state with jurisdiction over an impaired or insolvent insurer 842  
for which the association is or may become obligated under this 843  
chapter, or over a third party against whom the association or 844  
associations have or may have rights through subrogation of the 845  
member insurer's policy or contract holders. The right to appear 846  
or intervene extends to all matters germane to the powers and 847  
duties of the association, including, but not limited to, 848  
proposals for reinsuring, reissuing, modifying, or guaranteeing 849  
the covered policies or contracts of the impaired or insolvent 850  
insurer and the determination of the covered policies or 851  
contracts and contractual obligations. The association also has 852  
the right to appear or intervene before a court or agency in 853  
another state with jurisdiction over an impaired or insolvent 854  
insurer for which the association is or may become obligated or 855

~~(L)(1)~~ (K)(1) Any person receiving benefits under this 859  
chapter is deemed to have assigned the rights under, and any 860

result of this chapter, whether the benefits are payments of or 863  
on account of contractual obligations, continuation of coverage, 864  
or provision of substitute or alternative policies, contracts, 865  
or coverages. The association may require an assignment to it of 866  
such rights and causes of action by any enrollee, payee, policy 867  
or contract holder, beneficiary, insured, or annuitant as a 868  
condition precedent to the receipt of any rights or benefits 869  
conferred by this chapter upon such person. 870

(2) The subrogation rights of the association under this 871  
division have the same priority against the assets of the 872  
impaired or insolvent insurer as that possessed by the person 873  
entitled to receive benefits under this chapter. 874

(3) In addition to divisions ~~(L)(1)~~ (K)(1) and (2) of this 875  
section, the association has all common law rights of 876  
subrogation and any other equitable or legal remedy that would 877  
have been available to the impaired or insolvent insurer or 878  
~~holder of a the policy or contract~~ holder, beneficiary, 879  
enrollee, or payee with respect to the policy or contract, 880  
including, without limitation, in the case of a structured 881  
settlement annuity, any rights of the owner, beneficiary, or 882  
payee of the annuity, to the extent of benefits received 883  
pursuant to this chapter, against a person originally or by 884  
succession responsible for the losses arising from the personal 885  
injury relating to the annuity or payment therefore, excepting 886  
any such person responsible solely by reason of serving as an 887  
assignee in respect of a qualified assignment under section 130 888  
of the Internal Revenue Code. 889

(4) If the preceding provisions of this division are 890  
invalid or ineffective with respect to any person or claim for 891  
any reason, the amount payable by the association with respect 892  
to the related covered obligations shall be reduced by the 893  
amount realized by any other person with respect to the person 894  
or claim that is attributable to the policies or contracts, or 895  
portion thereof, covered by the association. 896

(5) If the association has provided benefits with respect 897  
to a covered obligation and a person recovers amounts as to 898  
which the association has rights as described in the preceding 899  
divisions, the person shall pay to the association the portion 900  
of the recovery attributable to the policies or contracts, or 901  
portion thereof, covered by the association. 902

~~(M)~~ (L) If the aggregate liability of the association with 903  
respect to any one life does not exceed one hundred dollars, the 904  
association is not obligated to notify claimants possessing such 905  
claims or make any payment thereto. 906

~~(N)~~ (M) Except with respect to claims filed under policies 907  
and contracts which are continued in force by the association 908  
past the final date set by a court for filing claims in 909  
liquidation proceedings of an insolvent insurer, the association 910  
is not liable to pay any claim filed with the association after 911  
such date. 912

~~(O)~~ (N) The association may do any of the following: 913

(1) Enter into any such contracts and take such actions as 914

(P) (1) (a) At any time within one hundred eighty days of 977  
the date of the order of liquidation, the association may elect 978  
to succeed to the rights and obligations of the ceding member 979  
insurer that relate to policies, contracts, or annuities 980  
covered, in whole or in part, by the association, in each case 981  
under any one or more reinsurance contracts entered into by the 982  
insolvent insurer and its reinsurers and selected by the 983  
association. Any such assumption is effective as of the date of 984  
the order of liquidation. The election shall be effected by the 985  
association or the national organization of life and health 986  
insurance guaranty associations on its behalf sending written 987  
notice, return receipt requested, to the affected reinsurers. 988

(b) To facilitate the earliest practicable decision about 989  
whether to assume any of the contracts of reinsurance, and in 990  
order to protect the financial position of the estate, the 991  
receiver and each reinsurer of the ceding member insurer shall 992  
make available upon request to the association or to the 993  
national organization of life and health insurance guaranty 994  
associations on its behalf as soon as possible after 995  
commencement of formal delinquency proceedings both of the 996  
following: 997

(i) Copies of in-force contracts of reinsurance and all 998  
related files and records relevant to the determination of 999  
whether such contracts should be assumed; 1000

(ii) Notices of any defaults under the reinsurance 1001  
contracts or any known event or condition which with the passage 1002  
of time could become a default under the reinsurance contracts. 1003

(2) Divisions (P) (2) (a) to (d) of this section apply to 1004  
reinsurance contracts so assumed by the association. 1005

