Sec. 3935.04. As used in sections 3935.01 to 3935.17 of 1612
the Revised Code, "filing" or "filings" means the whole or any 1613

custom of the business are not written according to manual rates 1617
or rating plans, every form of a policy, endorsement, rider, 1618
manual, minimum class rate, rating schedule, or rating plan, and 1619
every other rating rule, and every modification of any of them, 1620
which it proposes to use. Every such filing shall state the 1621
proposed effective date thereof, and shall indicate the 1622
character and extent of the coverage contemplated. When a filing 1623
is not accompanied by the information upon which the insurer 1624
supports the filing, and the superintendent does not have 1625
sufficient information to determine whether the filing meets the 1626
requirements of sections 3935.01 to 3935.17 of the Revised Code, 1627
~~he~~ the superintendent shall require the insurer to furnish the 1628
information upon which it supports the filing, and in such event 1629
the waiting period shall commence as of the date the information 1630
is furnished. The information furnished in support of a filing 1631
may include the experience or judgment of the insurer or rating 1632
bureau making the filing, its interpretation of any statistical 1633
data it relies upon, the experience of other insurers or rating 1634
bureaus, or any other relevant factors. A filing and any 1635

the filing becomes effective. Trade secrets contained in any 1637
filing or in any supporting information shall not be open to 1638
public inspection, are not a public record under section 149.43 1639
of the Revised Code, and the release of such trade secrets is 1640
prohibited. Specific inland marine rates on risks specially 1641

rated, made by a rating bureau, shall be filed with the 1642
superintendent. 1643

(2) As used in division (A)(1) of this section, "trade 1644

Revised Code. 1646

(B) An insurer may satisfy its obligation to make such 1647
filings by becoming a member of, or a subscriber to, a licensed 1648
rating bureau which makes such filings, and by authorizing the 1649
superintendent to accept such filings on its behalf, but 1650
sections 3935.01 to 3935.17 of the Revised Code do not require 1651
any insurer to become a member of, or a subscriber to, any 1652
rating bureau. 1653

(C) The superintendent shall review filings as soon as 1654
reasonably possible after they have been made in order to 1655
determine whether they meet the requirements of sections 3935.01 1656
to 3935.17 of the Revised Code. 1657

(D) Subject to the exception specified in division (E) of 1658
this section, each filing shall be on file for a waiting period 1659
of thirty days before it becomes effective. Upon written 1660
application by such insurer or rating bureau, the superintendent 1661
may authorize a filing which ~~he~~ the superintendent has reviewed 1662
to become effective before the expiration of the waiting period. 1663
A filing complies with sections 3935.01 to 3935.17 of the 1664
Revised Code unless it is disapproved by the superintendent 1665
within the waiting period. 1666

(E) Specific inland marine rates on risks specially rated 1667
by a rating bureau become effective when filed and comply with 1668
sections 3935.01 to 3935.17 of the Revised Code until the 1669
superintendent reviews the filing and so long thereafter as the 1670

filing remains in effect. 1671

(F) Notwithstanding Chapter 119. of the Revised Code, the 1672
superintendent may, by written order, without notice or hearing, 1673
suspend or modify the requirements of a filing as to any kind of 1674
insurance, subdivision or combination thereof, or classes of 1675
risks, the rates for which cannot practicably be filed before 1676
they are used. Such orders shall be made known to insurers and 1677
rating bureaus affected thereby. The superintendent may make 1678
such examinations as ~~he~~ the superintendent deems advisable to 1679
ascertain whether any rates affected by such order meet the 1680
standards set forth in division (B) of section 3935.03 of the 1681
Revised Code. 1682

(G) Upon the written application of the insured, stating 1683
~~his~~ the insured's reasons therefor, filed with and approved by 1684
the superintendent, a rate in excess of that provided by a 1685
filing otherwise applicable may be used on any specific risk. 1686

(H) No insurer shall make or issue a contract or policy 1687
except in accordance with the filings which are in effect for 1688
the insurer as provided in sections 3935.01 to 3935.17 of the 1689
Revised Code or in accordance with division (F) or (G) of this 1690
section. This division does not apply to contracts or policies 1691
for inland marine risks as to which filings are not required. 1692

superintendent of insurance every form of a policy, endorsement, 1694
rider, manual of classifications, rules, and rates, every rating 1695
plan, and every modification of any of them which it proposes to 1696
use. Every such filing shall state any proposed effective date 1697
and indicate the character and extent of the coverage 1698
contemplated. When a filing is not accompanied by the 1699
information upon which the insurer supports such filing, and the 1700

superintendent does not have sufficient information to determine 1701
whether such filing complies with sections 3937.01 to 3937.17 of 1702
the Revised Code, ~~he~~ the superintendent may require such insurer 1703
to furnish the information upon which it supports such filing. 1704
Any filing may be supported by the experience or judgment of the 1705
insurer or rating organization making the filing, the experience 1706
of other insurers or rating organizations, or any other factors 1707
which the insurer or rating organization considers relevant. A 1708
filing and any supporting information shall be open to public 1709
inspection after the filing becomes effective. Trade secrets 1710
contained in any filing or in any supporting information shall 1711
not be open to public inspection, are not a public record under 1712
section 149.43 of the Revised Code, and the release of such 1713
trade secrets is prohibited. 1714

(2) As used in division (A) (1) of this section, "trade 1715
secret" has the same meaning as in section 1333.61 of the 1716
Revised Code. 1717

(B) An insurer may satisfy its obligation to make such 1718
filings by becoming a member of, or a subscriber to, a licensed 1719
rating organization which makes such filings, and by authorizing 1720
the superintendent to accept such filings on its behalf. 1721
Sections 3937.01 to 3937.17 of the Revised Code do not require 1722
an insurer to become a member of or a subscriber to any rating 1723
organization. 1724

(C) (1) For purposes of this division: 1725

(a) "Commercial insurance" means any commercial casualty 1726

(2) Except as provided in division (C)(3) of this section, 1735
each filing shall become effective immediately upon its filing 1736
and is deemed to comply with such sections, unless disapproved 1737
by the superintendent as provided in this section or section 1738
3937.04 of the Revised Code. 1739

(3) Whenever the superintendent declares by rule pursuant 1740
to Chapter 119. of the Revised Code that a degree of competition 1741
that will assure that rates are not excessive does not exist in 1742
the market for a line of commercial insurance, or that the 1743
market is conducted in a manner that may result in inadequate 1744
rates or be destructive of competition or detrimental to 1745
solvency of insurers, ~~he~~ the superintendent shall provide that 1746
every filing that would result in an increase or decrease of 1747
rates for any coverages for that line of commercial insurance 1748
shall be subject to this division. Such filing shall be on file 1749
for a waiting period of thirty days before it becomes effective, 1750
which period may be extended by the superintendent for one 1751
additional period not to exceed fifteen days, if ~~he~~ the 1752
superintendent gives written notice within such initial waiting 1753
period to the insurer or rating bureau that ~~he~~ the 1754
superintendent needs such additional time for the consideration 1755
of such filing. A filing is deemed to comply with sections 1756
3937.04 to 3937.17 of the Revised Code unless disapproved by the 1757
superintendent within the waiting period or its extension. Upon 1758
written application by such insurer or rating bureau, the 1759
superintendent may authorize a filing that ~~he~~ the superintendent 1760

has reviewed to become effective before the expiration of the 1761
initial waiting period or its extension. If, during the initial 1762

does not comply with the sections, ~~he~~ the superintendent shall 1765
disapprove the filing by sending written notice to the person 1766
who made the filing, specifying therein the reasons the filing 1767
fails to comply with the sections. Upon notice of disapproval, 1768
the person who made such a filing may request a hearing pursuant 1769
to section 3937.15 of the Revised Code. 1770

(4) In determining whether circumstances exist in a market 1771
for a line of commercial insurance as required in division (C) 1772
(3) of this section, the superintendent shall consider all 1773
relevant structural factors in determining the conditions of the 1774
market, including: the number of insurers actively engaged in 1775
providing coverage; market shares; changes in market shares; and 1776
ease of entry. 1777

(5) This division does not apply to any filings required 1778
under Chapter 3937. of the Revised Code for personal lines 1779

rescinded earlier or extended by rule adopted by the 1783
superintendent. 1784

(D) A special filing may be made with respect to a surety 1785
or guaranty bond required by law, by court or executive order, 1786
or by order, rule, or regulation of a public body not covered by 1787
a previous filing. 1788

(E) Special filings may be made at any time with respect 1789

to any individual or special risks whose size, classification, 1790
degree of exposure to loss, previous loss experience, or other 1791
relevant factors call for the exercise of sound underwriting 1792
judgment in the promulgation of rates appropriate to such 1793
individual or special risks. The superintendent may make such 1794
examination as ~~he~~ the superintendent considers advisable to 1795
ascertain whether such rates meet the standards set forth in 1796
division (D) of section 3937.02 of the Revised Code. 1797

(F) The superintendent may, by written order, suspend or 1798
modify the requirement of filing as to any kind of insurance, 1799
subdivision, or combination thereof, or as to classes of risks, 1800
the rates for which cannot practicably be filed before they are 1801
used. Such orders shall be made known to insurers and rating 1802
organizations affected thereby. The superintendent may make such 1803
examination as ~~he~~ the superintendent considers advisable to 1804
ascertain whether any rates affected by such order meet the 1805
standards set forth in division (D) of section 3937.02 of the 1806
Revised Code. 1807

(G) Upon the written application of the insured, stating 1808
~~his~~ the insured's reasons therefor, filed with and approved by 1809
the superintendent, a rate in excess of that provided by a 1810
filing otherwise applicable may be used on any specific risk. 1811

(H) No insurer shall make or issue a contract or policy 1812
except in accordance with filings which are in effect for said 1813
insurer as provided in sections 3937.01 to 3937.17 of the 1814

manufactured homes, mobile homes, recreational vehicles, and 6788
trailers and semitrailers whose weight exceeds four thousand 6789

a physical certificate of title has not been issued by a clerk 6793
of a court of common pleas and the person transfers the motor 6794
vehicle, the person is not required to obtain a physical 6795
certificate of title to the motor vehicle in order to transfer 6796
ownership. The person shall present to the transferee, in a 6797

by the registrar. The clerk shall enter the information relating 6814
to the assignment, including, but not limited to, the odometer 6815
disclosure statement required by section 4505.06 of the Revised 6816

the motor vehicle passes to the transferee when the clerk enters 6818

this information into the system. A physical certificate of 6819
title is not required to be presented or issued for that motor 6820
vehicle. 6821

Sec. 4505.06. (A) (1) Application for a certificate of 6822
title shall be made in a form prescribed by the registrar of 6823
motor vehicles and shall be sworn to before a notary public or 6824
other officer empowered to administer oaths. The application 6825
shall be filed with the clerk of any court of common pleas. An 6826
application for a certificate of title may be filed 6827
electronically by any electronic means approved by the registrar 6828

Payment of any fee or taxes may be made by electronic transfer 6833
of funds. 6834

(2) The application for a certificate of title shall be 6835
accompanied by the fee prescribed in section 4505.09 of the 6836
Revised Code. The fee shall be retained by the clerk who issues 6837
the certificate of title and shall be distributed in accordance 6838
with that section. If a clerk of a court of common pleas, other 6839
than the clerk of the court of common pleas of an applicant's 6840
county of residence, issues a certificate of title to the 6841
applicant, the clerk shall transmit data related to the 6842
transaction to the automated title processing system. 6843

(3) If a certificate of title previously has been issued 6844
for a motor vehicle in this state, the application for a 6845
certificate of title also shall be accompanied by that 6846
certificate of title duly assigned, unless otherwise provided in 6847
this chapter. If a certificate of title previously has not been 6848

issued for the motor vehicle in this state, the application, 6849
unless otherwise provided in this chapter, shall be accompanied 6850
by a manufacturer's or importer's certificate or by a 6851
certificate of title of another state from which the motor 6852
vehicle was brought into this state. If the application refers 6853
to a motor vehicle last previously registered in another state, 6854
the application also shall be accompanied by the physical 6855
inspection certificate required by section 4505.061 of the 6856
Revised Code. If the application is made by two persons 6857
regarding a motor vehicle in which they wish to establish joint 6858
ownership with right of survivorship, they may do so as provided 6859
in section 2131.12 of the Revised Code. If the applicant 6860
requests a designation of the motor vehicle in beneficiary form 6861
so that upon the death of the owner of the motor vehicle, 6862
ownership of the motor vehicle will pass to a designated 6863
transfer-on-death beneficiary or beneficiaries, the applicant 6864
may do so as provided in section 2131.13 of the Revised Code. A 6865
person who establishes ownership of a motor vehicle that is 6866
transferable on death in accordance with section 2131.13 of the 6867
Revised Code may terminate that type of ownership or change the 6868
designation of the transfer-on-death beneficiary or 6869
beneficiaries by applying for a certificate of title pursuant to 6870
this section. The clerk shall retain the evidence of title 6871
presented by the applicant and on which the certificate of title 6872
is issued, except that, if an application for a certificate of 6873
title is filed electronically by an electronic motor vehicle 6874
dealer on behalf of the purchaser of a motor vehicle, the clerk 6875
shall retain the completed electronic record to which the dealer 6876
converted the certificate of title application and other 6877
required documents. The registrar, after consultation with the 6878
attorney general, shall adopt rules that govern the location at 6879
which, and the manner in which, are stored the actual 6880

application and all other documents relating to the ~~sale~~ 6881
transfer of a motor vehicle when an electronic motor vehicle 6882
dealer files the application for a certificate of title 6883
electronically on behalf of the purchaser. Not later than 6884
December 31, 2017, the registrar shall arrange for a service 6885
that enables all electronic motor vehicle dealers to file 6886
applications for certificates of title on behalf of purchasers 6887
of motor vehicles electronically by transferring the 6888
applications directly from the computer systems of the dealers 6889
to the clerk. 6890

The clerk shall use reasonable diligence in ascertaining 6891
whether or not the facts in the application for a certificate of 6892
title are true by checking the application and documents 6893
accompanying it or the electronic record to which a dealer 6894
converted the application and accompanying documents with the 6895
records of motor vehicles in the clerk's office. If the clerk is 6896
satisfied that the applicant is the owner of the motor vehicle 6897
and that the application is in the proper form, the clerk, 6898
within five business days after the application is filed and 6899
except as provided in section 4505.021 of the Revised Code, 6900
shall issue a physical certificate of title over the clerk's 6901
signature and sealed with the clerk's seal, unless the applicant 6902
specifically requests the clerk not to issue a physical 6903
certificate of title and instead to issue an electronic 6904
certificate of title. For purposes of the transfer of a 6905
certificate of title, if the clerk is satisfied that the secured 6906
party has duly discharged a lien notation but has not canceled 6907
the lien notation with a clerk, the clerk may cancel the lien 6908
notation on the automated title processing system and notify the 6909
clerk of the county of origin. 6910

