transaction pursuant to this section. 143

(H) This section does not supersede any time periods, 144

shall notify the insured of the details of the automated 164
transaction in compliance with division (C) (3) of this section. 165

(J)(1) The purchase of a policy of insurance through an 166
online platform shall be considered an agreement to conduct the 167
business of insurance via an automated transaction under this 168
section, and the insured shall be considered to have 169
affirmatively consented to have all notices and documents 170
related to the policy delivered to the insured electronically. 171

(2) Notwithstanding division (J)(1) of this section, if an 172
insured purchasing a policy of insurance via an online platform 173
requests to receive all notices and documents in paper format, 174
the insurer shall provide all notices and other documents 175
related to the policy to the insured in paper format. 176