(a) The association is responsible for all unpaid premiums 1006  
due under the reinsurance contracts for periods both before and 1007  
after the date of the order of liquidation, and is responsible 1008  
for the performance of all other obligations to be performed 1009  
after the date of the order of liquidation, in each case which 1010  
relate to policies, contracts, or annuities covered, in whole or 1011  
in part, by the association. The association may charge 1012  
policies, contracts, or annuities covered in part by the 1013  
association, through reasonable allocation methods, the costs 1014  
for reinsurance in excess of the obligations of the association 1015  
and shall provide notice and an accounting of these charges to 1016  
the liquidator. 1017

(b) The association is entitled to any amounts payable by 1018  
the reinsurer under the reinsurance contracts with respect to 1019  
losses or events that occur in periods after the date of the 1020  
order of liquidation and that relate to policies, contracts, or 1021  
annuities covered, in whole or in part, by the association, 1022  
provided that, upon receipt of any such amounts, the association 1023  
is obliged to pay to the beneficiary under the policy, 1024  
contracts, or annuity on account of which the amounts were paid 1025  
a portion of the amount equal to the lesser of the following: 1026

(i) The amount received by the association; 1027

(ii) The excess of the amount received by the association 1028  
over the amount equal to the benefits paid by the association on 1029  
account of the policy, contracts, or annuity less the retention 1030  
of the insurer applicable to the loss or event. 1031

(c) Within thirty days following the association's 1032  
election, the association and each reinsurer under contracts 1033  
assumed by the association shall calculate the net balance due 1034  
to or from the association under each reinsurance contract as of 1035

the election date with respect to policies, contracts, or 1036  
annuities covered, in whole or in part, by the association, 1037  
which calculation shall give full credit to all items paid by 1038  
either the member insurer or its receiver or the reinsurer prior 1039  
to the election date. The reinsurer shall pay the receiver any 1040  
amounts due for losses or events prior to the date of the order 1041  
of liquidation, subject to any set-off for premiums unpaid for 1042  
periods prior to the date, and the association or reinsurer 1043  
shall pay any remaining balance due the other, in each case 1044  
within five days of the completion of the aforementioned 1045  
calculation. Any disputes over the amounts due to either the 1046  
association or the reinsurer shall be resolved by arbitration 1047  
pursuant to the terms of the affected reinsurance contracts or, 1048  
if the contract contains no arbitration clause, as otherwise 1049  
provided by law. If the receiver has received any amounts due 1050  
the association pursuant to division (P)(2)(b) of this section, 1051  
the receiver shall remit the same to the association as promptly 1052  
as practicable. 1053

(d) If the association or receiver, on the association's 1054  
behalf, within sixty days of the election date, pays the unpaid 1055  
premiums due for periods both before and after the election date 1056  
that relate to policies, contracts, or annuities covered, in 1057  
whole or in part, by the association, the reinsurer shall not be 1058  
entitled to terminate the reinsurance contracts for failure to 1059  
pay premium insofar as the reinsurance contracts relate to 1060  
policies, contracts, or annuities covered, in whole or in part, 1061  
by the association, and shall not be entitled to set off any 1062  
unpaid amounts due under other contracts, or unpaid amounts due 1063  
from parties other than the association, against amounts due the 1064  
association. 1065

(3) During the period from the date of the order of 1066

liquidation until the election date, or, if the election date 1067  
does not occur, until one hundred eighty days after the date of 1068  
the order of liquidation, both of the following shall apply: 1069

(a)(i) Neither the association nor the reinsurer shall 1070  
have any rights or obligations under reinsurance contracts that 1071  
the association has the right to assume under division (P)(1) of 1072  
this section, whether for periods prior to or after the date of 1073  
the order of liquidation. 1074

(ii) The reinsurer, the receiver, and the association 1075  
shall, to the extent practicable, provide each other data and 1076  
records reasonably requested. 1077

(b) Provided that the association has elected to assume a 1078  
reinsurance contract, the parties' rights and obligations shall 1079  
be governed by divisions (P)(1) and (2) of this section. 1080

(4) If the association does not elect to assume a 1081  
reinsurance contract by the election date pursuant to division 1082  
(P)(1) of this section, the association shall have no rights or 1083  
obligations, in each case for periods both before and after the 1084  
date of the order of liquidation, with respect to the 1085  
reinsurance contract. 1086

(5) When policies, contracts, or annuities, or covered 1087  
obligations with respect thereto, are transferred to an assuming 1088  
insurer, reinsurance on the policies, contracts, or annuities 1089  
may also be transferred by the association, in the case of 1090  
contracts assumed under division (P)(1) of this section, subject 1091  
to the following: 1092

(a) Unless the reinsurer and the assuming insurer agree 1093  
otherwise, the reinsurance contracts transferred do not cover 1094  
any new policies of insurance, contracts, or annuities in 1095

addition to those transferred. 1096

(b) The obligations described in division (P)(1) of this 1097  
section no longer apply with respect to matters arising after 1098  
the effective date of the transfer. 1099

(c) Notice shall be given in writing, return receipt 1100  
requested, by the transferring party to the affected reinsurer 1101  
not less than thirty days prior to the effective date of the 1102  
transfer. 1103

(6) The provisions of this division supersede the 1104  
provisions of any state law or of any affected reinsurance 1105  
contract that provides for or requires any payment of 1106  
reinsurance proceeds, on account of losses or events that occur 1107  
in periods after the date of the order of liquidation, to the 1108  
receiver of the insolvent insurer or any other person. The 1109  
receiver shall remain entitled to any amounts payable by the 1110  
reinsurer under the reinsurance contracts with respect to losses 1111  
or events that occur in periods prior to the date of the order 1112  
of liquidation, subject to applicable setoff provisions. 1113