(4) In the case of the sale of a motor vehicle to a 6911

general buyer or user by a dealer, by a motor vehicle leasing 6912
dealer selling the motor vehicle to the lessee or, in a case in 6913
which the leasing dealer subleased the motor vehicle, the 6914
sublessee, at the end of the lease agreement or sublease 6915
agreement, or by a manufactured housing broker, the certificate 6916
of title shall be obtained in the name of the buyer by the 6917
dealer, leasing dealer, or manufactured housing broker, as the 6918
case may be, upon application signed by the buyer. The 6919
certificate of title shall be issued, or the process of entering 6920
the certificate of title application information into the 6921
automated title processing system if a physical certificate of 6922
title is not to be issued shall be completed, within five 6923
business days after the application for title is filed with the 6924
clerk. If the buyer of the motor vehicle previously leased the 6925
motor vehicle and is buying the motor vehicle at the end of the 6926
lease pursuant to that lease, the certificate of title shall be 6927
obtained in the name of the buyer by the motor vehicle leasing 6928
dealer who previously leased the motor vehicle to the buyer or 6929
by the motor vehicle leasing dealer who subleased the motor 6930
vehicle to the buyer under a sublease agreement. 6931

In all other cases, except as provided in section 4505.032 6932
and division (D)(2) of section 4505.11 of the Revised Code, such 6933
certificates shall be obtained by the buyer. 6934

(5) (a) (i) If the certificate of title is being obtained in 6935
the name of the buyer by a motor vehicle dealer or motor vehicle 6936
leasing dealer and there is a security interest to be noted on 6937
the certificate of title, the dealer or leasing dealer shall 6938
submit the application for the certificate of title and payment 6939
of the applicable tax to a clerk within seven business days 6940
after the later of the delivery of the motor vehicle to the 6941
buyer or the date the dealer or leasing dealer obtains the 6942

manufacturer's or importer's certificate, or certificate of 6943
title issued in the name of the dealer or leasing dealer, for 6944
the motor vehicle. Submission of the application for the 6945
certificate of title and payment of the applicable tax within 6946
the required seven business days may be indicated by postmark or 6947
receipt by a clerk within that period. 6948

(ii) Upon receipt of the certificate of title with the 6949
security interest noted on its face, the dealer or leasing 6950
dealer shall forward the certificate of title to the secured 6951
party at the location noted in the financing documents or 6952
otherwise specified by the secured party. 6953

(iii) A motor vehicle dealer or motor vehicle leasing 6954
dealer is liable to a secured party for a late fee of ten 6955
dollars per day for each certificate of title application and 6956
payment of the applicable tax that is submitted to a clerk more 6957
than seven business days but less than twenty-one days after the 6958
later of the delivery of the motor vehicle to the buyer or the 6959
date the dealer or leasing dealer obtains the manufacturer's or 6960
importer's certificate, or certificate of title issued in the 6961
name of the dealer or leasing dealer, for the motor vehicle and, 6962
from then on, twenty-five dollars per day until the application 6963
and applicable tax are submitted to a clerk. 6964

(b) In all cases of transfer of a motor vehicle except the 6965
transfer of a manufactured home or mobile home, the application 6966
for certificate of title shall be filed within thirty days after 6967
the assignment or delivery of the motor vehicle. 6968

(c) An application for a certificate of title for a new 6969
manufactured home shall be filed within thirty days after the 6970
delivery of the new manufactured home to the purchaser. The date 6971
of the delivery shall be the date on which an occupancy permit 6972

for the manufactured home is delivered to the purchaser of the 6973
home by the appropriate legal authority. 6974

(d) An application for a certificate of title for a used 6975
manufactured home or a used mobile home shall be filed as 6976
follows: 6977

(i) If a certificate of title for the used manufactured 6978
home or used mobile home was issued to the motor vehicle dealer 6979
prior to the sale of the manufactured or mobile home to the 6980
purchaser, the application for certificate of title shall be 6981
filed within thirty days after the date on which an occupancy 6982
permit for the manufactured or mobile home is delivered to the 6983
purchaser by the appropriate legal authority. 6984

(ii) If the motor vehicle dealer has been designated by a 6985
secured party to display the manufactured or mobile home for 6986
sale, or to sell the manufactured or mobile home under section 6987
4505.20 of the Revised Code, but the certificate of title has 6988
not been transferred by the secured party to the motor vehicle 6989
dealer, and the dealer has complied with the requirements of 6990
division (A) of section 4505.181 of the Revised Code, the 6991
application for certificate of title shall be filed within 6992
thirty days after the date on which the motor vehicle dealer 6993
obtains the certificate of title for the home from the secured 6994
party or the date on which an occupancy permit for the 6995
manufactured or mobile home is delivered to the purchaser by the 6996
appropriate legal authority, whichever occurs later. 6997

(6) If an application for a certificate of title is not 6998
filed within the period specified in division (A) (5) (b), (c), or 6999
(d) of this section, the clerk shall collect a fee of five 7000
dollars for the issuance of the certificate, except that no such 7001
fee shall be required from a motor vehicle salvage dealer, as 7002

defined in division (A) of section 4738.01 of the Revised Code, 7003
who immediately surrenders the certificate of title for 7004
cancellation. The fee shall be in addition to all other fees 7005

The registrar shall provide, on the certificate of title form 7007
prescribed by section 4505.07 of the Revised Code, language 7008

(B) (1) The clerk, except as provided in this section, 7017
shall refuse to accept for filing any application for a 7018
certificate of title and shall refuse to issue a certificate of 7019
title unless the dealer or the applicant, in cases in which the 7020
certificate shall be obtained by the buyer, submits with the 7021
application payment of the tax levied by or pursuant to Chapters 7022
5739. and 5741. of the Revised Code based on the purchaser's 7023
county of residence. Upon payment of the tax in accordance with 7024
division (E) of this section, the clerk shall issue a receipt 7025
prescribed by the registrar and agreed upon by the tax 7026
commissioner showing payment of the tax or a receipt issued by 7027
the commissioner showing the payment of the tax. When submitting 7028
payment of the tax to the clerk, a dealer shall retain any 7029
discount to which the dealer is entitled under section 5739.12 7030
of the Revised Code. 7031

(2) For receiving and disbursing such taxes paid to the 7032

clerk by a resident of the clerk's county, the clerk may retain 7033

clerk shall pay the poundage fee into the certificate of title 7035
administration fund created by section 325.33 of the Revised 7036
Code. The clerk shall not retain a poundage fee from payments of 7037
taxes by persons who do not reside in the clerk's county. 7038

A clerk, however, may retain from the taxes paid to the 7039
clerk an amount equal to the poundage fees associated with 7040
certificates of title issued by other clerks of courts of common 7041
pleas to applicants who reside in the first clerk's county. The 7042
registrar, in consultation with the tax commissioner and the 7043
clerks of the courts of common pleas, shall develop a report 7044
from the automated title processing system that informs each 7045
clerk of the amount of the poundage fees that the clerk is 7046
permitted to retain from those taxes because of certificates of 7047
title issued by the clerks of other counties to applicants who 7048
reside in the first clerk's county. 7049

(3) In the case of casual sales of motor vehicles, as 7050
defined in section 4517.01 of the Revised Code, the price for 7051
the purpose of determining the tax shall be the purchase price 7052
on the assigned certificate of title, or assignment form 7053
prescribed by the registrar, executed by the seller and filed 7054
with the clerk by the buyer on a form to be prescribed by the 7055
registrar, which shall be prima-facie evidence of the amount for 7056
the determination of the tax. 7057

(4) Each county clerk shall forward to the treasurer of 7058
state all sales and use tax collections resulting from sales of 7059
motor vehicles, off-highway motorcycles, and all-purpose 7060
vehicles during a calendar week on or before the Friday 7061
following the close of that week. If, on any Friday, the offices 7062

of the clerk of courts or the state are not open for business, 7063
the tax shall be forwarded to the treasurer of state on or 7064
before the next day on which the offices are open. Every 7065
remittance of tax under division (B) (4) of this section shall be 7066
accompanied by a remittance report in such form as the tax 7067
commissioner prescribes. Upon receipt of a tax remittance and 7068
remittance report, the treasurer of state shall date stamp the 7069
report and forward it to the tax commissioner. If the tax due 7070
for any week is not remitted by a clerk of courts as required 7071
under division (B) (4) of this section, the commissioner may 7072
require the clerk to forfeit the poundage fees for the sales 7073
made during that week. The treasurer of state may require the 7074
clerks of courts to transmit tax collections and remittance 7075
reports electronically. 7076

(C) (1) If the transferor indicates on the certificate of 7077
title that the odometer reflects mileage in excess of the 7078
designed mechanical limit of the odometer, the clerk shall enter 7079
the phrase "exceeds mechanical limits" following the mileage 7080
designation. If the transferor indicates on the certificate of 7081
title that the odometer reading is not the actual mileage, the 7082
clerk shall enter the phrase "nonactual: warning - odometer 7083
discrepancy" following the mileage designation. The clerk shall 7084
use reasonable care in transferring the information supplied by 7085
the transferor, but is not liable for any errors or omissions of 7086
the clerk or those of the clerk's deputies in the performance of 7087
the clerk's duties created by this chapter. 7088

The registrar shall prescribe an affidavit in which the 7089
transferor shall swear to the true selling price and, except as 7090
provided in this division, the true odometer reading of the 7091
motor vehicle. The registrar may prescribe an affidavit in which 7092
the seller and buyer provide information pertaining to the 7093

odometer reading of the motor vehicle in addition to that 7094
required by this section, as such information may be required by 7095
the United States secretary of transportation by rule prescribed 7096
under authority of subchapter IV of the "Motor Vehicle 7097
Information and Cost Savings Act," 86 Stat. 961 (1972), 15 7098
U.S.C. 1981. 7099

(2) Division (C)(1) of this section does not require the 7100
giving of information concerning the odometer and odometer 7101
reading of a motor vehicle when ownership of a motor vehicle is 7102
being transferred as a result of a bequest, under the laws of 7103
intestate succession, to a survivor pursuant to section 2106.18, 7104
2131.12, or 4505.10 of the Revised Code, to a transfer-on-death 7105
beneficiary or beneficiaries pursuant to section 2131.13 of the 7106
Revised Code, in connection with the creation of a security 7107
interest or for a vehicle with a gross vehicle weight rating of 7108
more than sixteen thousand pounds. 7109

(D) When the transfer to the applicant was made in some 7110
other state or in interstate commerce, the clerk, except as 7111
provided in this section, shall refuse to issue any certificate 7112
of title unless the tax imposed by or pursuant to Chapter 5741. 7113
of the Revised Code based on the purchaser's county of residence 7114
has been paid as evidenced by a receipt issued by the tax 7115
commissioner, or unless the applicant submits with the 7116
application payment of the tax. Upon payment of the tax in 7117
accordance with division (E) of this section, the clerk shall 7118
issue a receipt prescribed by the registrar and agreed upon by 7119
the tax commissioner, showing payment of the tax. 7120

For receiving and disbursing such taxes paid to the clerk 7121
by a resident of the clerk's county, the clerk may retain a 7122
poundage fee of one and one one-hundredth per cent. The clerk 7123

shall not retain a poundage fee from payments of taxes by 7124
persons who do not reside in the clerk's county. 7125

A clerk, however, may retain from the taxes paid to the 7126
clerk an amount equal to the poundage fees associated with 7127
certificates of title issued by other clerks of courts of common 7128
pleas to applicants who reside in the first clerk's county. The 7129
registrar, in consultation with the tax commissioner and the 7130
clerks of the courts of common pleas, shall develop a report 7131
from the automated title processing system that informs each 7132
clerk of the amount of the poundage fees that the clerk is 7133
permitted to retain from those taxes because of certificates of 7134
title issued by the clerks of other counties to applicants who 7135
reside in the first clerk's county. 7136

When the vendor is not regularly engaged in the business 7137
of selling motor vehicles, the vendor shall not be required to 7138
purchase a vendor's license or make reports concerning those 7139
sales. 7140

(E) The clerk shall accept any payment of a tax in cash, 7141
or by cashier's check, certified check, draft, money order, or 7142
teller check issued by any insured financial institution payable 7143
to the clerk and submitted with an application for a certificate 7144
of title under division (B) or (D) of this section. The clerk 7145
also may accept payment of the tax by corporate, business, or 7146
personal check, credit card, electronic transfer or wire 7147
transfer, debit card, or any other accepted form of payment made 7148
payable to the clerk. The clerk may require bonds, guarantees, 7149
or letters of credit to ensure the collection of corporate, 7150
business, or personal checks. Any service fee charged by a third 7151
party to a clerk for the use of any form of payment may be paid 7152
by the clerk from the certificate of title administration fund 7153

created in section 325.33 of the Revised Code, or may be 7154
assessed by the clerk upon the applicant as an additional fee. 7155
Upon collection, the additional fees shall be paid by the clerk 7156
into that certificate of title administration fund. 7157

The clerk shall make a good faith effort to collect any 7158
payment of taxes due but not made because the payment was 7159
returned or dishonored, but the clerk is not personally liable 7160
for the payment of uncollected taxes or uncollected fees. The 7161
clerk shall notify the tax commissioner of any such payment of 7162
taxes that is due but not made and shall furnish the information 7163
to the commissioner that the commissioner requires. The clerk 7164
shall deduct the amount of taxes due but not paid from the 7165
clerk's periodic remittance of tax payments, in accordance with 7166
procedures agreed upon by the tax commissioner. The commissioner 7167
may collect taxes due by assessment in the manner provided in 7168
section 5739.13 of the Revised Code. 7169

Any person who presents payment that is returned or 7170
dishonored for any reason is liable to the clerk for payment of 7171
a penalty over and above the amount of the taxes due. The clerk 7172
shall determine the amount of the penalty, and the penalty shall 7173
be no greater than that amount necessary to compensate the clerk 7174
for banking charges, legal fees, or other expenses incurred by 7175
the clerk in collecting the returned or dishonored payment. The 7176
remedies and procedures provided in this section are in addition 7177
to any other available civil or criminal remedies. Subsequently 7178
collected penalties, poundage fees, and title fees, less any 7179
title fee due the state, from returned or dishonored payments 7180
collected by the clerk shall be paid into the certificate of 7181
title administration fund. Subsequently collected taxes, less 7182
poundage fees, shall be sent by the clerk to the treasurer of 7183
state at the next scheduled periodic remittance of tax payments, 7184

with information as the commissioner may require. The clerk may 7185
abate all or any part of any penalty assessed under this 7186
division. 7187

(F) In the following cases, the clerk shall accept for 7188
filing an application and shall issue a certificate of title 7189
without requiring payment or evidence of payment of the tax: 7190

(1) When the purchaser is this state or any of its 7191
political subdivisions, a church, or an organization whose 7192
purchases are exempted by section 5739.02 of the Revised Code; 7193

(2) When the transaction in this state is not a retail 7194
sale as defined by section 5739.01 of the Revised Code; 7195

(3) When the purchase is outside this state or in 7196
interstate commerce and the purpose of the purchaser is not to 7197
use, store, or consume within the meaning of section 5741.01 of 7198
the Revised Code; 7199

(4) When the purchaser is the federal government; 7200

(5) When the motor vehicle was purchased outside this 7201
state for use outside this state; 7202

(6) When the motor vehicle is purchased by a nonresident 7203
under the circumstances described in division (B)(1) of section 7204
5739.029 of the Revised Code, and upon presentation of a copy of 7205
the affidavit provided by that section, and a copy of the 7206
exemption certificate provided by section 5739.03 of the Revised 7207
Code. 7208

(G) An application, as prescribed by the registrar and 7209
agreed to by the tax commissioner, shall be filled out and sworn 7210
to by the buyer of a motor vehicle in a casual sale. The 7211
application shall contain the following notice in bold 7212

lettering: "WARNING TO TRANSFEROR AND TRANSFEREE (SELLER AND BUYER): You are required by law to state the true selling price. A false statement is in violation of section 2921.13 of the Revised Code and is punishable by six months' imprisonment or a fine of up to one thousand dollars, or both. All transfers are audited by the department of taxation. The seller and buyer must provide any information requested by the department of taxation. The buyer may be assessed any additional tax found to be due."

