

H. B. No. 100
As Introduced

_____ moved to amend as follows:

Delete lines 174 through 178 and insert "depicting a flag, similar 1
to the flag of the United States, consisting of both of the following 2
elements: 3

(a) A black rectangle in the upper hoist corner bearing 4
fifty white five-pointed stars arranged in nine offset 5
horizontal rows; 6

(b) Thirteen horizontal stripes of equal height, the top 7
and bottom stripe being black, and alternating white and black 8
stripes in between, except that the eighth horizontal stripe 9
from the top of the flag or emblem, which appears directly below 10
the field of stars, is blue rather than white." 11

The motion was _____ agreed to.

SYNOPSIS 12

Thin blue line flag definition 13

R.C. 4781.40 (C) (10)

14

Modifies the definition of "thin blue line flag or
emblem," by describing the flag or emblem's appearance rather
than explaining its purpose.