(7) Except as otherwise provided in this division, nothing 1114  
in this division shall alter or modify the terms and conditions 1115  
of any reinsurance contract. Nothing in this division abrogates 1116  
or limits any rights of any reinsurer to claim that it is 1117  
entitled to rescind a reinsurance contract. Nothing in this 1118  
division gives a policy owner, contract owner, enrollee, 1119  
certificate holder, or beneficiary an independent cause of 1120  
action against a reinsurer that is not otherwise set forth in 1121  
the reinsurance contract. Nothing in this division limits or 1122  
affects the association's rights as a creditor of the estate 1123  
against the assets of the estate. Nothing in this division 1124  
applies to reinsurance agreements covering property or casualty 1125

risks. 1126

(Q) The board of directors of the association has 1127  
discretion and may exercise reasonable business judgment to 1128  
determine the means by which the association is to provide the 1129  
benefits of this chapter in an economical and efficient manner. 1130

(R) Where the association has arranged or offered to 1131  
provide the benefits of this chapter to a covered person under a 1132  
plan or arrangement that fulfills the association's obligations 1133  
under this chapter, the person is not entitled to benefits from 1134  
the association in addition to or other than those provided 1135  
under the plan or arrangement. 1136

(S) Venue in a suit against the association arising under 1137  
the chapter shall be in Franklin county. The association is not 1138  
required to give an appeal bond in an appeal that relates to a 1139  
cause of action arising under this chapter. 1140

(T) In carrying out its duties in connection with 1141  
guaranteeing, assuming, reissuing, or reinsuring policies or 1142  
contracts under division (A) or (B) of this section, the 1143  
association may issue substitute coverage for a policy or 1144  
contract that provides an interest rate, crediting rate, or 1145  
similar factor determined by use of an index or other external 1146  
reference stated in the policy or contract employed in 1147  
calculating returns or changes in value by issuing an 1148  
alternative policy or contract in accordance with the following 1149  
provisions: 1150

(1) In lieu of the index or other external reference 1151  
provided for in the original policy or contract, the alternative 1152  
policy or contract provides for any of the following: 1153

(a) A fixed interest rate; 1154

<u>(b) Payment of dividends with minimum guarantees;</u>	1155
<u>(c) A different method for calculating interest or changes in value.</u>	1156 1157
<u>(2) There is no requirement for evidence of insurability, waiting period, or other exclusion that would not have applied under the replaced policy or contract.</u>	1158 1159 1160
<u>(3) The alternative policy or contract is substantially similar to the replaced policy or contract in all other material terms.</u>	1161 1162 1163
<b>Sec. 3956.09.</b> (A) For the purpose of providing the funds necessary to carry out the powers and duties of the Ohio life and health insurance guaranty association, the board of directors shall assess the member insurers, separately for each subaccount or account, at such time and for such amounts as the board finds necessary. Assessments shall be due not less than thirty days after prior written notice to the member insurers and shall accrue interest at ten per cent per year on and after the due date.	1164 1165 1166 1167 1168 1169 1170 1171 1172
(B) There shall be two classes of assessments, as follows:	1173
(1) Class A assessments shall be <del>made</del> <u>authorized and called</u> for the purpose of meeting administrative and legal costs and other expenses, and the cost of <del>examinations conducted detecting and preventing member insurer insolvencies</del> under division (E) of section 3956.12 of the Revised Code. Class A assessments may be <del>made</del> <u>authorized and called</u> whether or not related to a particular impaired or insolvent insurer.	1174 1175 1176 1177 1178 1179 1180
(2) Class B assessments shall be <del>made</del> <u>authorized and called</u> to the extent necessary to carry out the powers and duties of the association under section 3956.08 of the Revised	1181 1182 1183

Code with regard to an impaired or an insolvent insurer. 1184

(C) (1) The amount of any class A assessment shall be 1185  
determined by the board and may be ~~made~~ authorized and called on 1186  
a pro rata or non-pro rata basis. If pro rata, the board may 1187  
provide that it be credited against future class B assessments. 1188  
~~A non-pro rata assessment shall not exceed two hundred dollars~~ 1189  
~~per member insurer in any one calendar year.~~ The amount of any 1190  
class B assessment, except for assessments related to long-term 1191  
care insurance, shall be allocated for assessment purposes 1192  
between the accounts and among the subaccounts and accounts of 1193  
the life insurance and annuity account pursuant to an allocation 1194  
formula which may be based on the premiums or reserves of the 1195  
impaired or insolvent insurer or on any other standard 1196  
considered by the board in its sole discretion as being fair and 1197  
reasonable under the circumstances. 1198

~~(2)~~ (2) (a) The amount of the class B assessments for long- 1199  
term care insurance written by the impaired or insolvent insurer 1200  
shall be allocated according to a methodology included in the 1201  
plan of operation and approved by the superintendent of 1202  
insurance. 1203

(b) The methodology shall provide for fifty per cent of 1204  
the assessment to be allocated to sickness and accident and 1205  
health member insurers and fifty per cent to be allocated to 1206  
life and annuity member insurers. 1207