(H) For sales of manufactured homes or mobile homes occurring on or after January 1, 2000, the clerk shall accept for filing, pursuant to Chapter 5739. of the Revised Code, an application for a certificate of title for a manufactured home or mobile home without requiring payment of any tax pursuant to section 5739.02, 5741.021, 5741.022, or 5741.023 of the Revised Code, or a receipt issued by the tax commissioner showing payment of the tax. For sales of manufactured homes or mobile homes occurring on or after January 1, 2000, the applicant shall pay to the clerk an additional fee of five dollars for each certificate of title issued by the clerk for a manufactured or mobile home pursuant to division (H) of section 4505.11 of the Revised Code and for each certificate of title issued upon transfer of ownership of the home. The clerk shall credit the fee to the county certificate of title administration fund, and the fee shall be used to pay the expenses of archiving those certificates pursuant to division (A) of section 4505.08 and division (H) (3) of section 4505.11 of the Revised Code. The tax commissioner shall administer any tax on a manufactured or mobile home pursuant to Chapters 5739. and 5741. of the Revised Code.

(I) Every clerk shall have the capability to transact by electronic means all procedures and transactions relating to the

issuance of motor vehicle certificates of title that are 7244
described in the Revised Code as being accomplished by 7245
electronic means. 7246

Sec. 4505.11. This section shall also apply to all-purpose 7247
vehicles and off-highway motorcycles as defined in section 7248
4519.01 of the Revised Code. 7249

(A) Each owner of a motor vehicle and each person 7250
mentioned as owner in the last certificate of title, when the 7251
motor vehicle is dismantled, destroyed, or changed in such 7252
manner that it loses its character as a motor vehicle, or 7253
changed in such manner that it is not the motor vehicle 7254
described in the certificate of title, shall surrender the 7255
certificate of title to that motor vehicle to a clerk of a court 7256
of common pleas, and the clerk, with the consent of any holders 7257
of any liens noted on the certificate of title, then shall enter 7258
a cancellation upon the clerk's records and shall notify the 7259
registrar of motor vehicles of the cancellation. 7260

Upon the cancellation of a certificate of title in the 7261
manner prescribed by this section, any clerk and the registrar 7262
of motor vehicles may cancel and destroy all certificates and 7263
all memorandum certificates in that chain of title. 7264

(B) (1) If an Ohio certificate of title ~~or~~ salvage 7265
certificate of title ~~to~~, or assignment form as prescribed by the 7266
registrar for a motor vehicle is assigned to a salvage dealer, 7267
the dealer is not required to obtain an Ohio certificate of 7268
title or a salvage certificate of title to the motor vehicle in 7269
the dealer's own name if the dealer dismantles or destroys the 7270
motor vehicle, indicates the number of the dealer's motor 7271
vehicle salvage dealer's license on it, marks "FOR DESTRUCTION" 7272
across the face of the certificate of title ~~or~~ salvage 7273

certificate of title, or assignment form and surrenders the 7274
certificate of title ~~or~~, salvage certificate of title, or 7275
assignment form to a clerk of a court of common pleas as 7276
provided in division (A) of this section. If the salvage dealer 7277
retains the motor vehicle for resale, the dealer shall make 7278
application for a salvage certificate of title to the motor 7279
vehicle in the dealer's own name as provided in division (C) (1) 7280
of this section. 7281

(2) At the time any salvage motor vehicle is sold at 7282
auction or through a pool, the salvage motor vehicle auction or 7283
salvage motor vehicle pool shall give a copy of the salvage 7284
certificate of title ~~or a copy of the~~, certificate of title, or 7285
assignment form marked "FOR DESTRUCTION" to the purchaser. 7286

(C) (1) When an insurance company declares it economically 7287
impractical to repair such a motor vehicle and has paid an 7288
agreed price for the purchase of the motor vehicle to any 7289
insured or claimant owner, the insurance company shall proceed 7290
as follows: 7291

(a) If an insurance company receives the certificate of 7292
title and the motor vehicle, within thirty business days, the 7293
insurance company shall deliver the certificate of title to a 7294
clerk of a court of common pleas and shall make application for 7295
a salvage certificate of title. This certificate of title, any 7296
supporting power of attorney, or application for a salvage 7297
certificate of title shall be exempt from the requirements of 7298
notarization and verification as described in this chapter and 7299
in section 1337.25 of the Revised Code, and may be signed 7300
electronically. 7301

(b) If an insurance company obtains possession of the 7302
motor vehicle and a physical certificate of title was issued for 7303

the vehicle but the insurance company is unable to obtain the 7304
properly endorsed certificate of title for the motor vehicle 7305
within thirty business days following the vehicle's owner or 7306
lienholder's acceptance of the insurance company's payment for 7307
the vehicle, the insurance company may apply to the clerk of a 7308
court of common pleas for a salvage certificate of title without 7309
delivering the certificate of title for the motor vehicle. The 7310
application, which may be signed electronically, shall be 7311
accompanied by evidence that the insurance company has paid a 7312
total loss claim on the vehicle, a copy of the written request 7313
for the certificate of title from the insurance company or its 7314
designee, and proof that the request was delivered by a 7315
nationally recognized courier service to the last known address 7316
of the owner of the vehicle and any known lienholder, to obtain 7317
the certificate of title. 7318

(c) If an insurance company obtains possession of the 7319
motor vehicle and a physical certificate of title was not issued 7320
for the vehicle, the insurance company may apply to the clerk of 7321
a court of common pleas for a salvage certificate of title 7322
without delivering a certificate of title for the motor vehicle. 7323
The application shall be accompanied by the electronic 7324
certificate of title control number and a properly executed 7325
power of attorney, or other appropriate document, from the owner 7326
of the motor vehicle authorizing the insurance company to apply 7327
for a salvage certificate of title. The application for a 7328
salvage certificate of title, any supporting power of attorney, 7329
and any other appropriate document shall be exempt from the 7330
requirements of notarization and verification as described in 7331
this chapter and in section 1337.25 of the Revised Code, and may 7332
be signed electronically. 7333

(d) Upon receipt of a properly completed application for a 7334

salvage certificate of title as described in division (C) (1) (a), 7335
(b), or (c) or (C) (2) of this section, the clerk shall issue the 7336
salvage certificate of title on a form, prescribed by the 7337
registrar, that shall be easily distinguishable from the 7338
original certificate of title and shall bear the same 7339
information as the original certificate of title except that it 7340
may bear a different number than that of the original 7341
certificate of title. The salvage certificate of title shall 7342
include the following notice in bold lettering: 7343

"SALVAGE MOTOR VEHICLE - PURSUANT TO R.C. 4738.01." 7344

Except as provided in division (C) (3) of this section, the 7345
salvage certificate of title shall be assigned by the insurance 7346
company to a salvage dealer or any other person for use as 7347
evidence of ownership upon the sale or other disposition of the 7348
motor vehicle, and the salvage certificate of title shall be 7349
transferable to any other person. The clerk shall charge a fee 7350
of four dollars for the cost of processing each salvage 7351
certificate of title. 7352

(2) If an insurance company requests that a salvage motor 7353
vehicle auction take possession of a motor vehicle that is the 7354
subject of an insurance claim, and subsequently the insurance 7355
company denies coverage with respect to the motor vehicle or 7356
does not otherwise take ownership of the motor vehicle, the 7357
salvage motor vehicle auction may proceed as follows. After the 7358
salvage motor vehicle auction has possession of the motor 7359
vehicle for forty-five days, it may apply to the clerk of a 7360
court of common pleas for a salvage certificate of title without 7361
delivering the certificate of title for the motor vehicle. The 7362
application shall be accompanied by a copy of the written 7363
request that the vehicle be removed from the facility on the 7364

salvage motor vehicle auction's letterhead, and proof that the request was delivered by a nationally recognized courier service to the last known address of the owner of the vehicle and any known lienholder, requesting that the vehicle be removed from the facility of the salvage motor vehicle auction. Upon receipt of a properly completed application, the clerk shall follow the process as described in division (C)(1)(d) of this section. The salvage certificate of title so issued shall be free and clear of all liens.

(3) If an insurance company considers a motor vehicle as described in division (C)(1)(a), (b), or (c) of this section to be impossible to restore for highway operation, the insurance company may assign the certificate of title to the motor vehicle to a salvage dealer or scrap metal processing facility and send the assigned certificate of title to the clerk of the court of common pleas of any county. The insurance company shall mark the face of the certificate of title "FOR DESTRUCTION" and shall deliver a photocopy of the certificate of title to the salvage dealer or scrap metal processing facility for its records.

(4) If an insurance company declares it economically impractical to repair a motor vehicle, agrees to pay to the insured or claimant owner an amount in settlement of a claim against a policy of motor vehicle insurance covering the motor vehicle, and agrees to permit the insured or claimant owner to retain possession of the motor vehicle, the insurance company shall not pay the insured or claimant owner any amount in settlement of the insurance claim until the owner obtains a salvage certificate of title to the vehicle and furnishes a copy of the salvage certificate of title to the insurance company.

(D) When a self-insured organization, rental or leasing

company, or secured creditor becomes the owner of a motor 7395
vehicle that is burned, damaged, or dismantled and is determined 7396
to be economically impractical to repair, the self-insured 7397
organization, rental or leasing company, or secured creditor 7398
shall do one of the following: 7399

(1) Mark the face of the certificate of title to the motor 7400
vehicle, or assignment form as prescribed by the registrar, "FOR 7401
DESTRUCTION" and surrender the certificate of title or 7402
assignment form to a clerk of a court of common pleas for 7403
cancellation as described in division (A) of this section. The 7404
self-insured organization, rental or leasing company, or secured 7405
creditor then shall deliver the motor vehicle, together with a 7406
photocopy of the certificate of title or assignment form, to a 7407
salvage dealer or scrap metal processing facility and shall 7408
cause the motor vehicle to be dismantled, flattened, crushed, or 7409
destroyed. 7410

(2) Obtain a salvage certificate of title to the motor 7411
vehicle in the name of the self-insured organization, rental or 7412
leasing company, or secured creditor, as provided in division 7413
(C) (1) of this section, and then sell or otherwise dispose of 7414
the motor vehicle. If the motor vehicle is sold, the self- 7415
insured organization, rental or leasing company, or secured 7416
creditor shall obtain a salvage certificate of title to the 7417
motor vehicle in the name of the purchaser from a clerk of a 7418
court of common pleas. 7419

(E) If a motor vehicle titled with a salvage certificate 7420
of title is restored for operation upon the highways, 7421
application shall be made to a clerk of a court of common pleas 7422
for a certificate of title. Upon inspection by the state highway 7423
patrol, which shall include establishing proof of ownership and 7424

an inspection of the motor number and vehicle identification 7425
number of the motor vehicle and of documentation or receipts for 7426
the materials used in restoration by the owner of the motor 7427
vehicle being inspected, which documentation or receipts shall 7428
be presented at the time of inspection, the clerk, upon 7429
surrender of the salvage certificate of title, shall issue a 7430
certificate of title for a fee prescribed by the registrar. The 7431
certificate of title shall be in the same form as the original 7432
certificate of title and shall bear the words "REBUILT SALVAGE" 7433
in black boldface letters on its face. Every subsequent 7434
certificate of title, memorandum certificate of title, or 7435
duplicate certificate of title issued for the motor vehicle also 7436
shall bear the words "REBUILT SALVAGE" in black boldface letters 7437
on its face. The exact location on the face of the certificate 7438
of title of the words "REBUILT SALVAGE" shall be determined by 7439
the registrar, who shall develop an automated procedure within 7440
the automated title processing system to comply with this 7441
division. The clerk shall use reasonable care in performing the 7442
duties imposed on the clerk by this division in issuing a 7443
certificate of title pursuant to this division, but the clerk is 7444
not liable for any of the clerk's errors or omissions or those 7445
of the clerk's deputies, or the automated title processing 7446
system in the performance of those duties. A fee of fifty 7447
dollars shall be assessed by the state highway patrol for each 7448
inspection made pursuant to this division and shall be deposited 7449
into the public safety - highway purposes fund established by 7450
section 4501.06 of the Revised Code. 7451

(F) No person shall operate upon the highways in this 7452
state a motor vehicle, title to which is evidenced by a salvage 7453
certificate of title, except to deliver the motor vehicle 7454
pursuant to an appointment for an inspection under this section. 7455

(G) No motor vehicle the certificate of title or 7456
assignment form to which has been marked "FOR DESTRUCTION" and 7457
surrendered to a clerk of a court of common pleas shall be used 7458
for anything except parts and scrap metal. 7459

