approved by the administrator or the administrator's designee, that an injured or disabled employee is in need of an artificial appliance, or in need of a repair thereof, regardless of whether the appliance or its repair will be serviceable in the vocational rehabilitation of the injured employee, and regardless of whether the employee has returned to or can ever again return to any gainful employment, the bureau shall pay the cost of the artificial appliance or its repair out of the surplus created by division (B) of section 4123.34 of the Revised Code.

In those cases where an opportunities for Ohioans with disabilities agency's recommendation that an injured or disabled employee is in need of an artificial appliance would conflict with their state plan, adopted pursuant to the "Rehabilitation Act of 1973," 87 Stat. 355, 29 U.S.C.A. 701, the administrator or the administrator's designee or the bureau may obtain a recommendation from an amputee clinic or prescribing physician that they determine appropriate.

(D) If an employee of a state fund employer makes application for a finding and the administrator finds that the employee has contracted silicosis as defined in division (Y), or coal miners' pneumoconiosis as defined in division (Z), or asbestosis as defined in division (BB) of section 4123.68 of the Revised Code, and that a change of such employee's occupation is medically advisable in order to decrease substantially further exposure to silica dust, asbestos, or coal dust and if the employee, after the finding, has changed or shall change the employee's occupation to an occupation in which the exposure to silica dust, asbestos, or coal dust is substantially decreased, the administrator shall allow to the employee an amount equal to fifty per cent of the statewide average weekly wage per week for a period of thirty weeks, commencing as of the date of the discontinuance or change, and for a period of one hundred weeks immediately following the expiration of the period of thirty weeks, the employee shall receive sixty-six and two-thirds per cent of the loss of wages resulting directly and solely from the change of occupation but not to exceed a maximum of an amount equal to fifty per cent of the statewide average weekly wage per week. No such employee is entitled to receive more than one allowance on account of discontinuance of employment or change of occupation and benefits shall cease for any period during which the employee is employed in an occupation in which the exposure to silica dust, asbestos, or coal dust is not substantially less than the exposure in the occupation in which the employee was formerly employed or for any period during which the employee may be entitled to receive compensation or benefits under section 4123.68 of the Revised Code on account of disability from silicosis, asbestosis, or coal miners' pneumoconiosis. An award for change of occupation for a coal miner who has contracted coal miners' pneumoconiosis may be granted under this division even though the coal miner continues employment with the same employer, so long as the coal miner's employment subsequent to the change is such that the coal miner's exposure to coal dust is substantially decreased and a change of occupation is certified by the claimant as permanent. The administrator may accord to the employee medical and other benefits in accordance with section 4123.66 of the Revised Code.

(E) If a firefighter or police officer makes application for a finding and the administrator finds that the firefighter or police officer has contracted a cardiovascular and pulmonary disease as defined in division (W) of section 4123.68 of the Revised Code, and that a change of the firefighter's

or police officer's occupation is medically advisable in order to decrease substantially further exposure to smoke, toxic gases, chemical fumes, and other toxic vapors, and if the firefighter, or police officer, after the finding, has changed or changes occupation to an occupation in which the exposure to smoke, toxic gases, chemical fumes, and other toxic vapors is substantially decreased, the administrator shall allow to the firefighter or police officer an amount equal to fifty per cent of the statewide average weekly wage per week for a period of thirty weeks, commencing as of the date of the discontinuance or change, and for a period of seventy-five weeks immediately following the expiration of the period of thirty weeks the administrator shall allow the firefighter or police officer sixty-six and two-thirds per cent of the loss of wages resulting directly and solely from the change of occupation but not to exceed a maximum of an amount equal to fifty per cent of the statewide average weekly wage per week. No such firefighter or police officer is entitled to receive more than one allowance on account of discontinuance of employment or change of occupation and benefits shall cease for any period during which the firefighter or police officer is employed in an occupation in which the exposure to smoke, toxic gases, chemical fumes, and other toxic vapors is not substantially less than the exposure in the occupation in which the firefighter or police officer was formerly employed or for any period during which the firefighter or police officer may be entitled to receive compensation or benefits under section 4123.68 of the Revised Code on account of disability from a cardiovascular and pulmonary disease. The administrator may accord to the firefighter or police officer medical and other benefits in accordance with section 4123.66 of the Revised Code.

(F) An order issued under this section is appealable pursuant to section 4123.511 of the Revised Code but is not appealable to court under section 4123.512 of the Revised Code.

Sec. 4123.58. (A) In cases of permanent total disability, the employee shall receive an award to continue until the employee's death in the amount of sixty-six and two-thirds per cent of the employee's average weekly wage, but, except as otherwise provided in division (B) of this section, not more than a maximum amount of weekly compensation which is equal to sixty-six and two-thirds per cent of the statewide average weekly wage as defined in division (C) of section 4123.62 of the Revised Code in effect on the date of injury or on the date the disability due to the occupational disease begins, nor not less than a minimum amount of weekly compensation which is equal to fifty per cent of the statewide average weekly wage as defined in division (C) of section 4123.62 of the Revised Code in effect on the date of injury or on the date the disability due to the occupational disease begins, unless the employee's average weekly wage is less than fifty per cent of the statewide average weekly wage at the time of the injury, in which event the employee shall receive compensation in an amount equal to the employee's average weekly wage.

(B) In the event the weekly workers' compensation amount when combined with disability benefits received pursuant to the Social Security Act is less than the statewide average weekly wage as defined in division (C) of section 4123.62 of the Revised Code, then the maximum amount of weekly compensation shall be the statewide average weekly wage as defined in division (C) of section 4123.62 of the Revised Code. At any time that social security disability benefits terminate or are reduced, the workers' compensation award shall be recomputed to pay the maximum amount permitted under this division.

(C) Permanent total disability shall be compensated according to this section only when at least one of the following applies to the claimant:

(1) The claimant has lost, or lost the use of both hands or both arms, or both feet or both legs, or both eyes, or of any two thereof; however, the loss or loss of use of one limb does not constitute the loss or loss of use of two body parts;

(2) The impairment resulting from the employee's injury or occupational disease prevents the employee from engaging in sustained remunerative employment utilizing the employment skills that the employee has or may reasonably be expected to develop.

(D) Permanent total disability shall not be compensated when the reason the employee is unable to engage in sustained remunerative employment is due to any of the following reasons, whether individually or in combination:

(1) Impairments of the employee that are not the result of an allowed injury or occupational disease;

(2) Solely the employee's age or aging;

(3) The employee retired or otherwise is not working for reasons unrelated to the allowed injury or occupational disease.

(4) The employee has not engaged in educational or rehabilitative efforts to enhance the employee's employability, unless such efforts are determined to be in vain.

(E) Compensation payable under this section for permanent total disability is in addition to benefits payable under division (B) of section 4123.57 of the Revised Code.

(F) If an employee is awarded compensation for permanent total disability under this section because the employee sustained a traumatic brain injury, the employee is entitled to that compensation regardless of the employee's employment in a sheltered workshop subsequent to the award, on the condition that the employee does not receive income, compensation, or remuneration from that employment in excess of two thousand dollars in any calendar quarter. As used in this division, "sheltered workshop" means a state agency or nonprofit organization established to carry out a program of rehabilitation for ~~handicapped~~ individuals with disabilities or to provide these individuals with remunerative employment or other occupational rehabilitating activity.

Sec. 4123.68. Every employee who is disabled because of the contraction of an occupational disease or the dependent of an employee whose death is caused by an occupational disease, is entitled to the compensation provided by sections 4123.55 to 4123.59 and 4123.66 of the Revised Code subject to the modifications relating to occupational diseases contained in this chapter. An order of the administrator issued under this section is appealable pursuant to sections 4123.511 and 4123.512 of the Revised Code.

The following diseases are occupational diseases and compensable as such when contracted by an employee in the course of the employment in which such employee was engaged and due to the nature of any process described in this section. A disease which meets the definition of an occupational disease is compensable pursuant to this chapter though it is not specifically listed in this section.

(V) Berylliosis: Berylliosis means a disease of the lungs caused by breathing beryllium in the form of dust or fumes, producing characteristic changes in the lungs and demonstrated by x-ray examination, by biopsy or by autopsy.

This chapter does not entitle an employee or the employee's dependents to compensation, medical treatment, or payment of funeral expenses for disability or death from berylliosis unless the employee has been subjected to injurious exposure to beryllium dust or fumes in the employee's employment in this state preceding the employee's disablement and only in the event of such disability or death resulting within eight years after the last injurious exposure; provided that such eight-year limitation does not apply to disability or death from exposure occurring after January 1, 1976. In the event of death following continuous total disability commencing within eight years after the last injurious exposure, the requirement of death within eight years after the last injurious exposure does not apply.

Before awarding compensation for partial or total disability or death due to berylliosis, the administrator of workers' compensation shall refer the claim to a qualified medical specialist for examination and recommendation with regard to the diagnosis, the extent of the disability, the nature of the disability, whether permanent or temporary, the cause of death, and other medical questions connected with the claim. An employee shall submit to such examinations, including clinical and x-ray examinations, as the administrator requires. In the event that an employee refuses to submit to examinations, including clinical and x-ray examinations, after notice from the administrator, or in the event that a claimant for compensation for death due to berylliosis fails to produce necessary consents and permits, after notice from the administrator, so that such autopsy examination and tests may be performed, then all rights for compensation are forfeited. The reasonable compensation of such specialist and the expenses of examinations and tests shall be paid, if the claim is allowed, as part of the expenses of the claim, otherwise they shall be paid from the surplus fund.

(W) Cardiovascular, pulmonary, or respiratory diseases incurred by firefighters or police officers following exposure to heat, smoke, toxic gases, chemical fumes and other toxic substances: Any cardiovascular, pulmonary, or respiratory disease of a firefighter or police officer caused or induced by the cumulative effect of exposure to heat, the inhalation of smoke, toxic gases, chemical fumes and other toxic substances in the performance of the firefighter's or police officer's duty constitutes a presumption, which may be refuted by affirmative evidence, that such occurred in the course of and arising out of the firefighter's or police officer's employment. For the purpose of this section, "firefighter" means any regular member of a lawfully constituted fire department of a municipal corporation or township, whether paid or volunteer, and "police officer" means any regular member of a lawfully constituted police department of a municipal corporation, township or county, whether paid or volunteer.

This chapter does not entitle a firefighter, or police officer, or the firefighter's or police officer's dependents to compensation, medical treatment, or payment of funeral expenses for disability or death from a cardiovascular, pulmonary, or respiratory disease, unless the firefighter or police officer has been subject to injurious exposure to heat, smoke, toxic gases, chemical fumes, and other toxic substances in the firefighter's or police officer's employment in this state preceding the

firefighter's or police officer's disablement, some portion of which has been after January 1, 1967, except as provided in division (E) of section 4123.57 of the Revised Code.

Compensation on account of cardiovascular, pulmonary, or respiratory diseases of firefighters and police officers is payable only in the event of temporary total disability, permanent total disability, or death, in accordance with section 4123.56, 4123.58, or 4123.59 of the Revised Code. Medical, hospital, and nursing expenses are payable in accordance with this chapter. Compensation, medical, hospital, and nursing expenses are payable only in the event of such disability or death resulting within eight years after the last injurious exposure; provided that such eight-year limitation does not apply to disability or death from exposure occurring after January 1, 1976. In the event of death following continuous total disability commencing within eight years after the last injurious exposure, the requirement of death within eight years after the last injurious exposure does not apply.

This chapter does not entitle a firefighter or police officer, or the firefighter's or police officer's dependents, to compensation, medical, hospital, and nursing expenses, or payment of funeral expenses for disability or death due to a cardiovascular, pulmonary, or respiratory disease in the event of failure or omission on the part of the firefighter or police officer truthfully to state, when seeking employment, the place, duration, and nature of previous employment in answer to an inquiry made by the employer.

Before awarding compensation for disability or death under this division, the administrator shall refer the claim to a qualified medical specialist for examination and recommendation with regard to the diagnosis, the extent of disability, the cause of death, and other medical questions connected with the claim. A firefighter or police officer shall submit to such examinations, including clinical and x-ray examinations, as the administrator requires. In the event that a firefighter or police officer refuses to submit to examinations, including clinical and x-ray examinations, after notice from the administrator, or in the event that a claimant for compensation for death under this division fails to produce necessary consents and permits, after notice from the administrator, so that such autopsy examination and tests may be performed, then all rights for compensation are forfeited. The reasonable compensation of such specialists and the expenses of examination and tests shall be paid, if the claim is allowed, as part of the expenses of the claim, otherwise they shall be paid from the surplus fund.

(X)(1) Cancer contracted by a firefighter: Cancer contracted by a firefighter who has been assigned to at least six years of hazardous duty as a firefighter constitutes a presumption that the cancer was contracted in the course of and arising out of the firefighter's employment if the firefighter was exposed to an agent classified by the international agency for research on cancer or its successor organization as a group 1 or 2A carcinogen.

(2) The presumption described in division (X)(1) of this section is rebuttable in any of the following situations:

(a) There is evidence that the firefighter's exposure, outside the scope of the firefighter's official duties, to cigarettes, tobacco products, or other conditions presenting an extremely high risk for the development of the cancer alleged, was probably a significant factor in the cause or progression of the cancer.

(b) There is evidence that shows, by a preponderance of competent scientific evidence, that exposure to the type of carcinogen alleged did not or could not have caused the cancer being alleged.

(c) There is evidence that the firefighter was not exposed to an agent classified by the international agency for research on cancer as a group 1 or 2A carcinogen.

(d) There is evidence that the firefighter incurred the type of cancer alleged before becoming a member of the fire department.

(e) The firefighter is seventy years of age or older.

(3) The presumption described in division (X)(1) of this section does not apply if it has been more than fifteen years since the firefighter was last assigned to hazardous duty as a firefighter.

(4) Compensation for cancer contracted by a firefighter in the course of hazardous duty under division (X) of this section is payable only in the event of temporary total disability, working wage loss, permanent total disability, or death, in accordance with division (A) or (B)(1) of section 4123.56 and sections 4123.58 and 4123.59 of the Revised Code.

(5) As used in division (X) of this section, "hazardous duty" has the same meaning as in 5 C.F.R. 550.902, as amended.

(Y) Silicosis: Silicosis means a disease of the lungs caused by breathing silica dust (silicon dioxide) producing fibrous nodules distributed through the lungs and demonstrated by x-ray examination, by biopsy or by autopsy.

(Z) Coal miners' pneumoconiosis: Coal miners' pneumoconiosis, commonly referred to as "black lung disease," resulting from working in the coal mine industry and due to exposure to the breathing of coal dust, and demonstrated by x-ray examination, biopsy, autopsy or other medical or clinical tests.

