Furthermore, nothing in this section shall be construed to 137
prohibit a student to possess and self-apply nonprescription 138

property or at a school-sponsored event without written 140
authorization or instructions from a healthcare provider. The 141
policy adopted by a school district pursuant to this section 142

provider, but may require parental authorization, for the 144
possession or application of such sunscreen. A designated person 145
employed by the board of education of a school district shall 146
apply sunscreen to a student in accordance with the school 147
district's policy upon request. 148