(H) (1) Except as otherwise provided in this division, an 7460
owner of a manufactured or mobile home that will be taxed as 7461
real property pursuant to division (B) of section 4503.06 of the 7462
Revised Code shall surrender the certificate of title to the 7463
auditor of the county containing the taxing district in which 7464
the home is located. An owner whose home qualifies for real 7465
property taxation under divisions (B) (1) (a) and (b) of section 7466
4503.06 of the Revised Code shall surrender the certificate 7467
within fifteen days after the home meets the conditions 7468
specified in those divisions. The auditor shall deliver the 7469
certificate of title to the clerk of the court of common pleas 7470
who issued it. 7471

(2) If the certificate of title for a manufactured or 7472
mobile home that is to be taxed as real property is held by a 7473
lienholder, the lienholder shall surrender the certificate of 7474
title to the auditor of the county containing the taxing 7475
district in which the home is located, and the auditor shall 7476
deliver the certificate of title to the clerk of the court of 7477
common pleas who issued it. The lienholder shall surrender the 7478
certificate within thirty days after both of the following have 7479
occurred: 7480

(a) The homeowner has provided written notice to the 7481
lienholder requesting that the certificate of title be 7482
surrendered to the auditor of the county containing the taxing 7483
district in which the home is located. 7484

(b) The homeowner has either paid the lienholder the 7485

remaining balance owed to the lienholder, or, with the 7486
lienholder's consent, executed and delivered to the lienholder a 7487
mortgage on the home and land on which the home is sited in the 7488
amount of the remaining balance owed to the lienholder. 7489

determines that the total points charged against any person 8274
under section 4510.036 of the Revised Code exceed five, the 8275

charged against any person under section 4510.036 of the Revised 8283
Code within any two-year period beginning on the date of the 8284
first conviction within the two-year period is equal to twelve 8285
or more, the registrar shall send a written notice to the person 8286
at the person's last known address by regular mail. The notice 8287
shall list the reported violations that are the basis of the 8288
points charged, list the number of points charged for each 8289
violation, and state that, because the total number of points 8290
charged against the person within the applicable two-year period 8291
is equal to twelve or more, the registrar is imposing a class D 8292
suspension of the person's driver's or commercial driver's 8293
license or permit or nonresident operating privileges for the 8294
period of time specified in division (B)(4) of section 4510.02 8295
of the Revised Code. The notice also shall state that the 8296
suspension is effective on the twentieth day after the mailing 8297
of the notice, unless the person files a petition appealing the 8298
determination and suspension in the municipal court, county 8299
court, or, if the person is under the age of eighteen, the 8300
juvenile division of the court of common pleas in whose 8301
jurisdiction the person resides or, if the person is not a 8302
resident of this state, in the Franklin county municipal court 8303
or juvenile division of the Franklin county court of common 8304
pleas. By filing the appeal of the determination and suspension, 8305
the person agrees to pay the cost of the proceedings in the 8306

appeal of the determination and suspension and alleges that the 8307
person can show cause why the person's driver's or commercial 8308
driver's license or permit or nonresident operating privileges 8309
should not be suspended. 8310

(C) (1) Any person against whom at least two but less than 8311
twelve points have been charged under section 4510.036 of the 8312
Revised Code may enroll in a course of remedial driving 8313

accordance with division (L) of this section. Upon the person's 8315
completion of an approved course of remedial driving 8316
instruction, the person may apply to the registrar on a form 8317
prescribed by the registrar for a credit of two points on the 8318
person's driving record. Upon receipt of the application and 8319
proof of completion of the approved remedial driving course, the 8320
registrar shall approve the two-point credit. The registrar 8321
shall not approve any credits for a person who completes an 8322
approved course of remedial driving instruction pursuant to a 8323
judge's order under section 4510.02 of the Revised Code. 8324

(2) In any three-year period, the registrar shall approve 8325
only one two-point credit on a person's driving record under 8326
division (C) (1) of this section. The registrar shall approve not 8327
more than five two-point credits on a person's driving record 8328
under division (C) (1) of this section during that person's 8329
lifetime. 8330

operating privilege and charges points against the person under 8333
section 4510.036 of the Revised Code for the offense that 8334
resulted in the suspension, the registrar shall credit that 8335
period of suspension against the time of any subsequent 8336

suspension imposed under this section for which those points 8337
were used to impose the subsequent suspension. When a United 8338
States district court that has jurisdiction within this state 8339
suspends a person's driver's or commercial driver's license or 8340
permit or nonresident operating privileges pursuant to the 8341
"Assimilative Crimes Act," 102 Stat. 4381 (1988), 18 U.S.C.A. 8342
13, as amended, the district court prepares an abstract pursuant 8343
to section 4510.031 of the Revised Code, and the district court 8344
charges points against the person under section 4510.036 of the 8345
Revised Code for the offense that resulted in the suspension, 8346
the registrar shall credit the period of suspension imposed by 8347
the district court against the time of any subsequent suspension 8348
imposed under this section for which the points were used to 8349
impose the subsequent suspension. 8350

(E) The registrar, upon the written request of a licensee 8351
who files a petition under division (B) of this section, shall 8352
furnish the licensee a certified copy of the registrar's record 8353
of the convictions and bond forfeitures of the person. This 8354
record shall include the name, address, and date of birth of the 8355
licensee; the name of the court in which each conviction or bail 8356
forfeiture took place; the nature of the offense that was the 8357
basis of the conviction or bond forfeiture; and any other 8358
information that the registrar considers necessary. If the 8359
record indicates that twelve points or more have been charged 8360
against the person within a two-year period, it is prima-facie 8361
evidence that the person is a repeat traffic offender, and the 8362
registrar shall suspend the person's driver's or commercial 8363
driver's license or permit or nonresident operating privilege 8364
pursuant to division (B) of this section. 8365

In hearing the petition and determining whether the person 8366
filing the petition has shown cause why the person's driver's or 8367

commercial driver's license or permit or nonresident operating 8368
privilege should not be suspended, the court shall decide the 8369
issue on the record certified by the registrar and any 8370
additional relevant, competent, and material evidence that 8371
either the registrar or the person whose license is sought to be 8372
suspended submits. 8373

section has failed to show cause why the person's driver's or 8387
commercial driver's license or permit or nonresident operating 8388

of this section has shown cause why the person's driver's or 8398

commercial driver's license or permit or nonresident operating 8399
privileges should not be suspended, the costs of the appeal 8400
proceeding shall be paid out of the county treasury of the 8401
county in which the proceedings were held. 8402

(H) Any person whose driver's or commercial driver's 8403
license or permit or nonresident operating privileges are 8404
suspended under this section is not entitled to apply for or 8405
receive a new driver's or commercial driver's license or permit 8406
or to request or be granted nonresident operating privileges 8407
during the effective period of the suspension. 8408

(I) Upon the termination of any suspension or other 8409
penalty imposed under this section involving the surrender of 8410
license or permit and upon the request of the person whose 8411
license or permit was suspended or surrendered, the registrar 8412
shall return the license or permit to the person upon 8413
determining that the person has complied with all provisions of 8414
section 4510.038 of the Revised Code or, if the registrar 8415
destroyed the license or permit pursuant to section 4510.52 of 8416
the Revised Code, shall reissue the person's license or permit. 8417

(J) Any person whose driver's or commercial driver's 8418

Sec. 4511.195. (A) As used in this section: 8455

(1) "Arrested person" means a person who is arrested for a 8456
violation of division (A) of section 4511.19 of the Revised Code 8457

or a municipal OVI ordinance and whose arrest results in a 8458
vehicle being seized under division (B) of this section. 8459

(2) "Vehicle owner" means either of the following: 8460

(a) The person in whose name is registered, at the time of 8461
the seizure, a vehicle that is seized under division (B) of this 8462
section; 8463

(b) A person to whom the certificate of title to a vehicle 8464
that is seized under division (B) of this section has been 8465
assigned and who has not obtained a certificate of title to the 8466
vehicle in that person's name, but who is deemed by the court as 8467
being the owner of the vehicle at the time the vehicle was 8468
seized under division (B) of this section. 8469

(3) "Interested party" includes the owner of a vehicle 8470
seized under this section, all lienholders, the arrested person, 8471
the owner of the place of storage at which a vehicle seized 8472
under this section is stored, and the person or entity that 8473
caused the vehicle to be removed. 8474

(B) (1) The arresting officer or another officer of the law 8475
enforcement agency that employs the arresting officer, in 8476
addition to any action that the arresting officer is required or 8477
authorized to take by section 4511.19 or 4511.191 of the Revised 8478
Code or by any other provision of law, shall seize the vehicle 8479
that a person was operating at the time of the alleged offense 8480
and its license plates if the vehicle is registered in the 8481
arrested person's name and if either of the following applies: 8482

(a) The person is arrested for a violation of division (A) 8483
of section 4511.19 of the Revised Code or of a municipal OVI 8484
ordinance and, within ten years of the alleged violation, the 8485
person previously has been convicted of or pleaded guilty to one 8486

or more violations of division (A) or (B) of section 4511.19 of 8487
the Revised Code or one or more other equivalent offenses. 8488

(b) The person is arrested for a violation of division (A) 8489
of section 4511.19 of the Revised Code or of a municipal OVI 8490
ordinance and the person previously has been convicted of or 8491
pleaded guilty to a violation of division (A) of section 4511.19 8492
of the Revised Code under circumstances in which the violation 8493
was a felony, regardless of when the prior felony violation of 8494
division (A) of section 4511.19 of the Revised Code and the 8495
conviction or guilty plea occurred. 8496

(2) A law enforcement agency that employs a law 8497
enforcement officer who makes an arrest of a type that is 8498
described in division (B)(1) of this section and that involves a 8499
rented or leased vehicle that is being rented or leased for a 8500
period of thirty days or less shall notify, within twenty-four 8501
hours after the officer makes the arrest, the lessor or owner of 8502
the vehicle regarding the circumstances of the arrest and the 8503
location at which the vehicle may be picked up. At the time of 8504
the seizure of the vehicle, the law enforcement officer who made 8505
the arrest shall give the arrested person written notice that 8506
the vehicle and its license plates have been seized; that the 8507
vehicle either will be kept by the officer's law enforcement 8508
agency or will be immobilized at least until the operator's 8509
initial appearance on the charge of the offense for which the 8510
arrest was made; that, at the initial appearance, the court in 8511
certain circumstances may order that the vehicle and license 8512
plates be released to the arrested person until the disposition 8513
of that charge; and that, if the arrested person is convicted of 8514
that charge, the court generally must order the immobilization 8515
of the vehicle and the impoundment of its license plates, or the 8516
forfeiture of the vehicle. 8517

(3) The arresting officer or a law enforcement officer of 8518
the agency that employs the arresting officer shall give written 8519
notice of the seizure to the court that will conduct the initial 8520
appearance of the arrested person on the charges arising out of 8521
the arrest. Upon receipt of the notice, the court promptly shall 8522
determine whether the arrested person is the vehicle owner. If 8523
the court determines that the arrested person is not the vehicle 8524
owner, it promptly shall send by regular mail written notice of 8525
the seizure to the vehicle's registered owner. The written 8526
notice shall contain all of the information required by division 8527
(B) (2) of this section to be in a notice to be given to the 8528
arrested person and also shall specify the date, time, and place 8529
of the arrested person's initial appearance. The notice also 8530
shall inform the vehicle owner that if title to a motor vehicle 8531
that is subject to an order for criminal forfeiture under this 8532
section is assigned or transferred and division (B) (2) or (3) of 8533
section 4503.234 of the Revised Code applies, the court may fine 8534
the arrested person the value of the vehicle. The notice also 8535
shall state that if the vehicle is immobilized under division 8536
(A) of section 4503.233 of the Revised Code, seven days after 8537
the end of the period of immobilization a law enforcement agency 8538
will send the vehicle owner a notice, informing the owner that 8539
if the release of the vehicle is not obtained in accordance with 8540
division (D) (3) of section 4503.233 of the Revised Code, the 8541
vehicle shall be forfeited. The notice also shall inform the 8542
vehicle owner that the vehicle owner may be charged expenses or 8543
charges incurred under this section and section 4503.233 of the 8544
Revised Code for the removal and storage of the vehicle. 8545

The written notice that is given to the arrested person 8546
also shall state that if the person is convicted of or pleads 8547
guilty to the offense and the court issues an immobilization and 8548

impoundment order relative to that vehicle, division (D)(4) of 8549
section 4503.233 of the Revised Code prohibits the vehicle from 8550
being sold during the period of immobilization without the prior 8551
approval of the court. 8552

(4) At or before the initial appearance, the vehicle owner 8553
may file a motion requesting the court to order that the vehicle 8554
and its license plates be released to the vehicle owner. Except 8555
as provided in this division and subject to the payment of 8556
expenses or charges incurred in the removal and storage of the 8557
vehicle, the court, in its discretion, then may issue an order 8558
releasing the vehicle and its license plates to the vehicle 8559
owner. Such an order may be conditioned upon such terms as the 8560
court determines appropriate, including the posting of a bond in 8561
an amount determined by the court. If the arrested person is not 8562
the vehicle owner and if the vehicle owner is not present at the 8563
arrested person's initial appearance, and if the court believes 8564
that the vehicle owner was not provided with adequate notice of 8565
the initial appearance, the court, in its discretion, may allow 8566
the vehicle owner to file a motion within seven days of the 8567
initial appearance. If the court allows the vehicle owner to 8568
file such a motion after the initial appearance, the extension 8569
of time granted by the court does not extend the time within 8570
which the initial appearance is to be conducted. If the court 8571
issues an order for the release of the vehicle and its license 8572
plates, a copy of the order shall be made available to the 8573
vehicle owner. If the vehicle owner presents a copy of the order 8574
to the law enforcement agency that employs the law enforcement 8575
officer who arrested the arrested person, the law enforcement 8576
agency promptly shall release the vehicle and its license plates 8577
to the vehicle owner upon payment by the vehicle owner of any 8578
expenses or charges incurred in the removal and storage of the 8579

vehicle. 8580

(5) A vehicle seized under division (B) (1) of this section 8581
either shall be towed to a place specified by the law 8582
enforcement agency that employs the arresting officer to be 8583
safely kept by the agency at that place for the time and in the 8584
manner specified in this section or shall be otherwise 8585
immobilized for the time and in the manner specified in this 8586
section. ~~A law enforcement officer of that agency shall remove~~ 8587
~~the identification license plates of the vehicle, and they shall~~ 8588
~~be safely kept by the agency for the time and in the manner~~ 8589
~~specified in this section.~~The license plates shall remain on the 8590
seized vehicle unless otherwise ordered by the court. No vehicle 8591
that is seized and either towed or immobilized pursuant to this 8592
division shall be considered contraband for purposes of Chapter 8593
2981. of the Revised Code. The vehicle shall not be immobilized 8594
at any place other than a commercially operated private storage 8595
lot, a place owned by a law enforcement agency or other 8596
government agency, or a place to which one of the following 8597
applies: 8598