This chapter does not entitle an employee or the employee's dependents to compensation, medical treatment, or payment of funeral expenses for disability or death from silicosis, asbestosis, or coal miners' pneumoconiosis unless the employee has been subject to injurious exposure to silica dust (silicon dioxide), asbestos, or coal dust in the employee's employment in this state preceding the employee's disablement, some portion of which has been after October 12, 1945, except as provided in division (E) of section 4123.57 of the Revised Code.

Compensation on account of silicosis, asbestosis, or coal miners' pneumoconiosis are payable only in the event of temporary total disability, permanent total disability, or death, in accordance with sections 4123.56, 4123.58, and 4123.59 of the Revised Code. Medical, hospital, and nursing expenses are payable in accordance with this chapter. Compensation, medical, hospital, and nursing expenses are payable only in the event of such disability or death resulting within eight years after the last injurious exposure; provided that such eight-year limitation does not apply to disability or death occurring after January 1, 1976, and further provided that such eight-year limitation does not apply to any asbestosis cases. In the event of death following continuous total disability commencing within eight years after the last injurious exposure, the requirement of death within eight years after the last injurious exposure does not apply.

This chapter does not entitle an employee or the employee's dependents to compensation, medical, hospital and nursing expenses, or payment of funeral expenses for disability or death due to silicosis, asbestosis, or coal miners' pneumoconiosis in the event of the failure or omission on the part of the employee truthfully to state, when seeking employment, the place, duration, and nature of previous employment in answer to an inquiry made by the employer.

Before awarding compensation for disability or death due to silicosis, asbestosis, or coal

miners' pneumoconiosis, the administrator shall refer the claim to a qualified medical specialist for examination and recommendation with regard to the diagnosis, the extent of disability, the cause of death, and other medical questions connected with the claim. An employee shall submit to such examinations, including clinical and x-ray examinations, as the administrator requires. In the event that an employee refuses to submit to examinations, including clinical and x-ray examinations, after notice from the administrator, or in the event that a claimant for compensation for death due to silicosis, asbestosis, or coal miners' pneumoconiosis fails to produce necessary consents and permits, after notice from the commission, so that such autopsy examination and tests may be performed, then all rights for compensation are forfeited. The reasonable compensation of such specialist and the expenses of examinations and tests shall be paid, if the claim is allowed, as a part of the expenses of the claim, otherwise they shall be paid from the surplus fund.

(AA) Radiation illness: Any industrial process involving the use of radioactive materials.

Claims for compensation and benefits due to radiation illness are payable only in the event death or disability occurred within eight years after the last injurious exposure provided that such eight-year limitation does not apply to disability or death from exposure occurring after January 1, 1976. In the event of death following continuous disability which commenced within eight years of the last injurious exposure the requirement of death within eight years after the last injurious exposure does not apply.

(BB) Asbestosis: Asbestosis means a disease caused by inhalation or ingestion of asbestos, demonstrated by x-ray examination, biopsy, autopsy, or other objective medical or clinical tests.

All conditions, restrictions, limitations, and other provisions of this section, with reference to the payment of compensation or benefits on account of silicosis or coal miners' pneumoconiosis apply to the payment of compensation or benefits on account of any other occupational disease of the respiratory tract resulting from injurious exposures to dust.

The refusal to produce the necessary consents and permits for autopsy examination and testing shall not result in forfeiture of compensation provided the administrator finds that such refusal was the result of bona fide religious convictions or teachings to which the claimant for compensation adhered prior to the death of the decedent.

Sec. 4123.70. No compensation shall be awarded on account of disability or death from disease ~~suffered-experienced~~ by an employee who, at the time of entering into the employment from which the disease is claimed to have resulted, willfully and falsely represented ~~himself~~ as not having previously ~~suffered from-had~~ such disease. Compensation shall not be awarded on account of both injury and disease, except when the disability is caused by a disease and an injury, in which event the administrator of workers' compensation may apportion the payment of compensation provided for in sections 4123.56 to 4123.59 of the Revised Code between the funds as in ~~his~~the administrator's judgment seems just and proper.

If an employee is ~~suffering from-has~~ both occupational disease and an injury, and the administrator can determine which is causing ~~his~~the employee's disability, the administrator shall pay compensation therefor from the proper fund.

Compensation for loss sustained on account of occupational disease by an employee mentioned in division (A)(1) of section 4123.01 of the Revised Code, or the dependents of such employee, shall be paid from the fund provided for in sections 4123.38 to 4123.41 and 4123.48 of the

Revised Code.

Compensation for loss sustained on account of a disease by an employee mentioned in division (A)(2) of section 4123.01 of the Revised Code, or the dependents of the employee, shall be paid ~~from the occupational disease fund or~~ by the employer of the employee, if the employer is a self-insuring employer.

Sec. 4123.71. Every physician in this state attending on or called in to visit a patient whom the physician believes to ~~be suffering from~~ have an occupational disease as defined in section 4123.68 of the Revised Code shall, within forty-eight hours from the time of making such diagnosis, send to the bureau of workers' compensation a report stating:

- (A) Name, address, and occupation of patient;
- (B) Name and address of business in which employed;
- (C) Nature of disease;
- (D) Name and address of employer of patient;
- (E) Such other information as is reasonably required by the bureau.

The reports shall be made on blanks to be furnished by the bureau. A physician who sends the report within the time stated to the bureau is in compliance with this section.

Reports made under this section shall not be evidence of the facts therein stated in any action arising out of a disease therein reported.

The bureau shall, within twenty-four hours after the receipt of the report, send a copy thereof to the employer of the patient named in the report.

Sec. 4141.01. As used in this chapter, unless the context otherwise requires:

(2) In the case of a nursing facility resident who has continuously resided in a nursing facility for less than thirty months before the date of the review and determination under division (C) of this section, if the resident is determined not to require the level of services provided by a nursing facility, but is determined to require specialized services for mental illness, or if the resident is determined to require neither the level of services provided by a nursing facility nor specialized services for mental illness, the department shall act in accordance with its alternative disposition plan approved by the United States department of health and human services under section 1919(e)(7)(E) of the "Social Security Act."

All such unclaimed intangible personal property of a former patient shall be retained by the managing officer in such institution for the period of one year, during which time every possible effort shall be made to find such former patient or the former patient's legal representative.

If, after a period of one year from the time the patient has left the institution or has died, the managing officer has been unable to locate such person or the person's legal representative, then upon proper notice of such fact the director shall at that time formulate in writing a method of disposition on the minutes of the department authorizing the managing officer to convert such intangible personal property to cash to be paid into the state treasury to the credit of the general revenue fund.

The department shall include in its annual report a statement of all money and property and the terms and conditions relating thereto.

Sec. 5119.70. The "interstate compact on mental health" is hereby ratified, enacted into law, and entered into by the state of Ohio as a party thereto with any other state which has legally joined in the compact as follows:

INTERSTATE COMPACT ON MENTAL HEALTH

The contracting states solemnly agree that:

Article I

The party states find that the proper and expeditious treatment of the mentally ill and ~~mentally retarded-intellectually disabled~~ can be facilitated by cooperative action, to the benefit of the patients, their families, and society as a whole. Further, the party states find that the necessity of and desirability for furnishing such care and treatment bears no primary relation to the residence or citizenship of the patient but that, on the contrary, the controlling factors of community safety and humanitarianism require that facilities and services be made available for all who are in need of them. Consequently, it is the purpose of this compact and of the party states to provide the necessary legal basis for the institutionalization or other appropriate care and treatment of the mentally ill and ~~mentally retarded-intellectually disabled~~ under a system that recognizes the paramount importance of patient welfare and to establish the responsibilities of the party states in terms of such welfare.

Article II

As used in this compact:

(a) "Sending state" shall mean a party state from which a patient is transported pursuant to the provisions of the compact or from which it is contemplated that a patient may be so sent.

(b) "Receiving state" shall mean a party state to which a patient is transported pursuant to the provisions of the compact or to which it is contemplated that a patient may be so sent.

(c) "Institution" shall mean any hospital or other facility maintained by a party state or political subdivision thereof for the care and treatment of mental illness or ~~mental retardation~~ intellectual disability.

(d) "Patient" shall mean any person subject to or eligible as determined by the laws of the sending state, for institutionalization or other care, treatment, or supervision pursuant to the

provisions of this compact.

(e) "After-care" shall mean care, treatment and services provided a patient, as defined herein, or convalescent status or conditional release.

(f) "Mental illness" shall mean mental disease to such extent that a person so afflicted requires care and treatment for his own welfare, or the welfare of others, or of the community.

(g) "~~Mental retardation~~"-"Intellectual disability" shall mean ~~mental retardation~~-intellectual disability as defined by appropriate clinical authorities to such extent that a person so afflicted is incapable of managing himself and his affairs, but shall not include mental illness as defined herein.

(h) "State" shall mean any state, territory or possession of the United States, the District of Columbia, and the Commonwealth of Puerto Rico.

Article III

(a) Whenever a person physically present in any party state shall be in need of institutionalization by reason of mental illness or ~~mental retardation~~intellectual disability, he shall be eligible for care and treatment in an institution in that state irrespective of his residence, settlement or citizenship qualifications.

(b) The provisions of paragraph (a) of this article to the contrary notwithstanding, any patient may be transferred to an institution in another state whenever there are factors based upon clinical determinations indicating that the care and treatment of said patient would be facilitated or improved thereby. Any such institutionalization may be for the entire period of care and treatment or for any portion or portions thereof. The factors referred to in this paragraph shall include the patient's full record with due regard for the location of the patient's family, character of the illness and probable duration thereof, and such other factors as shall be considered appropriate.

(c) No state shall be obliged to receive any patient pursuant to the provisions of paragraph (b) of this article unless the sending state has given advance notice of its intention to send the patient; furnished all available medical and other pertinent records concerning the patient; given the qualified medical or other appropriate clinical authorities of the receiving state an opportunity to examine the patient if said authorities so wish; and unless the receiving state shall agree to accept the patient.

(d) In the event that the laws of the receiving state establish a system of priorities for the admission of patients, an interstate patient under this compact shall receive the same priority as a local patient and shall be taken in the same order and at the same time that he would be taken if he were a local patient.

(e) Pursuant to this compact, the determination as to the suitable place of institutionalization for a patient may be reviewed at any time and such further transfer of the patient may be made as seems likely to be in the best interest of the patient.

Article IV

(a) Whenever, pursuant to the laws of the state in which a patient is physically present, it shall be determined that the patient should receive after-care or supervision, such care or supervision may be provided in a receiving state. If the medical or other appropriate clinical authorities having responsibility for the care and treatment of the patient in the sending state shall have reason to believe that after-care in another state would be in the best interest of the patient and would not jeopardize the public safety, they shall request the appropriate authorities in the receiving state to

investigate the desirability of affording the patient such after-care in said receiving state, and such investigation shall be made with all reasonable speed. The request for investigation shall be accompanied by complete information concerning the patient's intended place of residence and the identity of the person in whose charge it is proposed to place the patient, the complete medical history of the patient, and such other documents as may be pertinent.

(b) If the medical or other appropriate clinical authorities having responsibility for the care and treatment of the patient in the sending state and the appropriate authorities in the receiving state find that the best interest of the patient would be served thereby, and if the public safety would not be jeopardized thereby, the patient may receive after-care or supervision in the receiving state.

(c) In supervising, treating, or caring for a patient on after-care pursuant to the terms of this article, a receiving state shall employ the same standards of visitation, examination, care, and treatment that it employs for similar local patients.

Article V

Whenever a dangerous or potentially dangerous patient escapes from an institution in any party state, that state shall promptly notify all appropriate authorities within and without the jurisdiction of the escape in a manner reasonably calculated to facilitate the speedy apprehension of the escapee. Immediately upon the apprehension and identification of any such dangerous or potentially dangerous patient, he shall be detained in the state where found pending disposition in accordance with law.

Article VI

The duly accredited officers of any state party to this compact, upon the establishment of their authority and the identity of the patient, shall be permitted to transport any patient being moved pursuant to this compact through any and all states party to this compact, without interference.

Article VII

(a) No person shall be deemed a patient of more than one institution at any given time. Completion of transfer of any patient to an institution in a receiving state shall have the effect of making the person a patient of the institution in the receiving state.

(b) The sending state shall pay all costs of and incidental to the transportation of any patient pursuant to this compact, but any two or more party states may, by making a specific agreement for that purpose, arrange for a different allocation of costs as among themselves.

(c) No provision of this compact shall be construed to alter or affect any internal relationships among the departments, agencies and officers of and in the government of a party state, or between a party state and its subdivisions, as to the payment of costs, or responsibilities therefor.

(d) Nothing in this compact shall be construed to prevent any party state or subdivision thereof from asserting any right against any person, agency or other entity in regard to costs for which such party state or subdivision thereof may be responsible pursuant to any provision of this compact.

(e) Nothing in this compact shall be construed to invalidate any reciprocal agreement between a party state and a nonparty state relating to institutionalization, care or treatment of the mentally ill or ~~mentally retarded~~ intellectually disabled, or any statutory authority pursuant to which such agreements may be made.

Article VIII

(a) Nothing in this compact shall be construed to abridge, diminish, or in any way impair the rights, duties, and responsibilities of any patient's guardian on his own behalf or in respect of any patient for whom he may serve, except that where the transfer of any patient to another jurisdiction makes advisable the appointment of a supplemental or substitute guardian, any court of competent jurisdiction in the receiving state may make such supplemental or substitute appointment and the court which appointed the previous guardian shall upon being duly advised of the new appointment, and upon the satisfactory completion of such accounting and other acts as such court may by law require, relieve the previous guardian of power and responsibility to whatever extent shall be appropriate in the circumstances; provided, however, that in the case of any patient having settlement in the sending state, the court of competent jurisdiction in the sending state shall have the sole discretion to relieve a guardian appointed by it or continue his power and responsibility, whichever it shall deem advisable. The court in the receiving state may, in its discretion, confirm or reappoint the person or persons previously serving as guardian in the sending state in lieu of making a supplemental or substitute appointment.

(b) The term "guardian" as used in paragraph (a) of this article shall include any guardian, trustee, legal committee, conservator, or other person or agency however denominated who is charged by law with power to act for or responsibility for the person or property of a patient.

Article IX

(a) No provision of this compact except Article V shall apply to any person institutionalized while under sentence in a penal or correctional institution or while subject to trial on a criminal charge, or whose institutionalization is due to the commission of an offense for which, in the absence of mental illness or ~~mental retardation~~ intellectual disability, said person would be subject to incarceration in a penal or correctional institution.

(b) To every extent possible, it shall be the policy of states party to this compact that no patient shall be placed or detained in any prison, jail or lockup, but such patient shall, with all expedition, be taken to a suitable institutional facility for mental ~~illness~~ illness or ~~mental retardation~~ intellectual disability.

