BROWNFIELD STUDY 14

(A) The foregoing appropriation item 715603, Brownfield Study, shall be used by the Ohio Environmental Protection Agency to conduct a study in conjunction with public universities in this state to determine where brownfield sites are located in this state. 15
16
17
18
19

(B) The study shall do all of the following: 20

(1) Identify and determine the number of brownfield sites in this state in need of cleanup; 21
22

(2) Estimate the cost of performing cleanup at the identified brownfield sites; 23
24

(3) Identify funding sources to support the cleanup of identified brownfield sites; 25
26

(4) Develop recommendations for changes to state and local laws and policies that would help facilitate the cleanup of the identified brownfield sites; 27
28
29

(5) Study and develop recommendations regarding any other issue relevant to the cleanup of brownfield sites in this state. 30
31

(C) The Ohio Environmental Protection Agency shall complete a report with its findings and recommendations not later than January 1, 2023, and submit its report to the General 32
33
34

Assembly. The Director shall make the report readily accessible 35
to the public on the Ohio Environmental Protection Agency's web 36
site. 37

(D) As used in this section, "brownfield" means an 38
abandoned, idled, or under-used industrial, commercial, or 39
institutional property where expansion or redevelopment is 40
complicated by known or potential releases of hazardous 41
substances or petroleum. 42

Section 2. Within the limits set forth in this act, the 43
Director of Budget and Management shall establish accounts 44
indicating the source and amount of funds for each appropriation 45
made in this act, and shall determine the form and manner in 46
which appropriation accounts shall be maintained. Expenditures 47
from appropriations contained in this act shall be accounted for 48
as though made in the main operating appropriations act of the 49
133rd General Assembly. 50

The appropriations made in this act are subject to all 51
provisions of H.B. 166 of the 133rd General Assembly that are 52
generally applicable to such appropriations. 53