(a) The place is leased by or otherwise under the control 8599
of a law enforcement agency or other government agency. 8600

(b) The place is owned by the vehicle operator, the 8601
vehicle operator's spouse, or a parent or child of the vehicle 8602
operator. 8603

(c) The place is owned by a private person or entity, and, 8604
prior to the immobilization, the private entity or person that 8605
owns the place, or the authorized agent of that private entity 8606
or person, has given express written consent for the 8607
immobilization to be carried out at that place. 8608

(d) The place is a street or highway on which the vehicle 8609
is parked in accordance with the law. 8610

(C) (1) A vehicle seized under division (B) of this section 8611
shall be safely kept at the place to which it is towed or 8612
otherwise moved by the law enforcement agency that employs the 8613
arresting officer until the initial appearance of the arrested 8614
person relative to the charge in question. The license plates ~~of~~ 8615
~~shall remain on the seized vehicle that are removed pursuant to~~ 8616
~~division (B) of this section shall be safely kept by the law~~ 8617
~~enforcement agency that employs the arresting officer until the~~ 8618
~~initial appearance of the arrested person relative to the charge~~ 8619
~~in question unless otherwise ordered by the court.~~ 8620

(2) (a) At the initial appearance or not less than seven 8621
days prior to the date of final disposition, the court shall 8622
notify the arrested person that, if title to a motor vehicle 8623
that is subject to an order for criminal forfeiture under this 8624
section is assigned or transferred and division (B) (2) or (3) of 8625
section 4503.234 of the Revised Code applies, the court may fine 8626
the arrested person the value of the vehicle. If, at the initial 8627
appearance, the arrested person pleads guilty to the violation 8628
of division (A) of section 4511.19 of the Revised Code or of the 8629
municipal OVI ordinance or pleads no contest to and is convicted 8630
of the violation, the court shall impose sentence upon the 8631
person as provided by law or ordinance; the court shall order 8632
the immobilization of the vehicle the arrested person was 8633
operating at the time of the offense if registered in the 8634
arrested person's name and the impoundment of its license plates 8635
under section 4503.233 and section 4511.19 or 4511.193 of the 8636
Revised Code or the criminal forfeiture to the state of the 8637
vehicle if registered in the arrested person's name under 8638
section 4503.234 and section 4511.19 or 4511.193 of the Revised 8639

Code, whichever is applicable; and the vehicle and its license 8640
plates shall not be returned or released to the arrested person. 8641

(b) If, at any time, the charge that the arrested person 8642
violated division (A) of section 4511.19 of the Revised Code or 8643
the municipal OVI ordinance is dismissed for any reason, the 8644
court shall order that the vehicle seized at the time of the 8645
arrest and its license plates immediately be released to the 8646
person. 8647

(D) If a vehicle and its license plates are seized under 8648
division (B) of this section and are not returned or released to 8649
the arrested person pursuant to division (C) of this section, 8650
the vehicle and its license plates shall be retained until the 8651
final disposition of the charge in question. Upon the final 8652
disposition of that charge, the court shall do whichever of the 8653
following is applicable: 8654

(1) If the arrested person is convicted of or pleads 8655
guilty to the violation of division (A) of section 4511.19 of 8656
the Revised Code or of the municipal OVI ordinance, the court 8657
shall impose sentence upon the person as provided by law or 8658
ordinance and shall order the immobilization of the vehicle the 8659
person was operating at the time of the offense if it is 8660
registered in the arrested person's name and the impoundment of 8661
its license plates under section 4503.233 and section 4511.19 or 8662
4511.193 of the Revised Code, or the criminal forfeiture of the 8663
vehicle if it is registered in the arrested person's name under 8664
section 4503.234 and section 4511.19 or 4511.193 of the Revised 8665
Code, whichever is applicable. 8666

(2) If the arrested person is found not guilty of the 8667
violation of division (A) of section 4511.19 of the Revised Code 8668
or of the municipal OVI ordinance, the court shall order that 8669

the vehicle and its license plates immediately be released to 8670
the arrested person. 8671

(3) If the charge that the arrested person violated 8672
division (A) of section 4511.19 of the Revised Code or the 8673
municipal OVI ordinance is dismissed for any reason, the court 8674
shall order that the vehicle and its license plates immediately 8675
be released to the arrested person. 8676

(4) If the impoundment of the vehicle was not authorized 8677
under this section, the court shall order that the vehicle and 8678
its license plates be returned immediately to the arrested 8679
person or, if the arrested person is not the vehicle owner, to 8680
the vehicle owner, and shall order that the state or political 8681
subdivision of the law enforcement agency served by the law 8682
enforcement officer who seized the vehicle pay all expenses and 8683
charges incurred in its removal and storage. 8684

(E) If a vehicle is seized under division (B) of this 8685
section, the time between the seizure of the vehicle and either 8686
its release to the arrested person under division (C) of this 8687
section or the issuance of an order of immobilization of the 8688
vehicle under section 4503.233 of the Revised Code shall be 8689
credited against the period of immobilization ordered by the 8690
court. 8691

(F) (1) Except as provided in division (D) (4) of this 8692
section, the arrested person may be charged expenses or charges 8693
incurred in the removal and storage of the immobilized vehicle. 8694
The court with jurisdiction over the case, after notice to all 8695
interested parties, including lienholders, and after an 8696
opportunity for them to be heard, if the court finds that the 8697
arrested person does not intend to seek release of the vehicle 8698
at the end of the period of immobilization under section 8699

4503.233 of the Revised Code or that the arrested person is not 8700
or will not be able to pay the expenses and charges incurred in 8701
its removal and storage, may order that title to the vehicle be 8702
transferred, in order of priority, first into the name of the 8703
person or entity that removed it, next into the name of a 8704
lienholder, or lastly into the name of the owner of the place of 8705
storage. 8706

Any lienholder that receives title under a court order 8707
shall do so on the condition that it pay any expenses or charges 8708
incurred in the vehicle's removal and storage. If the person or 8709
entity that receives title to the vehicle is the person or 8710
entity that removed it, the person or entity shall receive title 8711
on the condition that it pay any lien on the vehicle. The court 8712
shall not order that title be transferred to any person or 8713
entity other than the owner of the place of storage if the 8714
person or entity refuses to receive the title. Any person or 8715
entity that receives title either may keep title to the vehicle 8716
or may dispose of the vehicle in any legal manner that it 8717
considers appropriate, including assignment of the certificate 8718
of title to the motor vehicle to a salvage dealer or a scrap 8719
metal processing facility. The person or entity shall not 8720
transfer the vehicle to the person who is the vehicle's 8721
immediate previous owner. 8722

If the person or entity that receives title assigns the 8723
motor vehicle to a salvage dealer or scrap metal processing 8724
facility, the person or entity shall send the assigned 8725
certificate of title to the motor vehicle to the clerk of the 8726
court of common pleas of the county in which the salvage dealer 8727
or scrap metal processing facility is located. The person or 8728
entity shall mark the face of the certificate of title with the 8729
words "FOR DESTRUCTION" and shall deliver a photocopy of the 8730

certificate of title to the salvage dealer or scrap metal 8731
processing facility for its records. 8732

(2) Whenever a court issues an order under division (F) (1) 8733
of this section, the court also shall order removal of the 8734
license plates from the vehicle and cause them to be sent to the 8735
registrar of motor vehicles if they have not already been sent 8736
to the registrar. Thereafter, no further proceedings shall take 8737
place under this section or under section 4503.233 of the 8738
Revised Code. 8739

(3) Prior to initiating a proceeding under division (F) (1) 8740
of this section, and upon payment of the fee under division (B) 8741
of section 4505.14 of the Revised Code, any interested party may 8742
cause a search to be made of the public records of the bureau of 8743
motor vehicles or the clerk of the court of common pleas, to 8744
ascertain the identity of any lienholder of the vehicle. The 8745
initiating party shall furnish this information to the clerk of 8746
the court with jurisdiction over the case, and the clerk shall 8747
provide notice to the arrested person, any lienholder, and any 8748
other interested parties listed by the initiating party, at the 8749
last known address supplied by the initiating party, by 8750
certified mail or, at the option of the initiating party, by 8751
personal service or ordinary mail. 8752

conditions, and no person shall drive any motor vehicle, 8757
trackless trolley, or streetcar in and upon any street or 8758

controlled-access highways and expressways, if the right-of-way
line fence has been erected without pedestrian opening, the

on freeways, if the right-of-way line fence has been erected
without pedestrian opening, the speed shall be governed by
divisions (B) (10) and (11) of this section. The end of every
school zone may be marked by a sign indicating the end of the
zone. Nothing in this section or in the manual and
specifications for a uniform system of traffic control devices
shall be construed to require school zones to be indicated by
signs equipped with flashing or other lights, or giving other
special notice of the hours in which the school zone speed limit
is in effect.

the county engineer shall create a school zone at that location 8799
by erecting the appropriate signs. 8800

(iv) Any preschool education program operated by an 8801
educational service center that is located on a street or 8802
highway with a speed limit of forty-five miles per hour or more, 8803
when the educational service center in writing requests that the 8804
county engineer of the county in which the program is located 8805
create a school zone at the location of that program. Upon 8806
receipt of such a written request, the county engineer shall 8807
create a school zone at that location by erecting the 8808
appropriate signs. 8809

(c) As used in this section, "school zone" means that 8810
portion of a street or highway passing a school fronting upon 8811
the street or highway that is encompassed by projecting the 8812
school property lines to the fronting street or highway, and 8813
also includes that portion of a state highway. Upon request from 8814
local authorities for streets and highways under their 8815
jurisdiction and that portion of a state highway under the 8816
jurisdiction of the director of transportation or a request from 8817
a county engineer in the case of a school zone for a special 8818
elementary school, the director may extend the traditional 8819
school zone boundaries. The distances in divisions (B) (1) (c) (i), 8820

(ii), and (iii) of this section shall not exceed three hundred 8821
feet per approach per direction and are bounded by whichever of 8822
the following distances or combinations thereof the director 8823
approves as most appropriate: 8824

(i) The distance encompassed by projecting the school 8825
building lines normal to the fronting highway and extending a 8826
distance of three hundred feet on each approach direction; 8827

(ii) The distance encompassed by projecting the school 8828
property lines intersecting the fronting highway and extending a 8829
distance of three hundred feet on each approach direction; 8830

(iii) The distance encompassed by the special marking of 8831
the pavement for a principal school pupil crosswalk plus a 8832
distance of three hundred feet on each approach direction of the 8833
highway. 8834

Nothing in this section shall be construed to invalidate 8835
the director's initial action on August 9, 1976, establishing 8836
all school zones at the traditional school zone boundaries 8837
defined by projecting school property lines, except when those 8838
boundaries are extended as provided in divisions (B) (1) (a) and 8839
(c) of this section. 8840

(d) As used in this division, "crosswalk" has the meaning 8841
given that term in division (LL) (2) of section 4511.01 of the 8842
Revised Code. 8843

The director may, upon request by resolution of the 8844
legislative authority of a municipal corporation, the board of 8845
trustees of a township, or a county board of developmental 8846
disabilities created pursuant to Chapter 5126. of the Revised 8847
Code, and upon submission by the municipal corporation, 8848
township, or county board of such engineering, traffic, and 8849

other information as the director considers necessary, designate 8850
a school zone on any portion of a state route lying within the 8851
municipal corporation, lying within the unincorporated territory 8852
of the township, or lying adjacent to the property of a school 8853
that is operated by such county board, that includes a crosswalk 8854
customarily used by children going to or leaving a school during 8855
recess and opening and closing hours, whenever the distance, as 8856
measured in a straight line, from the school property line 8857
nearest the crosswalk to the nearest point of the crosswalk is 8858
no more than one thousand three hundred twenty feet. Such a 8859
school zone shall include the distance encompassed by the 8860
crosswalk and extending three hundred feet on each approach 8861
direction of the state route. 8862

(e) As used in this section, "special elementary school" 8863
means a school that meets all of the following criteria: 8864

(i) It is not chartered and does not receive tax revenue 8865
from any source. 8866

(ii) It does not educate children beyond the eighth grade. 8867

(iii) It is located outside the limits of a municipal 8868
corporation. 8869

(iv) A majority of the total number of students enrolled 8870
at the school are not related by blood. 8871

(v) The principal or other person in charge of the special 8872
elementary school annually sends a report to the superintendent 8873
of the school district in which the special elementary school is 8874
located indicating the total number of students enrolled at the 8875
school, but otherwise the principal or other person in charge 8876
does not report any other information or data to the 8877
superintendent. 8878

(2) Twenty-five miles per hour in all other portions of a municipal corporation, except on state routes outside business districts, through highways outside business districts, and alleys;	8879 8880 8881 8882
(3) Thirty-five miles per hour on all state routes or through highways within municipal corporations outside business districts, except as provided in divisions (B) (4) and (6) of this section;	8883 8884 8885 8886
(4) Fifty miles per hour on controlled-access highways and expressways within municipal corporations, except as provided in divisions (B) (12), (13), (14), (15), and (16) of this section;	8887 8888 8889
(5) Fifty-five miles per hour on highways outside municipal corporations, other than highways within island jurisdictions as provided in division (B) (8) of this section, highways as provided in divisions (B) (9) and (10) of this section, and highways, expressways, and freeways as provided in divisions (B) (12), (13), (14), and (16) of this section;	8890 8891 8892 8893 8894 8895
(6) Fifty miles per hour on state routes within municipal corporations outside urban districts unless a lower prima-facie speed is established as further provided in this section;	8896 8897 8898
(7) Fifteen miles per hour on all alleys within the municipal corporation;	8899 8900
(8) Thirty-five miles per hour on highways outside municipal corporations that are within an island jurisdiction;	8901 8902
(9) Thirty-five miles per hour on through highways, except state routes, that are outside municipal corporations and that are within a national park with boundaries extending through two or more counties;	8903 8904 8905 8906

(10) Sixty miles per hour on two-lane state routes outside 8907
municipal corporations as established by the director under 8908
division (H) (2) of this section; 8909