Article X

(a) Each party state shall appoint a "compact administrator" who, on behalf of his state, shall act as general coordinator of activities under the compact in his state and who shall receive copies of all reports, correspondence, and other documents relating to any patient processed under the compact by his state either in the capacity of sending or receiving state. The compact administrator or his duly designated representative shall be the official with whom other party states shall deal in any matter relating to the compact or any patient processed thereunder.

(b) The compact administrators of the respective party states shall have power to promulgate reasonable rules and regulations to carry out more effectively the terms and provisions of this compact.

Article XI

The duly constituted administrative authorities of any two or more party states may enter into supplementary agreements for the provision of any service or facility or for the maintenance of any

institution on a joint or cooperative basis whenever the states concerned shall find that such agreements will improve services, facilities, or institutional care and treatment in the fields of mental illness or ~~mental retardation~~ intellectual disability. No such supplementary agreement shall be construed so as to relieve any party state of any obligation which it otherwise would have under other provisions of this compact.

Article XII

This compact shall enter into full force and effect as to any state when enacted by it into law and such states shall thereafter be a party thereto with any and all states legally joining therein.

Article XIII

(a) A state party to this compact may withdraw therefrom by enacting a statute repealing the same. Such withdrawal shall take effect one year after notice thereof has been communicated officially and in writing to the governors and compact administrators of all other party states. However, the withdrawal of any state shall not change the status of any patient who has been sent to said state or sent out of said state pursuant to the provisions of the compact.

(b) Withdrawal from any agreement permitted by Article VII (b) as to costs or from any supplementary agreement made pursuant to Article XI shall be in accordance with the terms of such agreement.

Article XIV

This compact shall be liberally construed so as to effectuate the purposes thereof. The provisions of this compact shall be severable and if any phrase, clause, sentence or provision of this compact is declared to be contrary to the constitution of any party state or of the United States or the applicability thereof to any government, agency, person or circumstance is held invalid, the validity of the remainder of this compact and the applicability thereof to any government, agency, person or circumstance shall not be affected thereby. If this compact shall be held contrary to the constitution of any state party thereto, the compact shall remain in full force and effect as to the remaining states and in full force and effect as to the state affected as to all severable matters.

(S) "Residence" means a person's physical presence in a county with intent to remain there, except that:

(1) If a person is receiving a mental health service at a facility that includes nighttime sleeping accommodations, residence means that county in which the person maintained the person's primary place of residence at the time the person entered the facility;

(2) If a person is committed pursuant to section 2945.38, 2945.39, 2945.40, 2945.401, or 2945.402 of the Revised Code, residence means the county where the criminal charges were filed.

When the residence of a person is disputed, the matter of residence shall be referred to the department of mental health and addiction services for investigation and determination. Residence shall not be a basis for a board of alcohol, drug addiction, and mental health services to deny services

to any person present in the board's service district, and the board shall provide services for a person whose residence is in dispute while residence is being determined and for a person in an emergency situation.

(T) "Admission" to a hospital or other place means that a patient is accepted for and stays at least one night at the hospital or other place.

(U) "Prosecutor" means the prosecuting attorney, village solicitor, city director of law, or similar chief legal officer who prosecuted a criminal case in which a person was found not guilty by reason of insanity, who would have had the authority to prosecute a criminal case against a person if the person had not been found incompetent to stand trial, or who prosecuted a case in which a person was found guilty.

(V)(1) "Treatment plan" means a written statement of reasonable objectives and goals for an individual established by the treatment team, with specific criteria to evaluate progress towards achieving those objectives.

(2) The active participation of the patient in establishing the objectives and goals shall be documented. The treatment plan shall be based on patient needs and include services to be provided to the patient while the patient is hospitalized, after the patient is discharged, or in an outpatient setting. The treatment plan shall address services to be provided. In the establishment of the treatment plan, consideration should be given to the availability of services, which may include but are not limited to all of the following:

- (a) Community psychiatric supportive treatment;
- (b) Assertive community treatment;

(W) "Community control sanction" has the same meaning as in section 2929.01 of the Revised Code.

(X) "Post-release control sanction" has the same meaning as in section 2967.01 of the Revised Code.

(Y) "Local correctional facility" has the same meaning as in section 2903.13 of the Revised Code.

(Z) "Clinical nurse specialist" and "certified nurse practitioner" have the same meanings as in section 4723.01 of the Revised Code.

Sec. 5122.03. A patient admitted under section 5122.02 of the Revised Code who requests

release in writing, or whose release is requested in writing by the patient's counsel, legal guardian, parent, spouse, or adult next of kin shall be released forthwith, except that when:

(A) The patient was admitted on the patient's own application and the request for release is made by a person other than the patient, release may be conditional upon the agreement of the patient; or

(B) The chief clinical officer of the hospital, within three court days from the receipt of the request for release, files or causes to be filed with the court of the county where the patient is hospitalized or of the county where the patient is a resident, an affidavit under section 5122.11 of the Revised Code. Release may be postponed until the hearing held under section 5122.141 of the Revised Code. A telephone communication within three court days from the receipt of the request for release from the chief clinical officer to the court, indicating that the required affidavit has been mailed, is sufficient compliance with the time limit for filing such affidavit.

Unless the patient is released within three days from the receipt of the request by the chief clinical officer, the request shall serve as a request for an initial hearing under section 5122.141 of the Revised Code. If the court finds that the patient is a ~~mentally ill~~ person with a mental illness subject to court order, all provisions of this chapter with respect to involuntary hospitalization apply to such person.

Judicial proceedings for hospitalization shall not be commenced with respect to a voluntary patient except pursuant to this section.

Sections 5121.30 to 5121.56 of the Revised Code apply to persons received in a hospital operated by the department of mental health and addiction services on a voluntary application.

The chief clinical officer of the hospital shall provide reasonable means and arrangements for informing patients of their rights to release as provided in this section and for assisting them in making and presenting requests for release or for a hearing under section 5122.141 of the Revised Code.

Before a patient is released from a public hospital, the chief clinical officer shall, when possible, notify the board of the patient's county of residence of the patient's pending release after the chief clinical officer has informed the patient that the board will be so notified.

Sec. 5122.05. (A) The chief clinical officer of a hospital may, and the chief clinical officer of a public hospital in all cases of psychiatric medical emergencies, shall receive for observation, diagnosis, care, and treatment any person whose admission is applied for under any of the following procedures:

(1) Emergency procedure, as provided in section 5122.10 of the Revised Code;

(2) Judicial procedure as provided in sections 2945.38, 2945.39, 2945.40, 2945.401, 2945.402, and 5122.11 to 5122.15 of the Revised Code.

Upon application for such admission, the chief clinical officer of a hospital immediately shall notify the board of the patient's county of residence. To assist the hospital in determining whether the patient is subject to involuntary hospitalization and whether alternative services are available, the board or an agency the board designates promptly shall assess the patient unless the board or agency already has performed such assessment, or unless the commitment is pursuant to section 2945.38, 2945.39, 2945.40, 2945.401, or 2945.402 of the Revised Code.

(B) No person who is being treated by spiritual means through prayer alone, in accordance

with a recognized religious method of healing, may be involuntarily committed unless the court has determined that the person represents a substantial risk of impairment or injury to self or others;

(C) Any person who is involuntarily detained in a hospital or otherwise is in custody under this chapter, immediately upon being taken into custody, shall be informed and provided with a written statement that the person may do any of the following:

(1) Immediately make a reasonable number of telephone calls or use other reasonable means to contact an attorney, a licensed physician, or a licensed clinical psychologist, to contact any other person or persons to secure representation by counsel, or to obtain medical or psychological assistance, and be provided assistance in making calls if the assistance is needed and requested;

(2) Retain counsel and have independent expert evaluation of the person's mental condition and, if the person is unable to obtain an attorney or independent expert evaluation, be represented by court-appointed counsel or have independent expert evaluation of the person's mental condition, or both, at public expense if the person is indigent;

(3) Have a hearing to determine whether or not the person is a ~~mentally ill~~ person with a mental illness subject to court order.

Sec. 5122.10. (A)(1) Any of the following who has reason to believe that a person is a ~~mentally ill~~ person with a mental illness subject to court order and represents a substantial risk of physical harm to self or others if allowed to remain at liberty pending examination may take the person into custody and may immediately transport the person to a hospital or, notwithstanding section 5119.33 of the Revised Code, to a general hospital not licensed by the department of mental health and addiction services where the person may be held for the period prescribed in this section:

(a) A psychiatrist;

(b) A licensed physician;

(c) A licensed clinical psychologist;

(d) A clinical nurse specialist who is certified as a psychiatric-mental health CNS by the American nurses credentialing center;

(e) A certified nurse practitioner who is certified as a psychiatric-mental health NP by the American nurses credentialing center;

(f) A health officer;

(g) A parole officer;

(h) A police officer;

(i) A sheriff.

(2) If the chief of the adult parole authority or a parole or probation officer with the approval of the chief of the authority has reason to believe that a parolee, an offender under a community control sanction or post-release control sanction, or an offender under transitional control is a ~~mentally ill~~ person with a mental illness subject to court order and represents a substantial risk of physical harm to self or others if allowed to remain at liberty pending examination, the chief or officer may take the parolee or offender into custody and may immediately transport the parolee or offender to a hospital or, notwithstanding section 5119.33 of the Revised Code, to a general hospital not licensed by the department of mental health and addiction services where the parolee or offender may be held for the period prescribed in this section.

(B) A written statement shall be given to the hospital by the individual authorized under

division (A)(1) or (2) of this section to transport the person. The statement shall specify the circumstances under which such person was taken into custody and the reasons for the belief that the person is a ~~mentally ill person~~ with a mental illness subject to court order and represents a substantial risk of physical harm to self or others if allowed to remain at liberty pending examination. This statement shall be made available to the respondent or the respondent's attorney upon request of either.

(C) Every reasonable and appropriate effort shall be made to take persons into custody in the least conspicuous manner possible. A person taking the respondent into custody pursuant to this section shall explain to the respondent: the name and professional designation and affiliation of the person taking the respondent into custody; that the custody-taking is not a criminal arrest; and that the person is being taken for examination by mental health professionals at a specified mental health facility identified by name.

(D) If a person taken into custody under this section is transported to a general hospital, the general hospital may admit the person, or provide care and treatment for the person, or both, notwithstanding section 5119.33 of the Revised Code, but by the end of twenty-four hours after arrival at the general hospital, the person shall be transferred to a hospital as defined in section 5122.01 of the Revised Code.

(E) A person transported or transferred to a hospital or community mental health services provider under this section shall be examined by the staff of the hospital or services provider within twenty-four hours after arrival at the hospital or services provider. If to conduct the examination requires that the person remain overnight, the hospital or services provider shall admit the person in an unclassified status until making a disposition under this section. After the examination, if the chief clinical officer of the hospital or services provider believes that the person is not a ~~mentally ill person~~ with a mental illness subject to court order, the chief clinical officer shall release or discharge the person immediately unless a court has issued a temporary order of detention applicable to the person under section 5122.11 of the Revised Code. After the examination, if the chief clinical officer believes that the person is a ~~mentally ill person~~ with a mental illness subject to court order, the chief clinical officer may detain the person for not more than three court days following the day of the examination and during such period admit the person as a voluntary patient under section 5122.02 of the Revised Code or file an affidavit under section 5122.11 of the Revised Code. If neither action is taken and a court has not otherwise issued a temporary order of detention applicable to the person under section 5122.11 of the Revised Code, the chief clinical officer shall discharge the person at the end of the three-day period unless the person has been sentenced to the department of rehabilitation and correction and has not been released from the person's sentence, in which case the person shall be returned to that department.

Sec. 5122.11. Proceedings for a ~~mentally ill person~~ with a mental illness subject to court order pursuant to sections 5122.11 to 5122.15 of the Revised Code shall be commenced by the filing of an affidavit in the manner prescribed by the department of mental health and addiction services and in a form prescribed in section 5122.111 of the Revised Code, by any person or persons with the probate court, either on reliable information or actual knowledge, whichever is determined to be proper by the court. This section does not apply to the hospitalization of a person pursuant to section 2945.39, 2945.40, 2945.401, or 2945.402 of the Revised Code.

The affidavit shall contain an allegation setting forth the specific category or categories under division (B) of section 5122.01 of the Revised Code upon which the jurisdiction of the court is based and a statement of alleged facts sufficient to indicate probable cause to believe that the person is a ~~mentally ill~~ person with a mental illness subject to court order. The affidavit may be accompanied, or the court may require that the affidavit be accompanied, by a certificate of a psychiatrist, or a certificate signed by a licensed clinical psychologist and a certificate signed by a licensed physician stating that the person who issued the certificate has examined the person and is of the opinion that the person is a ~~mentally ill~~ person with a mental illness subject to court order, or shall be accompanied by a written statement by the applicant, under oath, that the person has refused to submit to an examination by a psychiatrist, or by a licensed clinical psychologist and licensed physician.

Upon receipt of the affidavit, if a judge of the court or a referee who is an attorney at law appointed by the court has probable cause to believe that the person named in the affidavit is a ~~mentally ill~~ person with a mental illness subject to court order, the judge or referee may issue a temporary order of detention ordering any health or police officer or sheriff to take into custody and transport the person to a hospital or other place designated in section 5122.17 of the Revised Code, or may set the matter for further hearing. If a temporary order of detention is issued and the person is transported to a hospital or other designated place, the court that issued the order shall retain jurisdiction over the case as it relates to the person's outpatient treatment, notwithstanding that the hospital or other designated place to which the person is transported is outside the territorial jurisdiction of the court.

The person may be observed and treated until the hearing provided for in section 5122.141 of the Revised Code. If no such hearing is held, the person may be observed and treated until the hearing provided for in section 5122.15 of the Revised Code.

Sec. 5122.111. To initiate proceedings for court-ordered treatment of a person under section 5122.11 of the Revised Code, a person or persons shall file an affidavit with the probate court that is identical in form and content to the following:

Sec. 5122.13. Within two business days after receipt of the affidavit required by section 5122.11 of the Revised Code, the probate court shall refer the affidavit to the board of alcohol, drug addiction, and mental health services or community mental health services provider the board designates to assist the court in determining whether the respondent is subject to court-ordered treatment and whether alternatives to hospitalization are available, unless the services provider or board has already performed such screening. The board or services provider shall review the allegations of the affidavit and other information relating to whether or not the person named in the affidavit or statement is a ~~mentally ill~~ person with a mental illness subject to court order, and the availability of appropriate treatment alternatives.

The person who conducts the investigation shall promptly make a report to the court, in writing, in open court or in chambers, as directed by the court and a full record of the report shall be made by the court. The report is not admissible as evidence for the purpose of establishing whether or not the respondent is a ~~mentally ill~~ person with a mental illness subject to court order, but shall be considered by the court in its determination of an appropriate placement for any person after that person is found to be a ~~mentally ill~~ person with a mental illness subject to court order.

