"Sex offense" has the same meaning as in section 2907.10 456
of the Revised Code. 457

"Firefighter," "paramedic," and "first responder" have the 458
same meanings as in section 4765.01 of the Revised Code. 459

(18) "Insurer" and "insurance agent" have the same 460
meanings as in section 3905.01 of the Revised Code. 461

(B) (1) Upon request and subject to division (B) (8) of this 462
section, all public records responsive to the request shall be 463
promptly prepared and made available for inspection to any 464
person at all reasonable times during regular business hours. 465
Subject to division (B) (8) of this section, upon request by any 466
person, a public office or person responsible for public records 467
shall make copies of the requested public record available to 468
the requester at cost and within a reasonable period of time. If 469
a public record contains information that is exempt from the 470
duty to permit public inspection or to copy the public record, 471
the public office or the person responsible for the public 472
record shall make available all of the information within the 473
public record that is not exempt. When making that public record 474
available for public inspection or copying that public record, 475
the public office or the person responsible for the public 476

record shall notify the requester of any redaction or make the 477
redaction plainly visible. A redaction shall be deemed a denial 478
of a request to inspect or copy the redacted information, except 479
if federal or state law authorizes or requires a public office 480
to make the redaction. 481

(2) To facilitate broader access to public records, a 482
public office or the person responsible for public records shall 483
organize and maintain public records in a manner that they can 484
be made available for inspection or copying in accordance with 485
division (B) of this section. A public office also shall have 486
available a copy of its current records retention schedule at a 487
location readily available to the public. If a requester makes 488
an ambiguous or overly broad request or has difficulty in making 489
a request for copies or inspection of public records under this 490
section such that the public office or the person responsible 491
for the requested public record cannot reasonably identify what 492
public records are being requested, the public office or the 493
person responsible for the requested public record may deny the 494
request but shall provide the requester with an opportunity to 495
revise the request by informing the requester of the manner in 496
which records are maintained by the public office and accessed 497
in the ordinary course of the public office's or person's 498
duties. 499

(3) If a request is ultimately denied, in part or in 500
whole, the public office or the person responsible for the 501
requested public record shall provide the requester with an 502
explanation, including legal authority, setting forth why the 503
request was denied. If the initial request was provided in 504
writing, the explanation also shall be provided to the requester 505
in writing. The explanation shall not preclude the public office 506
or the person responsible for the requested public record from 507

relying upon additional reasons or legal authority in defending 508
an action commenced under division (C) of this section. 509

(4) Unless specifically required or authorized by state or 510
federal law or in accordance with division (B) of this section, 511
no public office or person responsible for public records may 512
limit or condition the availability of public records by 513
requiring disclosure of the requester's identity or the intended 514
use of the requested public record. Any requirement that the 515
requester disclose the requester's identity or the intended use 516
of the requested public record constitutes a denial of the 517
request. 518

(5) A public office or person responsible for public 519
records may ask a requester to make the request in writing, may 520
ask for the requester's identity, and may inquire about the 521
intended use of the information requested, but may do so only 522
after disclosing to the requester that a written request is not 523
mandatory, that the requester may decline to reveal the 524
requester's identity or the intended use, and when a written 525
request or disclosure of the identity or intended use would 526
benefit the requester by enhancing the ability of the public 527
office or person responsible for public records to identify, 528
locate, or deliver the public records sought by the requester. 529

(6) If any person requests a copy of a public record in 530
accordance with division (B) of this section, the public office 531
or person responsible for the public record may require that 532
person to pay in advance the cost involved in providing the copy 533
of the public record in accordance with the choice made by the 534
person requesting the copy under this division. The public 535
office or the person responsible for the public record shall 536
permit that person to choose to have the public record 537

538 duplicated upon paper, upon the same medium upon which the
539 public office or person responsible for the public record keeps
540 it, or upon any other medium upon which the public office or
541 person responsible for the public record determines that it
542 reasonably can be duplicated as an integral part of the normal
543 operations of the public office or person responsible for the
544 public record. When the person requesting the copy makes a
545 choice under this division, the public office or person
546 responsible for the public record shall provide a copy of it in
547 accordance with the choice made by that person. Nothing in this
548 section requires a public office or person responsible for the
549 public record to allow the person requesting a copy of the
550 public record to make the copies of the public record.