(c) For the purposes of divisions (C) (2) (a) and (b) of 1208  
this section: 1209

(i) "Life and annuity member insurer" means a member 1210  
insurer for which the sum of its assessable life insurance 1211  
premiums and annuity premiums is greater than or equal to its 1212

assessable health insurance premiums. 1213

(ii) "Assessable health insurance premiums" includes the 1214  
member insurer's assessable sickness and accident premiums and 1215  
health insuring corporation premiums, but shall exclude its 1216  
assessable premiums written for disability income insurance and 1217  
long-term care insurance. For purposes of this definition, 1218  
assessable premiums shall be measured within the state. 1219

(iii) "Sickness and accident and health member insurer" 1220  
means any member insurer not defined as a life and annuity 1221  
member insurer. 1222

(d) Class B assessments against member insurers for each 1223  
subaccount or account shall be in the proportion that the 1224  
premiums received on business in this state by each assessed 1225  
member insurer on policies or contracts covered by each 1226  
subaccount or account for the most recent three calendar years 1227  
for which information is available preceding the year in which 1228  
the member insurer became impaired or insolvent, as the case may 1229  
be, bears to such premiums received on business in this state 1230  
for such calendar years by all assessed member insurers. 1231

(3) Assessments for funds to meet the requirements of the 1232  
association with respect to an impaired or insolvent insurer 1233  
shall not be ~~made~~ authorized and called until necessary to 1234  
implement the purposes of this chapter. Classification of 1235  
assessments under division (B) of this section and computation 1236  
of assessments under this division shall be made with a 1237  
reasonable degree of accuracy, recognizing that exact 1238  
determinations may not always be possible. The association shall 1239  
notify each member insurer of its anticipated pro rata share of 1240  
an authorized assessment not yet called within one hundred 1241  
eighty days after the assessment is authorized. 1242

(D) The association may abate or defer, in whole or in part, the assessment of a member insurer if, in the opinion of the board, payment of the assessment would endanger the ability of the member insurer to fulfill its contractual obligations. If an assessment against a member insurer is abated, or deferred in whole or in part, the amount by which the assessment is abated or deferred may be assessed against the other member insurers in a manner consistent with the basis for assessments set forth in this section. Once the conditions that caused a deferral have been removed or rectified, the member insurer shall pay all assessments that were deferred pursuant to a repayment plan approved by the association. In determining whether the payment of an assessment would endanger the ability of a member insurer to fulfill its contractual obligations, the board shall consider the adequacy of the capital and surplus of the member insurer in relation to the premiums written, the assets, and the reserve liabilities of that member insurer.

(E) (1) The total of all assessments upon a member insurer for the life insurance and annuity account, which includes the life insurance subaccount, the annuity subaccount, and the unallocated annuity subaccount, shall not in any one calendar year exceed two per cent of the member insurer's average premiums received per year in this state on the policies and contracts covered by each such subaccount, and for the health ~~insurance~~ account, shall not in any one calendar year exceed two per cent of the member insurer's average premiums received per year in this state on the policies and contracts covered by such account, during the three calendar years preceding the year in which the impaired or insolvent insurer or insurers became impaired or insolvent. If the maximum assessment for a subaccount or account, together with the other assets of the

association in the subaccount or account, does not provide in 1274  
any one year in the subaccount or account an amount sufficient 1275  
to carry out the responsibilities of the association, the 1276  
necessary additional funds shall be assessed for the subaccount 1277  
or account as soon thereafter in succeeding years as permitted 1278  
by division (E) of this section. 1279

(2) If the maximum assessment under division (E) (1) of 1280  
this section for any subaccount of the life insurance and 1281  
annuity account in any succeeding year does not provide an 1282  
amount sufficient to carry out the responsibilities of the 1283  
association, then pursuant to division ~~(C) (2)~~ (C) (2) (d) of this 1284  
section, the board shall ~~allocate the necessary additional~~ 1285  
~~amount among~~ assess the other subaccounts of the life and 1286  
annuity account ~~in the manner set forth in division (E) (1) of~~ 1287  
~~this section, but the maximum assessment for a subaccount shall~~ 1288  
~~not exceed one per cent in any one calendar year~~ for the 1289  
necessary additional amount, subject to the maximum stated in 1290  
division (E) (1) of this section. 1291

(3) Where assessments for two or more impaired or 1292  
insolvent insurers have been made within the same calendar year, 1293  
and the sum of those assessments exceeds the two per cent 1294  
calendar year assessment limitation under division (E) (1) of 1295  
this section, the board, with the approval of the superintendent 1296  
of insurance, may allocate among the accounts of such member 1297  
insurers the sums assessed within the two per cent limitation. 1298

(F) The board, by an equitable method as established in 1299  
the plan of operation, may refund to member insurers, in 1300  
proportion to the contribution of each member insurer to that 1301  
subaccount or account, the amount by which the assets of the 1302  
subaccount or account exceed the amount the board finds is 1303

necessary to carry out during the coming year the obligations of 1304  
the association with regard to that subaccount or account, 1305  
including assets accruing from assignment, subrogation, net 1306  
realized gains, and income from investments. A reasonable amount 1307  
may be retained in any subaccount or account to provide funds 1308  
for the continuing expenses of the association and for future 1309  
losses. 1310