The court, prior to the hearing under section 5122.141 of the Revised Code, shall release a copy of the investigative report to the respondent's counsel.

Nothing in this section precludes a judge or referee from issuing a temporary order of detention pursuant to section 5122.11 of the Revised Code.

Sec. 5122.141. (A) A respondent who is involuntarily placed in a hospital or other place as designated in section 5122.10 or 5122.17 of the Revised Code, or with respect to whom proceedings have been instituted under section 5122.11 of the Revised Code, shall be afforded a hearing to determine whether or not the respondent is a ~~mentally ill~~ person with a mental illness subject to court order. The hearing shall be conducted pursuant to section 5122.15 of the Revised Code, and the respondent shall have the right to counsel as provided in that section.

(B) The hearing shall be conducted within five court days from the day on which the respondent is detained or an affidavit is filed, whichever occurs first, in a physical setting not likely to have a harmful effect on the respondent, and may be conducted in a hospital in or out of the county. On the motion of the respondent, the respondent's counsel, the chief clinical officer, or on its own motion, and for good cause shown, the court may order a continuance of the hearing. The continuance may be for no more than ten days from the day on which the respondent is detained or on which an affidavit is filed, whichever occurs first. Failure to conduct the hearing within this time shall effect an immediate discharge of the respondent. If the proceedings are not reinstated within thirty days, all records of the proceedings shall be expunged.

(C) If the court does not find that the respondent is a ~~mentally ill~~ person with a mental illness subject to court order, it shall order the respondent's immediate discharge, and shall expunge all record of the proceedings during this period.

(D) If the court finds that the respondent is a ~~mentally ill~~ person with a mental illness subject to court order, the court may issue an interim order of detention ordering any health or police officer or sheriff to take into custody and transport such person to a hospital or other place designated in section 5122.17 of the Revised Code, where the respondent may be observed and treated.

(E) A respondent or a respondent's counsel, after obtaining the consent of the respondent,

may waive the hearing provided for in this section. In such case, unless the person has been discharged, a mandatory full hearing shall be held by the thirtieth day after the original involuntary detention of the respondent. Failure to conduct the mandatory full hearing within this time limit shall result in the immediate discharge of the respondent.

(F) Where possible, the initial hearing shall be held before the respondent is taken into custody.

Sec. 5122.15. (A) Full hearings shall be conducted in a manner consistent with this chapter and with due process of law. The hearings shall be conducted by a judge of the probate court or a referee designated by a judge of the probate court and may be conducted in or out of the county in which the respondent is held. Any referee designated under this division shall be an attorney.

(1) With the consent of the respondent, the following shall be made available to counsel for the respondent:

(a) All relevant documents, information, and evidence in the custody or control of the state or prosecutor;

(b) All relevant documents, information, and evidence in the custody or control of the hospital in which the respondent currently is held, or in which the respondent has been held pursuant to this chapter;

(c) All relevant documents, information, and evidence in the custody or control of any hospital, facility, or person not included in division (A)(1)(a) or (b) of this section.

(2) The respondent has the right to attend the hearing and to be represented by counsel of the respondent's choice. The right to attend the hearing may be waived only by the respondent or counsel for the respondent after consultation with the respondent.

(3) If the respondent is not represented by counsel, is absent from the hearing, and has not validly waived the right to counsel, the court shall appoint counsel immediately to represent the respondent at the hearing, reserving the right to tax costs of appointed counsel to the respondent, unless it is shown that the respondent is indigent. If the court appoints counsel, or if the court determines that the evidence relevant to the respondent's absence does not justify the absence, the court shall continue the case.

(4) The respondent shall be informed that the respondent may retain counsel and have independent expert evaluation. If the respondent is unable to obtain an attorney, the respondent shall be represented by court-appointed counsel. If the respondent is indigent, court-appointed counsel and independent expert evaluation shall be provided as an expense under section 5122.43 of the Revised Code.

(5) The hearing shall be closed to the public, unless counsel for the respondent, with the permission of the respondent, requests that the hearing be open to the public.

(6) If the hearing is closed to the public, the court, for good cause shown, may admit persons who have a legitimate interest in the proceedings. If the respondent, the respondent's counsel, or the designee of the director or of the chief clinical officer objects to the admission of any person, the court shall hear the objection and any opposing argument and shall rule upon the admission of the person to the hearing.

(7) The affiant under section 5122.11 of the Revised Code shall be subject to subpoena by either party.

(8) The court shall examine the sufficiency of all documents filed and shall inform the respondent, if present, and the respondent's counsel of the nature and content of the documents and the reason for which the respondent is being detained, or for which the respondent's placement is being sought.

(9) The court shall receive only reliable, competent, and material evidence.

(10) Unless proceedings are initiated pursuant to section 5120.17 or 5139.08 of the Revised Code, an attorney that the board designates shall present the case demonstrating that the respondent is a ~~mentally ill~~ person with a mental illness subject to court order. The attorney shall offer evidence of the diagnosis, prognosis, record of treatment, if any, and less restrictive treatment plans, if any. In proceedings pursuant to section 5120.17 or 5139.08 of the Revised Code, the attorney general shall designate an attorney who shall present the case demonstrating that the respondent is a ~~mentally ill~~ person with a mental illness subject to court order. The attorney shall offer evidence of the diagnosis, prognosis, record of treatment, if any, and less restrictive treatment plans, if any.

(11) The respondent or the respondent's counsel has the right to subpoena witnesses and documents and to examine and cross-examine witnesses.

(12) The respondent has the right, but shall not be compelled, to testify, and shall be so advised by the court.

(13) On motion of the respondent or the respondent's counsel for good cause shown, or on the court's own motion, the court may order a continuance of the hearing.

(14) If the respondent is represented by counsel and the respondent's counsel requests a transcript and record, or if the respondent is not represented by counsel, the court shall make and maintain a full transcript and record of the proceeding. If the respondent is indigent and the transcript and record is made, a copy shall be provided to the respondent upon request and be treated as an expense under section 5122.43 of the Revised Code.

(15) To the extent not inconsistent with this chapter, the Rules of Civil Procedure are applicable.

(B) Unless, upon completion of the hearing the court finds by clear and convincing evidence that the respondent is a ~~mentally ill~~ person with a mental illness subject to court order, it shall order the respondent's discharge immediately.

(C) If, upon completion of the hearing, the court finds by clear and convincing evidence that the respondent is a ~~mentally ill~~ person with a mental illness subject to court order, the court shall order the respondent for a period not to exceed ninety days to any of the following:

(1) A hospital operated by the department of mental health and addiction services if the respondent is committed pursuant to section 5139.08 of the Revised Code;

(2) A nonpublic hospital;

(3) The veterans' administration or other agency of the United States government;

(4) A board of alcohol, drug addiction, and mental health services or services provider the board designates;

(5) Receive private psychiatric or psychological care and treatment;

(6) Any other suitable facility or person consistent with the diagnosis, prognosis, and treatment needs of the respondent. A jail or other local correctional facility is not a suitable facility.

(D) Any order made pursuant to division (C)(2), (3), (5), or (6) of this section shall be

conditioned upon the receipt by the court of consent by the hospital, facility, agency, or person to accept the respondent and may include a requirement that a person or entity described in division (C) (2), (3), (5), or (6) of this section inform the board of alcohol, drug addiction, and mental health services or community mental health services provider the board designates about the progress of the respondent with the treatment plan.

(E) In determining the entity or person to which the respondent is to be committed under division (C) of this section, the court shall consider the diagnosis, prognosis, preferences of the respondent and the projected treatment plan for the respondent and shall order the implementation of the least restrictive alternative available and consistent with treatment goals. If the court determines that the least restrictive alternative available that is consistent with treatment goals is inpatient hospitalization, the court's order shall so state.

(F) During the ninety-day period the entity or person shall examine and treat the respondent. If the respondent is receiving treatment in an outpatient setting, or receives treatment in an outpatient setting during a subsequent period of continued commitment under division (H) of this section, the entity or person to whom the respondent is committed shall determine the appropriate outpatient treatment for the respondent. If, at any time prior to the expiration of the ninety-day period, it is determined by the entity or person that the respondent's treatment needs could be equally well met in an available and appropriate less restrictive setting, both of the following apply:

(1) The respondent shall be released from the care of the entity or person immediately and shall be referred to the court together with a report of the findings and recommendations of the entity or person;

(2) The entity or person shall notify the respondent's counsel or the attorney designated by a board of alcohol, drug addiction, and mental health services or, if the respondent was committed to a board or a services provider designated by the board, it shall place the respondent in the least restrictive setting available consistent with treatment goals and notify the court and the respondent's counsel of the placement.

The court shall dismiss the case or order placement in the least restrictive setting.

(G)(1) Except as provided in division (G)(2) of this section, any person for whom proceedings for treatment have been commenced pursuant to section 5122.11 of the Revised Code, may apply at any time for voluntary admission or treatment to the entity or person to which the person was committed. Upon admission as a voluntary patient the chief clinical officer of the entity or the person immediately shall notify the court, the patient's counsel, and the attorney designated by the board, if the attorney has entered the proceedings, in writing of that fact, and, upon receipt of the notice, the court shall dismiss the case.

(2) A person who is found incompetent to stand trial or not guilty by reason of insanity and who is committed pursuant to section 2945.39, 2945.40, 2945.401, or 2945.402 of the Revised Code shall not voluntarily commit the person pursuant to this section until after the final termination of the commitment, as described in division (J) of section 2945.401 of the Revised Code.

(H) If, at the end of the first ninety-day period or any subsequent period of continued commitment, there has been no disposition of the case, either by discharge or voluntary admission or treatment, the entity or person shall discharge the patient immediately, unless at least ten days before the expiration of the period the attorney the board designates or the prosecutor files with the court an

application for continued commitment. The application of the attorney or the prosecutor shall include a written report containing the diagnosis, prognosis, past treatment, a list of alternative treatment settings and plans, and identification of the treatment setting that is the least restrictive consistent with treatment needs. The attorney the board designates or the prosecutor shall file the written report at least three days prior to the full hearing. A copy of the application and written report shall be provided to the respondent's counsel immediately.

The court shall hold a full hearing on applications for continued commitment at the expiration of the first ninety-day period and at least every two years after the expiration of the first ninety-day period.

Hearings following any application for continued commitment are mandatory and may not be waived.

For a respondent who is ordered to receive treatment in an outpatient setting, if at any time after the first ninety-day period the entity or person to whom the respondent was ordered determines that the respondent has demonstrated voluntary consent for treatment, that entity or person shall immediately notify the respondent, the respondent's counsel, the attorney designated by the board, and the court. The entity or person shall submit to the court a report of the findings and recommendations. The court may dismiss the case upon review of the facts.

Upon request of a person who is involuntarily committed under this section, or the person's counsel, that is made more than one hundred eighty days after the person's last full hearing, mandatory or requested, the court shall hold a full hearing on the person's continued commitment. Upon the application of a person involuntarily committed under this section, supported by an affidavit of a psychiatrist or licensed clinical psychologist, alleging that the person no longer is a ~~mentally ill~~ person with a mental illness subject to court order, the court for good cause shown may hold a full hearing on the person's continued commitment prior to the expiration of one hundred eighty days after the person's last full hearing. Section 5122.12 of the Revised Code applies to all hearings on continued commitment.

If the court, after a hearing for continued commitment finds by clear and convincing evidence that the respondent is a ~~mentally ill~~ person with a mental illness subject to court order, the court may order continued commitment at places or to persons specified in division (C) of this section.

(I) Unless the admission is pursuant to section 5120.17 or 5139.08 of the Revised Code, the chief clinical officer of the entity admitting a respondent pursuant to a judicial proceeding, within ten working days of the admission, shall make a report of the admission to the board of alcohol, drug addiction, and mental health services serving the respondent's county of residence.

(J) A referee appointed by the court may make all orders that a judge may make under this section and sections 5122.11 and 5122.141 of the Revised Code, except an order of contempt of court. The orders of a referee take effect immediately. Within fourteen days of the making of an order by a referee, a party may file written objections to the order with the court. The filed objections shall be considered a motion, shall be specific, and shall state their grounds with particularity. Within ten days of the filing of the objections, a judge of the court shall hold a hearing on the objections and may hear and consider any testimony or other evidence relating to the respondent's mental condition. At the conclusion of the hearing, the judge may ratify, rescind, or modify the referee's order.

(K) An order of the court under division (C), (H), or (J) of this section is a final order.

(L) Before a board, or a services provider the board designates, may place an unconsenting respondent in an inpatient setting from a less restrictive placement, the board or services provider shall do all of the following:

(1) Determine that the respondent is in immediate need of treatment in an inpatient setting because the respondent represents a substantial risk of physical harm to the respondent or others if allowed to remain in a less restrictive setting;

(2) On the day of placement in the inpatient setting or on the next court day, file with the court a motion for transfer to an inpatient setting or communicate to the court by telephone that the required motion has been mailed;

(3) Ensure that every reasonable and appropriate effort is made to take the respondent to the inpatient setting in the least conspicuous manner possible;

(4) Immediately notify the board's designated attorney and the respondent's attorney.

At the respondent's request, the court shall hold a hearing on the motion and make a determination pursuant to division (E) of this section within five days of the placement.

(M) Before a board, or a services provider the board designates, may move a respondent from one residential placement to another, the board or services provider shall consult with the respondent about the placement. If the respondent objects to the placement, the proposed placement and the need for it shall be reviewed by a qualified mental health professional who otherwise is not involved in the treatment of the respondent.

(N) The entity or person to whom the respondent was ordered for treatment in an outpatient setting may submit a report to the court indicating that the respondent has either failed to comply with the treatment plan or begun to demonstrate signs of decompensation that may be grounds for hospitalization. On receipt of the report, the court shall promptly schedule a hearing to review the case. The court shall conduct the hearing in a manner consistent with this chapter and due process of law. The board shall receive notice of the hearing and the board and entity or person treating the respondent shall submit a report to the court with a plan for appropriate alternative treatment, if any, or recommend that the court discontinue the court-ordered treatment. The court shall consider available and appropriate alternative placements but shall not impose criminal sanctions that result in confinement in a jail or other local correctional facility based on the respondent's failure to comply with the treatment plan. The court may not order the respondent to a more restrictive placement unless the criteria specified in division (L) of this section are met and may not order the respondent to an inpatient setting unless the court determines by clear and convincing evidence presented by the board that the respondent meets the criteria specified in divisions (A) and (B)(1), (2), (3), or (4) of section 5122.01 of the Revised Code.

Sec. 5122.19. Every person transported to a hospital or community mental health services provider pursuant to sections 5122.11 to 5122.16 of the Revised Code, shall be examined by the staff of the hospital or services provider as soon as practicable after arrival at the hospital or services provider. Such an examination shall be held within twenty-four hours after the time of arrival, and if the chief clinical officer fails after such an examination to certify that in the chief clinical officer's opinion the person is a ~~mentally ill~~ person with a mental illness subject to court order, the person shall be immediately released.

