The initial appointments made to the commission by the minority leaders of the senate and house of representatives and one of the initial appointments made by the speaker of the house of representatives and the president of the senate shall be for terms ending December 31, 1989; one of the initial appointments made by the speaker of the house of representatives and the president of the senate shall be for terms ending December 31, 1990; and the initial term of the appointment to the commission that is alternately made by the speaker of the house of representatives and the president of the senate shall be for a term ending December 31, 1989. Thereafter, terms of office shall be for

three years, each term ending on the same day of the same month of the year as did the term which it succeeds. Each member shall hold office from the date of appointment until the end of the term for which the member is appointed. Members may be reappointed one time. Vacancies shall be filled in the same manner provided for original appointments. Any member appointed to fill a vacancy occurring prior to the expiration date of the term for which the member's predecessor was appointed shall hold office for the remainder of that term. A member shall continue in office subsequent to the expiration date of the member's term until the member's successor takes office or until a period of sixty days has elapsed, whichever occurs first.

The commission shall elect a chairperson, vice-chairperson, and other officers as it considers advisable. Four voting members constitute a quorum. Members of the commission shall serve without compensation but shall be reimbursed for their actual and necessary expenses incurred in the performance of their duties.

(B) The Ohio public works commission shall:

(1) Review and evaluate persons who will be recommended to the governor for appointment to the position of director of the Ohio public works commission, and, when the commission considers it appropriate, recommend the removal of a director;

The commission shall provide the list, which may include the name of the incumbent director to the governor, not later than sixty days prior to the expiration of the term of such incumbent director. A director shall serve a two-year term upon initial appointment, and four-year terms if subsequently reappointed by the governor; however, the governor may remove a director at any time following the commission's recommendation of such action. Upon the expiration of a director's term, or in the case of the resignation, death, or removal of a director, the commission shall provide such list of the names of three persons to the governor within thirty days of such expiration, resignation, death, or removal. Nothing in this section shall prevent the governor, in the governor's discretion, from rejecting all of the nominees of the commission and requiring the commission to select three additional nominees. However, when the governor has requested and received a second list of three additional names, the governor shall make the appointment from one of the names on the first list or the second list. Appointment by the governor is subject to the advice and consent of the senate.

In the case of the resignation, removal, or death of the director during the director's term of office, a successor shall be chosen for the remainder of the term in the same manner as is provided for an original appointment.

Any member appointed to fill a vacancy occurring before the expiration date of the term for which the member's predecessor was appointed shall hold office as a member for the remainder of that term. A member shall continue in office after the expiration of the member's term until the member's successor takes office or until a period of sixty days has elapsed, whichever occurs first. Members of the commission may be reappointed. No more than two members of the commission may be members of the same district public works integrating committee.

(3) The Ohio small government capital improvements commission shall elect one of its appointed members as chairperson and another as vice-chairperson. Four voting members of the commission constitute a quorum, and the affirmative vote of four appointed members is required for any action taken by vote of the commission. No vacancy in the membership of the commission shall impair the right of a quorum by an affirmative vote of four appointed members to exercise all rights and perform all duties of the commission. (D) The Ohio small government capital improvements commission shall:

Notwithstanding any provision of law to the contrary, a county, municipal, or township public official may serve as a member of the Ohio public works commission or the Ohio small government capital improvements commission.

The program shall provide financial assistance to county governments of counties that have a population of less than eighty-five thousand according to the most recent decennial census. (b) The financial assistance for the project has been properly approved and requested by the district committee of the district which includes the recipient of the loan or grant;

(c) The amount of the financial assistance, when added to all other financial assistance provided during the fiscal year for projects within the district, does not exceed that district's allocation of money from the state capital improvements fund for that fiscal year;

All requests for payments shall be submitted to the director on forms and in accordance with procedures specified in rules adopted by the director pursuant to division (A)(4) of this section.

(11) Establish a program to provide local subdivisions with technical assistance in preparing project applications. The program shall be designed to assist local subdivisions that lack the financial or technical resources to prepare project applications on their own.

(B) When the director of the Ohio public works commission decides to conditionally approve or disapprove projects, the director's decisions and the reasons for which they are made shall be made in writing. These written decisions shall be conclusive for the purposes of the validity and enforceability of such determinations.

(C) Fees, charges, rates of interest, times of payment of interest and principal, and other terms, conditions, and provisions of and security for financial assistance provided pursuant to the provisions of this chapter shall be such as the director determines to be appropriate.