551 (7) (a) Upon a request made in accordance with division (B)
552 of this section and subject to division (B) (6) of this section,
553 a public office or person responsible for public records shall
554 transmit a copy of a public record to any person by United
555 States mail or by any other means of delivery or transmission
556 within a reasonable period of time after receiving the request
557 for the copy. The public office or person responsible for the
558 public record may require the person making the request to pay
559 in advance the cost of postage if the copy is transmitted by
560 United States mail or the cost of delivery if the copy is
561 transmitted other than by United States mail, and to pay in
562 advance the costs incurred for other supplies used in the
563 mailing, delivery, or transmission.

564 (b) Any public office may adopt a policy and procedures
565 that it will follow in transmitting, within a reasonable period
566 of time after receiving a request, copies of public records by
567 United States mail or by any other means of delivery or
568 transmission pursuant to division (B) (7) of this section. A

public office that adopts a policy and procedures under division 569
(B) (7) of this section shall comply with them in performing its 570
duties under that division. 571

(c) In any policy and procedures adopted under division 572
(B) (7) of this section: 573

(i) A public office may limit the number of records 574
requested by a person that the office will physically deliver by 575
United States mail or by another delivery service to ten per 576
month, unless the person certifies to the office in writing that 577
the person does not intend to use or forward the requested 578
records, or the information contained in them, for commercial 579
purposes; 580

(ii) A public office that chooses to provide some or all 581
of its public records on a web site that is fully accessible to 582
and searchable by members of the public at all times, other than 583
during acts of God outside the public office's control or 584
maintenance, and that charges no fee to search, access, 585
download, or otherwise receive records provided on the web site, 586
may limit to ten per month the number of records requested by a 587
person that the office will deliver in a digital format, unless 588
the requested records are not provided on the web site and 589
unless the person certifies to the office in writing that the 590
person does not intend to use or forward the requested records, 591
or the information contained in them, for commercial purposes. 592

(iii) For purposes of division (B) (7) of this section, 593
"commercial" shall be narrowly construed and does not include 594
reporting or gathering news, reporting or gathering information 595
to assist citizen oversight or understanding of the operation or 596
activities of government, or nonprofit educational research. 597

(8) A public office or person responsible for public records is not required to permit a person who is incarcerated pursuant to a criminal conviction or a juvenile adjudication to inspect or to obtain a copy of any public record concerning a criminal investigation or prosecution or concerning what would be a criminal investigation or prosecution if the subject of the investigation or prosecution were an adult, unless the request to inspect or to obtain a copy of the record is for the purpose of acquiring information that is subject to release as a public record under this section and the judge who imposed the sentence or made the adjudication with respect to the person, or the judge's successor in office, finds that the information sought in the public record is necessary to support what appears to be a justiciable claim of the person.

(9) (a) Upon written request made and signed by a journalist, a public office, or person responsible for public records, having custody of the records of the agency employing a specified designated public service worker shall disclose to the journalist the address of the actual personal residence of the designated public service worker and, if the designated public service worker's spouse, former spouse, or child is employed by a public office, the name and address of the employer of the designated public service worker's spouse, former spouse, or child. The request shall include the journalist's name and title and the name and address of the journalist's employer and shall state that disclosure of the information sought would be in the public interest.

(b) Division (B) (9) (a) of this section also applies to journalist requests for:

(i) Customer information maintained by a municipally owned

or operated public utility, other than social security numbers 628
and any private financial information such as credit reports, 629
payment methods, credit card numbers, and bank account 630
information; 631

(ii) Information about minors involved in a school vehicle 632
accident as provided in division (A) (1) (gg) of this section, 633
other than personal information as defined in section 149.45 of 634
the Revised Code. 635

(c) As used in division (B) (9) of this section, 636
"journalist" means a person engaged in, connected with, or 637
employed by any news medium, including a newspaper, magazine, 638
press association, news agency, or wire service, a radio or 639
television station, or a similar medium, for the purpose of 640
gathering, processing, transmitting, compiling, editing, or 641
disseminating information for the general public. 642

(10) Upon a request made by a victim, victim's attorney, 643
or victim's representative, as that term is used in section 644
2930.02 of the Revised Code, a public office or person 645
responsible for public records shall transmit a copy of a 646
depiction of the victim as described in division (A) (1) (ii) of 647
this section to the victim, victim's attorney, or victim's 648
representative. 649

(C) (1) If a person allegedly is aggrieved by the failure 650
of a public office or the person responsible for public records 651
to promptly prepare a public record and to make it available to 652
the person for inspection in accordance with division (B) of 653
this section or by any other failure of a public office or the 654
person responsible for public records to comply with an 655
obligation in accordance with division (B) of this section, the 656
person allegedly aggrieved may do only one of the following, and 657

not both: 658

(a) File a complaint with the clerk of the court of claims 659
or the clerk of the court of common pleas under section 2743.75 660
of the Revised Code; 661