(G) A member insurer, in determining its premium rates and 1311  
policyowner dividends as to any kind of insurance or health 1312  
insuring corporation business within the scope of this chapter, 1313  
may consider the amount reasonably necessary to meet its 1314  
assessment obligations under this section. 1315

(H) The association, upon request, shall issue to ~~an~~ a 1316  
member insurer paying an assessment under this section, other 1317  
than a class A assessment, a certificate of contribution, in a 1318  
form approved by the superintendent, for the amount of the 1319  
assessment so paid. All outstanding certificates shall be of 1320  
equal dignity and priority without reference to amounts or dates 1321  
of issue. A certificate of contribution may be shown by the 1322  
member insurer in its financial statement as an asset in the 1323  
form and for the amount, net of any amounts recovered through a 1324  
tax offset, and for the period of time the superintendent may 1325  
approve. 1326

(I) Any member insurer that has contributed funds to pay 1327  
claims of an impaired or insolvent insurer, pursuant to an 1328  
agreement entered into with the superintendent and approved by 1329  
the Franklin county court of common pleas during the five years 1330  
preceding ~~the effective date of this section~~ November 20, 1989, 1331  
or at any time following ~~the effective date of this section~~ 1332  
November 20, 1989, shall receive a credit against any 1333

assessments levied pursuant to this section, whether the 1334  
assessments are class A assessments or class B assessments, in 1335  
the amount of the contribution. 1336

If the amount of the credit exceeds the amount of 1337  
assessments levied upon a member insurer in any one year, the 1338  
balance of that credit shall be carried forward to subsequent 1339  
years and will reduce the amount of future assessments until the 1340  
total amount of the credit has been applied to the future 1341  
assessments. 1342

For the purposes of this division, an impaired or 1343  
insolvent member insurer is an insurer that meets the 1344  
definitions set forth in section 3956.01 of the Revised Code, 1345  
and any insurer or health insuring corporation that would have 1346  
met these definitions, if it had been in effect at the time of 1347  
such contribution. 1348

(J) Division (I) of this section does not apply if ~~an~~ a 1349  
member insurer has contributed funds pursuant to that division 1350  
and has offset those contributions against its premium or 1351  
franchise tax liability pursuant to any provision of the Revised 1352  
Code authorizing the establishment of a plan for the 1353  
distribution of voluntary contributions to pay the life, 1354  
sickness and accident, or annuity claims of residents of this 1355  
state that are unpaid due to the insolvency of an insolvent 1356  
insurer. 1357

(K) (1) A member insurer that wishes to protest all or part 1358  
of an assessment shall pay when due the full amount of the 1359  
assessment as set forth in the notice provided by the 1360  
association. The payment shall be available to meet association 1361  
obligations during the pendency of the protest or any subsequent 1362  
appeal. Payment shall be accompanied by a statement in writing 1363

that the payment is made under protest and setting forth a brief 1364  
statement of the grounds for the protest. 1365

(2) Within sixty days following the payment of an 1366  
assessment under protest by a member insurer, the association 1367  
shall notify the member insurer in writing of its determination 1368  
with respect to the protest unless the association notifies the 1369  
member insurer that additional time is required to resolve the 1370  
issues raised by the protest. 1371

(3) Within thirty days after a final decision has been 1372  
made, the association shall notify the protesting member insurer 1373  
in writing of that final decision. Within sixty days of receipt 1374  
of notice of the final decision, the protesting member insurer 1375  
may appeal that final action to the superintendent. 1376

(4) In the alternative to rendering a final decision with 1377  
respect to a protest based on a question regarding the 1378  
assessment base, the association may refer protests to the 1379  
superintendent for a final decision, with or without a 1380  
recommendation from the association. 1381

(5) If the protest or appeal on the assessment is upheld, 1382  
the amount paid in error or excess shall be returned to the 1383  
member insurer. Interest on a refund due a protesting member 1384  
insurer shall be paid at the rate actually earned by the 1385  
association. 1386

(L) The association may request information of member 1387  
insurers in order to aid in the exercise of its power under this 1388  
section and member insurers shall promptly comply with such a 1389  
request. 1390

**Sec. 3956.10.** (A) (1) The Ohio life and health insurance 1391  
guaranty association shall submit to the superintendent of 1392

insurance a plan of operation and any amendments to the plan 1393  
necessary or suitable to ensure the fair, reasonable, and 1394  
equitable administration of the association. The plan of 1395  
operation and any amendments shall become effective upon the 1396  
written approval of the superintendent, or unless the 1397  
superintendent has not disapproved it within thirty days. 1398

(2) If the association fails to submit a suitable plan of 1399  
operation within six months following ~~the effective date of this~~ 1400  
~~section November 20, 1989,~~ or if at any time after that date the 1401  
association fails to submit suitable amendments to the plan, the 1402  
superintendent, after notice and hearing, shall adopt reasonable 1403  
rules that are necessary or advisable to effectuate the 1404  
provisions of this chapter. The rules shall continue in force 1405  
until modified by the superintendent or superseded by a plan 1406  
submitted by the association and approved by the superintendent. 1407

(B) All member insurers shall comply with the plan of 1408  
operation. 1409

(C) In addition to requirements enumerated elsewhere in 1410  
this chapter, the plan of operation shall do the following: 1411