(11) Fifty-five miles per hour on freeways with paved 8910
shoulders inside municipal corporations, other than freeways as 8911
provided in divisions (B) (14) and (16) of this section; 8912

(12) Sixty miles per hour on rural expressways with 8913
traffic control signals and on all portions of rural divided 8914
highways, except as provided in divisions (B) (13) and (14) of 8915
this section; 8916

(13) Sixty-five miles per hour on all rural expressways 8917
without traffic control signals; 8918

(14) Seventy miles per hour on all rural freeways; 8919

(15) Fifty-five miles per hour on all portions of freeways 8920
or expressways in congested areas as determined by the director 8921
and that are located within a municipal corporation or within an 8922
interstate freeway outerbelt, except as provided in division (B) 8923
(16) of this section; 8924

(16) Sixty-five miles per hour on all portions of freeways 8925
or expressways without traffic control signals in urbanized 8926
areas. 8927

(C) It is prima-facie unlawful for any person to exceed 8928
any of the speed limitations in divisions (B) (1) (a), (2), (3), 8929
(4), (6), (7), (8), and (9) of this section, or any declared or 8930
established pursuant to this section by the director or local 8931
authorities and it is unlawful for any person to exceed any of 8932
the speed limitations in division (D) of this section. No person 8933
shall be convicted of more than one violation of this section 8934
for the same conduct, although violations of more than one 8935

provision of this section may be charged in the alternative in a 8936
single affidavit. 8937

(D) No person shall operate a motor vehicle, trackless 8938
trolley, or streetcar upon a street or highway as follows: 8939

(1) At a speed exceeding fifty-five miles per hour, except 8940
upon a two-lane state route as provided in division (B) (10) of 8941
this section and upon a highway, expressway, or freeway as 8942
provided in divisions (B) (12), (13), (14), and (16) of this 8943
section; 8944

(2) At a speed exceeding sixty miles per hour upon a two- 8945
lane state route as provided in division (B) (10) of this section 8946
and upon a highway as provided in division (B) (12) of this 8947
section; 8948

(3) At a speed exceeding sixty-five miles per hour upon an 8949
expressway as provided in division (B) (13) or upon a freeway as 8950
provided in division (B) (16) of this section, except upon a 8951
freeway as provided in division (B) (14) of this section; 8952

(4) At a speed exceeding seventy miles per hour upon a 8953
freeway as provided in division (B) (14) of this section; 8954

(5) At a speed exceeding the posted speed limit upon a 8955
highway, expressway, or freeway for which the director has 8956
determined and declared a speed limit pursuant to division (I) 8957
(2) or (L) (2) of this section. 8958

(E) In every charge of violation of this section the 8959
affidavit and warrant shall specify the time, place, and speed 8960
at which the defendant is alleged to have driven, and in charges 8961
made in reliance upon division (C) of this section also the 8962
speed which division (B) (1) (a), (2), (3), (4), (6), (7), (8), or 8963
(9) of, or a limit declared or established pursuant to, this 8964

section declares is prima-facie lawful at the time and place of 8965
such alleged violation, except that in affidavits where a person 8966
is alleged to have driven at a greater speed than will permit 8967
the person to bring the vehicle to a stop within the assured 8968
clear distance ahead the affidavit and warrant need not specify 8969
the speed at which the defendant is alleged to have driven. 8970

(F) When a speed in excess of both a prima-facie 8971
limitation and a limitation in division (D) of this section is 8972
alleged, the defendant shall be charged in a single affidavit, 8973
alleging a single act, with a violation indicated of both 8974
division (B) (1) (a), (2), (3), (4), (6), (7), (8), or (9) of this 8975
section, or of a limit declared or established pursuant to this 8976
section by the director or local authorities, and of the 8977
limitation in division (D) of this section. If the court finds a 8978
violation of division (B) (1) (a), (2), (3), (4), (6), (7), (8), 8979
or (9) of, or a limit declared or established pursuant to, this 8980
section has occurred, it shall enter a judgment of conviction 8981
under such division and dismiss the charge under division (D) of 8982
this section. If it finds no violation of division (B) (1) (a), 8983
(2), (3), (4), (6), (7), (8), or (9) of, or a limit declared or 8984
established pursuant to, this section, it shall then consider 8985
whether the evidence supports a conviction under division (D) of 8986
this section. 8987

(G) Points shall be assessed for violation of a limitation 8988
under division (D) of this section in accordance with section 8989
4510.036 of the Revised Code. 8990

(H) (1) Whenever the director determines upon the basis of 8991
criteria established by an engineering study, as defined by the 8992
director, that any speed limit set forth in divisions (B) (1) (a) 8993
to (D) of this section is greater or less than is reasonable or 8994

safe under the conditions found to exist at any portion of a 8995
street or highway under the jurisdiction of the director, the 8996
director shall determine and declare a reasonable and safe 8997
prima-facie speed limit, which shall be effective when 8998
appropriate signs giving notice of it are erected at the 8999
location. 9000

(2) Whenever the director determines upon the basis of 9001
criteria established by an engineering study, as defined by the 9002
director, that the speed limit of fifty-five miles per hour on a 9003
two-lane state route outside a municipal corporation is less 9004
than is reasonable or safe under the conditions found to exist 9005
at that portion of the state route, the director may determine 9006
and declare a speed limit of sixty miles per hour for that 9007
portion of the state route, which shall be effective when 9008
appropriate signs giving notice of it are erected at the 9009
location. 9010

(3) (a) For purposes of the safe and orderly movement of 9011
traffic upon any portion of a street or highway under the 9012
jurisdiction of the director, the director may establish a 9013
variable speed limit that is different than the speed limit 9014
established by or under this section on all or portions of 9015
interstate six hundred seventy, interstate two hundred seventy- 9016
five, and interstate ninety commencing at the intersection of 9017
that interstate with interstate seventy-one and continuing to 9018
the border of the state of Ohio with the state of Pennsylvania. 9019
The director shall establish criteria for determining the 9020
appropriate use of variable speed limits and shall establish 9021
variable speed limits in accordance with the criteria. The 9022
director may establish variable speed limits based upon the time 9023
of day, weather conditions, traffic incidents, or other factors 9024
that affect the safe speed on a street or highway. The director 9025

shall not establish a variable speed limit that is based on a 9026
particular type or class of vehicle. A variable speed limit 9027
established by the director under this section is effective when 9028
appropriate signs giving notice of the speed limit are displayed 9029
at the location. 9030

(b) Except for variable speed limits established under 9031
division (H) (3) (a) of this section, the director shall establish 9032
a variable speed limit under the authority granted to the 9033
director by this section on not more than two additional 9034
highways and only pursuant to criteria established in rules 9035
adopted in accordance with Chapter 119. of the Revised Code. The 9036
rules shall be based on the criteria described in division (H) 9037
(3) (a) of this section. The rules also shall establish the 9038
parameters of any engineering study necessary for determining 9039
when variable speed limits are appropriate. 9040

(4) Nothing in this section shall be construed to limit 9041
the authority of the director to establish speed limits within a 9042
construction zone as authorized under section 4511.98 of the 9043
Revised Code. 9044

(I) (1) Except as provided in divisions (I) (2), (J), (K), 9045
and (N) of this section, whenever local authorities determine 9046
upon the basis of criteria established by an engineering study, 9047
as defined by the director, that the speed permitted by 9048
divisions (B) (1) (a) to (D) of this section, on any part of a 9049
highway under their jurisdiction, is greater than is reasonable 9050
and safe under the conditions found to exist at such location, 9051
the local authorities may by resolution request the director to 9052
determine and declare a reasonable and safe prima-facie speed 9053
limit. Upon receipt of such request the director may determine 9054
and declare a reasonable and safe prima-facie speed limit at 9055

such location, and if the director does so, then such declared 9056
speed limit shall become effective only when appropriate signs 9057
giving notice thereof are erected at such location by the local 9058
authorities. The director may withdraw the declaration of a 9059
prima-facie speed limit whenever in the director's opinion the 9060
altered prima-facie speed limit becomes unreasonable. Upon such 9061
withdrawal, the declared prima-facie speed limit shall become 9062
ineffective and the signs relating thereto shall be immediately 9063
removed by the local authorities. 9064

(2) A local authority may determine on the basis of 9065
criteria established by an engineering study, as defined by the 9066
director, that the speed limit of sixty-five or seventy miles 9067
per hour on a portion of a freeway under its jurisdiction is 9068
greater than is reasonable or safe under the conditions found to 9069
exist at that portion of the freeway. If the local authority 9070
makes such a determination, the local authority by resolution 9071
may request the director to determine and declare a reasonable 9072
and safe speed limit of not less than fifty-five miles per hour 9073
for that portion of the freeway. If the director takes such 9074
action, the declared speed limit becomes effective only when 9075
appropriate signs giving notice of it are erected at such 9076
location by the local authority. 9077

(J) Local authorities in their respective jurisdictions 9078
may authorize by ordinance higher prima-facie speeds than those 9079
stated in this section upon through highways, or upon highways 9080
or portions thereof where there are no intersections, or between 9081
widely spaced intersections, provided signs are erected giving 9082
notice of the authorized speed, but local authorities shall not 9083
modify or alter the basic rule set forth in division (A) of this 9084
section or in any event authorize by ordinance a speed in excess 9085
of the maximum speed permitted by division (D) of this section 9086

for the specified type of highway. 9087

Alteration of prima-facie limits on state routes by local 9088
authorities shall not be effective until the alteration has been 9089
approved by the director. The director may withdraw approval of 9090
any altered prima-facie speed limits whenever in the director's 9091
opinion any altered prima-facie speed becomes unreasonable, and 9092
upon such withdrawal, the altered prima-facie speed shall become 9093
ineffective and the signs relating thereto shall be immediately 9094
removed by the local authorities. 9095

(K) (1) As used in divisions (K) (1), (2), (3), and (4) of 9096
this section, "unimproved highway" means a highway consisting of 9097
any of the following: 9098

(a) Unimproved earth; 9099

(b) Unimproved graded and drained earth; 9100

(c) Gravel. 9101

(2) Except as otherwise provided in divisions (K) (4) and 9102
(5) of this section, whenever a board of township trustees 9103
determines upon the basis of criteria established by an 9104
engineering study, as defined by the director, that the speed 9105
permitted by division (B) (5) of this section on any part of an 9106
unimproved highway under its jurisdiction and in the 9107
unincorporated territory of the township is greater than is 9108
reasonable or safe under the conditions found to exist at the 9109
location, the board may by resolution declare a reasonable and 9110
safe prima-facie speed limit of fifty-five but not less than 9111
twenty-five miles per hour. An altered speed limit adopted by a 9112
board of township trustees under this division becomes effective 9113
when appropriate traffic control devices, as prescribed in 9114
section 4511.11 of the Revised Code, giving notice thereof are 9115

erected at the location, which shall be no sooner than sixty 9116
days after adoption of the resolution. 9117

(3) (a) Whenever, in the opinion of a board of township 9118
trustees, any altered prima-facie speed limit established by the 9119
board under this division becomes unreasonable, the board may 9120
adopt a resolution withdrawing the altered prima-facie speed 9121
limit. Upon the adoption of such a resolution, the altered 9122
prima-facie speed limit becomes ineffective and the traffic 9123
control devices relating thereto shall be immediately removed. 9124

(b) Whenever a highway ceases to be an unimproved highway 9125
and the board has adopted an altered prima-facie speed limit 9126
pursuant to division (K) (2) of this section, the board shall, by 9127
resolution, withdraw the altered prima-facie speed limit as soon 9128
as the highway ceases to be unimproved. Upon the adoption of 9129
such a resolution, the altered prima-facie speed limit becomes 9130
ineffective and the traffic control devices relating thereto 9131
shall be immediately removed. 9132

(4) (a) If the boundary of two townships rests on the 9133
centerline of an unimproved highway in unincorporated territory 9134
and both townships have jurisdiction over the highway, neither 9135
of the boards of township trustees of such townships may declare 9136
an altered prima-facie speed limit pursuant to division (K) (2) 9137
of this section on the part of the highway under their joint 9138
jurisdiction unless the boards of township trustees of both of 9139
the townships determine, upon the basis of criteria established 9140
by an engineering study, as defined by the director, that the 9141
speed permitted by division (B) (5) of this section is greater 9142
than is reasonable or safe under the conditions found to exist 9143
at the location and both boards agree upon a reasonable and safe 9144
prima-facie speed limit of less than fifty-five but not less 9145

than twenty-five miles per hour for that location. If both 9146
boards so agree, each shall follow the procedure specified in 9147
division (K) (2) of this section for altering the prima-facie 9148
speed limit on the highway. Except as otherwise provided in 9149
division (K) (4) (b) of this section, no speed limit altered 9150
pursuant to division (K) (4) (a) of this section may be withdrawn 9151
unless the boards of township trustees of both townships 9152
determine that the altered prima-facie speed limit previously 9153
adopted becomes unreasonable and each board adopts a resolution 9154
withdrawing the altered prima-facie speed limit pursuant to the 9155
procedure specified in division (K) (3) (a) of this section. 9156

(b) Whenever a highway described in division (K) (4) (a) of 9157
this section ceases to be an unimproved highway and two boards 9158
of township trustees have adopted an altered prima-facie speed 9159
limit pursuant to division (K) (4) (a) of this section, both 9160
boards shall, by resolution, withdraw the altered prima-facie 9161
speed limit as soon as the highway ceases to be unimproved. Upon 9162
the adoption of the resolution, the altered prima-facie speed 9163
limit becomes ineffective and the traffic control devices 9164
relating thereto shall be immediately removed. 9165

(5) As used in division (K) (5) of this section: 9166

(a) "Commercial subdivision" means any platted territory 9167
outside the limits of a municipal corporation and fronting a 9168
highway where, for a distance of three hundred feet or more, the 9169
frontage is improved with buildings in use for commercial 9170
purposes, or where the entire length of the highway is less than 9171
three hundred feet long and the frontage is improved with 9172
buildings in use for commercial purposes. 9173

(b) "Residential subdivision" means any platted territory 9174
outside the limits of a municipal corporation and fronting a 9175

highway, where, for a distance of three hundred feet or more, 9176
the frontage is improved with residences or residences and 9177
buildings in use for business, or where the entire length of the 9178
highway is less than three hundred feet long and the frontage is 9179
improved with residences or residences and buildings in use for 9180
business. 9181