(b) Commence a mandamus action to obtain a judgment that 662
orders the public office or the person responsible for the 663
public record to comply with division (B) of this section, that 664
awards court costs and reasonable attorney's fees to the person 665
that instituted the mandamus action, and, if applicable, that 666
includes an order fixing statutory damages under division (C) (2) 667
of this section. The mandamus action may be commenced in the 668
court of common pleas of the county in which division (B) of 669
this section allegedly was not complied with, in the supreme 670
court pursuant to its original jurisdiction under Section 2 of 671
Article IV, Ohio Constitution, or in the court of appeals for 672
the appellate district in which division (B) of this section 673
allegedly was not complied with pursuant to its original 674
jurisdiction under Section 3 of Article IV, Ohio Constitution. 675

(2) If a requester transmits a written request by hand 676
delivery, electronic submission, or certified mail to inspect or 677
receive copies of any public record in a manner that fairly 678
describes the public record or class of public records to the 679
public office or person responsible for the requested public 680
records, except as otherwise provided in this section, the 681
requester shall be entitled to recover the amount of statutory 682
damages set forth in this division if a court determines that 683
the public office or the person responsible for public records 684
failed to comply with an obligation in accordance with division 685
(B) of this section. 686

The amount of statutory damages shall be fixed at one 687

hundred dollars for each business day during which the public 688
office or person responsible for the requested public records 689
failed to comply with an obligation in accordance with division 690
(B) of this section, beginning with the day on which the 691
requester files a mandamus action to recover statutory damages, 692
up to a maximum of one thousand dollars. The award of statutory 693
damages shall not be construed as a penalty, but as compensation 694
for injury arising from lost use of the requested information. 695
The existence of this injury shall be conclusively presumed. The 696
award of statutory damages shall be in addition to all other 697
remedies authorized by this section. 698

The court may reduce an award of statutory damages or not 699
award statutory damages if the court determines both of the 700
following: 701

(a) That, based on the ordinary application of statutory 702
law and case law as it existed at the time of the conduct or 703
threatened conduct of the public office or person responsible 704
for the requested public records that allegedly constitutes a 705
failure to comply with an obligation in accordance with division 706
(B) of this section and that was the basis of the mandamus 707
action, a well-informed public office or person responsible for 708
the requested public records reasonably would believe that the 709
conduct or threatened conduct of the public office or person 710
responsible for the requested public records did not constitute 711
a failure to comply with an obligation in accordance with 712
division (B) of this section; 713

(b) That a well-informed public office or person 714
responsible for the requested public records reasonably would 715
believe that the conduct or threatened conduct of the public 716
office or person responsible for the requested public records 717

would serve the public policy that underlies the authority that 718
is asserted as permitting that conduct or threatened conduct. 719

(3) In a mandamus action filed under division (C) (1) of 720
this section, the following apply: 721

(a) (i) If the court orders the public office or the person 722
responsible for the public record to comply with division (B) of 723
this section, the court shall determine and award to the relator 724
all court costs, which shall be construed as remedial and not 725
punitive. 726

(ii) If the court makes a determination described in 727
division (C) (3) (b) (iii) of this section, the court shall 728
determine and award to the relator all court costs, which shall 729
be construed as remedial and not punitive. 730

(b) If the court renders a judgment that orders the public 731
office or the person responsible for the public record to comply 732
with division (B) of this section or if the court determines any 733
of the following, the court may award reasonable attorney's fees 734
to the relator, subject to division (C) (4) of this section: 735

(i) The public office or the person responsible for the 736
public records failed to respond affirmatively or negatively to 737
the public records request in accordance with the time allowed 738
under division (B) of this section. 739

(ii) The public office or the person responsible for the 740
public records promised to permit the relator to inspect or 741
receive copies of the public records requested within a 742
specified period of time but failed to fulfill that promise 743
within that specified period of time. 744

(iii) The public office or the person responsible for the 745
public records acted in bad faith when the office or person 746

voluntarily made the public records available to the relator for 747
the first time after the relator commenced the mandamus action, 748
but before the court issued any order concluding whether or not 749
the public office or person was required to comply with division 750
(B) of this section. No discovery may be conducted on the issue 751
of the alleged bad faith of the public office or person 752
responsible for the public records. This division shall not be 753
construed as creating a presumption that the public office or 754
the person responsible for the public records acted in bad faith 755
when the office or person voluntarily made the public records 756
available to the relator for the first time after the relator 757
commenced the mandamus action, but before the court issued any 758
order described in this division. 759