(1) Establish procedures for handling the assets of the 1412  
association; 1413

(2) Establish the amount and method of reimbursing members 1414  
of the board of directors under section 3956.07 of the Revised 1415  
Code; 1416

(3) Establish regular places and times for meetings, 1417  
including but not limited to telephone conference calls, of the 1418  
board of directors; 1419

(4) Establish procedures for records to be kept of all 1420  
financial transactions of the association, its agents, and the 1421

board of directors;	1422
(5) Establish the procedures whereby selections for the	1423
board of directors will be made and submitted to the	1424
superintendent;	1425
(6) Establish any additional procedures for assessments	1426
under section 3956.09 of the Revised Code, including, but not	1427
limited to, allocating sums raised by assessments when two or	1428
more insolvencies occur in the same calendar year that are	1429
subject to the two per cent calendar year assessment limitation;	1430
(7) Contain additional provisions necessary or proper for	1431
the execution of the powers and duties of the association.	1432
(D) The plan of operation may provide that any or all	1433
powers and duties of the association, except those under	1434
division <del>(O) (3)</del> <u>(N) (3)</u> of section 3956.08 and section 3956.09 of	1435
the Revised Code, are delegated to a corporation, association,	1436
or other organization that performs or will perform functions	1437
similar to those of the association, or its equivalent, in two	1438
or more states. The corporation, association, or organization	1439
shall be reimbursed for any payments made on behalf of the	1440
association, and shall be paid for its performance of any	1441
function of the association. A delegation under this division	1442
shall take effect only with the approval of both the board of	1443
directors and the superintendent, and may be made only to a	1444
corporation, association, or organization that extends	1445
protection not substantially less favorable and effective than	1446
that provided by this chapter.	1447
<b>Sec. 3956.11.</b> (A) The superintendent of insurance shall:	1448
(1) Upon request of the board of directors of the Ohio	1449
life and health insurance guaranty association, provide the	1450

association with a statement of the premiums in this and any 1451  
other appropriate states for each member insurer; 1452

(2) When an impairment is declared and the amount of the 1453  
impairment is determined, serve a demand upon the impaired 1454  
insurer to make good the impairment within a reasonable time. 1455  
Notice to the impaired insurer shall constitute notice to its 1456  
shareholders, if any. The failure of the impaired insurer 1457  
promptly to comply with the demand shall not excuse the 1458  
association from the performance of its powers and duties under 1459  
this chapter. 1460

(3) In any liquidation or rehabilitation proceeding 1461  
involving a domestic member insurer, be appointed as the 1462  
liquidator or rehabilitator. 1463

(B) The superintendent, after notice and hearing, may 1464  
suspend or revoke the license or certificate of authority to 1465  
transact ~~insurance business~~ in this state of any member insurer 1466  
that fails to pay an assessment when due or fails to comply with 1467  
the plan of operation of the association. As an alternative, the 1468  
superintendent may levy a forfeiture on any member insurer that 1469  
fails to pay an assessment when due. The forfeiture shall not 1470  
exceed five per cent of the unpaid assessment per month, but 1471  
shall not be less than one hundred dollars per month. 1472

(C) Any action of the board of directors or the 1473  
association may be appealed to the superintendent by any member 1474  
insurer if the appeal is taken within sixty days of the final 1475  
action being appealed. If a member insurer is appealing an 1476  
assessment, the amount assessed shall be paid to the association 1477  
and be available to meet association obligations during the 1478  
pendency of the appeal. If the appeal on the assessment is 1479  
upheld, the amount paid in error or excess shall be returned to 1480

the member insurer. Any final action or order of the 1481  
superintendent is subject to review under Chapter 119. of the 1482  
Revised Code. 1483

(D) The liquidator, rehabilitator, or conservator of any 1484  
impaired or insolvent insurer may notify all interested persons 1485  
of the effect of this chapter. 1486

(E) Notwithstanding section 109.02 of the Revised Code, 1487  
the superintendent has sole authority to select and hire legal 1488  
counsel to represent the superintendent in ~~his~~ the 1489  
superintendent's role as rehabilitator or liquidator of an 1490  
impaired or insolvent insurer. 1491

**Sec. 3956.12.** To aid in the detection and prevention of 1492  
member insurer insolvencies or impairments: 1493

(A) The superintendent of insurance shall do all of the 1494  
following: 1495

(1) Notify the commissioners of insurance of all the other 1496  
states, territories of the United States, and the District of 1497  
Columbia when ~~he~~ the superintendent takes any of the following 1498  
actions against a member insurer: 1499

(a) Revocation of license; 1500

(b) Suspension of license; 1501

(c) Makes any formal order that such ~~company-member~~ 1502  
insurer restrict its premium writing, obtain additional 1503  
contributions to surplus, withdraw from the state, reinsure all 1504  
or any part of its business, or increase capital, surplus, or 1505  
any other account for the security of policyholders, contact 1506  
owners, certificate holders, or creditors. 1507

Notice under division (A) (1) of this section shall be 1508

mailed or delivered by electronic means to all insurance 1509  
commissioners within thirty days following the action taken or 1510  
the date on which the action occurs. 1511

