As Introduced

134th General Assembly Regular Session 2021-2022

S. B. No. 275

Senator Antani

Cosponsor: Senator Antonio

A BILL

То	amend	section	3701.242	of	the	Revised	Code	1
	regard	ling HIV	testing.					2

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF OHIO:

Section 1. That section 3701.242 of the Revised Code be	3
amended to read as follows:	4
Sec. 3701.242. (A) An HIV test may be performed on an	5
individual by or on the order of a health care provider who, in	6
the exercise of the provider's professional judgment, determines	7
the test to be necessary for providing diagnosis and treatment-	8
to the individual to be tested, if the individual or the	9
individual's parent or guardian has given general consent to the	10
provider for medical or other health care treatment . The <u>and if</u>	11
<u>the</u> health care provider -shall inform or an authorized	12
representative of the health care provider has notified the	13
individual of that the HIV test is planned and of the	14
individual's right under division (D) of this section to an	15
anonymous to refuse the test. The notification may be verbal or	16
written, in person or electronic, or any combination thereof.	17
If the individual or a parent or quardian has given	18

As Introduced

general consent for care, no additional consent is required for	19			
HIV testing so long as notice of the test and the right to	20			
refuse was provided in accordance with this section.	21			
If an individual refuses the test, it shall be noted in	22			
the individual's medical record.	23			
(B) A minor may consent to be given an HIV test. The	24			
consent is not subject to disaffirmance because of minority. The	25			
parents or guardian of a minor giving consent under this	26			
division are not liable for payment and shall not be charged for	27			
an HIV test given to the minor without the consent of a parent	28			
or the guardian.	29			
(C) The health care provider ordering an HIV test shall	30			
provide post-test counseling for an individual who receives an	31			
HIV-positive test result. The director of health may adopt rules	32			
in accordance with Chapter 119. of the Revised Code specifying	33			
the information to be provided in post-test counseling.	34			
(D) An individual shall have the right to an anonymous	35			
test. A health care facility or health care provider that does	36			
not provide anonymous testing shall refer an individual	37			
requesting an anonymous test to a site where it is available.	38			
(E) Divisions (B) to (D) of this section do not apply to	39			
the performance of an HIV test in any of the following				
circumstances:	41			
(1) When the test is performed in a medical emergency by a	42			
nurse or physician and the test results are medically necessary	43			
to avoid or minimize an immediate danger to the health or safety	44			
of the individual to be tested or another individual, except	45			
that post-test counseling shall be given to the individual if	46			
the individual receives an HIV-positive test result;	47			

S. B. No. 275
As Introduced

(2) When the test is performed for the purpose of research	48			
if the researcher does not know and cannot determine the	49			
identity of the individual tested;	50			
(3) When the test is performed by a person who procures,	51			
processes, distributes, or uses a human body part from a	52			
deceased person donated for a purpose specified in Chapter 2108.	53			
of the Revised Code, if the test is medically necessary to	54			
ensure that the body part is acceptable for its intended	55			
purpose;	56			
(4) When the test is performed on a person incarcerated in	57			
a correctional institution under the control of the department	58			
of rehabilitation and correction if the head of the institution				
has determined, based on good cause, that a test is necessary;	60			
(5) When the test is performed in accordance with section	61			
2907.27 of the Revised Code;	62			
2907.27 Of the Revised Code;	02			
(6) When the test is performed on an individual after the	63			
infection control committee of a health care facility, or other	64			
body of a health care facility performing a similar function				
determines that a health care provider, emergency medical	66			
services worker, or peace officer, while rendering health or	67			
emergency care to an individual, has sustained a significant				
exposure to the body fluids of that individual, and the				
individual has refused to give consent for testing.	70			
Section 2. That existing section 3701.242 of the Revised	71			
Code is hereby repealed.	72