(c) The court shall not award attorney's fees to the 760
relator if the court determines both of the following: 761

(i) That, based on the ordinary application of statutory 762
law and case law as it existed at the time of the conduct or 763
threatened conduct of the public office or person responsible 764
for the requested public records that allegedly constitutes a 765
failure to comply with an obligation in accordance with division 766
(B) of this section and that was the basis of the mandamus 767
action, a well-informed public office or person responsible for 768
the requested public records reasonably would believe that the 769
conduct or threatened conduct of the public office or person 770
responsible for the requested public records did not constitute 771
a failure to comply with an obligation in accordance with 772
division (B) of this section; 773

(ii) That a well-informed public office or person 774
responsible for the requested public records reasonably would 775
believe that the conduct or threatened conduct of the public 776

office or person responsible for the requested public records 777
would serve the public policy that underlies the authority that 778
is asserted as permitting that conduct or threatened conduct. 779

(4) All of the following apply to any award of reasonable 780
attorney's fees awarded under division (C) (3) (b) of this 781
section: 782

(a) The fees shall be construed as remedial and not 783
punitive. 784

(b) The fees awarded shall not exceed the total of the 785
reasonable attorney's fees incurred before the public record was 786
made available to the relator and the fees described in division 787
(C) (4) (c) of this section. 788

(c) Reasonable attorney's fees shall include reasonable 789
fees incurred to produce proof of the reasonableness and amount 790
of the fees and to otherwise litigate entitlement to the fees. 791

(d) The court may reduce the amount of fees awarded if the 792
court determines that, given the factual circumstances involved 793
with the specific public records request, an alternative means 794
should have been pursued to more effectively and efficiently 795
resolve the dispute that was subject to the mandamus action 796
filed under division (C) (1) of this section. 797

(5) If the court does not issue a writ of mandamus under 798
division (C) of this section and the court determines at that 799
time that the bringing of the mandamus action was frivolous 800
conduct as defined in division (A) of section 2323.51 of the 801
Revised Code, the court may award to the public office all court 802
costs, expenses, and reasonable attorney's fees, as determined 803
by the court. 804

(D) Chapter 1347. of the Revised Code does not limit the 805

provisions of this section. 806

(E) (1) To ensure that all employees of public offices are 807
appropriately educated about a public office's obligations under 808
division (B) of this section, all elected officials or their 809
appropriate designees shall attend training approved by the 810
attorney general as provided in section 109.43 of the Revised 811
Code. A future official may satisfy the requirements of this 812
division by attending the training before taking office, 813
provided that the future official may not send a designee in the 814
future official's place. 815

(2) All public offices shall adopt a public records policy 816
in compliance with this section for responding to public records 817
requests. In adopting a public records policy under this 818
division, a public office may obtain guidance from the model 819
public records policy developed and provided to the public 820
office by the attorney general under section 109.43 of the 821
Revised Code. Except as otherwise provided in this section, the 822
policy may not limit the number of public records that the 823
public office will make available to a single person, may not 824
limit the number of public records that it will make available 825
during a fixed period of time, and may not establish a fixed 826
period of time before it will respond to a request for 827
inspection or copying of public records, unless that period is 828
less than eight hours. 829

The public office shall distribute the public records 830
policy adopted by the public office under this division to the 831
employee of the public office who is the records custodian or 832
records manager or otherwise has custody of the records of that 833
office. The public office shall require that employee to 834
acknowledge receipt of the copy of the public records policy. 835

The public office shall create a poster that describes its public records policy and shall post the poster in a conspicuous place in the public office and in all locations where the public office has branch offices. The public office may post its public records policy on the internet web site of the public office if the public office maintains an internet web site. A public office that has established a manual or handbook of its general policies and procedures for all employees of the public office shall include the public records policy of the public office in the manual or handbook.

(F) (1) The bureau of motor vehicles may adopt rules pursuant to Chapter 119. of the Revised Code to reasonably limit the number of bulk commercial special extraction requests made by a person for the same records or for updated records during a calendar year. The rules may include provisions for charges to be made for bulk commercial special extraction requests for the actual cost of the bureau, plus special extraction costs, plus ten per cent. The bureau may charge for expenses for redacting information, the release of which is prohibited by law.