Whenever a board of township trustees finds upon the basis 9182
of criteria established by an engineering study, as defined by 9183
the director, that the prima-facie speed permitted by division 9184
(B) (5) of this section on any part of a highway under its 9185
jurisdiction that is located in a commercial or residential 9186
subdivision, except on highways or portions thereof at the 9187
entrances to which vehicular traffic from the majority of 9188
intersecting highways is required to yield the right-of-way to 9189
vehicles on such highways in obedience to stop or yield signs or 9190
traffic control signals, is greater than is reasonable and safe 9191
under the conditions found to exist at the location, the board 9192
may by resolution declare a reasonable and safe prima-facie 9193
speed limit of less than fifty-five but not less than twenty- 9194
five miles per hour at the location. An altered speed limit 9195
adopted by a board of township trustees under this division 9196
shall become effective when appropriate signs giving notice 9197
thereof are erected at the location by the township. Whenever, 9198
in the opinion of a board of township trustees, any altered 9199
prima-facie speed limit established by it under this division 9200
becomes unreasonable, it may adopt a resolution withdrawing the 9201
altered prima-facie speed, and upon such withdrawal, the altered 9202
prima-facie speed shall become ineffective, and the signs 9203
relating thereto shall be immediately removed by the township. 9204

(L) (1) The director of transportation, based upon an 9205
engineering study, as defined by the director, of a highway, 9206

expressway, or freeway described in division (B) (12), (13), 9207
(14), (15), or (16) of this section, in consultation with the 9208
director of public safety and, if applicable, the local 9209
authority having jurisdiction over the studied highway, 9210
expressway, or freeway, may determine and declare that the speed 9211
limit established on such highway, expressway, or freeway under 9212
division (B) (12), (13), (14), (15), or (16) of this section 9213
either is reasonable and safe or is more or less than that which 9214
is reasonable and safe. 9215

(2) If the established speed limit for a highway, 9216
expressway, or freeway studied pursuant to division (L) (1) of 9217
this section is determined to be more or less than that which is 9218
reasonable and safe, the director of transportation, in 9219
consultation with the director of public safety and, if 9220
applicable, the local authority having jurisdiction over the 9221
studied highway, expressway, or freeway, shall determine and 9222
declare a reasonable and safe speed limit for that highway, 9223
expressway, or freeway. 9224

(M) (1) (a) If the boundary of two local authorities rests 9225
on the centerline of a highway and both authorities have 9226
jurisdiction over the highway, the speed limit for the part of 9227
the highway within their joint jurisdiction shall be either one 9228
of the following as agreed to by both authorities: 9229

(i) Either prima-facie speed limit permitted by division 9230
(B) of this section; 9231

(ii) An altered speed limit determined and posted in 9232
accordance with this section. 9233

(b) If the local authorities are unable to reach an 9234
agreement, the speed limit shall remain as established and 9235

posted under this section. 9236

establish proof of ownership, including, but not limited to, 9594
receipts from the purchase of parts or components, photographs, 9595
and affidavits of other persons. 9596

If the application is made by two persons regarding an 9597

motorcycle or all-purpose vehicle in beneficiary form so that 9602
upon the death of the owner of the off-highway motorcycle or 9603
all-purpose vehicle, ownership of the off-highway motorcycle or 9604
all-purpose vehicle will pass to a designated transfer-on-death 9605

ownership of the off-highway motorcycle or all-purpose vehicle, 9632
the clerk shall charge a late filing fee of five dollars in 9633
addition to the fee prescribed by section 4519.59 of the Revised 9634

filing fee. 9636

Except in the case of an off-highway motorcycle or all- 9637
purpose vehicle purchased prior to July 1, 1999, the clerk shall 9638
refuse to accept an application for certificate of title unless 9639
the applicant either tenders with the application payment of all 9640

poundage fee of one and one-hundredth per cent of the taxes 9666

A clerk, however, may retain from the taxes paid to the 9671
clerk an amount equal to the poundage fees associated with 9672
certificates of title issued by other clerks of courts of common 9673
pleas to applicants who reside in the first clerk's county. The 9674
registrar, in consultation with the tax commissioner and the 9675
clerks of the courts of common pleas, shall develop a report 9676

(B) The department of transportation in conjunction with 10116
the Ohio state highway patrol shall reopen two closed Ohio weigh 10117
stations for use as commercial motor vehicle parking in each 10118
year, beginning in 2021 and ending in 2024, for a total of 10119
eight. The director of transportation shall ensure that each 10120
such weigh station remains open and is clearly marked as being 10121
for overnight parking only and not for standard weight checks. 10122

Sec. 5540.02. (A) A transportation improvement district 10123
may be created by the board of county commissioners of a county. 10124
The board, by resolution, shall determine the structure of the 10125
board of trustees of the transportation improvement district it 10126
creates by adopting the structure contained either in division 10127
(C) (1) or (2) of this section. 10128

(B) A transportation improvement district is a body both 10129
corporate and politic, constituting an instrumentality of the 10130
state, and the exercise by it of the powers conferred by this 10131
chapter in the financing, construction, maintenance, repair, and 10132
operation of a project are and shall be held to be essential 10133
governmental functions of the state. 10134

(C) (1) If the board of county commissioners so elects, a 10135
transportation improvement district shall be governed by a board 10136
of trustees consisting of the following members: 10137

(a) Two members appointed by the board of county 10138
commissioners; 10139

(b) Three members appointed by the legislative authority 10140
of the most populous municipal corporation in the district; 10141

(c) Two members appointed by the legislative authority of the second most populous municipal corporation in the district;	10142 10143
(d) Two members appointed by the board of township trustees of the township in the county that is most populous in its unincorporated area;	10144 10145 10146
(e) The county engineer;	10147
(f) One member appointed by the legislative authority of any township or municipal corporation that cannot otherwise appoint a member to the board pursuant to this section, and that is wholly or partially within the area of the transportation improvement district as the district was originally designated by the board of county commissioners;	10148 10149 10150 10151 10152 10153
(g) If the area of a transportation improvement district is expanded by the board of county commissioners, the legislative authority of any township or municipal corporation that is wholly or partially within the area of expansion and that cannot otherwise appoint a member to the board pursuant to this section, with the consent of the board of trustees of the district, may appoint one member to the board;	10154 10155 10156 10157 10158 10159 10160
(h) The members of the general assembly in whose legislative districts any part of the transportation improvement district is located, who shall be ex officio, nonvoting members of the board;	10161 10162 10163 10164
(i) One member appointed by the regional planning commission for the county, who shall be a nonvoting member of the board.	10165 10166 10167
One of each of the appointments made by the board of county commissioners, the legislative authority of a municipal corporation, and the board of township trustees under divisions	10168 10169 10170

(C) (1) (a), (b), (c), and (d) of this section, shall be members 10171
of the chamber of commerce for the respective political 10172
subdivision. 10173

Whenever the addition of members to the board of trustees 10174
of a transportation improvement district pursuant to division 10175
(C) (1) (f) or (g) of this section results in an even number of 10176
total voting members on the board, the board of trustees of the 10177
district may appoint an additional person to its membership to 10178
maintain an odd number of voting members. 10179

(2) As an alternative to the structure prescribed in 10180
division (C) (1) of this section, a board of county 10181
commissioners, by resolution, may elect that the transportation 10182
improvement district it creates be governed by a board of 10183
trustees consisting of ~~the following members:~~ 10184

~~(a) Five five members appointed by the board of county 10185
commissioners;~~ 10186

~~(b) One nonvoting member appointed by the speaker of the 10187
house of representatives of the general assembly;~~ 10188

~~(c) One nonvoting member appointed by the president of the 10189
senate of the general assembly.~~ 10190

(D) Each appointed member of the board shall hold office 10191
for a term of two years but subject to removal at the pleasure 10192
of the authority that appointed the member. Members may be 10193
reappointed. Except as otherwise provided in this division, any 10194
vacancy on the board shall be filled in the same manner as the 10195
original appointment. Any vacancy on a board appointed under 10196
division (C) (1) of this section lasting longer than thirty days 10197
due to the failure of the legislative authority of a municipal 10198
corporation or a board of township trustees to make an 10199

appointment shall be filled by the board of trustees of the 10200
transportation improvement district. 10201

(E) The voting members of the board shall elect from the 10202
entire board membership a chairperson, vice-chairperson, and 10203
secretary-treasurer. A majority of the voting members of the 10204
board constitutes a quorum, the affirmative vote of which is 10205
necessary for any action of the district. No vacancy in the 10206
membership of the board impairs the right of a quorum to 10207
exercise all the rights and perform all duties of the district. 10208

(F) The board of county commissioners of the county, the 10209
legislative authority of any municipal corporation, and the 10210
board of township trustees of any township that is part of the 10211
district, may make appropriations from moneys available to them 10212
and not otherwise appropriated, to pay costs incurred by the 10213
district in the exercise of its functions under this chapter. 10214

(G) An organizational meeting of the board of trustees of 10215
a transportation improvement district created under this section 10216
shall be held at the time and place designated by the board 10217
member who has served the most years as a member of the ~~general-~~ 10218
assembly board of county commissioners that created the 10219
transportation improvement district. 10220

Sec. 5543.19. (A) The county engineer may, when authorized 10221
by the board of county commissioners and not required by this 10222
section or other law to use competitive bidding, employ such 10223
laborers and vehicles, use such county employees and property, 10224
lease such implements and tools, and purchase such materials as 10225
are necessary in the construction, reconstruction, improvement, 10226
maintenance, or repair of roads by force account. 10227

In determining whether construction or reconstruction, 10228

including widening and resurfacing, of roads may be undertaken 10229
by force account, the county engineer shall first cause to be 10230
made an estimate of the cost of such work using the force 10231
account project assessment form developed by the auditor of 10232
state under section 117.16 of the Revised Code. When the total 10233
estimated cost of the work exceeds thirty thousand dollars per 10234
mile, the county commissioners shall invite and receive 10235
competitive bids for furnishing all the labor, materials, and 10236
equipment necessary to complete the work in accordance with 10237
sections 307.86 to 307.92 of the Revised Code. 10238

(B) The county engineer may, when authorized by the board 10239
of county commissioners and not required by this section or 10240
other law to use competitive bidding, employ such laborers and 10241
vehicles, use such county employees and property, lease such 10242
implements and tools, and purchase such materials as are 10243
necessary in the construction, reconstruction, improvement, 10244
maintenance, or repair of bridges and culverts by force account. 10245

In determining whether such construction, reconstruction, 10246
improvement, maintenance, or repair of bridges or culverts may 10247
be undertaken by force account, the county engineer shall first 10248
cause to be made an estimate of the cost of such work using the 10249
force account project assessment form. When the total estimated 10250
cost of the work exceeds one hundred thousand dollars, the board 10251
of county commissioners shall invite and receive competitive 10252
bids for furnishing all the labor, materials, and equipment 10253
necessary to complete the work, in accordance with sections 10254
307.86 to 307.92 of the Revised Code. The county engineer shall 10255
obtain the approval required by section 5543.02 of the Revised 10256
Code. 10257

(C) On the first day of July of every odd-numbered year 10258

beginning in 2021, the threshold amounts established in this 10259
section shall increase by an amount not to exceed the lesser of 10260
three per cent, or the percentage amount of any increase in the 10261
department of transportation's construction cost index as 10262
annualized and totaled for the prior two calendar years. The 10263
director of transportation shall notify each appropriate county 10264
engineer of the increased amount. 10265

(D) "Force account," as used in this section means that 10266
the county engineer will act as contractor, using labor employed 10267
by the engineer using material and equipment either owned by the 10268
county or leased or purchased in compliance with sections 307.86 10269
to 307.92 of the Revised Code and excludes subcontracting any 10270
part of such work unless done pursuant to sections 307.86 to 10271
307.92 of the Revised Code. 10272

The term "competitive bids" as used in this section 10273
requires competition for the whole contract and in regard to its 10274
component parts, including labor and materials. Neither plans 10275
nor specifications shall be drawn to favor any manufacturer or 10276
bidder unless required by the public interest. 10277

Sec. 5543.20. The county engineer shall inspect all 10278
bridges or portions thereof on the county highway system inside 10279
and outside of municipalities, bridges on township roads, and 10280
other bridges or portions of bridges for which responsibility 10281
for inspection is by law or agreement assigned to the county. If 10282
the responsibility for inspection of a bridge is not fixed by 10283
law or agreement and the county performs the largest share of 10284
maintenance on a bridge, inspection shall be made by the 10285
engineer. 10286

This section does not prohibit a board of township 10287
trustees from inspecting bridges within a township. 10288

Such inspection shall be made ~~annually~~on a schedule 10289
established by the director of transportation, but at least once 10290
every twenty-four months, or more frequently if required by the 10291
board of county commissioners, in accordance with the manual of 10292
bridge inspection described in section 5501.47 of the Revised 10293
Code. 10294

Counties may contract for inspection services. 10295

The engineer shall maintain an updated inventory of all 10296
bridges in the county, except those on the state highway system 10297
and those within a municipality for which the engineer has no 10298
duty to inspect, and indicate on the inventory record who is 10299
responsible for inspection and for maintenance, and the 10300
authority for such responsibilities. 10301

The engineer shall report the condition of all bridges to 10302
the board of county commissioners not later than sixty days 10303
after ~~his annual~~the inspection or ~~he~~the engineer shall report 10304
more frequently if the board so requires. Any bridge for which 10305
the county has inspection or maintenance responsibility which, 10306
at any time, is found to be in a condition that is a potential 10307
danger to life or property shall be identified in the reports, 10308
and if the engineer determines that the condition of any bridge 10309
represents an immediate danger ~~he~~the engineer shall immediately 10310
report the condition to the board. With respect to those bridges 10311
where there exists joint maintenance responsibility, the 10312
engineer shall furnish a copy of ~~his~~the inspection report to 10313
each party responsible for a share of maintenance. The engineer 10314
shall furnish each board of township trustees with a report of 10315
the condition of bridges on the township road system of such 10316
township and furnish the legislative authority of each 10317
municipality in the county with a report of the condition of 10318

bridges in such municipality for which the county has 10319
responsibility for inspection. 10320

"Maintenance" as used in this division means actual 10321
performance of maintenance work. 10322