Sec. 5122.21. (A) The chief clinical officer shall as frequently as practicable, and at least

once every thirty days, examine or cause to be examined every patient, and, whenever the chief clinical officer determines that the conditions justifying involuntary hospitalization or commitment no longer obtain, shall discharge the patient not under indictment or conviction for crime and immediately make a report of the discharge to the department of mental health and addiction services. The chief clinical officer may discharge a patient who is under an indictment, a sentence of imprisonment, a community control sanction, or a post-release control sanction or on parole ten days after written notice of intent to discharge the patient has been given by personal service or certified mail, return receipt requested, to the court having criminal jurisdiction over the patient. Except when the patient was found not guilty by reason of insanity and the defendant's commitment is pursuant to section 2945.40 of the Revised Code, the chief clinical officer has final authority to discharge a patient who is under an indictment, a sentence of imprisonment, a community control sanction, or a post-release control sanction or on parole.

(B) After a finding pursuant to section 5122.15 of the Revised Code that a person is a ~~mentally ill~~ person with a mental illness subject to court order, the chief clinical officer of the hospital or community mental health services provider to which the person is ordered or to which the person is transferred under section 5122.20 of the Revised Code, may grant a discharge without the consent or authorization of any court.

Upon discharge, the chief clinical officer shall notify the court that caused the judicial hospitalization of the discharge from the hospital.

Sec. 5122.27. The chief clinical officer of the hospital or the chief clinical officer's designee shall assure that all patients hospitalized or committed pursuant to this chapter shall:

(A) Receive, within twenty days of their admission sufficient professional care to assure that an evaluation of current status, differential diagnosis, probable prognosis, and description of the current treatment plan is stated on the official chart;

(B) Have a written treatment plan consistent with the evaluation, diagnosis, prognosis, and goals which shall be provided, upon request of the patient or patient's counsel, to the patient's counsel and to any private physician or licensed clinical psychologist designated by the patient or the patient's counsel or to the Ohio protection and advocacy system;

(C) Receive treatment consistent with the treatment plan. The department of mental health and addiction services shall set standards for treatment provided to such patients, consistent wherever possible with standards set by the joint commission.

(D) Receive periodic reevaluations of the treatment plan by the professional staff at intervals not to exceed ninety days;

(E) Be provided with adequate medical treatment for physical disease or injury;

(F) Receive humane care and treatment, including without limitation, the following:

(1) The least restrictive environment consistent with the treatment plan;

(2) The necessary facilities and personnel required by the treatment plan;

(3) A humane psychological and physical environment;

(4) The right to obtain current information concerning the patient's treatment program and expectations in terms that the patient can reasonably understand;

(5) Participation in programs designed to afford the patient substantial opportunity to acquire skills to facilitate return to the community or to terminate an involuntary commitment;

(6) The right to be free from unnecessary or excessive medication;

(7) Freedom from restraints or isolation unless it is stated in a written order by the chief clinical officer or the chief clinical officer's designee, or the patient's individual physician or psychologist in a private or general hospital.

If the chief clinical officer of the hospital is unable to provide the treatment required by divisions (C), (E), and (F) of this section for any patient hospitalized pursuant to Chapter 5122. of the Revised Code, the chief clinical officer shall immediately notify the patient, the court, the Ohio protection and advocacy system, the director of mental health and addiction services, and the patient's counsel and legal guardian, if known. If within ten days after receipt of such notification by the director, the director is unable to effect a transfer of the patient, pursuant to section 5122.20 of the Revised Code, to a hospital, community mental health services provider, or other medical facility where treatment is available, or has not received an order of the court to the contrary, the involuntary commitment of any patient hospitalized pursuant to Chapter 5122. of the Revised Code and defined as a ~~mentally ill~~ person with a mental illness subject to court order under division (B)(4) of section 5122.01 of the Revised Code shall automatically be terminated.

Sec. 5122.271. (A) Except as provided in divisions (C), (D), and (E) of this section, the chief clinical officer or, in a nonpublic hospital, the attending physician responsible for a patient's care shall provide all information, including expected physical and medical consequences, necessary to enable any patient of a hospital for ~~the mentally ill persons with mental illnesses~~ to give a fully informed, intelligent, and knowing consent, the opportunity to consult with independent specialists and counsel, and the right to refuse consent for any of the following:

- (1) Surgery;
- (2) Convulsive therapy;
- (3) Major aversive interventions;
- (4) Sterilizations;
- (5) Any unusually hazardous treatment procedures;
- (6) Psycho-surgery.

(B) No patient shall be subjected to any of the procedures listed in divisions (A)(4) to (6) of this section until both the patient's informed, intelligent, and knowing consent and the approval of the court have been obtained, except that court approval is not required for a legally competent and voluntary patient in a nonpublic hospital.

(C) If, after providing the information required under division (A) of this section to the patient, the chief clinical officer or attending physician concludes that a patient is physically or mentally unable to receive the information required for surgery under division (A)(1) of this section, or has been adjudicated incompetent, the information may be provided to the patient's natural or court-appointed guardian, who may give an informed, intelligent, and knowing written consent.

If a patient is physically or mentally unable to receive the information required for surgery under division (A)(1) of this section and has no guardian, the information, the recommendation of the chief clinical officer, and the concurring judgment of a licensed physician who is not a full-time employee of the state may be provided to the court in the county in which the hospital is located, which may approve the surgery. Before approving the surgery, the court shall notify the Ohio protection and advocacy system created by section 5123.60 of the Revised Code, and shall notify the

patient of the rights to consult with counsel, to have counsel appointed by the court if the patient is indigent, and to contest the recommendation of the chief clinical officer.

(D) If, in a medical emergency, and after providing the information required under division (A) of this section to the patient, it is the judgment of one licensed physician that delay in obtaining surgery would create a grave danger to the health of the patient, it may be administered without the consent of the patient or the patient's guardian if the necessary information is provided to the patient's spouse or next of kin to enable that person to give informed, intelligent, and knowing written consent. If no spouse or next of kin can reasonably be contacted, or if the spouse or next of kin is contacted, but refuses to consent, the surgery may be performed upon the written authorization of the chief clinical officer or, in a nonpublic hospital, upon the written authorization of the attending physician responsible for the patient's care, and after the approval of the court has been obtained. However, if delay in obtaining court approval would create a grave danger to the life of the patient, the chief clinical officer or, in a nonpublic hospital, the attending physician responsible for the patient's care may authorize surgery, in writing, without court approval. If the surgery is authorized without court approval, the chief clinical officer or the attending physician who made the authorization and the physician who performed the surgery shall each execute an affidavit describing the circumstances constituting the emergency and warranting the surgery and the circumstances warranting their not obtaining prior court approval. The affidavit shall be filed with the court with which the request for prior approval would have been filed within five court days after the surgery, and a copy of the affidavit shall be placed in the patient's file and be given to the guardian, spouse, or next of kin of the patient, to the hospital at which the surgery was performed, and to the Ohio protection and advocacy system as defined in section 5123.60 of the Revised Code.

(E) Major aversive interventions shall not be used unless a patient continues to engage in behavior destructive to self or others after other forms of therapy have been attempted. Major aversive interventions may be applied if approved by the director of mental health and addiction services. Major aversive interventions shall not be applied to a voluntary patient without the informed, intelligent, and knowing written consent of the patient or the patient's guardian.

(F) Unless there is substantial risk of physical harm to self or others, or other than under division (D) of this section, this chapter does not authorize any form of compulsory medical, psychological, or psychiatric treatment of any patient who is being treated by spiritual means through prayer alone in accordance with a recognized religious method of healing without specific court authorization.

(G) For purposes of this section, "convulsive therapy" does not include defibrillation.

Sec. 5122.28. No patient of a hospital for ~~the mentally ill persons with mental illnesses~~ shall be compelled to perform labor which involves the operation, support, or maintenance of the hospital or for which the hospital is under contract with an outside organization. Privileges or release from the hospital shall not be conditional upon the performance of such labor. Patients who volunteer to perform such labor shall be compensated at a rate derived from the value of work performed, having reference to the prevailing wage rate for comparable work or wage rates established under section 4111.06 of the Revised Code.

A patient may be required to perform therapeutic tasks which do not involve the operation, support, or maintenance of the hospital if those tasks are an integrated part of the patient's treatment

plan and supervised by a person qualified to oversee the therapeutic aspects of the activity.

A patient may be required to perform tasks of a personal housekeeping nature.

Sec. 5122.30. Any person detained pursuant to this chapter or section 2945.39, 2945.40, 2945.401, or 2945.402 of the Revised Code shall be entitled to the writ of habeas corpus upon proper petition by self or by a friend to any court generally empowered to issue the writ of habeas corpus in the county in which the person is detained.

No person may bring a petition for a writ of habeas corpus that alleges that a person involuntarily detained pursuant to this chapter no longer is a ~~mentally ill~~ person with a mental illness subject to court order unless the person shows that the release procedures of division (H) of section 5122.15 of the Revised Code are inadequate or unavailable.

Sec. 5122.311. (A) Notwithstanding any provision of the Revised Code to the contrary, if, on or after April 8, 2004, an individual is found by a court to be a ~~mentally ill~~ person with a mental illness subject to court order or becomes an involuntary patient other than one who is a patient only for purposes of observation, the probate judge who made the adjudication or the chief clinical officer of the hospital, community mental health services provider, or facility in which the person is an involuntary patient shall notify the office of the attorney general, on the form described in division (C) of this section, of the identity of the individual. The notification shall be transmitted by the judge or the chief clinical officer not later than seven days after the adjudication or commitment.

(B) The office of the attorney general shall compile and maintain the notices it receives under division (A) of this section and the notices shall be used for the purpose of conducting incompetency records checks pursuant to section 311.41 of the Revised Code. The notices and the information they contain are confidential, except as provided in this division, and are not public records.

(C) The attorney general, by rule adopted under Chapter 119. of the Revised Code, shall prescribe and make available to all probate judges and all chief clinical officers a form to be used by them for the purpose of making the notifications required by division (A) of this section.

Sec. 5122.36. If the legal residence of a person ~~suffering from~~ with a mental illness is in another county of the state, the necessary expense of the person's return is a proper charge against the county of legal residence. If an adjudication and order of hospitalization by the probate court of the county of temporary residence are required, the regular probate court fees and expenses incident to the order of hospitalization under this chapter and any other expense incurred on the person's behalf shall be charged to and paid by the county of the person's legal residence upon the approval and certification of the probate judge of the county of the person's legal residence. The ordering court shall send to the probate court of the person's county of legal residence a certified copy of the commitment order from the ordering court. The receiving court shall enter and record the commitment order. The certified commitment order is prima facie evidence of the residence of the person. When the residence of the person cannot be established as represented by the ordering court, the matter of residence shall be referred to the department of mental health and addiction services for investigation and determination.

Sec. 5122.39. (A) ~~Mentally ill minors~~ Minors with mental illnesses shall remain under the natural guardianship of their parents, notwithstanding hospitalization pursuant to this chapter, unless parental rights have been terminated pursuant to a court finding that the minor is neglected or dependent. Where a ~~mentally ill~~ minor with a mental illness is found to be dependent or neglected,

the public children's services agency in the county of residence has final guardianship authority and responsibility.

(B) In no case shall the guardianship of a ~~mentally ill~~ person with a mental illness be assigned to the chief medical officer or any staff member of a hospital, board, or provider from which the person is receiving mental health services.

Sec. 5122.43. (A) Costs, fees, and expenses of all proceedings held under this chapter shall be paid as follows:

(6) To assistants who convey ~~mentally ill~~ persons with a mental illness to the hospital when authorized by the probate judge, a fee set by the probate court, provided the assistants are not drawing a salary from the state or any political subdivision of the state, and their actual necessary expenses incurred, provided that the expenses are specifically itemized and approved by the probate judge;

(7) To an attorney appointed by the probate division for an indigent who allegedly is a ~~mentally ill~~ person with a mental illness pursuant to any section of this chapter or a person ~~suffering from experiencing~~ alcohol and other drug abuse and who may be ordered under sections 5119.91 to 5119.98 of the Revised Code to undergo treatment, the fees that are determined by the probate division. When those indigent persons are before the court, all filing and recording fees shall be waived.

(8) To a referee who is appointed to conduct proceedings under this chapter that involve a respondent whose domicile is or, before the respondent's hospitalization, was not the county in which the proceedings are held, compensation as fixed by the probate division, but not more than the compensation paid for similar proceedings for respondents whose domicile is in the county in which the proceedings are held;

(9) To a court reporter appointed to make a transcript of proceedings under this chapter, the compensation and fees allowed in other cases under section 2101.08 of the Revised Code.

(B) A county shall pay for the costs, fees, and expenses described in division (A) of this section with money appropriated pursuant to section 2101.11 of the Revised Code. A county may seek reimbursement from the department of mental health and addiction services by submitting a request and certification by the county auditor of the costs, fees, and expenses to the department within two months of the date the costs, fees, and expenses are incurred by the county.

Each fiscal year, based on past allocations, historical utilization, and other factors the department considers appropriate, the department shall allocate for each county an amount for reimbursements under this section. A county's allocation may be zero. The department shall set aside an amount in addition to the allocations to cover court costs associated with proceedings held under this chapter for counties that received an allocation of zero but that incurred expenditures authorized by the department. The total of all the allocations plus the additional amount set aside shall equal the amount appropriated for the fiscal year to the department specifically for the purposes of this section.

On receipt, the department shall review each request for reimbursement and prepare a voucher for the amount of the costs, fees, and expenses incurred by the county, provided that the total amount of money paid to all counties in each fiscal year shall not exceed the total amount of moneys specifically appropriated to the department for these purposes.

The department's total reimbursement to each county shall be the lesser of the full amount requested or either the amount allocated for the county under this division, or, for counties that received an allocation of zero, the amount approved by the department. In addition, the department shall distribute any surplus remaining from the money appropriated for the fiscal year to the department for the purposes of this section as follows to counties whose full requests exceed their allocations:

(1) If the surplus is sufficient to reimburse such counties the full amount of their requests, each such county shall receive the full amount of its request;

(2) If the surplus is insufficient, each such county shall receive a percentage of the surplus determined by dividing the difference between the county's full request and its allocation by the difference between the total of the full requests of all such counties and the total of the amounts allocated for all such counties.

The department may adopt rules in accordance with Chapter 119. of the Revised Code to implement the payment of costs, fees, and expenses under this section.

At least thirty days before the public hearing, the legislative authority shall give notice of the public hearing and the proposed ordinance by first class mail to every real property owner whose property is located within the boundaries of the proposed district that is the subject of the proposed ordinance.