(2) As used in division (F) (1) of this section:

(a) "Actual cost" means the cost of depleted supplies, records storage media costs, actual mailing and alternative delivery costs, or other transmitting costs, and any direct equipment operating and maintenance costs, including actual costs paid to private contractors for copying services.

(b) "Bulk commercial special extraction request" means a request for copies of a record for information in a format other than the format already available, or information that cannot be extracted without examination of all items in a records series, class of records, or database by a person who intends to use or

forward the copies for surveys, marketing, solicitation, or 866
resale for commercial purposes. "Bulk commercial special 867
extraction request" does not include a request by a person who 868
gives assurance to the bureau that the person making the request 869
does not intend to use or forward the requested copies for 870
surveys, marketing, solicitation, or resale for commercial 871
purposes. 872

(c) "Commercial" means profit-seeking production, buying, 873
or selling of any good, service, or other product. 874

(d) "Special extraction costs" means the cost of the time 875
spent by the lowest paid employee competent to perform the task, 876
the actual amount paid to outside private contractors employed 877
by the bureau, or the actual cost incurred to create computer 878
programs to make the special extraction. "Special extraction 879
costs" include any charges paid to a public agency for computer 880
or records services. 881

(3) For purposes of divisions (F) (1) and (2) of this 882
section, "surveys, marketing, solicitation, or resale for 883
commercial purposes" shall be narrowly construed and does not 884
include reporting or gathering news, reporting or gathering 885
information to assist citizen oversight or understanding of the 886
operation or activities of government, or nonprofit educational 887
research. 888

(G) A request by a defendant, counsel of a defendant, or 889
any agent of a defendant in a criminal action that public 890
records related to that action be made available under this 891
section shall be considered a demand for discovery pursuant to 892
the Criminal Rules, except to the extent that the Criminal Rules 893
plainly indicate a contrary intent. The defendant, counsel of 894
the defendant, or agent of the defendant making a request under 895

this division shall serve a copy of the request on the 896
prosecuting attorney, director of law, or other chief legal 897
officer responsible for prosecuting the action. 898

(H) (1) Any portion of a body-worn camera or dashboard 899
camera recording described in divisions (A) (17) (b) to (h) of 900
this section may be released by consent of the subject of the 901
recording or a representative of that person, as specified in 902
those divisions, only if either of the following applies: 903

(a) The recording will not be used in connection with any 904
probable or pending criminal proceedings; 905

(b) The recording has been used in connection with a 906
criminal proceeding that was dismissed or for which a judgment 907
has been entered pursuant to Rule 32 of the Rules of Criminal 908
Procedure, and will not be used again in connection with any 909
probable or pending criminal proceedings. 910

(2) If a public office denies a request to release a 911
restricted portion of a body-worn camera or dashboard camera 912
recording, as defined in division (A) (17) of this section, any 913
person may file a mandamus action pursuant to this section or a 914
complaint with the clerk of the court of claims pursuant to 915
section 2743.75 of the Revised Code, requesting the court to 916
order the release of all or portions of the recording. If the 917
court considering the request determines that the filing 918
articulates by clear and convincing evidence that the public 919
interest in the recording substantially outweighs privacy 920
interests and other interests asserted to deny release, the 921
court shall order the public office to release the recording. 922

Sec. 3701.954. (A) As used in this section: 923

(1) "Freestanding birthing center" means any facility in 924

which deliveries routinely occur, regardless of whether the 925
facility is located on the same campus of another health care 926
facility, and which is not licensed under Chapter 3711. of the 927
Revised Code as a level one, two, or three maternity unit or a 928
limited maternity unit. 929

(2) "Severe maternal morbidity" has the same meaning as in 930
section 3738.01 of the Revised Code. 931

(B) Not later than sixty days after the effective date of 932
this section, the director of health shall adopt rules to do 933
both of the following: 934

(1) Specify data on severe maternal morbidity that each 935
hospital and freestanding birthing center in this state shall 936
report to the director annually under sections 3702.35 and 937
3727.25 of the Revised Code; 938

(2) Prescribe the manner in which the data described in 939
division (B)(1) of this section shall be reported. 940

(C) All rules adopted under this section shall be adopted 941
in accordance with Chapter 119. of the Revised Code. 942

Sec. 3702.35. (A) As used in this section: 943

(1) "Freestanding birthing center" means any facility in 944
which deliveries routinely occur, regardless of whether the 945
facility is located on the campus of another health care 946