Sec. 5575.01. (A) In the maintenance and repair of roads, 10323
the board of township trustees may proceed either by contract or 10324
force account, but, unless the exemption specified in division 10325
(C) of this section applies, if the board wishes to proceed by 10326
force account, it first shall cause the county engineer to 10327
complete the force account assessment form developed by the 10328
auditor of state under section 117.16 of the Revised Code. 10329
Except as otherwise provided in sections 505.08 and 505.101 of 10330
the Revised Code, when the board proceeds by contract, the 10331
contract shall, if the amount involved exceeds forty-five 10332
thousand dollars, be let by the board to the lowest responsible 10333
bidder after advertisement for bids once, not later than two 10334
weeks, prior to the date fixed for the letting of the contract, 10335
in a newspaper of general circulation within the township. If 10336
the amount involved is forty-five thousand dollars or less, a 10337
contract may be let without competitive bidding, or the work may 10338
be done by force account. Such a contract shall be performed 10339
under the supervision of a member of the board or the township 10340
road superintendent. 10341

(B) Before undertaking the construction or reconstruction 10342
of a township road, the board shall cause to be made by the 10343
county engineer an estimate of the cost of the work, which 10344
estimate shall include labor, material, freight, fuel, hauling, 10345
use of machinery and equipment, and all other items of cost. If 10346
the board finds it in the best interest of the public, it may, 10347
in lieu of constructing the road by contract, proceed to 10348

construct the road by force account. Except as otherwise 10349
provided under sections 505.08 and 505.101 of the Revised Code, 10350
where the total estimated cost of the work exceeds fifteen 10351
thousand dollars per mile, the board shall invite and receive 10352
competitive bids for furnishing all the labor, materials, and 10353
equipment and doing the work, as provided in section 5575.02 of 10354
the Revised Code, and shall consider and reject them before 10355
ordering the work done by force account. When such bids are 10356
received, considered, and rejected, and the work is done by 10357
force account, the work shall be performed in compliance with 10358
the plans and specifications upon which the bids were based. 10359

(C) Force account assessment forms are not required under 10360
division (A) of this section for road maintenance or repair 10361
projects of less than fifteen thousand dollars, or under 10362
division (B) of this section for road construction or 10363
reconstruction projects of less than five thousand dollars per 10364
mile. 10365

(D) On the first day of July of every odd-numbered year 10366
beginning in 2021, the threshold amounts established in 10367
divisions (A) and (B) of this section shall increase by an 10368
amount not to exceed the lesser of three per cent, or the 10369
percentage amount of any increase in the department of 10370
transportation's construction cost index as annualized and 10371
totaled for the prior two calendar years. The director of 10372
transportation shall notify each appropriate county engineer of 10373
the increased amount. 10374

(E) All force account work under this section shall be 10375
done under the direction of a member of the board or the 10376
township road superintendent. 10377

Sec. 5577.02. No person shall operate or move a trackless 10378

trolley, traction engine, steam roller, or other vehicle, load, 10379
object, or structure, whether propelled by muscular or motor 10380
power, ~~not including vehicles run upon stationary rails or~~ 10381

Sec. 5709.48. (A) As used in this section and sections 10649
5709.481, 5709.49, and 5709.50 of the Revised Code: 10650

(1) "Regional transportation improvement project" has the 10651
same meaning as in section 5595.01 of the Revised Code. 10652

(2) "Improvements" means the increase in the assessed 10653
value of any real property that would first appear on the tax 10654
list and duplicate of real and public utility property after the 10655
effective date of the resolution adopted under this section were 10656
it not for the exemption granted by that resolution. 10657

(B) For the purposes described in division (A) of section 10658
5595.06 of the Revised Code, the governing board of a regional 10659
transportation improvement project that was undertaken pursuant 10660
to section 5595.02 of the Revised Code before March 23, 2018, 10661
may, by resolution, create a transportation financing district 10662
and declare improvements to parcels within the district to be a 10663
public purpose and exempt from taxation. 10664

(C) A transportation financing district may include 10665
territory in more than one county as long as each such county is 10666
a participant in the regional transportation improvement project 10667
funded by the district. A district shall not include parcels 10668
used primarily for residential purposes. A district shall not 10669
include any parcel that is currently exempt from taxation under 10670
this section or section 5709.40, 5709.41, 5709.45, 5709.73, or 10671
5709.77 of the Revised Code. The governing board may designate 10672
parcels within the boundaries of a district that are not to be 10673

included in the district. The governing board may designate 10674
noncontiguous parcels located outside the boundaries of the 10675
district that are to be included in the district. 10676

The governing board may adopt more than one resolution 10677
under division (B) of this section. A single such resolution may 10678
create more than one transportation financing district. 10679

(D) A resolution creating a transportation financing 10680
district shall specify all of the following: 10681

(1) A description of the territory included in the 10682
district; 10683

(2) The county treasurer's permanent parcel number 10684
associated with each parcel included in the district; 10685

(3) The percentage of improvements to be exempted from 10686
taxation and the duration of the exemption, which shall not 10687
exceed the remaining number of years the cooperative agreement 10688
for the regional transportation improvement district, described 10689
under section 5595.03 of the Revised Code, is in effect; 10690

(4) A plan for the district that describes the principal 10691
purposes and goals to be served by the district and explains how 10692
the use of service payments provided for by section 5709.49 of 10693
the Revised Code will economically benefit owners of property 10694
within the district. 10695

(E) (1) Except as otherwise provided in divisions (E) (2) 10696
and (3) of this section, the governing board, before adopting a 10697
resolution under division (B) of this section, shall notify and 10698
obtain the approval of each subdivision and taxing unit that 10699
levies a property tax within the territory of the proposed 10700
transportation financing district. A subdivision or taxing 10701
unit's approval or disapproval of the proposed district shall be 10702

in the form of an ordinance or resolution. The governing board 10703
may negotiate an agreement with a subdivision or taxing unit 10704
providing for compensation equal in value to a percentage of the 10705
amount of taxes exempted or some other mutually agreeable 10706
compensation. 10707

(2) A subdivision or taxing unit may adopt an ordinance or 10708
resolution waiving its right to approve or receive notice of 10709
transportation financing districts proposed under this section. 10710
If a subdivision or taxing unit has adopted such an ordinance or 10711
resolution, the terms of that ordinance or resolution supersede 10712
the requirements of division (E) (1) of this section. The 10713
governing board may negotiate an agreement with a subdivision or 10714
taxing unit providing for some mutually agreeable compensation 10715
in exchange for the subdivision or taxing unit adopting such an 10716
ordinance or resolution. If a subdivision or taxing unit has 10717
adopted such an ordinance or resolution, it shall certify a copy 10718
to the governing board. If the subdivision or taxing unit 10719
rescinds such an ordinance or resolution, it shall certify 10720
notice of the rescission to the governing board. 10721

(3) The governing board need not obtain the approval of a 10722
subdivision or taxing unit if the governing board agrees to 10723
compensate that subdivision or unit for the full amount of taxes 10724
exempted under the resolution creating the district. 10725

(F) After complying with division (E) of this section, the 10726
governing board shall notify and obtain the approval of every 10727
real property owner whose property is included in the proposed 10728
transportation financing district. 10729

(G) (1) Upon adopting a resolution creating a 10730
transportation financing district, the governing board shall 10731
send a copy of the resolution and documentation sufficient to 10732

prove that the requirements of divisions (E) and (F) of this 10733
section have been met to the director of development services. 10734
The director shall evaluate the resolution and documentation to 10735
determine if the governing board has fully complied with the 10736
requirements of this section. If the director approves the 10737
resolution, the director shall send notice of approval to the 10738
governing board. If the director does not approve the 10739
resolution, the director shall send a notice of denial to the 10740
governing board that includes the reason or reasons for the 10741
denial. If the director does not make a determination within 10742
ninety days after receiving a resolution under this section, the 10743
director is deemed to have approved the resolution. No 10744
resolution creating a transportation financing district is 10745
effective without actual or constructive approval by the 10746
director under this section. 10747

(2) An exemption from taxation granted under this section 10748
commences with the tax year specified in the resolution so long 10749
as the year specified in the resolution commences after the 10750
effective date of the resolution. If the resolution specifies a 10751
year commencing before the effective date of the resolution or 10752
specifies no year whatsoever, the exemption commences with the 10753
tax year in which an exempted improvement first appears on the 10754
tax list and that commences after the effective date of the 10755
resolution. 10756

(3) Except as otherwise provided in this division, the 10757
exemption ends on the date specified in the resolution as the 10758
date the improvement ceases to be a public purpose or the 10759
regional transportation improvement project funded by the 10760
service payments dissolves under section 5595.13 of the Revised 10761
Code, whichever occurs first. Exemptions shall be claimed and 10762
allowed in the same manner as in the case of other real property 10763

exemptions. If an exemption status changes during a year, the 10764
procedure for the apportionment of the taxes for that year is 10765
the same as in the case of other changes in tax exemption status 10766
during the year. 10767

(H) The resolution creating a transportation financing 10768
district may be amended at any time by majority vote of the 10769
governing board and with the approval of the director of 10770
development services obtained in the same manner as approval of 10771
the original resolution. 10772

Sec. 5709.481. (A) The governing board of a regional 10773
transportation improvement project may negotiate and enter into 10774
a voluntary agreement with the owner or owners of any parcel 10775
located in a transportation financing district created by the 10776
board whereby the owner or owners agree to subject the parcel to 10777
an assessment levied by the governing board and the governing 10778
board agrees to use the proceeds of that assessment for the 10779
purposes of the project as described in the resolution creating 10780
the district. 10781

(B) The agreement shall specify the amount and duration of 10782
the assessment. The assessment may not be collected after the 10783
dissolution of the associated regional transportation 10784
improvement project under section 5595.13 of the Revised Code. 10785

(C) The governing board shall annually compute the amount 10786
of each assessment imposed by an agreement under this section 10787
and certify the amount to the owner or owners of the parcel and 10788
to the county auditor of the county in which the parcel is 10789
located. The county auditor shall enter the assessment on the 10790
tax list of real property opposite against which it is charged, 10791
and certify the assessment to the county treasurer. The 10792
assessment shall be charged and collected in the same manner as 10793

real property taxes and shall be treated in the same manner as 10794
real property taxes for all purposes of the lien described in 10795
section 323.11 of the Revised Code, including the priority and 10796
enforcement of the lien. Money collected from the assessment 10797
shall be paid immediately to the governing board. The county 10798
treasurer shall maintain a record of all payments of assessments 10799
under this section. 10800

(D) The governing board may negotiate and enter into as 10801
many agreements under this section as are necessary or useful in 10802
servicing the principal purposes and goals described in the 10803
resolution creating the district. One agreement may impose an 10804
assessment on more than one parcel only if the owner or owners 10805
of all such parcels have approved the agreement. 10806

(E) An agreement may be amended for the purposes of 10807
subjecting additional parcels to the assessment by resolution 10808
adopted by the governing board and approved by the owner or 10809
owners of the additional parcels. An agreement may be rescinded 10810
or may be amended for any purpose other than subjecting 10811
additional parcels to the assessment by resolution adopted by 10812
the governing board and approved by the owner or owners of every 10813
parcel that is subject to the assessment imposed under the 10814
agreement. 10815

(F) An agreement under this section is hereby deemed to be 10816
a covenant running with each parcel of land that is subject to 10817
the agreement. The covenant is fully binding on behalf of and 10818
enforceable by the governing board against any person who 10819
subsequently acquires an interest in the land and all of that 10820
person's successors and assigns. No purchase agreement for real 10821
estate or any interest in real estate that is subject to such an 10822
agreement shall be enforceable by the seller or binding upon the 10823

purchaser unless the purchase agreement specifically refers to 10824
the agreement. If a conveyance of such real estate or interest 10825
in such real estate is made pursuant to a purchase agreement 10826
that does not make such a reference, the agreement shall 10827
continue to be a covenant running with the land fully binding on 10828
behalf of and enforceable by the governing board against the 10829
person accepting the conveyance pursuant to the purchase 10830
agreement. 10831

Sec. 5709.50. (A) The governing board of a regional 10832
transportation improvement project that grants a tax exemption 10833
under section 5709.48 of the Revised Code or enters into one or 10834
more voluntary agreements imposing assessments under section 10835
5709.481 of the Revised Code shall establish a regional 10836
transportation improvement project fund into which shall be 10837
deposited service payments in lieu of taxes distributed under 10838
section 5709.49 of the Revised Code and assessments collected 10839
pursuant to such agreements. Money in the regional 10840
transportation improvement project fund shall be used by the 10841
governing board for the purposes described in the resolution 10842
creating the transportation financing district. Money in the 10843
regional transportation improvement project fund shall be 10844
administered by the governing board in accordance with the 10845
requirements of section 5595.08 of the Revised Code and may be 10846
invested as provided in section 5595.09 of the Revised Code. 10847

(B) The regional transportation improvement project fund 10848
is dissolved by operation of law upon the dissolution of the 10849
associated regional transportation improvement project under 10850
section 5595.13 of the Revised Code. Any incidental surplus 10851
remaining in the fund, to the extent unencumbered, shall be 10852
divided and distributed by the county treasurer of the most 10853
populous county in which the district is located ~~to~~ as follows: 10854

(1) To the general funds of the subdivisions and taxing units in which the district is located, an amount equal to the surplus revenue multiplied by a fraction, the numerator of which is the amount of service payment revenue deposited to the fund after the most recent collection of property taxes and payments in lieu of taxes, and the denominator of which is the total amount deposited to the fund after the most recent collection of property taxes and payments in lieu of taxes. ~~The surplus revenue—~~
This amount shall be divided proportionally based on the property tax levy revenue foregone by each such subdivision and taxing unit due to the exemption of improvements to property within the district at the most recent collection of service payments in lieu of taxes. The division of revenue shall account for amounts returned to subdivisions and taxing units through compensation agreements entered into under division (E) of section 5709.48 of the Revised Code. The amount distributed to each subdivision or taxing unit shall be apportioned among its funds as if that amount had been levied and collected as taxes and distributed in the most recent settlement of taxes.

(2) To the owners of parcels subject to a special assessment under section 5709.481 of the Revised Code, all remaining surplus revenue. This amount shall be divided proportionally based on the amount of the assessment levied against each such parcel at the most recent collection of such assessments. Owners of parcels that are delinquent in paying an assessment imposed by an agreement under section 5709.481 of the Revised Code may not receive surplus revenue under this division. The share of surplus revenue that such owner or owners would have otherwise received shall be divided proportionally among the owners of nondelinquent parcels.

otherwise. 11840

effective date is specified below, on that date. 11847

Section 812.15. The enactment of Section 755.90 of this 11848

appropriation takes effect immediately when this act becomes 11861
law. Conversely, the appropriation is subject to the referendum 11862
insofar as a contemplated expenditure authorized thereby is 11863
wholly or partly not to meet a current expense within the 11864

indicated, are the resulting versions of the sections in effect 11874
prior to the effective date of the sections as presented in this 11875
act: 11876