(E) Revenue derived from downtown redevelopment district service payments may be used by the municipal corporation for any of the following purposes:

(1) To finance or support loans, deferred loans, or grants to owners of historic buildings within the downtown redevelopment district. Such loans or grants shall be awarded upon the condition that the loan or grant amount may be used by the owner only to rehabilitate the historic building. A municipal corporation that awards a loan or grant under this division shall develop a plan for tracking the loan or grant recipient's use of the loan or grant and monitoring the progress of the recipient's rehabilitation project.

Revised Code, or to a nonprofit corporation, as defined in section 1702.01 of the Revised Code, the primary purpose of which is redeveloping historic buildings and historic districts for use by the corporation to rehabilitate a historic building within the downtown redevelopment district or to otherwise promote or enhance the district. Amounts contributed under division (E)(2) of this section shall not exceed the property tax revenue that would have been generated by twenty per cent of the assessed value of the exempted improvements within the downtown redevelopment district.

(3) To finance or support loans to owners of one or more buildings located within the district that do not qualify as historic buildings. Such loans shall be awarded upon the condition that the loan amount may be used by the owner only to make repairs and improvements to the building or buildings. A municipal corporation that awards a loan under this division shall develop a plan for tracking the loan recipient's use of the loan and monitoring the progress of the recipient's repairs or improvements.

(4) To finance public infrastructure improvements within the downtown redevelopment district. If revenue generated by the downtown redevelopment district will be used to finance public infrastructure improvements, the economic development plan described by division (B)(5) of this section shall identify specific projects that are being or will be undertaken within the district and describe how such infrastructure improvements will accommodate additional demands on the existing infrastructure within the district. A municipal corporation shall not use service payments derived from a downtown redevelopment district to repair or replace police or fire equipment.

(5) To finance or support loans, deferred loans, or grants to qualified businesses or to incubators and accelerators that provide services and capital to qualified businesses within an innovation district. Such loans or grants shall be awarded upon the condition that the loan or grant shall be used by the recipient to start or develop one or more qualified businesses within the innovation district. A municipal corporation that awards a loan or grant under this division shall develop a plan for tracking the loan or grant recipient's use of the loan or grant and monitoring the establishment and growth of the qualified business.

(F) Notwithstanding division (B) of this section, improvements to parcels located within a downtown redevelopment district may be exempted from taxation under this section for up to thirty years if either of the following apply:

(1) The ordinance creating the redevelopment district specifies that payments in lieu of taxes shall be paid to the city, local, or exempted village, and joint vocational school district or districts in which the redevelopment district is located in the amount of the taxes that would have been payable to the school district or districts if the improvements had not been exempted from taxation.

(2) The municipal corporation creating the district obtains the approval under division (G) of this section of the board of education of each city, local, and exempted village school district within which the district will be located.

(G)(1) The legislative authority of a municipal corporation seeking the approval of a school district for the purpose of division (G)(2) of this section shall send notice of the proposed ordinance to the school district not later than forty-five business days before it intends to adopt the ordinance. The notice shall include a copy of the proposed ordinance and shall indicate the date on which the legislative authority intends to adopt the ordinance. The board of education of the school district, by resolution adopted by a majority of the board, may do any of the following:

(a) Approve the exemption for the number of years specified in the proposed ordinance;

(b) Disapprove the exemption for the number of years in excess of ten;

(c) Approve the exemption on the condition that the legislative authority and the board negotiate an agreement providing for compensation to the school district equal in value to a percentage of the amount of taxes exempted in the eleventh and subsequent years of the exemption period or other mutually agreeable compensation. If an agreement is negotiated under this division, the legislative authority shall compensate all joint vocational school districts within which the downtown redevelopment district is located at the same rate and under the same terms received by the city, local, or exempted village school district.

(2) The board of education shall certify a resolution adopted under division (G)(1) of this section to the legislative authority of the municipal corporation not later than fourteen days before the date the legislative authority intends to adopt the ordinance as indicated in the notice. If the board of education approves the ordinance or negotiates a mutually acceptable compensation agreement with the legislative authority, the legislative authority may enact the ordinance in its current form. If the board disapproves of the ordinance and fails to negotiate a mutually acceptable compensation agreement with the legislative authority, the legislative authority may exempt improvements to parcels within the downtown redevelopment district for not more than ten years. If the board fails to certify a resolution to the legislative authority within the time prescribed by this division, the legislative authority may adopt the ordinance and may exempt improvements to parcels within the downtown redevelopment district for the period of time specified in the notice delivered to the board of education. The legislative authority may adopt the ordinance at any time after the board of education certifies its resolution approving the exemption to the legislative authority or, if the board approves the exemption on the condition that a mutually acceptable compensation agreement be negotiated, at any time after the compensation agreement is agreed to by the board and the legislative authority.

(3) If a board of education has adopted a resolution waiving its right to approve exemptions from taxation under this section and the resolution remains in effect, approval of exemptions by the board is not required under division (G) of this section. If a board of education has adopted a resolution allowing a legislative authority to deliver the notice required under division (G)(1) of this section fewer than forty-five business days before the legislative authority's adoption of the ordinance, the legislative authority shall deliver the notice to the board not later than the number of days before such adoption as prescribed by the board in its resolution. If a board of education adopts a resolution waiving its right to approve agreements or shortening the notification period, the board shall certify a copy of the resolution to the legislative authority. If the board of education rescinds such a resolution, it shall certify notice of the rescission to the legislative authority.

(4) If the legislative authority is not required by division (G) of this section to notify the board of education of the legislative authority's intent to create a downtown redevelopment district, the legislative authority shall comply with the notice requirements imposed under section 5709.83 of the Revised Code, unless the board has adopted a resolution under that section waiving its right to receive such a notice.

(H) Service payments in lieu of taxes that are attributable to any amount by which the effective tax rate of either a renewal levy with an increase or a replacement levy exceeds the effective

tax rate of the levy renewed or replaced, or that are attributable to an additional levy, for a levy authorized by the voters for any of the following purposes on or after January 1, 2006, and which are provided pursuant to an ordinance creating a downtown redevelopment district under division (B) of this section shall be distributed to the appropriate taxing authority as required under division (C) of section 5709.46 of the Revised Code in an amount equal to the amount of taxes from that additional levy or from the increase in the effective tax rate of such renewal or replacement levy that would have been payable to that taxing authority from the following levies were it not for the exemption authorized under division (B) of this section:

(1) A tax levied under division (L) of section 5705.19 or section 5705.191 of the Revised Code for community ~~mental retardation and~~ developmental disabilities programs and services pursuant to Chapter 5126. of the Revised Code;

(5) A tax levied under section 5705.23 of the Revised Code for library purposes;

(6) A tax levied under section 5705.24 of the Revised Code for the support of children services and the placement and care of children;

(8) A tax levied under section 511.27 or division (H) of section 5705.19 of the Revised Code for the support of township park districts;

(9) A tax levied under division (A), (F), or (H) of section 5705.19 of the Revised Code for parks and recreational purposes of a joint recreation district organized pursuant to division (B) of section 755.14 of the Revised Code;

(10) A tax levied under section 1545.20 or 1545.21 of the Revised Code for park district purposes;

(11) A tax levied under section 5705.191 of the Revised Code for the purpose of making appropriations for public assistance; human or social services; public relief; public welfare; public health and hospitalization; and support of general hospitals;

(12) A tax levied under section 3709.29 of the Revised Code for a general health district program.

(I) An exemption from taxation granted under this section commences with the tax year specified in the ordinance so long as the year specified in the ordinance commences after the effective date of the ordinance. If the ordinance specifies a year commencing before the effective date of the ordinance or specifies no year whatsoever, the exemption commences with the tax year in which an exempted improvement first appears on the tax list and that commences after the effective date of the ordinance. In lieu of stating a specific year, the ordinance may provide that the exemption commences in the tax year in which the value of an improvement exceeds a specified amount or in which the construction of one or more improvements is completed, provided that such tax year commences after the effective date of the ordinance.

Except as otherwise provided in this division, the exemption ends on the date specified in the ordinance as the date the improvement ceases to be a public purpose or the downtown redevelopment district expires, whichever occurs first. The exemption of an improvement within a downtown redevelopment district may end on a later date, as specified in the ordinance, if the legislative authority and the board of education of the city, local, or exempted village school district within which the parcel or district is located have entered into a compensation agreement under section 5709.82 of the Revised Code with respect to the improvement, and the board of education has approved the term of the exemption under division (G) of this section, but in no case shall the improvement be exempted from taxation for more than thirty years. Exemptions shall be claimed and allowed in the same manner as in the case of other real property exemptions. If an exemption status changes during a year, the procedure for the apportionment of the taxes for that year is the same as in the case of other changes in tax exemption status during the year.

(J) Additional municipal financing of the projects and services described in division (E) of this section may be provided by any methods that the municipal corporation may otherwise use for financing such projects and services. If the municipal corporation issues bonds or notes to finance such projects and services and pledges money from the municipal downtown redevelopment district fund to pay the interest on and principal of the bonds or notes, the bonds or notes are not subject to Chapter 133. of the Revised Code.

(K) The municipal corporation, not later than fifteen days after the adoption of an ordinance under this section, shall submit to the director of development services a copy of the ordinance. On or before the thirty-first day of March of each year, the municipal corporation shall submit a status report to the director of development services. The report shall indicate, in the manner prescribed by the director, the progress of the projects and services during each year that an exemption remains in effect, including a summary of the receipts from service payments in lieu of taxes; expenditures of money from the funds created under section 5709.47 of the Revised Code; a description of the projects and services financed with such expenditures; and a quantitative summary of changes in employment and private investment resulting from each project and service.

(L) Nothing in this section shall be construed to prohibit a legislative authority from declaring to be a public purpose improvements with respect to more than one parcel.

(M)(1) The owner of real property located in a downtown redevelopment district may enter into an agreement with the municipal corporation that created the district to impose a redevelopment charge on the property to cover all or part of the cost of services, facilities, and improvements provided within the district under division (E) of this section. The agreement shall include the following:

(a) The amount of the redevelopment charge. The redevelopment charge may be a fixed dollar amount or an amount determined on the basis of the assessed valuation of the property or all or part of the profits, gross receipts, or other revenues of a business operating on the property, including rentals received from leases of the property. If the property is leased to one or more tenants, the redevelopment charge may be itemized as part of the lease rate.

(b) The termination date of the redevelopment charge. The redevelopment charge shall not be charged after the expiration or termination of the downtown redevelopment district.

(c) The terms by which the municipal corporation shall collect the redevelopment charge.

(d) The purposes for which the redevelopment charge may be used by the municipal corporation. The redevelopment charge shall be used only for those purposes described by division (E) of this section. The agreement may specify any or all of such purposes.

(2) Redevelopment charges collected by a municipal corporation under division (M) of this section shall be deposited to the municipal downtown redevelopment district fund created under section 5709.47 of the Revised Code.

(3) An agreement by a property owner under division (M) of this section is hereby deemed to be a covenant running with the land. The covenant is fully binding on behalf of and enforceable by the municipal corporation against any person acquiring an interest in the land and all of that person's successors and assigns.

(4) No purchase agreement for real estate or any interest in real estate upon which a redevelopment charge is levied shall be enforceable by the seller or binding upon the purchaser unless the purchase agreement specifically refers to the redevelopment charge. If a conveyance of such real estate or interest in such real estate is made pursuant to a purchase agreement that does not make such reference, the redevelopment charge shall continue to be a covenant running with the land fully binding on behalf of and enforceable by the municipal corporation against the person accepting the conveyance pursuant to the purchase agreement.

(5) If a redevelopment charge is not paid when due, the overdue amount shall be collected according to the terms of the agreement. If the agreement does not specify a procedure for collecting overdue redevelopment charges, the municipal corporation may certify the charge to the county auditor. The county auditor shall enter the unpaid charge on the tax list and duplicate of real property opposite the parcel against which it is charged and certify the charge to the county treasurer. The unpaid redevelopment charge is a lien on property against which it is charged from the date the charge is entered on the tax list, and shall be collected in the manner provided for the collection of real property taxes. Once the charge is collected, it shall be paid immediately to the municipal corporation.

date as of which the total value of the corporation is determined under division (A) or (C) of section 5733.05 of the Revised Code.

(F) "Tax year" means the calendar year in and for which the tax imposed by section 5733.06 of the Revised Code is required to be paid.

(H) "Federal income tax" means the income tax imposed by the Internal Revenue Code.

(I) Except as provided in section 5733.058 of the Revised Code, "net income" means the taxpayer's taxable income before operating loss deduction and special deductions, as required to be reported for the taxpayer's taxable year under the Internal Revenue Code, subject to the following adjustments:

(1)(a) Deduct any net operating loss incurred in any taxable years ending in 1971 or thereafter, but exclusive of any net operating loss incurred in taxable years ending prior to January 1, 1971. This deduction shall not be allowed in any tax year commencing before December 31, 1973, but shall be carried over and allowed in tax years commencing after December 31, 1973, until fully utilized in the next succeeding taxable year or years in which the taxpayer has net income, but in no case for more than the designated carryover period as described in division (I)(1)(b) of this section. The amount of such net operating loss, as determined under the allocation and apportionment provisions of section 5733.051 and division (B) of section 5733.05 of the Revised Code for the year in which the net operating loss occurs, shall be deducted from net income, as determined under the allocation and apportionment provisions of section 5733.051 and division (B) of section 5733.05 of the Revised Code, to the extent necessary to reduce net income to zero with the remaining unused portion of the deduction, if any, carried forward to the remaining years of the designated carryover period as described in division (I)(1)(b) of this section, or until fully utilized, whichever occurs first.

(b) For losses incurred in taxable years ending on or before December 31, 1981, the designated carryover period shall be the five consecutive taxable years after the taxable year in which the net operating loss occurred. For losses incurred in taxable years ending on or after January 1, 1982, and beginning before August 6, 1997, the designated carryover period shall be the fifteen consecutive taxable years after the taxable year in which the net operating loss occurs. For losses incurred in taxable years beginning on or after August 6, 1997, the designated carryover period shall be the twenty consecutive taxable years after the taxable year in which the net operating loss occurs.

(c) The tax commissioner may require a taxpayer to furnish any information necessary to support a claim for deduction under division (I)(1)(a) of this section and no deduction shall be allowed unless the information is furnished.

(2) Deduct any amount included in net income by application of section 78 or 951 of the Internal Revenue Code, amounts received for royalties, technical or other services derived from sources outside the United States, and dividends received from a subsidiary, associate, or affiliated corporation that neither transacts any substantial portion of its business nor regularly maintains any substantial portion of its assets within the United States. For purposes of determining net foreign source income deductible under division (I)(2) of this section, the amount of gross income from all such sources other than dividend income and income derived by application of section 78 or 951 of the Internal Revenue Code shall be reduced by:

- (a) The amount of any reimbursed expenses for personal services performed by employees of the taxpayer for the subsidiary, associate, or affiliated corporation;
- (b) Ten per cent of the amount of royalty income and technical assistance fees;
- (c) Fifteen per cent of the amount of all other income.