(2) Report to the board of directors of the Ohio life and 1512  
health insurance guaranty association when ~~he~~ the superintendent 1513  
has taken any of the actions set forth in division (A)(1) of 1514  
this section or has received a report from any other insurance 1515  
commissioner indicating that any such action has been taken in 1516  
another state. The report to the board of directors shall 1517  
contain all significant details of the action taken or the 1518  
report received from another commissioner. 1519

(3) Report to the board of directors when ~~he~~ the 1520  
superintendent has reasonable cause to believe, from any 1521  
completed or ongoing examination of any member ~~company~~ insurer, 1522  
that the ~~company~~ member insurer may be an impaired or insolvent 1523  
insurer; 1524

(4) Furnish to the board of directors the national 1525  
association of insurance commissioners' insurance regulatory 1526  
information service (IRIS) ratios and listings of companies not 1527  
included in the ratios developed by the commissioners. The board 1528  
may use the information contained in this report in carrying out 1529  
its duties and responsibilities under this section. The report 1530  
and the information contained in the report shall be kept 1531  
confidential by the members of the board of directors until such 1532  
time as made public by the superintendent or other lawful 1533  
authority. 1534

(B) The superintendent may seek the advice and 1535  
recommendation of the board of directors concerning any matter 1536  
affecting ~~his~~ the superintendent's duties and responsibilities 1537  
regarding the financial condition of member insurers and 1538

~~companies insurers or health insuring corporations~~ seeking 1539  
admission to transact ~~insurance~~ business in this state. 1540

(C) The board of directors, upon majority vote, may make 1541  
reports and recommendations to the superintendent upon any 1542  
matter germane to the solvency, rehabilitation, or liquidation 1543  
of any member insurer or germane to the solvency of any ~~company-~~ 1544  
insurer or health insuring corporation seeking to do ~~an-~~ 1545  
~~insurance~~ business in this state. The reports and 1546  
recommendations are not public records. 1547

(D) The board of directors, upon majority vote, may notify 1548  
the superintendent of any information the board possesses that 1549  
indicates any member insurer may be an impaired or insolvent 1550  
insurer. 1551

~~(E) The board of directors, upon majority vote, may~~ 1552  
~~request that the superintendent order an examination of any~~ 1553  
~~member insurer that the board in good faith believes may be an~~ 1554  
~~impaired or insolvent insurer. Within thirty days of the receipt~~ 1555  
~~of such request, the superintendent shall begin the examination.~~ 1556  
~~The examination may be conducted as a national association of~~ 1557  
~~insurance commissioners examination or may be conducted by the~~ 1558  
~~persons the superintendent designates. The cost of the~~ 1559  
~~examination shall be paid by the association and the examination~~ 1560  
~~report shall be treated as are other examination reports. The~~ 1561  
~~examination report shall not be released to the board of~~ 1562  
~~directors of the association prior to its release to the public,~~ 1563  
~~but this shall not preclude the superintendent from complying~~ 1564  
~~with division (A) of this section. The superintendent shall~~ 1565  
~~notify the board of directors when the examination is completed.~~ 1566  
~~The request for an examination shall be kept on file by the~~ 1567  
~~superintendent but it shall not be open to public inspection~~ 1568

~~prior to the release of the examination report to the public.~~ 1569

~~(F) The board of directors, upon majority vote, may make~~ 1570  
~~recommendations to the superintendent for the detection and~~ 1571  
~~prevention of member insurer insolvencies.~~ 1572

~~(G) The board of directors, at the conclusion of any~~ 1573  
~~insurer insolvency in which the association was obligated to pay~~ 1574  
~~covered claims, may prepare a report to the superintendent~~ 1575  
~~containing information it may have in its possession bearing on~~ 1576  
~~the history and causes of such insolvency. The board shall~~ 1577  
~~cooperate with the boards of directors of guaranty associations~~ 1578  
~~in other states in preparing a report on the history and causes~~ 1579  
~~of insolvency of a particular insurer, and may adopt by~~ 1580  
~~reference any report prepared by the other associations.~~ 1581

**Sec. 3956.13.** (A) Nothing in this chapter shall be 1582  
construed to reduce the liability for unpaid assessments of the 1583  
insureds or enrollees of an impaired or insolvent insurer 1584  
operating under a plan with assessment liability. 1585

(B) Records shall be kept of all resolutions adopted by 1586  
the Ohio life and health guaranty association in carrying out 1587  
its powers and duties under section 3956.08 of the Revised Code. 1588  
The records shall be made public only upon the termination of a 1589  
rehabilitation or liquidation proceeding involving the impaired 1590  
or insolvent insurer, upon the termination of the impairment or 1591  
insolvency of the member insurer, or upon the order of a court 1592  
of competent jurisdiction. Nothing in this division shall limit 1593  
the duty of the association to render a report of its activities 1594  
under section 3956.14 of the Revised Code. 1595