The amounts described in divisions (I)(2)(a) to (c) of this section are deemed to be the expenses attributable to the production of deductible foreign source income unless the taxpayer shows, by clear and convincing evidence, less actual expenses, or the tax commissioner shows, by clear and convincing evidence, more actual expenses.

(3) Add any loss or deduct any gain resulting from the sale, exchange, or other disposition of a capital asset, or an asset described in section 1231 of the Internal Revenue Code, to the extent that such loss or gain occurred prior to the first taxable year on which the tax provided for in section 5733.06 of the Revised Code is computed on the corporation's net income. For purposes of division (I)(3) of this section, the amount of the prior loss or gain shall be measured by the difference between the original cost or other basis of the asset and the fair market value as of the beginning of the first taxable year on which the tax provided for in section 5733.06 of the Revised Code is computed on the corporation's net income. At the option of the taxpayer, the amount of the prior loss or gain may be a percentage of the gain or loss, which percentage shall be determined by multiplying the gain or loss by a fraction, the numerator of which is the number of months from the acquisition of the asset to the beginning of the first taxable year on which the fee provided in section 5733.06 of the Revised Code is computed on the corporation's net income, and the denominator of which is the number of months from the acquisition of the asset to the sale, exchange, or other disposition of the asset. The adjustments described in this division do not apply to any gain or loss where the gain or loss is recognized by a qualifying taxpayer, as defined in section 5733.0510 of the Revised Code, with respect to a qualifying taxable event, as defined in that section.

(4) Deduct the dividend received deduction provided by section 243 of the Internal Revenue Code.

(5) Deduct any interest or interest equivalent on public obligations and purchase obligations to the extent included in federal taxable income. As used in divisions (I)(5) and (6) of this section, "public obligations," "purchase obligations," and "interest or interest equivalent" have the same meanings as in section 5709.76 of the Revised Code.

(6) Add any loss or deduct any gain resulting from the sale, exchange, or other disposition of public obligations to the extent included in federal taxable income.

(7) To the extent not otherwise allowed, deduct any dividends or distributions received by a taxpayer from a public utility, excluding an electric company and a combined company, and, for tax years 2005 and thereafter, a telephone company, if the taxpayer owns at least eighty per cent of the issued and outstanding common stock of the public utility. As used in division (I)(7) of this section, "public utility" means a public utility as defined in Chapter 5727. of the Revised Code, whether or not the public utility is doing business in the state.

(8) To the extent not otherwise allowed, deduct any dividends received by a taxpayer from an insurance company, if the taxpayer owns at least eighty per cent of the issued and outstanding common stock of the insurance company. As used in division (I)(8) of this section, "insurance company" means an insurance company that is taxable under Chapter 5725. or 5729. of the Revised

Code.

(9) Deduct expenditures for modifying existing buildings or structures to meet American national standards institute standard A-117.1-1961 (R-1971), as amended; provided, that no deduction shall be allowed to the extent that such deduction is not permitted under federal law or under rules of the tax commissioner. Those deductions as are allowed may be taken over a period of five years. The tax commissioner shall adopt rules under Chapter 119. of the Revised Code establishing reasonable limitations on the extent that expenditures for modifying existing buildings or structures are attributable to the purpose of making the buildings or structures accessible to and usable by ~~physically handicapped persons~~ with physical disabilities.

(10) Deduct the amount of wages and salaries, if any, not otherwise allowable as a deduction but that would have been allowable as a deduction in computing federal taxable income before operating loss deduction and special deductions for the taxable year, had the targeted jobs credit allowed and determined under sections 38, 51, and 52 of the Internal Revenue Code not been in effect.

(11) Deduct net interest income on obligations of the United States and its territories and possessions or of any authority, commission, or instrumentality of the United States to the extent the laws of the United States prohibit inclusion of the net interest for purposes of determining the value of the taxpayer's issued and outstanding shares of stock under division (B) of section 5733.05 of the Revised Code. As used in division (I)(11) of this section, "net interest" means interest net of any expenses taken on the federal income tax return that would not have been allowed under section 265 of the Internal Revenue Code if the interest were exempt from federal income tax.

(12)(a) Except as set forth in division (I)(12)(d) of this section, to the extent not included in computing the taxpayer's federal taxable income before operating loss deduction and special deductions, add gains and deduct losses from direct or indirect sales, exchanges, or other dispositions, made by a related entity who is not a taxpayer, of the taxpayer's indirect, beneficial, or constructive investment in the stock or debt of another entity, unless the gain or loss has been included in computing the federal taxable income before operating loss deduction and special deductions of another taxpayer with a more closely related investment in the stock or debt of the other entity. The amount of gain added or loss deducted shall not exceed the product obtained by multiplying such gain or loss by the taxpayer's proportionate share, directly, indirectly, beneficially, or constructively, of the outstanding stock of the related entity immediately prior to the direct or indirect sale, exchange, or other disposition.

(b) Except as set forth in division (I)(12)(e) of this section, to the extent not included in computing the taxpayer's federal taxable income before operating loss deduction and special deductions, add gains and deduct losses from direct or indirect sales, exchanges, or other dispositions made by a related entity who is not a taxpayer, of intangible property other than stock, securities, and debt, if such property was owned, or used in whole or in part, at any time prior to or at the time of the sale, exchange, or disposition by either the taxpayer or by a related entity that was a taxpayer at any time during the related entity's ownership or use of such property, unless the gain or loss has been included in computing the federal taxable income before operating loss deduction and special deductions of another taxpayer with a more closely related ownership or use of such intangible property. The amount of gain added or loss deducted shall not exceed the product obtained by

multiplying such gain or loss by the taxpayer's proportionate share, directly, indirectly, beneficially, or constructively, of the outstanding stock of the related entity immediately prior to the direct or indirect sale, exchange, or other disposition.

(c) As used in division (I)(12) of this section, "related entity" means those entities described in divisions (I)(12)(c)(i) to (iii) of this section:

(e) For purposes of the adjustments required by division (I)(12)(b) of this section, the term "related entity" excludes all of the following:

- (i) Foreign corporations as defined in section 7701 of the Internal Revenue Code;
- (ii) Foreign partnerships as defined in section 7701 of the Internal Revenue Code;
- (iii) Corporations, partnerships, estates, and trusts created or organized in or under the laws of the Commonwealth of Puerto Rico or any possession of the United States;

(b) It resulted in a reduction of the corporation's taxable income before operating loss deduction and special deductions as required to be reported for any of the corporation's taxable years under the Internal Revenue Code.

(15) Deduct the amount contributed by the taxpayer to an individual development account program established by a county department of job and family services pursuant to sections 329.11 to 329.14 of the Revised Code for the purpose of matching funds deposited by program participants. (c) To the extent the add-back is attributable to property generating income or loss allocable under section 5733.051 of the Revised Code, the add-back shall be allocated to the same location as the income or loss generated by that property. Otherwise, the add-back shall be apportioned, subject to division (B)(2)(d) of section 5733.05 of the Revised Code.

(18)(a) If a person is required to make the add-back under division (I)(17)(a) of this section

(C) If the tax commissioner ascertains that any credit claimed pursuant to this section by a taxpayer was not correct, the commissioner shall ascertain the proper credit. No cost incurred after December 31, 2007, shall be considered for purposes of computing any credit allowed by this section.

Whenever it appears that a person is eligible for care or treatment by the veterans' administration or other agency of the United States, and hospitalization is necessary for the proper care or treatment of such person, the probate court, upon receipt of a certificate from the veterans' administration or such other agency showing that facilities are available and such person is eligible for care or treatment therein, may order such person to said veterans' administration or other agency for care and treatment.

Upon admission, such person shall be subject to the applicable regulations of the veterans' administration or other agency of the United States. The chief officer of any hospital to which any person is admitted pursuant to hospitalization as provided in sections 5905.01 to 5905.19 of the Revised Code, or under the law in effect at the time of such admission, shall have the same powers as are exercised by heads of hospitals for mental diseases and the department of mental health and addiction services with respect to the retention, transfer, parole, or discharge of the person hospitalized; provided no person shall be transferred to a hospital operated by the state or any political subdivision thereof without the consent of such department.

The right of such person to appear and defend shall not be denied.

The judgment or order of hospitalization by a court of competent jurisdiction of another state ordering a person to the veterans' administration or other agency of the United States, or any hospital operated by any such agency, for care or treatment shall have the same effect as to such person while in this state as in the state in which the court entering such judgment or making such order is situated, provided that no nonresident ordered to a veterans' administration facility located in Ohio shall thereby acquire a legal settlement in Ohio.

Upon receipt of a certificate that facilities are available in any such hospital operated by the United States for the care or treatment of any person ordered to any hospital for ~~the mentally ill~~ persons with mental illnesses or other hospital in this state for the care of persons similarly afflicted, and that such person is eligible for such care or treatment, such department may transfer any such person to the veterans' administration or other agency of the United States in the state. Upon effecting any such transfer, the ordering court shall be notified thereof by the transferring agency; provided

that no such person shall be transferred if the person is confined pursuant to conviction of any crime or misdemeanor, or if the person has been acquitted of any such charge solely on the ground of insanity, unless prior to such transfer the court originally ordering such person enters an order for such transfer after appropriate motion and hearing.

Any person transferred as provided in this section is ordered to the veterans' administration or other agency of the United States pursuant to the original order as though the person had been originally so ordered.

Sec. 5907.06. (A) A ~~mentally ill person with a mental illness~~ subject to court order whose mental condition causes the person to be dangerous to the community shall not be admitted to a veterans' home. If a ~~mentally ill person with a mental illness~~ subject to court order, through misrepresentation as to the person's condition, is sent to a home, the person shall be returned to, and the expense of the return shall be borne by, the county from which the person came.

(B) As used in this section, "~~mentally ill person with a mental illness~~ subject to court order" has the same meaning as in section 5122.01 of the Revised Code.

Sec. 5907.09. (A) When the affidavit referred to in section 5907.08 of the Revised Code is filed, the probate judge shall forthwith determine whether the resident is a ~~mentally ill person with a mental illness~~ subject to court order. Insofar as applicable, the laws governing in cases of admission to a state hospital for persons with mental illness shall apply. The probate judge shall have the same authority, and may receive and order paid the same fees and costs, as the probate judge would have in the county in which the veteran was a resident at the time of entering the veterans' home.

If the court finds the accused competent to stand trial and the accused is receiving psychotropic drugs or other medication, the court may authorize the continued administration of the drugs or medication or other appropriate treatment in order to maintain the accused's competence to stand trial unless the accused's attending physician advises the court against continuation of the drugs, other medication, or treatment.

(B)(1)(a) If, after taking into consideration all relevant reports, information, and other evidence, the court finds that the accused is incompetent to stand trial and that there is a substantial probability that the accused will become competent to stand trial within one year if the accused is provided with a course of treatment, the court shall order the accused to undergo treatment. If the accused is being tried by a general court-martial and if, after taking into consideration all relevant reports, information, and other evidence, the court finds that the accused is incompetent to stand trial, but the court is unable at that time to determine whether there is a substantial probability that the

accused will become competent to stand trial within one year if the accused is provided with a course of treatment, the court shall order continuing evaluation and treatment of the accused for a period not to exceed four months to determine whether there is a substantial probability that the accused will become competent to stand trial within one year if the accused is provided with a course of treatment.

(b) The court order for the accused to undergo treatment or continuing evaluation and treatment under division (B)(1)(a) of this section shall specify that the accused, if determined to require mental health treatment or continuing evaluation and treatment, shall be committed to the department of mental health and addiction services for treatment or continuing evaluation and treatment at a hospital, facility, or agency determined to be clinically appropriate by the department of mental health and addiction services. The order may restrict the accused's freedom of movement as the court considers necessary. The trial counsel in the accused's case shall send to the chief clinical officer of the hospital, facility, or services provider where the accused is placed by the department of mental health and addiction services or to the managing officer of the institution, the director of the facility, or the person to which the accused is committed copies of relevant investigative reports and other background information that pertains to the accused and is available to the trial counsel unless the trial counsel determines that the release of any of the information in the investigative reports or any of the other background information to unauthorized persons would interfere with the effective prosecution of any person or would create a substantial risk of harm to any person.

In committing the accused to the department of mental health and addiction services, the court shall consider the extent to which the person is a danger to the person and to others, the need for security, and the type of crime involved and, if the court finds that restrictions on the accused's freedom of movement are necessary, shall specify the least restrictive limitations on the person's freedom of movement determined to be necessary to protect public safety. In weighing these factors, the court shall give preference to protecting public safety.

(c) If the accused is found incompetent to stand trial, if the chief clinical officer of the hospital, facility, or services provider where the accused is placed, or the managing officer of the institution, the director of the facility, or the person to which the accused is committed for treatment or continuing evaluation and treatment under division (B)(1)(b) of this section determines that medication is necessary to restore the accused's competency to stand trial, and if the accused lacks the capacity to give informed consent or refuses medication, the chief clinical officer of the hospital, facility, or services provider where the accused is placed or the managing officer of the institution, the director of the facility, or the person to which the accused is committed for treatment or continuing evaluation and treatment may petition the court for authorization for the involuntary administration of medication. The court shall hold a hearing on the petition within five days of the filing of the petition. Following the hearing, the court may authorize the involuntary administration of medication or may dismiss the petition.

(d) If the accused is charged before a special or summary court-martial with an offense that is not a violation of section 5924.120, 5924.127, or 5924.128 of the Revised Code, the trial counsel may hold the charges in abeyance while the accused engages in mental health treatment.

(2) If the court finds that the accused is incompetent to stand trial and that, even if the accused is provided with a course of treatment, there is not a substantial probability that the accused will become competent to stand trial within one year, the court shall order the discharge of the

accused, unless upon motion of the trial counsel or on its own motion, the court either seeks to retain jurisdiction over the accused pursuant to division (A)(2) of section 5924.504 of the Revised Code or files an affidavit in the probate court for the civil commitment of the accused pursuant to Chapter 5122. of the Revised Code alleging that the accused is a ~~mentally ill~~ person with a mental illness subject to hospitalization by court order. If an affidavit is filed in the probate court, the trial court shall send to the probate court copies of all written reports of the accused's mental condition that were prepared pursuant to section 5924.502 of the Revised Code.

The trial court may issue the temporary order of detention that a probate court may issue under section 5122.11 of the Revised Code, to remain in effect until the probable cause or initial hearing in the probate court. Further proceedings in the probate court are civil proceedings governed by Chapter 5122. of the Revised Code.

(C) No accused shall be required to undergo treatment, including any continuing evaluation and treatment, under division (B)(1) of this section for longer than whichever of the following periods is applicable:

- (1) One year, if the accused is being tried by a general court-martial;
- (2) Six months, if the accused is being tried before a special court-martial;
- (3) Sixty days, if the accused is being tried before a summary court-martial.

(D) Any accused who is committed pursuant to this section shall not voluntarily admit the accused or be voluntarily admitted to a hospital or institution pursuant to section 5122.02 or 5122.15 of the Revised Code.

(E) Except as otherwise provided in this division, an accused who is charged with an offense and is committed by the court under this section to the department of mental health and addiction services with restrictions on the accused's freedom of movement shall not be granted unsupervised on-grounds movement, supervised off-grounds movement, or nonsecured status except in accordance with the court order. The court may grant an accused supervised off-grounds movement to obtain medical treatment or specialized habilitation treatment services if the person who supervises the treatment or the continuing evaluation and treatment of the accused ordered under division (B)(1)(a) of this section informs the court that the treatment or continuing evaluation and treatment cannot be provided at the hospital or facility where the accused is placed by the department of mental health and addiction services. The chief clinical officer of the hospital or facility where the accused is placed by the department of mental health and addiction services or the managing officer of the institution or director of the facility to which the accused is committed or a designee of any of those persons may grant an accused movement to a medical facility for an emergency medical situation with appropriate supervision to ensure the safety of the accused, staff, and community during that emergency medical situation. The chief clinical officer of the hospital or facility where the accused is placed by the department of mental health and addiction services or the managing officer of the institution or director of the facility to which the accused is committed shall notify the court within twenty-four hours of the accused's movement to the medical facility for an emergency medical situation under this division.

(F) The person who supervises the treatment or continuing evaluation and treatment of an accused ordered to undergo treatment or continuing evaluation and treatment under division (B)(1)(a) of this section shall file a written report with the court at the following times:

(1) Whenever the person believes the accused is capable of understanding the nature and objective of the proceedings against the accused and of assisting in the accused's defense;

(2) Fourteen days before expiration of the maximum time for treatment as specified in division (C) of this section and fourteen days before the expiration of the maximum time for continuing evaluation and treatment as specified in division (B)(1)(a) of this section;

(3) At a minimum, after each six months of treatment;

(4) Whenever the person who supervises the treatment or continuing evaluation and treatment of an accused ordered under division (B)(1)(a) of this section believes that there is not a substantial probability that the accused will become capable of understanding the nature and objective of the proceedings against the accused or of assisting in the accused's defense even if the accused is provided with a course of treatment.

(G) A report under division (F) of this section shall contain the examiner's findings, the facts in reasonable detail on which the findings are based, and the examiner's opinion as to the accused's capability of understanding the nature and objective of the proceedings against the accused and of assisting in the accused's defense. If, in the examiner's opinion, the accused remains incapable of understanding the nature and objective of the proceedings against the accused and of assisting in the accused's defense and there is a substantial probability that the accused will become capable of understanding the nature and objective of the proceedings against the accused and of assisting in the accused's defense if the accused is provided with a course of treatment, if in the examiner's opinion the accused remains mentally ill, and if the maximum time for treatment as specified in division (C) of this section has not expired, the report also shall contain the examiner's recommendation as to the least restrictive placement or commitment alternative that is consistent with the accused's treatment needs for restoration to competency and with the safety of the community. The court shall provide copies of the report to the trial counsel and defense counsel.

(H) If an accused is committed pursuant to division (B)(1) of this section, within ten days after the treating physician of the accused or the examiner of the accused who is employed or retained by the treating facility advises that there is not a substantial probability that the accused will become capable of understanding the nature and objective of the proceedings against the accused or of assisting in the accused's defense even if the accused is provided with a course of treatment, within ten days after the expiration of the maximum time for treatment as specified in division (C) of this section, within ten days after the expiration of the maximum time for continuing evaluation and treatment as specified in division (B)(1)(a) of this section, within thirty days after an accused's request for a hearing that is made after six months of treatment, or within thirty days after being advised by the treating physician or examiner that the accused is competent to stand trial, whichever is the earliest, the court shall conduct another hearing to determine if the accused is competent to stand trial and shall do whichever of the following is applicable:

(1) If the court finds that the accused is competent to stand trial, the accused shall be proceeded against as provided by law.

(2) If the court finds that the accused is incompetent to stand trial, but that there is a substantial probability that the accused will become competent to stand trial if the accused is provided with a course of treatment, and the maximum time for treatment as specified in division (C) of this section has not expired, the court, after consideration of the examiner's recommendation, shall

order that treatment be continued, may change least restrictive limitations on the accused's freedom of movement.

(3) If the court finds that the accused is incompetent to stand trial, if the accused is being tried by a general court-martial, and if the court finds that there is not a substantial probability that the accused will become competent to stand trial even if the accused is provided with a course of treatment, or if the maximum time for treatment as specified in division (C) of this section has expired, further proceedings shall be as provided in sections 5924.504 to 5924.506 of the Revised Code.

(4) If the court finds that the accused is incompetent to stand trial, if the accused is being tried before a special court-martial, and if the court finds that there is not a substantial probability that the accused will become competent to stand trial even if the accused is provided with a course of treatment, or if the maximum time for treatment as specified in division (C) of this section has expired, the court shall dismiss the charge against the accused. A dismissal under this division is not a bar to further prosecution based on the same conduct. The court shall discharge the accused unless the court or trial counsel files an affidavit in probate court for civil commitment pursuant to Chapter 5122. of the Revised Code. If an affidavit for civil commitment is filed, the court may detain the accused for ten days pending civil commitment. All of the following provisions apply to persons being tried by a special court-martial who are committed by the probate court subsequent to the court's or trial counsel's filing of an affidavit for civil commitment under authority of this division:

(a) The chief clinical officer of the entity, hospital, or facility, the managing officer of the institution, or the person to which the accused is committed or admitted shall do all of the following:

(i) Notify the trial counsel in writing of the discharge of the accused, send the notice at least ten days prior to the discharge unless the discharge is by the probate court, and state in the notice the date on which the accused will be discharged;

(ii) Notify the trial counsel in writing when the accused is absent without leave or is granted unsupervised, off-grounds movement and send this notice promptly after the discovery of the absence without leave or prior to the granting of the unsupervised, off-grounds movement, whichever is applicable;

(iii) Notify the trial counsel in writing of the change of the accused's commitment or admission to voluntary status, send the notice promptly upon learning of the change to voluntary status, and state in the notice the date on which the accused was committed or admitted on a voluntary status.

(b) The trial counsel shall promptly inform the convening authority of any notification received under division (H)(4)(a) of this section. Upon receiving notice that the accused will be granted unsupervised, off-grounds movement, the convening authority either shall refer the charges against the accused to an investigating officer again or promptly notify the court that the convening authority does not intend to refer the charges against the accused again.

(I) If an accused is convicted of a crime and sentenced to confinement, the accused's sentence shall be reduced by the total number of days the accused is confined for evaluation to determine the accused's competence to stand trial or treatment under this section and sections 5924.502 and 5924.504 of the Revised Code or by the total number of days the accused is confined for evaluation to determine the accused's mental condition at the time of the offense charged.

Sec. 5924.504. (A) If an accused being tried by a general court-martial is found incompetent to stand trial, after the expiration of the maximum time for treatment as specified in division (C) of section 5924.503 of the Revised Code or after the court finds that there is not a substantial probability that the accused will become competent to stand trial even if the accused is provided with a course of treatment, one of the following applies:

(1) The court or the trial counsel may file an affidavit in probate court for civil commitment of the accused in the manner provided in Chapter 5122. of the Revised Code. If the court or trial counsel files an affidavit for civil commitment, the court may detain the accused for ten days pending civil commitment. If the probate court commits the accused subsequent to the court's or trial counsel's filing of an affidavit for civil commitment, the chief clinical officer of the entity, hospital, or facility, the managing officer of the institution, or the person to which the accused is committed or admitted shall send to the trial counsel the notices described in divisions (H)(4)(a)(i) to (iii) of section 5924.503 of the Revised Code within the periods of time and under the circumstances specified in those divisions.

(2) On the motion of the trial counsel or on its own motion, the court may retain jurisdiction over the accused if at a hearing the court finds both of the following by clear and convincing evidence:

(a) The accused committed the offense with which the accused is charged.

(b) The accused is a ~~mentally ill~~ person with a mental illness subject to hospitalization by court order.

(B) In making its determination under division (A)(2) of this section as to whether to retain jurisdiction over the accused, the court may consider all relevant evidence, including, but not limited to, any relevant psychiatric, psychological, or medical testimony or reports, the acts constituting the offense charged, and any history of the accused that is relevant to the accused's ability to conform to the law.

(C) If the court conducts a hearing as described in division (A)(2) of this section and if the court does not make both findings described in divisions (A)(2)(a) and (b) of this section by clear and convincing evidence, the court shall dismiss the charges against the accused. Upon the dismissal, the court shall discharge the accused unless the court or trial counsel files an affidavit in probate court for civil commitment of the accused pursuant to Chapter 5122. of the Revised Code. If the court or trial counsel files an affidavit for civil commitment, the court may order that the accused be detained for up to ten days pending the civil commitment. If the probate court commits the accused subsequent to the court's or trial counsel's filing of an affidavit for civil commitment, the chief clinical officer of the entity, hospital, or facility, the managing officer of the institution, or the person to which the accused is committed or admitted shall send to the trial counsel the notices described in divisions (H)(4)(a)(i) to (iii) of section 5924.503 of the Revised Code within the periods of time and under the circumstances specified in those divisions. A dismissal of charges under this division is not a bar to further criminal proceedings based on the same conduct.

(D)(1) If the court conducts a hearing as described in division (A)(2) of this section and if the court makes the findings described in divisions (A)(2)(a) and (b) of this section by clear and convincing evidence, the court shall commit the accused, if determined to require mental health treatment, to the department of mental health and addiction services for treatment at a hospital,

facility, or services provider as determined clinically appropriate by the department of mental health and addiction services. In committing the accused to the department of mental health and addiction services, the court shall specify the least restrictive limitations on the accused's freedom of movement determined to be necessary to protect public safety.

(2) If a court makes a commitment of an accused under division (D)(1) of this section, the trial counsel shall send to the hospital, facility, or services provider where the accused is placed by the department of mental health and addiction services or to the accused's place of commitment all reports of the accused's current mental condition and, except as otherwise provided in this division, any other relevant information, including, but not limited to, a transcript of the hearing held pursuant to division (A)(2) of this section, copies of relevant investigative reports, and copies of any prior arrest and conviction records that pertain to the accused and that the trial counsel possesses. The trial counsel shall send the reports of the accused's current mental condition in every case of commitment, and, unless the trial counsel determines that the release of any of the other relevant information to unauthorized persons would interfere with the effective prosecution of any person or would create a substantial risk of harm to any person, the trial counsel also shall send the other relevant information.

(3) If a court makes a commitment under division (D)(1) of this section, all further proceedings shall be in accordance with Chapter 5122. of the Revised Code.

Sec. 5924.506. (A) If an accused person is found not guilty by reason of insanity, the verdict shall state that finding, and the trial court shall conduct a full hearing to determine whether the person is a ~~mentally ill~~ person with a mental illness subject to hospitalization by court order. Prior to the hearing, if the military judge believes that there is probable cause that the person found not guilty by reason of insanity is a ~~mentally ill~~ person with a mental illness subject to hospitalization by court order, the military judge may issue a temporary order of detention for that person to remain in effect for ten court days or until the hearing, whichever occurs first.

Any person detained pursuant to a temporary order of detention issued under this division shall be held in a suitable facility, taking into consideration the place and type of confinement prior to and during trial.

(B) The court shall hold the hearing under division (A) of this section to determine whether the person found not guilty by reason of insanity is a ~~mentally ill~~ person with a mental illness subject to hospitalization by court order within ten court days after the finding of not guilty by reason of insanity. Failure to conduct the hearing within the ten-day period shall cause the immediate discharge of the respondent, unless the judge grants a continuance for not longer than ten court days for good cause shown or for any period of time upon motion of the respondent.

(C) If a person is found not guilty by reason of insanity, the person has the right to attend a hearing conducted pursuant to this section. At the hearing, the court shall inform the person that the person has all of the following rights:

- (1) The right to be represented by defense counsel or to retain civilian counsel, if the person so chooses;
- (2) The right to have independent expert evaluation;
- (3) The right to subpoena witnesses and documents, to present evidence on the person's behalf, and to cross-examine witnesses against the person;
- (4) The right to testify in the person's own behalf and to not be compelled to testify;

(5) The right to have copies of any relevant medical or mental health document in the custody of the state or of any place of commitment other than a document for which the court finds that the release to the person of information contained in the document would create a substantial risk of harm to any person.

(D) The hearing under division (A) of this section shall be open to the public, and the court shall conduct the hearing in accordance with regulations prescribed by the adjutant general. The court shall make and maintain a full transcript and record of the hearing proceedings. The court may consider all relevant evidence, including, but not limited to, any relevant psychiatric, psychological, or medical testimony or reports, the acts constituting the offense in relation to which the person was found not guilty by reason of insanity, and any history of the person that is relevant to the person's ability to conform to the law.

(E) Upon completion of the hearing under division (A) of this section, if the court finds there is not clear and convincing evidence that the person is a ~~mentally ill~~ person with a mental illness subject to hospitalization by court order, the court shall discharge the person, unless a detainer has been placed upon the person by the department of rehabilitation and correction, in which case the person shall be returned to that department.

(F) If, at the hearing under division (A) of this section, the court finds by clear and convincing evidence that the person is a ~~mentally ill~~ person with a mental illness subject to hospitalization by court order, it shall commit the person to the department of mental health and addiction services for placement in a hospital, facility, or services provider as determined clinically appropriate by the department of mental health and addiction services. Further proceedings shall be in accordance with Chapter 5122. or 5123. of the Revised Code. In committing the accused to the department of mental health and addiction services, the court shall specify the least restrictive limitations on the accused's freedom of movement determined to be necessary to protect public safety.

(G) If a court makes a commitment of a person under division (F) of this section, the trial counsel shall send to the hospital, facility, or services provider where the defendant is placed by the department of mental health and addiction services or to the accused's place of commitment all reports of the person's current mental condition, and, except as otherwise provided in this division, any other relevant information, including, but not limited to, a transcript of the hearing held pursuant to division (A) of this section, copies of relevant investigative reports, and copies of any prior arrest and conviction records that pertain to the person and that the trial counsel possesses. The trial counsel shall send the reports of the person's current mental condition in every case of commitment, and, unless the trial counsel determines that the release of any of the other relevant information to unauthorized persons would interfere with the effective prosecution of any person or would create a substantial risk of harm to any person, the trial counsel also shall send the other relevant information.

(H) A person who is committed pursuant to this section shall not voluntarily admit the person or be voluntarily admitted to a hospital or institution pursuant to sections 5122.02 and 5122.15 of the Revised Code.