(C) For the purpose of carrying out its obligations under 1596  
this chapter, the association shall be deemed to be a creditor 1597

of the impaired or insolvent insurer to the extent of assets 1598  
attributable to covered policies or contracts, reduced by any 1599  
amounts to which the association is entitled as subrogee 1600  
pursuant to division ~~(L)~~ (K) of section 3956.08 of the Revised 1601  
Code. Assets of the impaired or insolvent insurer attributable 1602  
to covered policies or contracts shall be used to continue all 1603  
covered policies or contracts and pay all contractual 1604  
obligations of the impaired or insolvent insurer as required by 1605  
this chapter. As used in this division, "assets attributable to 1606  
covered policies or contracts" means that proportion of the 1607  
assets that the reserves that should have been established for 1608  
covered policies or contracts bear to the reserves that should 1609  
have been established for all policies or contracts of insurance 1610  
or health benefit plans written by the impaired or insolvent 1611  
insurer. 1612

(D) (1) As a creditor of the impaired or insolvent insurer 1613  
as established in division (C) of this section and consistent 1614  
with section 3903.34 of the Revised Code, the association and 1615  
other similar associations shall be entitled to receive a 1616  
disbursement of assets out of the marshaled assets, from time to 1617  
time as the assets become available to reimburse it, as a credit 1618  
against contractual obligations under this chapter. 1619

(2) If the liquidator has not, within one hundred twenty 1620  
days of a final determination of insolvency of a member insurer 1621  
by the receivership court, made an application to the court for 1622  
the approval of a proposal to disburse assets out of marshaled 1623  
assets to guaranty associations having obligations because of 1624  
the insolvency, then the association shall be entitled to make 1625  
application to the receivership court for approval of its own 1626  
proposal to disburse these assets. 1627

(E) (1) Prior to the termination of any rehabilitation or liquidation proceeding, the court may take into consideration the contributions of the respective parties, including the association, the shareholders, contract owners, certificate holders, enrollees, and policyowners of the insolvent insurer, and any other party with a bona fide interest, in making an equitable distribution of the ownership rights of the insolvent insurer. In this determination, consideration shall be given to the welfare of the policyholders, contract owners, certificate holders, and enrollees of the continuing or successor member insurer. 1628  
1629  
1630  
1631  
1632  
1633  
1634  
1635  
1636  
1637  
1638

(2) No distribution to stockholders, if any, of an impaired or insolvent insurer shall be made until the total amount of valid claims of the association with interest on that amount at a rate not less than the rate allowed under 96 Stat. 2478, 28 U.S.C.A. 1961 for funds expended in carrying out its powers and duties under section 3956.08 of the Revised Code with respect to such member insurer have been fully recovered by the association. 1639  
1640  
1641  
1642  
1643  
1644  
1645  
1646

~~(E) (1)~~ (F) (1) If an order for rehabilitation or liquidation of ~~an~~ a member insurer domiciled in this state has been entered, the rehabilitator or liquidator may recover on behalf of the member insurer, from any affiliate that controlled it, the amount of distributions, other than stock dividends paid by the member insurer on its capital stock, made at any time during the five years preceding the complaint for liquidation or rehabilitation, subject to the limitations of divisions ~~(E) (2)~~ (F) (2) and (4) of this section. 1647  
1648  
1649  
1650  
1651  
1652  
1653  
1654  
1655

(2) No distribution shall be recoverable if the member insurer shows that, when paid, the distribution was lawful and 1656  
1657

reasonable and that the member insurer did not know and could 1658  
not reasonably have known that the distribution might adversely 1659  
affect the ability of the member insurer to fulfill its 1660  
contractual obligations. 1661

(3) Any person who was an affiliate that controlled the 1662  
member insurer at the time the distributions were paid is liable 1663  
up to the amount of distributions ~~he~~ the person received. Any 1664  
person who was an affiliate that controlled the member insurer 1665  
at the time the distributions were declared is liable up to the 1666  
amount of distributions ~~he~~ the person would have received if 1667  
they had been paid immediately. If two or more persons are 1668  
liable with respect to the same distributions, they are jointly 1669  
and severally liable. 1670

(4) The maximum amount recoverable under this division 1671  
shall be the amount needed in excess of all other available 1672  
assets of the insolvent insurer to pay the contractual 1673  
obligations of the insolvent insurer. 1674

(5) If any person liable under division ~~(E) (3)~~ (F) (3) of 1675  
this section is insolvent, all its affiliates that controlled it 1676  
at the time the distribution was paid are jointly and severally 1677  
liable for any resulting deficiency in the amount recovered from 1678  
the insolvent affiliate. 1679

**Sec. 3956.16.** There shall be no liability on the part of, 1680  
and no cause of action of any nature shall arise against, any 1681  
member insurer or its agents or employees, the Ohio life and 1682  
health guaranty association or its agents or employees, the 1683  
board of directors or any member of the board, or the 1684  
superintendent of insurance or ~~his~~ the superintendent's 1685  
representatives, for any action or omission by them pursuant to 1686  
the purposes and provisions of this chapter or in the 1687

performance of their powers and duties under this chapter. 1688  
Immunity under this section extends to the participation in any 1689  
organization of one or more other state associations of similar 1690  
purposes as provided in division ~~(O) (7)~~ (N) (7) of section 1691  
3956.08 of the Revised Code, and to any such organization and 1692  
its agents and employees. 1693

**Sec. 3956.18.** (A) (1) No person shall make, publish, 1694  
disseminate, circulate, or place before the public, or cause to 1695  
be made, published, disseminated, circulated, or placed before 1696  
the public, in any newspaper, magazine, or other publication, or 1697  
in the form of a notice, circular, pamphlet, letter, or poster, 1698
